Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Mutual of Omaha 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i-Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 21, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Mutual of Omaha 401(k) Retirement Savings Plan

Notes to Financial Statements

As of and for the Year Ended December 31, 2021 and 2020

(A) Description of the Plan

The Mutual of Omaha 401(k) Retirement Savings Plan (the “Plan”) adopted effective January 1, 2019, is intended to be a safe harbor plan which provides retirement benefits to employees of Mutual of Omaha Insurance Company (the “Company”) and certain of its affiliated entities (the “Companies”). Companies who participated in the Plan as of December 31, 2021 and 2020 consisted of: United of Omaha Life Insurance Company (“United”), Companion Life Insurance Company, Medicare Advantage Insurance Company of Omaha, Omaha Health Insurance Company, Mutual of Omaha Investor Services, Inc., and East Campus Realty. Administration of the Plan is vested with the Retirement Plans Administration Committee.

The following description of the Plan provides only general information. The Plan agreement should be referred to for a more complete description of the Plan’s provisions.

General – The Plan is a defined contribution plan covering employees of the Companies who have fourteen consecutive days of service. Employees participating in this Plan were younger than age 40 as of December 31, 2004 or were hired or rehired on or after January 1, 2005 and were actively employed on or after January 1, 2019. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Contributions – Participants are allowed to contribute up to 75% of their pretax or Roth (after-tax) annual wages, as defined by the Plan, subject to certain Internal Revenue Code (“IRC”) limitations.

The Companies contribute 100% of the first 6% of participant contributions to the Plan. In addition, these employees are also eligible for an additional non-elective contribution (known as the Employer Retirement Contribution or “ERC”) which is 2% of the participants’ compensation earned during the Plan’s year.

The Plan provides for several different investment programs among which participants may direct participant and employer contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans.

Participant Accounts – Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contribution, an allocation of the Companies’ contribution, an allocation of the investment earnings or losses and certain administrative expenses. Allocations are based on participant account balances. The benefit to which a participant is entitled is the amount that has been credited to the participant’s vested account.

A settlement agreement resolving a class action lawsuit regarding investment fees charged to the Plan was approved by the U.S. District Court on February 8, 2021 and reimbursement to certain Plan participants in the amount of \$1,508,417 occurred in July 2021. Settlement payments were made by the Company and the insurance carrier to the Plan and allocated to participant accounts.

Vesting – Participants are immediately fully vested in their contributions and the Companies’ matching contributions plus actual earnings thereon. The Companies’ ERC follows a graded three-year vesting schedule.

Notes Receivable from Participants – Participants with an account balance can apply for loans which are classified as notes receivable from participants on the statement of net assets available for benefits. The loan may not exceed the lesser of 50% of the employee’s vested account balance or \$50,000. No more than two loans may be outstanding at any given time. The loans are secured by the balance in the participant’s account and bear interest at rates commensurate with the prime rate printed in the Wall Street Journal for the date the loan application is submitted. Principal and interest are paid ratably through payroll deductions. As of December 31, 2021, maturities range from 1 month to 5 years. Interest rates on outstanding note balances vary from 3.25% to 5.50%.

Terminated participants’ loans become due and payable on the participants’ last day of employment in the amount of the outstanding principal balance plus accrued interest.

Mutual of Omaha 401(k) Retirement Savings Plan

Notes to Financial Statements

As of and for the Year Ended December 31, 2021 and 2020

Forfeited Accounts – As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$230,453 and \$354,534, respectively. These accounts may be applied to pay Plan expenses or offset future Companies' contributions. For the year ended December 31, 2021, Company contributions were reduced by \$432,078 from forfeited non-vested accounts.

Benefit Payments – The payment of benefits can be made upon service or disability retirement, termination of the Plan, death, termination of employment or financial hardship. The participant or beneficiary will receive a lump sum or partial payments in cash equal to the value of the participant's vested account. Participants may also elect to receive their benefit payment paid in a direct rollover to an individual retirement account or another employer plan.

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was enacted amongst other provisions, to provide emergency assistance for individuals, families, and businesses affected by the coronavirus pandemic. As a result of the CARES Act, the Plan has elected to adopt provisions allowing eligible participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus related reasons.

Expenses and Fees – Direct expenses related to the administration of the Plan are paid by the Companies. These expenses consist primarily of salaries and related benefits of employees performing payroll and administrative functions and fees paid for professional services.

(B) Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates – The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates. The most significant estimates and assumptions include those used in determining investment valuation in the absence of quoted market values.

Risks and Uncertainties – Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and those such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition – Investments are held in a United Group Annuity Contract that includes a general asset account and separate accounts. The value of investments has been determined as follows:

The Plan's fully benefit-responsive investment contract ("group annuity contract") with United is valued at contract value. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The separate accounts are established by United and are carried at estimated fair value based on their respective net asset values as determined by the quoted market prices of the underlying investments. The Plan has no restrictions regarding its ability to redeem the separate accounts at their respective net asset values and they can be redeemed on a daily basis.

Mutual of Omaha 401(k) Retirement Savings Plan

Notes to Financial Statements

As of and for the Year Ended December 31, 2021 and 2020

The Plan presents in the statement of changes in net assets available for benefits the net appreciation or depreciation in the fair value of its investments, which consists of realized gains or losses and unrealized appreciation or depreciation on those investments.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits – Benefit payments to participants are recorded upon distribution.

(C) Investments

Information on the Plan's participant directed investments and cash included throughout the Plan's financial statements and supplemental schedule was prepared by or derived from information provided by the custodian (Matrix Financial Services) and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the participant directed investment and cash activity reflected on the accompanying statements of net assets available for benefits, statement of changes in net assets available for benefits, and the supplemental schedule is complete and accurate. Accordingly, as permitted by 29 Code of Federal Regulations 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information that appears throughout the financial statements and supplemental schedule related to the participant directed investments and cash as of and for the year ended December 31, 2021 and as of December 31, 2020.

(D) Fair Value

The following table sets forth disclosures of the Plan's separate account investments, classified by major category, whose fair value is estimated using net asset value per share, as of December 31, 2021 and 2020:

Mutual of Omaha 401(k) Retirement Savings Plan

Notes to Financial Statements

As of and for the Year Ended December 31, 2021 and 2020

(E) Investment Contract with Insurance Company

The Plan has a group annuity contract with United with all underlying separate account investments administered by the custodian. United maintains the contributions for the general asset account, which is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in participant directed investments at contract value in determining net assets available for benefits. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The contract has certain restrictions that impact the ability to collect the full contract value, for example, if employees are terminated as the result of an employer-initiated event such as a merger, acquisition, reorganization or other group termination of employment. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable of occurring. United may not terminate the contract at an amount other than contract value.

United is contractually obligated to pay the principal and specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are determined monthly and fixed for five years. The crediting rate of the contract will track current market yields on a trailing basis.

(F) Federal Income Tax Status

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter issued August 19, 2019 that the Plan is qualified and the trust established under the Plan is tax-exempt, under the appropriate sections of the IRC. The Plan's continued qualification is contingent on its operation in compliance with applicable law and subsequent amendment for changes in applicable law. The Plan Administrator and the Plan's tax counsel believe the Plan has been and is currently being operated in compliance with the applicable requirements of the IRC and that all required amendments to comply with applicable law have been adopted.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(G) Plan Termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, or upon termination of employment of a group of participants constituting a partial termination of the Plan, the accounts of each participant affected by the termination will, as of the date of termination, become 100% vested and non-forfeitable. The Company may direct: (a) the continued administration of the Plan's assets and the payment of accounts to affected participants upon their termination of employment or to their beneficiaries upon death until the assets have been liquidated, or (b) the distribution of the assets remaining in the Plan, after payment of any expenses properly chargeable thereto, to participants, former participants and beneficiaries in proportion to their respective account balances. In the event of (a) above, the expenses of administering the Plan, if not paid by the Company, will be paid from the Plan assets.

(H) Exempt Party-In-Interest Transactions

Plan investments and cash in the amount of \$726,399,410 and \$580,970,039 were deposited in investment options established by United as of December 31, 2021 and 2020, respectively. Additionally, the Plan has notes receivable from participants of \$8,470,614 and \$8,156,965 as of December 31, 2021 and 2020, respectively. These qualify as exempt party-in-interest transactions.

Management fees and operating expenses charged to the Plan for investments in Separate Account K, as established by United, are deducted from income earned on a daily basis and are not separately reflected.

Mutual of Omaha 401(k) Retirement Savings Plan

Notes to Financial Statements

As of and for the Year Ended December 31, 2021 and 2020

Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments. Additionally, the Plan has a number of service providers which qualify as parties-in-interest. Fees paid by the Plan to parties-in-interest amounted to \$71,919 for the year ended December 31, 2021.

(I) Subsequent Events

Subsequent events have been evaluated through October 6, 2022, the date these financial statements were available to be issued.
