Plan Administrator
SDI Industries, Inc. Profit Sharing and 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of SDI Industries, Inc. Profit Sharing and 401(k) Plan (the "Plan"), a Profit Sharing plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (Modified Cash Basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (Modified Cash Basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (Continued)

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (Continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Independent Auditor's Report (Continued)

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis of Accounting

We draw your attention to Note 2A to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Independent Auditor's Report

Plan Administrator
SDI Industries, Inc. Profit Sharing and 401(k) Plan

We were engaged to audit the accompanying statement of net assets available for benefits (Modified Cash Basis) of SDI Industries, Inc. Profit Sharing and 401(k) Plan as of December 31, 2020 and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Massachusetts Mutual Life Insurance Company (Mass Mutual) and Voya Retirement Insurance and Annuity Company (Voya), the trustees of the Plan, except for comparing the information with the related information included in the financial statement. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the trustees as of December 31, 2020, that the information provided to the Plan administrator by the trustees is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statement. Accordingly, we do not express an opinion on the 2020 financial statement.

Independent Auditor's Report (Continued)

Basis of Accounting

We draw your attention to Note 2A to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statement

The form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the information certified by the trustees, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

SDI INDUSTRIES, INC.
PROFIT SHARING AND 401(K) PLAN
Notes to Financial Statements
December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the SDI Industries, Inc. (the "Company") Profit Sharing and 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a fully participant-directed defined contribution plan covering all non-union full-time employees of the Company who are eligible to participate in the Plan, if they so choose, after reaching the age of 21 and completing 30 days of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and subsequent laws.

The Plan has implemented certain provisions under the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the "SECURE Act"). These laws change the Plan to, among other provisions, allow certain eligible individuals to receive Coronavirus-related relief for loan repayments, suspend required minimum distributions, and delay the commencement date for required minimum distributions. The optional feature of Coronavirus-related distributions have been implemented to date. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable laws and IRS guidance.

B. Plan administration

The Company is the administrator of the Plan and as such, carries out the duties imposed by ERISA. The Company has delegated certain responsibilities for the operation and administration of the Plan. Trustee, custodial, and recordkeeping services were provided by Massachusetts Mutual Life Insurance Company (Mass Mutual) until August 2020 and then transferred to Voya Retirement Insurance and Annuity Company (Voya).

C. Contributions

Participants may contribute up to 100% of pretax or after tax (Roth) annual compensation, as defined in the Plan, up to the maximum allowed by law. The maximum allowed deferral amount was \$19,500 for 2021 and 2020. Participants age 50 and older may also contribute an additional \$6,500 to the Plan for 2021 and 2020. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan has an automatic contribution arrangement with an initial contribution of 1% of participant compensation and an annual automatic increase of 1% until such time the automatic contribution reaches 4% of participant compensation. Participants may elect out of the automatic contribution arrangement if they do not desire to participate in the Plan.

SDI INDUSTRIES, INC.
PROFIT SHARING AND 401(K) PLAN
Notes to Financial Statements
December 31, 2021

1. DESCRIPTION OF THE PLAN (CONTINUED)

C. Contributions (continued)

Employer matching and non-elective profit-sharing contributions are discretionary. During the year ended December 31, 2021, the employer made matching contributions equal to 25% of the participant's contribution up to 4% of compensation.

D. Participant accounts

Each participant's account is credited with the participant's contribution, rollovers, and allocations of Plan earnings and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

E. Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to an amount equal to the lesser of \$50,000 or 50% of their vested account balance. Participants may have only one outstanding loan at a time. Loans made under prior Plan provisions will remain outstanding until repaid in accordance with its terms. Loans are generally required to be repaid within five years. Repayment is extended if the loan is for the purchase of the participant's primary residence. Loans are secured by the balance in the participant's accounts and accrue interest at a rate of 2% over the prime rate (5.25% at December 31, 2021) at the issuance of the loan.

The outstanding notes receivable from participants as of December 31, 2021 and 2020 was \$187,893 and \$147,918, respectively.

F. Vesting

Participants are immediately vested in their contributions. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. The Plan interprets a year of service as a period of continuous employment in which a participant reaches 1,000 hours of service. Hours of service for salaried employees is determined by months worked, wherein 190 hours are credited for each month.

SDI INDUSTRIES, INC.
PROFIT SHARING AND 401(K) PLAN
Notes to Financial Statements
December 31, 2021

1. DESCRIPTION OF THE PLAN (CONTINUED)

F. Vesting (continued)

A participant's interest attributable to the annual Company contribution plus forfeitures shall vest as follows:

1 Year	20%
2 Years	40%
3 Years	60%
4 Years	80%
5 Years or more	100%

G. Payment of benefits

Distributions and withdrawals are payable upon termination of service due to death, disability, retirement or other reason. If a participant's account balance is equal to or less than \$1,000, the balance is distributed immediately in a lump-sum cash payment unless a direct rollover into another qualified benefit plan is requested. Balances between \$1,000 and \$5,000 will be rolled over to an individual retirement account designated by the administrator if the participant has not requested a lump-sum cash payment or a direct rollover into another qualified benefit plan.

If the account balance is over \$5,000, the participant can consent to either a distribution paid in the form of a lump-sum cash payment or a direct rollover into another qualified plan. The participant may also postpone payment to a later date and remain in the Plan as described in the Plan documents. Participants are also entitled to request an in-service distribution provided they have attained age 59 1/2.

H. Administrative expenses

With the exception of forfeitures that are used to pay the Plan's expenses and a quarterly fee which is paid by the Plan sponsor, the expenses of administration of the Plan are paid from and allocated among participants' accounts.

I. Forfeited accounts

Forfeited accounts are used, at the Company's discretion, for the payment of the Plan's administrative expenses, to the restoration of any participant's forfeited account balance upon re-employment, or to supplement the employer contribution. All expenses of maintaining the Plan not covered by forfeitures are paid by the Company. At December 31, 2021, forfeited non-vested accounts totaled \$0.

2. SUMMARY OF ACCOUNTING POLICIES

A. Basis of accounting

The financial statements of the Plan are prepared under the modified cash basis method of accounting. This accounting method differs from the accrual method of accounting in that it excludes recognition of dividend and interest income until the cash is actually received. Employer and employee contributions are recorded when received.

B. Use of estimates

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

C. Investment valuation and income recognition

The Plan's investments are reported at fair value, with the exception of the investment contract, which is stated at contract value (Note 8). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 7 for discussion of fair value measurements.

Investment contracts held by a defined contribution plan are reported at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributed to fully benefit-responsive investment contracts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income and dividend income are recorded on the date received. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

D. Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

E. Benefit payments

Benefits are recorded when paid.

SDI INDUSTRIES, INC.

3. INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined by a volume submitter letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The volume submitter plan is designed in accordance with applicable sections of the IRC, and that any employer adopting this form of the prototype Plan will be considered to have a plan qualified under applicable sections of the IRC. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

4. UNAUDITED INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Voya and Mass Mutual, the trustees of the Plan.

5. PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are interests in pooled separate accounts managed by Mass Mutual and Voya. Mass Mutual and Voya are the prior year trustees of the Plan and Voya is the sole and current trustee of the Plan in 2021, respectively, and therefore, these transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules of ERISA.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

SDI INDUSTRIES, INC.
PROFIT SHARING AND 401(K) PLAN
Notes to Financial Statements

7. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no Plan assets requiring the use of Level 3 inputs for the periods presented.

The Plan management has adopted the provision of ASU 2015-07 which removes the requirement to categorize within the fair value hierarchy investments for which fair values are estimated using the net asset value ("NAV") as a practical expedient.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled separate accounts:

Valued at the NAV of shares held by the Plan at year end. Those pooled separate accounts investing in mutual funds or domestic equity securities are measured using quoted prices in active markets for identical assets. Those pooled separate accounts directly investing in fixed maturity securities are measured based on the pricing data provided by outside valuation service providers who in turn generally use the mean of bid and ask prices but may also use alternative observable pricing inputs for certain securities.

The preceding methods described above may produce a fair value calculation that might not be indicative of current or future net realizable value. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents information about the Plan's assets measured at fair value as of December 31, 2021 and 2020:

	<u>2021</u>	<u>2020</u>
Pooled separate accounts measured at net asset value	\$ 8,524,255	\$ 7,183,844

SDI INDUSTRIES, INC.
PROFIT SHARING AND 401(K) PLAN
Notes to Financial Statements
December 31, 2021

7. FAIR VALUE MEASUREMENTS (CONTINUED)

Gains and losses included in changes in net assets available for benefits (modified cash basis) for the year ended December 31, 2021 are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the year ended December 31, 2021, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

8. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan offers the Voya Fixed Account Fund, a fully benefit-responsive investment contract, as an investment option to Plan participants. As of December 31, 2021, the Plan's participants had \$536,934 invested in this insurance company contract.

Contributions to Voya under this contract are maintained in a general account. The contract is included in the financial statements at contract value as reported to the Plan by Voya. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Voya, represents contributions made under the contract, plus earnings on the underlying investments, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all, or a portion, of their investment at contract value.

There are no reserves against contract value for credit risk. The average yield and crediting interest rate was approximately 1.00% for 2021. The crediting interest rate is determined on a monthly basis by an actuarial formula and is subject to a guaranteed minimum floor as defined on an annual basis by Voya. The floor rate at December 31, 2021 was 1.00%. Earnings from this fund were \$2,958 for the year ended December 31, 2021.

9. NON-DISCRIMINATION TESTING

The Plan passed the ACP test and failed the ADP test for the year ended December 31, 2021. As a result of the test, the Plan trustees at the Company approved issuance of corrective distributions in the amount of \$6,155. These refunds will be paid to participants during the Plan year ending December 31, 2022.

SDI INDUSTRIES, INC.
PROFIT SHARING AND 401(K) PLAN
Notes to Financial Statements
December 31, 2021

10. RISKS AND UNCERTAINTIES

The Plan invests in various investment options that are exposed to various risks such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits (modified cash basis).

The ongoing COVID-19 pandemic continues to cause economic disruption on a global scale and has created significant uncertainty, volatility and disruption across economies and financial markets. While the disruption is expected to be temporary, there is considerable uncertainty around its duration. The Plan sponsor is uncertain at this time if this matter will impact the value of the Plan's investments in the coming year.

11. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 4, 2022, which is the date the financial statements were available to be issued.

No events have been identified that would require adjustment to or disclosure in the accompanying financial statements.
