INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Rogue Credit Union Capital Accumulation Plan
Medford, Oregon

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Rogue Credit Union Capital Accumulation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Rogue Credit Union Capital Accumulation Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rogue Credit Union Capital Accumulation Plan's ability to continue as a going concern for one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we—

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rogue Credit Union Capital Accumulation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rogue Credit Union Capital Accumulation Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, as listed in the table of contents, as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Rogue Credit Union Capital Accumulation Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 4, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements; and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN NOTES TO FINANCIAL STATEMENTS

1. Plan Description

The following description of the Rogue Credit Union Capital Accumulation Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of Plan provisions. The Plan's most recent restatement was effective January 1, 2016.

General

The Plan is a defined contribution profit sharing 401(k) plan covering all employees of Rogue Credit Union (the Employer) who have completed at least six months of service and are at least 20½ years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Trustees of CUNA Mutual Group oversees the governance of the Plan.

The Plan qualifies as a tax-exempt plan under the provisions of the Internal Revenue Code (IRC). The Plan became effective January 1, 1983, and was established under the CUNA (Credit Union National Association) Individual Account Master Plan, which incorporates the terms of the CUNA Mutual Capital Accumulation Plan. CMFG Life Insurance Company is responsible for all recordkeeping and reporting involving Plan participants and the participant directed investments. Any changes to the participant accounts are initiated by the participant and processed through CMFG Life Insurance Company.

As of January 1, 2013, the Plan was amended to allow for immediate participation for all employees of Chetco Federal Credit Union and Commercial Lending Solutions due to their acquisition by the Employer. The employees carried over years of service from their prior employer to the Plan. Balances transferred into the Plan by these acquired employees are reflected as rollover contributions into the Plan.

As of January 1, 2021, the Plan was amended to allow for immediate participation for all employees of Malheur Federal Credit Union due to their acquisition by the Employer. The employees carried over years of service from their prior employer to the Plan. Balances transferred into the Plan by these acquired employees are reflected as transfers into the Plan on the statements of changes in net assets available for benefits. See Note 8 regarding plan merger.

Contributions

Participants may elect to defer their gross compensation to the Plan up to the maximum amount allowable by law. Participants may elect that these deferrals be treated as pre-tax or after-tax (Roth), which are accounted for separately. Contributions are subject to certain limitations. Participants direct the investment of their contributions into various investment options offered by the Plan.

Effective January 1, 2014, a separate discretionary Employer match contribution was established with respect to employees hired before and after January 1, 2014. Employees hired before January 1, 2014, receive 160 percent on the first 5 percent of deferrals with a maximum match of 8 percent. Employees hired or rehired on or after January 1, 2014, receive a match of 100 percent on the first 5 percent of their compensation contributed as deferrals.

The Employer may also make a discretionary profit sharing contribution, to be determined at the end of each year. The Employer has elected to make no such contribution for the 2021 or 2020 Plan years.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Participant Accounts

Each participant's account is credited with the participant's and Employer's contributions, and an allocation of Plan earnings and expenses. Participant account balances are updated daily based on account activity and price changes of the investment fund. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their elective contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of service. A participant is 100 percent vested after five years of credited service according to the schedule below. Unvested portions of account balances of participants who leave employment may be used for future Employer contributions or to pay Plan expenses.

<u>Years of Service</u>	<u>Vesting Percentage</u>
0 to 1 year	0%
2 years but less than 3	25%
3 years but less than 4	50%
4 years but less than 5	75%
5 years	100%

Plan Administration

The accounting records of the Plan are maintained, with respect to Plan administration and investment transactions, by Matrix Trust Company and CMFG Life Insurance Company.

Notes Receivable from Participants

The Plan allows participants to borrow from their accounts at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are issued by the Plan and secured by the balance in the participant's account. Participants are allowed to have up to loans at one time. All loans must be repaid within a period not to exceed five years, unless the loan is used to purchase a principal residence, in which case the loan may be repaid over a longer period. Loans bear a reasonable rate of interest based on prevailing rates at the time of loan issuance.

As a result of the Coronavirus Aid, Relief and Economic Security (CARES) Act signed into law on March 27, 2020, the maximum loan amount increased to the lesser of \$100,000 or 100 percent of a participant's vested balance. This temporary relief only applies to loans initiated through September 22, 2020.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

1. Plan Description, continued

Payment of Vested Benefits

The method of vested benefit payments depends upon the marital status of the participant, as well as the elections made by the participant and his or her spouse. Upon termination of employment, the participant is entitled to receive the vested portion of his or her account balance under one or more options shown below:

- a. Joint and 50% survivor
- b. Joint and survivor
- c. Single life annuity
- d. Installments over assumed life expectancy
- e. Partial withdrawals
- f. Lump sum cash
- g. Rollover to an IRA or qualified plan
- h. Purchase of a different form of annuity

Vested benefits that do not exceed \$1,000 are distributed as a lump sum within a reasonable amount of time after termination of employment.

Unless otherwise elected, payment of benefits commences no later than the following:

- a. As soon as practicable following the participant's normal retirement age of 55.
- b. As soon as practicable following the participant's late retirement date, but in no event later than April 1 of the calendar year following the later of the year in which the participant reaches age 70½ or the year in which he or she retires.
- c. In the event of death, the "1-year rule" or "5-year rule" will apply depending upon chosen elections.
- d. In the event of disability, the retirement provisions will apply.
- e. Upon termination, the participant may elect to receive his or her benefits within a reasonable time following termination.
- f. In service distributions allowed after the participant reaches the age of 59½. Distributions can only be made from accounts that are fully vested.

Under the CARES Act, signed into law on March 27, 2020, qualifying participants affected by the COVID-19 coronavirus pandemic were eligible to take early withdrawals up to \$100,000, subject to special rules under the Act.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that are lost upon termination of employment. Forfeitures are retained in the Plan and are used to reduce Employer match contributions. Amounts forfeited from participant accounts during the years ended December 31, 2021 and 2020 totaled \$41,641 and \$38,281, respectively. In 2021 and 2020, employer cash contributions were reduced by forfeitures in the amounts of \$34,834 and \$42,519, respectively. Unused non-vested forfeitures available for future use at December 31, 2021 and 2020 totaled \$11,908 and \$4,251, respectively.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of changes in net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments, except for fully benefit-responsive insurance contracts discussed in Note 6, are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurement.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. The net change in fair value of investments includes realized and unrealized gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses and Fees

Expenses for administering and maintaining the Plan are paid by the Employer and are therefore excluded from these financial statements. Certain administrative, custodial, and investment management fees are paid from participants' accounts. Investment related expenses are included in net change in fair value of investments.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

3. Information Certified by the Plan's Custodians

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following information was certified as complete and accurate by the custodians, Matrix Trust Company and CMFG Life Insurance Company, as of and for the years ended December 31, 2021 and 2020:

	2021	2020
Investments, at fair value:		
Registered investment companies	\$ 23,397,942	\$ 16,433,203
Common/collective trusts	12,728,863	10,968,816
Investments, at contract value:		
Insurance contracts	5,809,676	4,362,076
Investment income (loss):		
Net change in fair value of investments	3,865,558	3,456,391
Interest Income	63,696	83,516
Dividend income	434,069	318,258

4. Tax Status

The Plan is a prototype plan. CUNA Mutual Insurance Society, the sponsor of the prototype plan, has received an opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, that the basic Plan document is acceptable pursuant to Section 401 of the Internal Revenue Code (IRC) and in compliance with requirements of the IRC. The Plan has been amended since the date of the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the acceptable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

5. Fair Value Measurements

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under professional standards are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

ROGUE CREDIT UNION CAPITAL ACCUMULATION PLAN
NOTES TO FINANCIAL STATEMENTS

5. Fair Value Measurements, continued

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to their fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Registered investment companies: The Plan's investments are units of mutual funds held within a group annuity contract. These funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded and considered to have a readily determinable fair value.

Common/collective trusts: Units held in the common/collective trusts are valued using the NAV of the fund. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. Participant transactions may occur daily at NAV. Pursuant to Accounting Standards Update (ASU) 2015-07, *Fair Value Measurements*, the common/collective trust measured at NAV have not been classified in the fair value hierarchy. All common/collective trust investments held by the Plan have no unfunded commitments, and the investments may be redeemed by participants on a daily basis with no required notice period.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

6. Insurance Contracts

On January 1, 2016, the Plan entered into a traditional benefit-responsive Deposit Administration Group Annuity (DAGA) investment contract with CMFG Life Insurance Company (CMFG). CMFG maintains the contributions in a general account (Stable Value Option), which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The DAGA issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, but may not be less than zero percent. The crediting rate is reviewed on a quarterly basis for resetting. The DAGA does not permit the insurance company to terminate the agreement under normal circumstances. The Plan Administrator believes the occurrence of such events that would also limit the Plan's ability to transact at contract value with the Plan participants is not probable.

7. Related Party and Party in Interest Transactions

Certain Plan investments are shares of mutual funds and collective trusts managed by CMFG Life Insurance Company. Fees paid for consulting and other Plan related services from participant accounts were \$148,462 and \$101,476 for the years ended December 31, 2021 and 2020, respectively. These party in interest transactions are exempt from the prohibited transaction rules of ERISA.

8. Plan Merger

Effective January 1, 2021, participants in the Malheur Federal Credit Union Capital Accumulation Plan (Malheur FCU Plan) became participants in the Plan, at which time the Malheur FCU Plan merged with the Plan. All participant accounts and Plan assets were transferred into the Plan by February 1, 2021 in the amount of \$2,920,654, at which point the Malheur FCU Plan was terminated.

9. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions and terminate the Plan subject to the provisions of ERISA. In the event of full or partial Plan termination, affected participants will become 100 percent vested in their Employer contributions.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect participants' account balances reported in the statements of net assets available for benefits.

11. Subsequent Events

Plan management evaluates events and transactions that occur after the statement of net assets available for benefits date as potential subsequent events. Management has performed this evaluation through the date of the independent auditor's report.
