INDEPENDENT AUDITORS' REPORT

Board of Trustees
Heritage Operations Group, LLC
Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Heritage Operations Group, LLC Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Heritage Operations Group, LLC Retirement Savings Plan's, financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Opinion, continued

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Heritage Operations Group, LLC Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Heritage Operations Group, LLC Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

Auditor's Responsibilities for the Audit of the Financial Statements, continued

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Heritage Operations Group, LLC Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Heritage Operations Group, LLC Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Supplemental Schedules Required by ERISA, continued

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- **the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.**
- **the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).**

INDEPENDENT AUDITORS' REPORT

Board of Trustees
Heritage Operations Group, LLC
Retirement Savings Plan

We were engaged to audit the accompanying statement of net assets available for benefits of Heritage Operations Group, LLC Retirement Savings Plan as of December 31, 2020, the statement of changes in net assets available for benefits for the year ended December 31, 2020, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on the 2020 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Great-West Life & Annuity Insurance Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2020, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

Report on Form and Content in Compliance With DOL Rules and Regulations for 2020 Financial Statements

The form and content of the information included in the 2020 financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**HERITAGE OPERATIONS GROUP, LLC
RETIREMENT SAVINGS PLAN**

**NOTES TO FINANCIAL STATEMENTS
December 31, 2021 and 2020**

Note 1 - Description of Plan

The following description of the Heritage Operations Group, LLC (the Company) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Company and its representatives are administrators of the Plan.

General: The Plan is a defined contribution plan covering all employees of the Company who have completed one year of service and attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Contributions: Participants may contribute up to an annual dollar limit set by the IRS. For the years ended December 31, 2021 and 2020, the limit was \$ 19,500, respectively. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The limit on catch-up contributions was \$ 6,500, respectively, for 2021 and 2020. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants who were automatically enrolled at 3% and have made no changes to their deferral percentage during the Plan year will see their rate increase by 1% each Plan year until the amount withheld from the participant's paycheck reaches 6% of eligible compensation. The Company may make discretionary contributions to participant's accounts at the end of each Plan year. For the years ended December 31, 2021 and 2020, the Company matched 2.5% of participants' contributions, respectively. Beginning during the year ended December 31, 2021, the plan was amended to allow participants to make after-tax Roth contributions in addition to the previously available pre-tax contributions.

Participant Accounts: Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and, (b) Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The Plan trustee is Great-West Life & Annuity Insurance Company (Great-West). Participants may invest their contributions in any of several investment options offered by the Plan trustee.

Vesting: Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in Company's contributions is based on years of service with 0% vesting up to three years of service, and 100% vesting upon completion of three years of service. To earn a year of service, a participant must be credited with at least 1,000 hours of service during a Plan year.

HERITAGE OPERATIONS GROUP, LLC
RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2021 and 2020

Note 1 - Description of Plan, continued

Notes Receivable from Participants: During 2021, participants could borrow from their fund accounts a minimum of \$ 1,000 up to a maximum equal to the lesser of 50% of their vested account balance of \$ 50,000. During 2020, participants could borrow from their fund accounts a minimum of \$ 1,000 up to a maximum equal to the lesser of 100% of their vested account balance or \$ 100,000. The loans are secured by the balance in the participant's account and bear interest at a rate of the prime rate plus 2%, which is commensurate with the prevailing interest rate charged on similar loans under like circumstances. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits: Once participants attain the age of 59½, they are entitled to receive an in-service distribution from accounts in which they are 100% vested. Upon termination of employment due to retirement (at normal retirement age), participants are entitled to receive distributions of their vested account balances. Accounts totaling \$ 1,000 or less are distributed automatically in a lump sum payment. Accounts totaling more than \$ 1,000 but less than \$ 5,000 will be converted into an Individual Retirement Account (IRA), unless a lump sum payment distribution is elected. Accounts exceeding \$ 5,000 can either be distributed in a lump sum payment or the participant can elect to take installments over a specified period not exceeding their life expectancy or the joint life expectancy of the participant and beneficiary participants. Participants who terminate employment due to disability become 100% vested under the Plan and will receive distributions in the same manner as participants who attain normal retirement age.

Forfeited Accounts: At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$ 2,155 and \$ 11,616, respectively. These accounts will be used to reduce future employer contributions. Also in 2021 and 2020, employer contributions were reduced by \$ 17 and \$ 1,454, respectively, from forfeited nonvested accounts.

Revenue Sharing: The Plan has a revenue sharing agreement in place. Under the terms of the agreement, the Plan earns revenue credits based upon the Plan's holdings that will be used to fund the Plan. Amounts are used to reimburse the Company for fees and expenses associated with services provided to the Plan, or pay vendors. Amounts unused for expenses may be allocated to participant accounts in accordance with the agreement. For plan years 2021 and 2020, \$ 500 and \$ 19,458, respectively, in revenue sharing credits were contributed to the Plan. In addition, 2020, the Plan used \$ 24,375, of these credits to offset plan expenses. The revenue sharing account earned interest in 2021 and 2020 totaling \$ 17 and \$ 80, respectively. At December 31, 2021 and 2020, the balance in the revenue sharing account was \$ 209 and \$ 6,559, respectively.

Reclassifications: Certain reclassifications have been made to the prior year's financial statements to conform to current year presentation. These reclassifications had no effect on previously reported change in net assets available for benefits or net assets available for benefits.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

**HERITAGE OPERATIONS GROUP, LLC
RETIREMENT SAVINGS PLAN**

NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

Note 2 - Summary of Significant Accounting Policies, continued

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are expensed when incurred. As of December 31, 2021, and 2020, no allowance for credit losses has been recorded.

Investment Valuation and Income Recognition: Investments are reported at fair value, except for the fully benefit-responsive investment contract, which is reported at contract value, and certain investments in trusts, which are reported at net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers and custodians. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments. Administrative expenses consist of third-party administration, and investment and other advisory services.

Note 3 - Trustee Certifications

The December 31, 2021 and 2020 Statements of Net Assets Available for Benefits, investment activities included on the Statement of Changes in Net Assets Available for Benefits and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Custodian in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified included total investments of \$ 35,446,693 and \$ 32,010,131 at December 31, 2021 and 2020, respectively. The information certified also included notes receivable from participants of \$ 425,728 and \$ 468,589 at December 31, 2021 and 2020, respectively, and investment gains of \$ 4,121,994 and \$ 3,390,247 at December 31, 2021 and 2020, respectively.

NOTES TO FINANCIAL STATEMENTS (Continued)
December 31, 2021 and 2020

Note 4 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Fixed Annuities: Valued at the daily closing price as reported by the annuity provider. Fixed annuities are reported based on the valuation method disclosed in the annuity contract.

Collective Trust Funds: Valued as reported by the fund house or other investment provider. The funds seek investment performance based on targeted investment into certain mutual funds and other common types of investments. Collective trust funds use a net asset value per share (NAV) practical expedient and therefore a fair value measurement level cannot be assigned. The use of the practical expedient requires that the NAV is not publically available. The collective trust funds are redeemable without restrictions.

Total assets for which fair value can be measured	34,152,120		31,790,888	
Collective trust funds	<u>1,294,573</u>		<u>219,243</u>	
Total investments	<u>\$ 35,446,693</u>		<u>32,010,131</u>	

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2021 and 2020, are reported in net appreciation (depreciation) in fair value of investments.

Note 5 - Guaranteed Annuity Contract with Insurance Company

The Plan is invested in a traditional fully benefit-responsive guaranteed investment contract (Key Guaranteed Portfolio Fund) with Great-West totaling \$ 3,330,735 and \$ 3,020,956 at December 31, 2021 and 2020, respectively. Great-West maintains the contributions in a general account. The account is credited with actual earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The average yield earned by the Plan for the Key Guaranteed Portfolio Fund can be derived by averaging the quarterly gross interest rates for the Fund over the year. The average for 2021 is 0.90% and for 2020 is 1.04%. The actual average yield earned by the Plan for the Fund can be derived by averaging the Plan's quarterly interest rates. That average for 2021 is 0.90% and for 2020 is 1.03%. The interest crediting rate may not be less than 0% and is reset quarterly.

December 31, 2021 and 2020**

Note 5 - Guaranteed Annuity Contract with Insurance Company, continued

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value.

Certain events might limit the ability of the Plan to transact at contract value with Great-West. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (b) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with Plan participants or the issuer, is probable.

Either party to the Group Annuity Contract may terminate the contract with at least 90 days advance written notice to the other party.

Note 6 - Transactions with Parties-in-Interest

Certain Plan investments are managed by Great-West. Great-West is the record-keeper for the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the recordkeeping services amounted to \$ 122,871 and \$ 94,852 for the years ended December 31, 2021 and 2020, respectively.

The plan trustees are employees of the plan sponsor, and participants in the Plan. Therefore, the contributions made to the Plan by the plan trustees qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 8 - Tax Status

The Internal Revenue Services (IRS) has determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 9 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 10 - COVID-19 Pandemic

The COVID-19 pandemic has led to volatility in financial markets and has affected, and may continue to affect Plan assets. The potential economic impact brought by, and the duration of COVID-19 is difficult to assess or predict and will depend on future developments that cannot be predicted.

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspended minimum required distributions, and delay the commencement date for required minimum distributions.

Note 11 - Subsequent Events

The Heritage Operations Group, LLC Retirement Savings Plan has evaluated events occurring subsequent to December 31, 2021 as to their potential impact to the financial statement through October 6, 2022, which is the date the financial statements were available to be issued.

There has been a decline in the stock market in 2022. Investment values have declined by approximately 21% through the date the financial statements were available to issue.
