Baker Tilly US, LLP
777 East Wisconsin Ave, Floor 32
Milwaukee, WI 53202

Dear Baker Tilly US, LLP:

We are providing this letter in connection with your audits of the financial statements and supplemental schedule of Messer Cutting Systems, Inc. 401 (k) Savings and Investment Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

We elected to have the audit of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

Financial Statements

- 1) We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated May 18, 2022 for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- 2) We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.
- 3) We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
- 4) We have identified all accounting estimates that could be material to the financial statements, and we confirm the appropriateness of the methods and the consistency in their application, the accuracy and completeness of data, and the reasonableness of significant assumptions used in developing the accounting estimates reported in the financial statements.
- 5) Related party relationships and transactions, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
- 6) There are no:
 - a) Other liabilities or gain or loss contingencies that are required to be accrued or disclosed.
 - b) Other matters (e.g., breach of fiduciary responsibilities, nonexempt transactions, loans or leases in default, or events that may jeopardize the tax status) that legal counsel has advised us must be disclosed.
 - c) Pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with accounting for contingencies under U.S. GAAP, that we are not aware of, and the plan has not consulted a lawyer concerning litigation, claims, or assessments.
 - d) Guarantees whether written or oral under which the plans are contingently liable to a bank or other lending institution.
 - e) Violations or possible violations of laws or regulations (including ERISA, DOL, and Internal Revenue Service (IRS) regulations) whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency.
 - f) Transactions that have not been properly recorded in the accounting records underlying the financial statements.

- 7) The Plan obtained its latest determination letter as disclosed in the notes, in which the Internal Revenue Service ("IRS") stated that the Plan, as then designed, was in compliance with the appropriate requirements of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan's administrators believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe the Plan was qualified and the related trust was tax-exempt as of the financial statement date.
- 8) No events have occurred subsequent to the date of the plan's financial statements and through the date of this letter that would require adjustment to or disclosure in the aforementioned financial statements.
- 9) Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
- 10) There are no financial instruments with off-balance-sheet risk or financial instruments with concentrations of credit risk.

Information Provided

- 11) The Plan (and the trust established under the Plan) is qualified under the appropriate section of the IRC and intends to continue as a qualified Plan (and trust). The Plan's sponsors have operated the Plan (and trust) or insurance contract in a manner that did not jeopardize this tax status. Required nondiscrimination testing, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.
- 12) All required amendments to and filings of the documents with the appropriate agencies have been made.
- 13) The methods and significant assumptions used to estimate fair values of financial instruments, including non-readily marketable securities are as disclosed in Note 4 to the financial statements, and are considered appropriate for the Plan's investments. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes. The fair value disclosures are considered complete and accurate.
- 14) We have no:
 - a) Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b) Intentions to terminate the Plan.
- 15) We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.
- 16) The Plan has satisfactory title to all owned assets, which are recorded at fair value, and there are no liens or encumbrances on such assets nor has any asset been pledged.
- 17) We have no knowledge of any allegations of fraud, or suspected fraud, affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third party administrators, or others.
- 18) There have been no communications from regulatory agencies concerning noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL and IRS regulations) whose effects should be considered when preparing financial statements, or deficiencies in financial reporting practices, that could have a material effect on the financial statements in the event of noncompliance.

- 19) The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.
- 20) The Plan has complied with the fidelity bonding requirements of ERISA.
- 21) We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.
- 22) We have disclosed to you the identity of all the Plan's related parties and all the related party relationships and transactions of which we are aware.
