**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters**

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets Held at December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to Financial Statements

### Note 1 - Description of Plan

The following description of the River Birch, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of River Birch, LLC (the Employer and the Company) who have two consecutive months of service and are 21 years of age. The Plan provides retirement, death, and disability benefits. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan number is 001 and the employer identification number is 72-1217525.

#### Contributions

Each year, participants may contribute up to 12% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 27 mutual funds and a money market fund as investment options for participants. The Company contributes 75% of the first 8% of base compensation that a participant contributes to the Plan. The matching Company contribution is invested in the same manner as the employee contributions. Additional profit sharing amounts may be contributed at the option of the Company's Board of Directors.

#### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) non-vested participant forfeitures, and (c) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit provided from the participant's vested account.

#### Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in shares of various registered investment options. Participants may change their investment options daily.

## Notes to Financial Statements

### Note 1 - Description of Plan – (continued)

#### Vesting

Participants are 100% vested in their salary reduction and employer safe harbor contributions accounts at all times. Vesting in non-elective employer matching contributions depends on the number of completed periods of service during which the employer has maintained the Plan as follows:

|           |      |
|-----------|------|
| 1 period  | 0%   |
| 2 periods | 20%  |
| 3 periods | 40%  |
| 4 periods | 60%  |
| 5 periods | 80%  |
| 6 periods | 100% |

Participants earn one period of service for each twelve months of service from date of hire with 1,000 hours of service.

#### Payment of Benefits:

A participant has certain rights to direct the Plan administrator regarding the payment of the value of the participant's vested interest in his or her account due to death, disability, retirement, or other reasons.

#### Participant Loans

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the previous 12 months or 50% of the participant's vested account balance. Loan transactions are treated as transfers to and from the investment fund and the participant's loan fund. The repayment period of all loans shall not extend beyond five years from the date of the loan, unless the loan is for the purchase of the participant's primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing rate as determined quarterly by the Plan administrator. Interest rates for loans with balances as of December 31, 2021 were 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions, as applicable.

## Notes to Financial Statements

### Note 1 - Description of Plan – (continued)

#### Forfeitures

Forfeitures may be used to reduce employer contributions for future Plan years or pay Plan expenses and fees. During 2021, forfeitures of \$6,905 were used to pay Plan administrative fees. At December 31, 2021, approximately \$65,500 in forfeitures is available to pay future Plan expenses and fees.

### Note 2 - Summary of Significant Accounting Policies

#### Basis of Accounting:

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

#### Investment Valuation and Income Recognition:

Investments held by the Plan are valued at the fair market value of the underlying assets of the fund. Quoted market values are used to value investments. The accrual method of accounting is used. Employer and employee contributions for the Plan year, which are received after year-end, are recorded as well as related receivables. Benefit payments are recorded when paid.

Pension plan investments and financial statements are subject to market fluctuations that can rapidly change the fair value on a day-to-day basis. Such market swings can create material changes in appreciation (depreciation) of investments.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received in accordance with the modified cash basis of accounting. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

## Notes to Financial Statements

### Note 2 - Summary of Significant Accounting Policies (continued)

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions affecting certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### Benefits Paid

Benefits are recorded when paid. There are vested amounts due to terminated participants at year end.

#### Related Party Transactions

The Plan makes loans to Plan participants and, therefore, these transactions qualify as party-in-interest. In addition, certain investments in mutual funds, investments within the money market investment account and assets held in a non-discretionary trust within the Plan are managed by Mid Atlantic Trust Company, the Plan trustee. Purchases and sales involving these investment options are performed in the open market at fair value and qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

#### Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from the financial statements. These expenses were approximately \$15,000 for the year ended December 31, 2021.

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### Note 3 - Information Prepared and Certified by Trustee (Unaudited)

The following information included in the accompanying financial statements is obtained from data that has been prepared and certified to as complete and accurate by the trustee, Mid Atlantic Trust Company, for the years ended December 31, 2021 and 2020. Mid Atlantic Trust Company holds the Plan's investments in participant-directed mutual funds at December 31, 2021.

### Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

### Note 4 – Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

*Pooled Separate Accounts:* Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

### Note 5 – Plan Termination

## Notes to Financial Statements

### Note 6 – Risks and Uncertainties

The Plan has made available, through Mid Atlantic Trust Company, various investment options. These investment options are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near future would materially affect participants' balances and the amounts reported in the statements of net assets available for benefit and the statement of changes in net assets available for benefits. The Plan permits participants to direct the investment of their account balances under the Plan.

### Note 7 – Participant Loans

Participant Loans are valued at amortized cost, which approximates fair value. They were valued at \$122,436 for 2021 and \$145,847 for 2020.

### Note 8 – Priority Order of Participants' Claims and Guarantee of Benefits

The Plan is not covered under the Pension Benefit Guaranty Corporation termination insurance program. In the event of Plan termination, all trust funds subject to the provisions of the Plan shall be distributed to each participant according to the value of his or her account.

### Note 9 - Income Tax Status

The Plan is qualified cash or deferred arrangement established under Section 401(k) of the Internal Revenue Code. It is exempt from income taxes under Section 401(a) of the Internal Revenue Code. The Plan has executed an adoption agreement using the Paychex Defined Contribution Prototype Plan and Trust. The prototype Plan has received a favorable determination letter from the Internal Revenue Service dated April 10, 2014. The Plan administrator believes that the Plan continues to operate in accordance with the rules of the Internal Revenue Code and, therefore, continues to be tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

## Notes to Financial Statements

### Note 10 – Contingencies

In March 2020, the World Health Organization categorized COVID-19 as a pandemic, and the President of the United States declared the outbreak a national emergency. The pandemic has led to volatility in financial markets and has impacted, and may continue to impact, the market price of Plan assets. The pandemic is still ongoing and the duration of these uncertainties and financial effects cannot be reasonably estimated at this time.

### Note 11- Business Concentrations

The Employer/Sponsor and the participants are located in South Louisiana, which is susceptible to hurricanes. Hurricanes could interrupt business and the ability of participants to work for several weeks.

### Note 12 – Subsequent events

The Plan's investments decreased approximately 15% in value the first six months of 2022, due to stock market declines. Management believes the decreases are temporary, therefore no adjustments were made to the financial statements.

The Plan's management evaluated all subsequent events through the date of this report, which is the date the financial statements were available to be issued. Except for the event disclosed above, there were no other events which required to be disclosed or adjusted in the December 31, 2021 financial statements.

**INDEPENDENT AUDITOR'S REPORT**

To the Administrators of  
River Birch, LLC 401(k) Profit Sharing Plan and Trust

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements**

We have performed an audit of the accompanying financial statements of River Birch, LLC 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the 2021 financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

**Opinion on the 2021 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion on the 2021 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2021 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matters**

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Assets Held at December 31, 2021 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## Notes to Financial Statements

### Note 1 - Description of Plan

The following description of the River Birch, LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of River Birch, LLC (the Employer and the Company) who have two consecutive months of service and are 21 years of age. The Plan provides retirement, death, and disability benefits. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan number is 001 and the employer identification number is 72-1217525.

#### Contributions

Each year, participants may contribute up to 12% of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers 27 mutual funds and a money market fund as investment options for participants. The Company contributes 75% of the first 8% of base compensation that a participant contributes to the Plan. The matching Company contribution is invested in the same manner as the employee contributions. Additional profit sharing amounts may be contributed at the option of the Company's Board of Directors.

#### Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, (b) non-vested participant forfeitures, and (c) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit provided from the participant's vested account.

#### Investment Options

## Notes to Financial Statements

### Note 1 - Description of Plan – (continued)

#### Vesting

Participants are 100% vested in their salary reduction and employer safe harbor contributions accounts at all times. Vesting in non-elective employer matching contributions depends on the number of completed periods of service during which the employer has maintained the Plan as follows:

|           |      |
|-----------|------|
| 1 period  | 0%   |
| 2 periods | 20%  |
| 3 periods | 40%  |
| 4 periods | 60%  |
| 5 periods | 80%  |
| 6 periods | 100% |

Participants earn one period of service for each twelve months of service from date of hire with 1,000 hours of service.

#### Payment of Benefits:

A participant has certain rights to direct the Plan administrator regarding the payment of the value of the participant's vested interest in his or her account due to death, disability, retirement, or other reasons.

#### Participant Loans

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 reduced by the highest outstanding loan balance in the previous 12 months or 50% of the participant's vested account balance. Loan transactions are treated as transfers to and from the investment fund and the participant's loan fund. The repayment period of all loans shall not extend beyond five years from the date of the loan, unless the loan is for the purchase of the participant's primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the local prevailing rate as determined quarterly by the Plan administrator. Interest rates for loans with balances as of December 31, 2021 were 4.25% to 6.50%. Principal and interest are paid ratably through payroll deductions, as applicable.

## Notes to Financial Statements

### Note 1 - Description of Plan – (continued)

#### Forfeitures

Forfeitures may be used to reduce employer contributions for future Plan years or pay Plan expenses and fees. During 2021, forfeitures of \$6,905 were used to pay Plan administrative fees. At December 31, 2021, approximately \$65,500 in forfeitures is available to pay future Plan expenses and fees.

### Note 2 - Summary of Significant Accounting Policies

#### Basis of Accounting:

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

#### Investment Valuation and Income Recognition:

Investments held by the Plan are valued at the fair market value of the underlying assets of the fund. Quoted market values are used to value investments. The accrual method of accounting is used. Employer and employee contributions for the Plan year, which are received after year-end, are recorded as well as related receivables. Benefit payments are recorded when paid.

Pension plan investments and financial statements are subject to market fluctuations that can rapidly change the fair value on a day-to-day basis. Such market swings can create material changes in appreciation (depreciation) of investments.

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded when received in accordance with the modified cash basis of accounting. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

## Notes to Financial Statements

### Note 2 - Summary of Significant Accounting Policies (continued)

#### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions affecting certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### Benefits Paid

Benefits are recorded when paid. There are vested amounts due to terminated participants at year end.

#### Related Party Transactions

The Plan makes loans to Plan participants and, therefore, these transactions qualify as party-in-interest. In addition, certain investments in mutual funds, investments within the money market investment account and assets held in a non-discretionary trust within the Plan are managed by Mid Atlantic Trust Company, the Plan trustee. Purchases and sales involving these investment options are performed in the open market at fair value and qualify as party-in-interest transactions. Such transactions, while considered party-in-interest transactions under ERISA, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

#### Expenses

Certain expenses of maintaining the Plan are paid directly by the Employer and are excluded from the financial statements. These expenses were approximately \$15,000 for the year ended December 31, 2021.

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

### Note 3 - Information Prepared and Certified by Trustee (Unaudited)

The following information included in the accompanying financial statements is obtained from data that has been prepared and certified to as complete and accurate by the trustee, Mid Atlantic Trust Company, for the years ended December 31, 2021 and 2020. Mid Atlantic Trust Company holds the Plan's investments in participant-directed mutual funds at December 31, 2021.

### Note 4 – Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include
- quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability;
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

### Note 4 – Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2021 and 2020.

*Pooled Separate Accounts:* Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

### Note 5 – Plan Termination

## Notes to Financial Statements

### Note 6 – Risks and Uncertainties

The Plan has made available, through Mid Atlantic Trust Company, various investment options. These investment options are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near future would materially affect participants' balances and the amounts reported in the statements of net assets available for benefit and the statement of changes in net assets available for benefits. The Plan permits participants to direct the investment of their account balances under the Plan.

### Note 7 – Participant Loans

Participant Loans are valued at amortized cost, which approximates fair value. They were valued at \$122,436 for 2021 and \$145,847 for 2020.

### Note 8 – Priority Order of Participants' Claims and Guarantee of Benefits

The Plan is not covered under the Pension Benefit Guaranty Corporation termination insurance program. In the event of Plan termination, all trust funds subject to the provisions of the Plan shall be distributed to each participant according to the value of his or her account.

### Note 9 - Income Tax Status

The Plan is qualified cash or deferred arrangement established under Section 401(k) of the Internal Revenue Code. It is exempt from income taxes under Section 401(a) of the Internal Revenue Code. The Plan has executed an adoption agreement using the Paychex Defined Contribution Prototype Plan and Trust. The prototype Plan has received a favorable determination letter from the Internal Revenue Service dated April 10, 2014. The Plan administrator believes that the Plan continues to operate in accordance with the rules of the Internal Revenue Code and, therefore, continues to be tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

## Notes to Financial Statements

### Note 10 – Contingencies

In March 2020, the World Health Organization categorized COVID-19 as a pandemic, and the President of the United States declared the outbreak a national emergency. The pandemic has led to volatility in financial markets and has impacted, and may continue to impact, the market price of Plan assets. The pandemic is still ongoing and the duration of these uncertainties and financial effects cannot be reasonably estimated at this time.

### Note 11- Business Concentrations

The Employer/Sponsor and the participants are located in South Louisiana, which is susceptible to hurricanes. Hurricanes could interrupt business and the ability of participants to work for several weeks.

### Note 12 – Subsequent events

The Plan's investments decreased approximately 15% in value the first six months of 2022, due to stock market declines. Management believes the decreases are temporary, therefore no adjustments were made to the financial statements.

The Plan's management evaluated all subsequent events through the date of this report, which is the date the financial statements were available to be issued. Except for the event disclosed above, there were no other events which required to be disclosed or adjusted in the December 31, 2021 financial statements.
