INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator and
Those Charged with Governance of
Varney Inc. 401(k) and Profit Sharing Plan
Roanoke, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Varney Inc. 401(k) and Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Varney Inc. 401(k) and Profit Sharing Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Varney Inc. 401(k) and Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Varney Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Varney Inc. 401(k) and Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Varney Inc. 401(k) and Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matters (Continued)

2021 Supplemental Schedule Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Varney Inc. 401(k) and Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by qualified institutions. In our report dated September 24, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021

Note 1. Plan Description

The following description of the Varney, Inc. 401(k) and Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all employees of Varney, Inc. and subsidiary (the “Company”) who have attained age 21, except non-resident aliens and employees covered by collective bargaining agreements. Effective July 1, 2020, employees are required to complete one month of service and attain age 21 prior to Plan entry. Participants are eligible for employer matching contributions upon completion of one year of service.

Effective July 1, 2020, the majority of Plan assets were transferred from Principal Trust Company to Fidelity Management Trust Company and the Plan document was restated. Included in the restatement were provisions to add a one month service requirement for eligibility, additional methods for distributions, increasing the minimum loan amount, and declaring an annual automatic increase date of December 15, unless automatically enrolled within the last six months.

During 2021, all remaining assets held by Principal Trust Company were transferred to Fidelity Management Trust Company.

Contributions

Each year participants may contribute up to the maximum allowable under *Internal Revenue Code (IRC)*, as defined in the Plan. Employees are automatically enrolled and deferrals of 3% of eligible compensation commence at the next quarterly entry date. These automatic deferrals begin at 3% and increase 1% each year, to a maximum of 10%. Employees sign a waiver to decline participation in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may contribute to the Plan in the form of matching or additional discretionary contributions at the option of the Board of Directors. The Company matched fifty cents for each dollar a participant contributed, up to a maximum of one thousand dollars per participant for 2021 and 2020. Participants direct the investment of contributions into various investment options offered by the Plan. Contributions are subject to certain limitations.

Participant accounts

Each participant’s account is credited with the participant’s contribution and allocations of the Company’s matching and any profit sharing contributions, plan earnings, and charged with an allocation of administrative expenses. Forfeited balances of terminated participants’ non-vested accounts are used to reduce employer contributions and pay administrative expenses.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company's matching and profit sharing contribution portions of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested in Company matching and profit sharing contributions after six years of credited service.

Notes from participants

Participants may borrow from their accounts a minimum of \$500, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Effective July 1, 2020, the minimum loan amount was increased to \$1,000. Note terms range from one to five years unless the note is for purchase of a primary residence, in which case the term may exceed five years. Notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Trustee. Interest rates ranged from 4.25% to 6.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions.

Payment of benefits

On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Effective July 1, 2020, installments or partial withdrawals were added as available distribution methods.

Administrative costs

Plan administrative expenses may be paid by the Company or the Plan on a discretionary basis.

Forfeitures

Forfeited non-vested amounts totaled \$15,168 and \$1,970 at December 31, 2021 and 2020, respectively. Forfeited balances may be used to reduce employer contributions or pay plan expenses, as defined. There were no forfeitures used during the year ended December 31, 2021.

Note 2. Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Note 2. Significant Accounting Policies (Continued)

Valuation of investments and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Notes from participants

Notes from participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Payment of benefits

Benefit payments are recorded when paid.

Subsequent events

Subsequent events have been evaluated through October 7, 2022, the date the financial statements were available to be issued.

Note 3. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021

Note 3. Fair Value Measurements (Continued)

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Fair Value Measurements at Reporting Date Using:			
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)
<u>December 31, 2021</u>			
Mutual funds	\$ 6,485,570	\$ 6,485,570	\$ -
Collective investment trust fund	127,830	-	127,830
Total	<u>\$ 6,613,400</u>	<u>\$ 6,485,570</u>	<u>\$ 127,830</u>
<u>December 31, 2020</u>			
Mutual funds	\$ 5,699,875	\$ 5,699,875	\$ -

Collective investment trust fund	147,346	-	147,346
Total	<u>\$ 5,893,533</u>	<u>\$ 5,746,187</u>	<u>\$ 147,346</u>

Level 1 Fair Value Measurements

The fair values of the mutual funds and pooled separate accounts are based on quoted net asset values of the shares held by the Plan at year end.

NOTES TO FINANCIAL STATEMENTS

Note 3. Fair Value Measurements (Continued)

Level 2 Fair Value Measurements

The fair value of the Putnam Stable Value Fund is based on inputs that are observable for valuing the asset or liability, either directly or indirectly (i.e., interest rate and yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.

Note 4. Investment Contracts

At December 31, 2021 and 2020, the Plan held investments in the Putnam Stable Value Fund. Included in this collective investment trust fund were traditional guaranteed investment contracts, security-backed investment contracts, and short-term investments. The objective of the Putnam Stable Value Fund is to preserve principal and achieve high current income through a diversified portfolio of high-quality investment contracts. The average yields for this fund were as follows:

	<u>2021</u>	<u>2020</u>
Based on annualized earnings	2.46%	2.69%
Based on interest rate credited to participants	2.33%	2.72%

This contract is considered to be benefit-responsive and is presented at fair value. The percentage of contributions allocated to the stable value fund are determined by the participants.

Note 5. Related Party Transactions

Officers or employees of the Company perform certain administrative functions. These employees are also Plan participants. No such officer or employee receives compensation from the Plan.

Plan participants direct their investments in funds issued and managed by the Plan Trustees. Investments in funds issued by the Trustees are considered related party transactions. Fees paid to the Plan Trustees by the Plan for investment management and administrative services were \$39,243 for the year ended December 31, 2021.

VARNEY, INC.
401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2021

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will be 100% vested in their accounts.

Note 7. Tax Status

The Plan was adopted under and later restated to a prototype plan sponsored by Principal Trust Company. Principal Trust Company received a letter from the Internal Revenue Service dated March 31, 2014, stating that its master prototype plan is designed in accordance with applicable sections of the *IRC*. As a result of the change in Trustees, the Plan was restated effective July 1, 2020 to a volume submitter defined contribution plan sponsored by Fidelity Management & Research Company. Fidelity Management & Research Company received a letter from the Internal Revenue Service dated March 31, 2014, stating that its volume submitter plan is designed in accordance with applicable sections of the *IRC*. The Plan Administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the *IRC*.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Note 8. Trustees' Certification

Note 10. COVID-19

In March of 2020, the World Health Organization classified the COVID-19 outbreak as a global pandemic, adversely affecting global economic activity and financial markets. As the COVID-19 outbreak continues to evolve, the extent of the impact on Plan Sponsor's operations, Plan activity, and Plan investments is uncertain and cannot be predicted.

The Plan adopted provisions under the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act). These included increasing the allowed amounts for certain qualifying distributions and participant loans, loan repayment deferrals for participants impacted by COVID-19, and suspension of required minimum distributions (RMDs).
