Independent Auditor's Report

The Plan Administrator and Participants
Waste Eliminator Inc 401(k) Profit Sharing Plan and Trust
Norcross, Georgia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Waste Eliminator Inc 401(k) Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated July 19, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Waste Eliminator Inc 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

1. Description of the Plan

The following brief description of the Waste Eliminator Inc 401(k) Profit Sharing Plan and Trust (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

General

The Plan is a defined contribution plan covering all non-excluded employees of Waste Eliminator, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The original effective date of the Plan was January 1, 2018, subsequently restated as of January 1, 2021.

Eligibility

All employees, excluding those who are: non-resident aliens, covered by a collective bargaining agreement, or become an employee as a result of certain transactions described in 26 CFR 410(b)(6)(C) of the Internal Revenue Code (IRC), who attain the age of 18 and complete 4 consecutive months of eligibility service are eligible. Participants become eligible to participate on the first day of the month following completion of the eligibility requirements.

Contributions

Each year, participants may contribute up to 92% of their compensation so long as it is an amount equal to or below the dollar limitation set forth in Section 402(g) of the IRC in effect at the beginning of the Plan year. Roth elective deferrals are also permitted under the Plan. Eligible employees who have attained age 50 before the close of the Plan year are allowed to make catch-up contributions up to the maximum allowed by the IRC. Contributions are subject to certain limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Company makes matching contributions equal to 100% of contributions up to 3% and 50% of contributions up to 5% of eligible compensation for all participants. Profit-sharing contributions may be made at the option of the Company's governing body. No such profit-sharing contribution was made during the year ended December 31, 2021. Participants direct the investment of their contributions into various investment options offered by the Plan. A current description of the investment funds may be obtained from the Plan administrator.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the Company's contributions and Plan earnings or losses. Allocations are based on participant compensation, deferrals, or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

A participant may borrow from their pretax vested account balance, a minimum of \$1,000. The maximum amount of an outstanding loan cannot exceed the lesser of 95% of one-half the vested account balance or 95% of the total vested account balance, excluding the Roth elective deferral balance. Under no event will the loan amount exceed the lesser of \$50,000 or 50% of the non-forfeitable individual account of the participant. The interest rate on all loans will be computed on the basis of the prime rate plus 1%, ranging from 4.25% to 5.75% for the year ended December 31, 2021. Loan repayments will be made ratably through regular payroll deductions over a period not to exceed five years, unless for the purchase of a principal residence.

1. Description of the Plan (cont.)

Vesting

Participants are immediately and fully vested in their employee deferrals, their voluntary and rollover contributions, plus actual earnings thereon. Vesting in the Company's contributions is based on years of continuous service. A participant is vested 20% after 2 years of service, 40% after 3 years of service, 60% after 4 years of service, 80% after 5 years of service, and 100% after 6 years of service.

Investments

The Plan offers investment options through Mid Atlantic Trust Company (MATC), the custodian of the Plan assets. All investment options are 100% participant directed. Participants can choose from a wide array of investment options.

Payment of Benefits

A participant's contributions and Company contributions may be withdrawn upon retirement (on or after the attainment of normal retirement age), termination of employment, disability, or death. In-service distributions are allowed for participants who have reached the age 59½. Participants may elect to have distributions paid in a lump-sum, annuities, or installments. Hardship withdrawals are not permitted under the Plan.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Fees related to the administration of distributions are taken out of the gross distribution to the participant. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Forfeitures

Forfeited non-vested accounts totaled \$8,005 and \$880 on December 31, 2021 and 2020, respectively. Forfeited funds must be used first to pay the Plan's administrative expenses then to reduce future Company contributions. During the year ended December 31, 2021, \$6,065 of forfeitures were used to reduce administrative expenses and \$880 were used to reduce Company contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan were prepared using the accrual basis of accounting. The Plan follows accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

2. Summary of Significant Accounting Policies (cont.)

Investments Valuation and Income Recognition

The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (the exit price). See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

3. Certified Information

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL)'s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, MATC certified that the financial information included in the financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, provided to the Plan is complete and accurate. The information as to investment assets and transactions therein, and investment income (loss) included in the accompanying financial statements and supplemental schedule as of December 31, 2021 and 2020, and for the year ended December 31, 2021, is covered by such certification.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

The Plan follows Accounting Standards Codification (ASC) topic 820, Fair Value Measurement, which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below.

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Notes to Financial Statements

4. Fair Value Measurements (cont.)

Basis of Fair Value Measurement (cont.)

Level 2 - Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;

Level 3 - Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds - Shares of mutual funds represent investments with various investment managers. The fair values of these funds are determined by reference to the registered investment companies' underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value (NAV) as of December 31, 2021 and 2020. It is not probable that the mutual funds will be sold at amounts that differ materially from the NAV of shares held.

Money Market Fund - Money market mutual fund is valued using the amortized cost method of valuation or penny-rounding method of pricing as permitted by Rule 2a-7 under the Investment Company Act of 1940, as amended, which approximates their fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

<i>December 31, 2021</i>		Level 1		Level 2		Level 3		Total

Notes to Financial Statements

5. Related Parties and Party-In-Interest Transactions

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Company, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Notes receivable from participants are defined by ERISA as party-in-interest transactions. Such transactions are exempt from the prohibited transaction rules.

6. Tax Status

The Plan is based on the Prototype Non-Standardized Profit Sharing Plan with CODA (Prototype Plan) of Paychex Inc. which received an opinion letter from the Internal Revenue Service (IRS) dated April 10, 2014, stating that the Prototype Plan was designed in accordance with the provisions of the IRC. The Plan has been amended since the date of the opinion letter; however, the Plan administrator believes that the Plan, as amended, is currently designed, and being operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan's net investment income is exempt from income taxes.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

8. Risks and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

In January 2020, the World Health Organization declared the outbreak of a novel coronavirus (COVID-19) as a "Public Health Emergency of International Concern," which continues to spread throughout the world and has adversely impacted global commercial activity and contributed to volatility in financial markets. The coronavirus outbreak and government responses are creating disruption in global supply chains and adversely impacting many industries. The outbreak could have a continued impact on economic and market conditions and trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate impact of the coronavirus outbreak. Nevertheless, the outbreak presents uncertainty and risk with respect to the Plan, its investment performance, and overall financial results.

9. Subsequent Events

The Plan has evaluated, for consideration of recognition or disclosure, subsequent events that have occurred through the date of issuance, October 07, 2022, and has determined that, except for the matters noted below, no significant events occurred after December 31, 2021, but prior to the issuance of these financial statements, that would have a material impact on its financial statements.

Effective May 20, 2022, the Plan was restated based on the Non-Standardized Pre-Approved Profit Sharing Plan with CODA of Paychex Inc. The Plan now provides for automatic employee deferrals of 3% of eligible compensation, as defined in the Plan agreement, unless the participant makes a contrary election.
