Independent Auditor's Report

To the Plan Administrator
TeamWorld, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of TeamWorld, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
TeamWorld, Inc. 401(k) Plan

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered

To the Plan Administrator
TeamWorld, Inc. 401(k) Plan

material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and

To the Plan Administrator
TeamWorld, Inc. 401(k) Plan

was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of TeamWorld, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 4, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Sponsor's contributions, and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based proportionally on participant account balances, or as an equal dollar amount based on the number of participants in the Plan, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may change their investment options at any time.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their vested account balance. The total amount outstanding during any 12-month period may not exceed \$50,000. Participants are allowed only one loan outstanding. The maximum repayment term is five years, but this may be extended for the purchase or construction of a principal residence. The loans are secured by the participant's account. The loan interest rate, determined at the time the loan is processed, is set at a rate of prime plus 1%.

Principal and interest are paid ratably through payroll deductions. Upon termination from the Companies, the loan must be fully repaid by the participant, or it will be deemed distributed. These notes are valued at amortized cost.

Payment of Benefits

Normal retirement date for participants under the Plan is age 65. Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of their vested balance. Upon termination of employment, if the account balance is less than or equal to \$1,000, their entire vested balance will be distributed in the form of a lump-sum payment, even if they do not consent to a distribution. If the account balance is greater than \$1,000 but less than or equal to \$5,000, and the participant has not consented to a distribution, the participants vested balance will be automatically rolled over to an IRA selected by the Plan Administrator. If the account balance is greater than \$5,000, participants will receive a distribution from the Plan as soon as administratively feasible. If they do not consent to a distribution it will remain in the Plan, and any non-vested amounts will be forfeited. In the case of death, the remaining benefit will be distributed to the beneficiary or beneficiaries, as designated by the participant. Hardship withdrawals are available up to 100% of employee contributions subject to Internal Revenue Service (IRS) requirements. Distributions, without penalty, may be made upon attainment of age 59½.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from the vested portion of the participant accounts. All hardship withdrawals must comply with specific rules relating to hardships, which are uniformly applicable to all participants.

Administrative Expenses

Administrative costs are paid by the Sponsor, except for certain fees paid to the third-party trustee. The fees charged to the Plan were \$2,413 and \$1,704 for the years ended December 31, 2021 and 2020, respectively. Costs associated with administering the Plan and absorbed by the Plan sponsor totaled \$11,000 for both the years ended December 31, 2021 and 2020.

NOTE 1: DESCRIPTION OF PLAN (Continued)

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$7,840 and \$12,455, respectively. Forfeited participants accounts are used to reduce the Sponsor's contributions to the Plan. Amounts used totaled \$0 and \$3,876 for the years ended December 31, 2021 and 2020, respectively.

Fees and Exempt Parties-in-Interest Transactions

Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments. Personnel and facilities of the Sponsor have been used by the Plan for its accounting and other activities at no charge to the Plan.

For the years ended December 31, 2021 and 2020, certain Plan investments were shares of mutual funds managed by Fidelity through FMTC. The transactions noted above qualify as party-in-interest transactions. Those transactions, however, are specifically exempt from the Department of Labor's party-in-interest reporting requirements.

Notes receivable from participants represent a portion of the Plan's receivables. These transactions also qualify as party-in-interest transactions. Notes receivable from participants to the Plan were \$45,056 and \$28,027 as of December 31, 2021 and 2020, respectively.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on an accrual basis in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Plan Termination

Although they have not expressed intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participant accounts balances would become 100% vested.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value, unless otherwise stated. Quoted market prices are used to determine fair value of mutual fund investments. The Plan uses the settlement date for determining investment positions. The Plan presents in the statement of changes in net assets available for benefits the net appreciation (depreciation) in the fair value of its investments which consists of the realized gains (losses) and the unrealized appreciation (depreciation) on those investments.

Notes Receivable from Participants and Participant Loan Interest

Notes receivable from participants are measured on the unpaid principal balance. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent notes receivable are reclassified as distributions per the terms of the Plan document. Interest on participant loans is listed separately from investment income.

Contributions

Contributions from participants and from the Sponsor are recorded using the accrual basis.

Payment of Benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Events Occurring After Reporting Date

The Plan has evaluated subsequent events and transactions that occurred after December 31, 2021 through October 12, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. No significant events or transactions were identified that would require adjustment to, or disclosure in, these financial statements.

NOTE 3: INVESTMENTS AND FAIR MEASUREMENTS

For the years ended December 31, 2021 and 2020, the Plan utilized FMTC's service to determine its securities' fair values. The fair value of an asset is the amount at which that asset could be bought or sold in a current transaction between willing parties, that is, other than a forced sale. The Plan's financial assets carried at fair value have been classified, for disclosure purposes, and are based on hierarchy defined by FASB Codification Section 820. The Plan does not have any financial liabilities applicable under this guidance. The levels of fair value hierarchy are as follows:

- Level 1 - observable inputs based upon quoted market prices for identical assets or liabilities within active markets.

TEAMWORLD, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3: INVESTMENTS AND FAIR MEASUREMENTS (Continued)

- Level 2 - observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 - inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

Investment Category	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs	Total
Mutual Funds	\$ 2,798,994	\$ -	\$ -	\$ 2,798,994
Brokerage Accounts	62,956	-	-	62,956
Total	<u>\$ 2,861,950</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,861,950</u>

The following table sets forth, by level within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

Investment Category	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs	Total
Mutual Funds	\$ 2,242,437	\$ -	\$ -	\$ 2,242,437
Brokerage Accounts	135,631	-	-	135,631
Total	<u>\$ 2,378,068</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 2,378,068</u>

The Plan administrator has evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits. For the years ended December 31, 2021 and 2020, there were no such significant transfers.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3: INVESTMENTS AND FAIR MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Brokerage accounts, including cash reserve account, common and preferred stocks, and corporate bonds and notes: Valued at the closing price report on the active market on which the individual securities are traded.

The methods used may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different value measurement at the reporting date.

NOTE 4: TAX STATUS

The Plan has not obtained a determination letter, in which the Internal Revenue Service states that the Plan, as designed, is in compliance with the applicable requirements of the Internal Revenue Code (IRC). However, the Plan uses a prototype Plan document that has been deemed compliant for use in retirement Plans as per an opinion letter dated June 30, 2020. The Plan Administrator and the Plan's third-party administrator believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5: CONTRIBUTIONS

The Sponsor made matching contributions of \$190,067 and \$176,805 in 2021 and 2020, respectively. It did not make any discretionary profit-sharing contribution in either 2021 or 2020. Of these contributions, \$0 was receivable at both December 31, 2021 and 2020. The contributions receivable from participants was also \$0 at both December 31, 2021 and 2020.

NOTE 6: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
