## Independent Auditor's Report

To The Employee Benefits Committee of the  
INOAC USA 401(k) Savings Plan:

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of INOAC USA 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

## ***Other Matters***

### ***2021 Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule H, Part IV, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.

#### **In our opinion**

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditor's Report on the 2020 Financial Statements*

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 30, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

## **Notes to Financial Statements**

**December 31, 2021 and 2020**

### **1. Description of the Plan**

The following description of INOAC USA 401(k) Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan documents for a more complete description of the Plan’s provisions.

#### ***General***

Effective April 1, 2011, the Plan was amended and changed its name from INOAC Automotive, LLC 401(k) Savings Plan. On August 1, 2011, INOAC USA, Inc. Retirement Savings Plan which included INOAC Packaging Group, Inc. (“IPG”) joined the Plan. On October 1, 2014, INOAC Interior Systems L.L.C. (“IIS”) began participating in the Plan and started making contributions from January 1, 2015.

The Plan is a defined contribution plan covering all employees of INOAC Group North America, L.L.C., INOAC USA Inc., IPG, and IIS (collectively the “Company,” “Employer” or the “Plan Sponsor”). Contributions to the Plan are authorized under Section 401(k) of the Internal Revenue Code (the “Code”). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan is established to encourage long-term savings and provides additional funds to participants for their retirement. The Employee Benefits Committee (the “Committee”) of the Plan is responsible for oversight of the Plan. The Plan Administrator determines the appropriateness of the Plan’s investment offerings, monitors investment performance and reports to the Plan’s Committee.

#### ***Trust Agreement***

Ascensus Trust Company is the trustee of the Plan (the “Trustee”), and Ascensus Inc. provides record-keeping and administrative services for the Plan (“Ascensus”).

#### ***Investments***

Participants direct the investment of their contributions and the Company’s contributions into various mutual funds offered by the Plan as investment options for participants. Participants may change investments and transfer amounts between funds daily.

#### ***Eligibility***

All employees will be eligible for deferral contributions to the Plan and the Company matching contribution and will be automatically enrolled in the Plan on the first day of the month following their hired date if they don't sign a waiver. All participants are eligible for the Company's discretionary profit-sharing contribution during the Plan year.

#### ***Contributions***

Each year, each eligible employee (the "participant") may contribute up to 100% of pretax annual compensation, as defined by the Plan, limited to a maximum of \$19,500 in both 2021 and 2020. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of an additional \$6,500 in both 2021 and 2020 above the annual limit. The Company contributes an amount equal to 50% of a participant's contribution up to a maximum of 6% of the participant's compensation, as defined by the Plan (the "Matching Contribution"). In addition, the Company may contribute an amount to be determined from year to year at the discretion of each participating employer on a separate basis to the Plan (the "Profit Sharing Contribution"). During the year ended December 31, 2021, no Profit Sharing Contribution was made.

#### ***Notes Receivable from Participants***

A participant may borrow from a minimum of \$1,000 up to the lesser of \$50,000 or 50% of the participant's vested account balance. Loan repayment terms range from 1 to 5 years, but a longer repayment term of up to 15 years is allowed to purchase a primary residence. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by Ascensus, in accordance with the Plan documents. Principal and interest are paid ratably through payroll deductions. As of December 31, 2021, interest rates ranged from 4.25% to 6.50% with maturities at various dates through 2033.

#### ***Payment of Benefits***

Upon termination of employment, a participant will receive a lump-sum amount equal to the vested portion of the account. Upon retirement, death while being an employee of the Company or disability while being a participant of the Plan, a participant or designated beneficiary will be entitled to all of the participant's account balance. A participant who terminates employment for any reason other than death may elect to have the funds remain in the Plan or have the balance in its account transferred to another plan approved under Section 401(a) of the Code of 1986. A participant with a vested account balance of less than \$5,000 may receive a single lump-sum payment.

### ***Vesting***

Participants are fully vested immediately in their contributions plus actual earnings thereon. The vesting percentages in the participants' accounts attributable to the Matching Contribution and the Profit Sharing Contribution are shown in the following Schedule:

| <b>Participant's Years of Service</b> | <b>Employer's Matching Contribution Percent Vested</b> | <b>Employer's Profit Sharing Contribution Percent Vested</b> |
|---------------------------------------|--------------------------------------------------------|--------------------------------------------------------------|
| Less than one year                    | 0%                                                     | 0%                                                           |
| One year                              | 20%                                                    | 20%                                                          |
| Two years                             | 60%                                                    | 60%                                                          |
| Three years                           | 100%                                                   | 100%                                                         |

In addition to the above vesting Schedule, all participants age 59-1/2 and above are 100% vested in the Matching Contribution and the Profit Sharing Contribution.

### ***Participant Accounts***

Each participant's account is credited with (a) the participant's contributions, (b) the Matching Contributions, (c) the Profit Sharing Contribution, and (d) Plan's earnings and losses. Allocations are based on participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### ***Forfeited Accounts***

The non-vested portion of a terminated participant's account balance remains in the Plan and is called a forfeiture. At December 31, 2021 and 2020, there were forfeited non-vested account balances of approximately \$30,000 and \$152,000, respectively. Forfeitures attributable to the Profit Sharing Contributions are added to any employer discretionary profit sharing contributions. Forfeitures attributable to the Matching Contributions are used to reduce any matching contributions. Approximately \$298,000 of forfeitures were used to reduce the 2021 matching contributions and certain administrative expenses for the year ended December 31, 2021.

## ***2. Summary of Significant Accounting Policies***

### ***Basis of Accounting***

The financial statements of the Plan are presented on the accrual basis of accounting.

## **INOAC USA 401(k) Savings Plan**

### **Notes to Financial Statements (continued)**

#### ***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires Plan management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

#### ***Investment Valuation and Income Recognition***

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan’s valuation policies utilizing information provided by the investment adviser and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

#### ***Payment of Benefits***

Benefits are recorded when paid.

#### ***Excess Contributions Payable***

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) are recorded as a liability with a corresponding reduction to contributions. The Plan had excess deferral contributions of \$16 to the applicable participants for the year ended December 31, 2020 and was refunded in 2021. There was no excess contributions payable for the year ended December 31, 2021.

## **INOAC USA 401(k) Savings Plan**

### **Notes to Financial Statements (continued)**

#### ***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

#### ***Expenses***

Certain expenses of maintaining the Plan are paid directly by the Company at its discretion as provided by the Plan document and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Total administrative expenses incurred by the Plan amounted to approximately \$105,000 for the year ended December 31, 2021.

#### ***Subsequent Events***

The Plan evaluated the subsequent events through October 12, 2022 (report date), the date that the financial statements were available to be issued. The Plan has determined that there are no subsequent events required to be recorded or disclosed.

### **3. Amounts Certified by Trustee**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following is summary of the information that was certified by the Trustee, as complete and accurate as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

- Statements of Net Assets Available for Benefits — Investments of \$30,845,456 and \$28,418,505 as of December 31, 2021 and 2020, respectively, and notes receivable from participants of \$487,166 and \$464,013 as of December 31, 2021 and 2020, respectively.
- Statement of Changes in Net Assets Available for Benefits — Interest and dividends of \$257,153, interest income on notes receivable from participants of \$20,536 and net unrealized appreciation in fair value of investments of \$3,518,755 for the year ended December 31, 2021.

### 4. Fair Value Measurements

Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurements*, provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

|         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
|---------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Level 1 | Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Level 2 | <p>Inputs to the valuation methodology include:</p> <ul style="list-style-type: none"><li>a. Quoted prices for similar assets or liabilities in active markets;</li><li>b. Quoted prices for identical or similar assets or liabilities in inactive markets;</li><li>c. Inputs other than quoted prices that are observable for the asset or liability;</li><li>d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.</li></ul> <p>If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.</p> |
| Level 3 | Inputs to valuation methodology are unobservable and significant to the fair value measurement.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

## Notes to Financial Statements (continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth the Plan's assets at fair value, by level, within the fair value hierarchy as of December 31, 2021 and 2020:

| <i>Assets at Fair Value as of December 31, 2021</i> |               |         |         |               |
|-----------------------------------------------------|---------------|---------|---------|---------------|
|                                                     | Level 1       | Level 2 | Level 3 | Total         |
| Investments at fair value:                          |               |         |         |               |
| Mutual funds                                        | \$ 30,845,456 | \$ —    | \$ —    | \$ 30,845,456 |
| Total investments at fair value                     | \$ 30,845,456 | \$ —    | \$ —    | \$ 30,845,456 |

| <i>Assets at Fair Value as of December 31, 2020</i> |               |         |         |               |
|-----------------------------------------------------|---------------|---------|---------|---------------|
|                                                     | Level 1       | Level 2 | Level 3 | Total         |
| Investments at fair value:                          |               |         |         |               |
| Mutual funds                                        | \$ 28,418,505 | \$ —    | \$ —    | \$ 28,418,505 |
| Total investments at fair value                     | \$ 28,418,505 | \$ —    | \$ —    | \$ 28,418,505 |

The valuation methods as described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

## 5. Related Party Transactions and Party-in-Interest Transactions

Notes receivable from participants are considered party-in-interest transactions which amounted to \$487,166 and \$464,013 as of December 31, 2021 and 2020, respectively. Administrative expenses paid to Ascensus were \$104,956 for the year ended December 31, 2021. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

## **INOAC USA 401(k) Savings Plan**

### **Notes to Financial Statements (continued)**

#### **6. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

#### **7. Tax Status**

The Company has adopted a Prototype Non-standardized Plan maintained by Ascensus Inc., the Parent Company of the Trustee. The Plan administrator intends to rely on the favorable opinion letter dated March 31, 2008 issued by the IRS for the Prototype Non-standardized Plan and does not intend to apply to the IRS for a separate determination letter. The Plan's Committee believes that the Plan and the trust established under the Plan meet the requirements of Section 401(a) of the Code and are exempt from Federal income tax under Section 501(a) of the Code. The Plan's Committee is not aware of any course of action or series of events that might adversely affect the Plan's qualifying status. The Plan has been amended since the last prototype letter was received; however, the Plan administrator continues to believe that the Plan is being operated in accordance with the Code.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

#### **8. Correction on Qualified Non-Elective Contribution**

The Plan Sponsor allocated approximately \$3,000 of forfeitures at December 31, 2021 in connection with a Qualified Non-Elective Contribution ("QNEC"). IRS requires that all plans pass the nondiscrimination test for each plan year to maintain the tax-qualified plan status. At the December 31, 2021 plan year end, the Plan failed the Actual Deferral Percentage test as part of the nondiscrimination test. As a corrective action, the Plan Sponsor made the QNEC by utilizing the forfeiture in amount of approximately \$3,000 which is 100% vested during 2022.

### Notes to Financial Statements (continued)

#### 9. CARES and SECURE Acts

The Plan is in the process of operationally being amended to implement certain changes permitted by the Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”), which laws change the Plan to, among others, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted in accordance with applicable law and IRS guidance.

#### 10. Reconciliation of Financial Statements and Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

|                                                                            | <b>December 31,</b>  |                      |
