INDEPENDENT AUDITOR'S REPORT

To the Benefits Committee and participants of the
Elekta, Inc. 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Elekta, Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C), which comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (the 2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of the report,

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is responsible for maintaining a current Plan instrument, including all Plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter – 2021 Supplemental Schedule Required by ERISA

The 2021 supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter – Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated October 11, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Elekta, Inc. 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

1. Description of Plan

The following description of the Elekta, Inc. 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document, copies of which are available from the plan administrator, for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees and part-time employees who worked over 1,000 hours for Elekta, Inc. (the Company or Sponsor) and certain other affiliated companies, as defined by the Plan document. Employees may enter the Plan on the first day of the month following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan was amended and restated effective January 1, 2021, at which time the Plan name was changed from the Elekta Holdings U.S., Inc. 401(k) Savings Plan to the Elekta, Inc. 401(k) Savings Plan.

Contributions

Each participant may make pre-tax and/or Roth contributions of up to 50% of eligible compensation as defined by the Plan document, generally not to exceed \$19,500 in 2021 plus additional catch-up contributions of up to \$6,500 for those participants who have attained age 50 by the end of the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers).

The Plan provides for discretionary matching and profit-sharing contributions. The discretionary matching contributions include discretionary per payroll match contributions and a discretionary annual true-up match contribution. For 2021, the discretionary matching contributions were 100% of amounts contributed by participants, up to 5% of eligible compensation. The Sponsor did not make a profit-sharing contribution in 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, rollovers, the Sponsor's contributions, and earnings and losses on the investments in their account and is charged with certain administrative expenses. Upon enrollment in the Plan, a participant may direct any contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Sponsor's discretionary annual matching and profit-sharing contribution portion of their accounts is based on years of continuous service. A participant is 50% vested after completion

Elekta, Inc. 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

of two years of service, and 100% vested after three years of service. In the event of death, disability, early retirement, or attainment of normal retirement age while employed with the Company, a participant will become 100% vested in the Sponsor's contribution portion of their account.

Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their vested account balance. A participant may have two loans outstanding at any time. The notes are secured by the balance in the participant's account. During 2021, notes receivable had fixed rates ranging from 4.25% to 8.50% for the term of the note, not to exceed 5 years, or 15 years if used for the purchase of a residence. Principal and interest are paid through payroll deductions. Notes receivable from participants also qualify as party-in-interest transactions.

Payment of Benefits

At the time of death, disability, termination of service or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. If the value of the vested interest in the account is \$1,000 or less, the account will be cashed out by distributing the vested interest in the account in a single-sum payment or by direct rollover to an IRA or other eligible retirement plan as soon as reasonably practicable. The participant's vested amount may also be withdrawn for in-service distributions upon reaching age 59½ or for certain hardship situations.

The Plan was amended on October 1, 2021 and if the value of the vested interest in the account is \$5,000 or less, the account will be cashed out by distributing the vested interest in the account in a single-sum payment or by direct rollover to an IRA or other eligible retirement plan as soon as reasonably practicable.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$25,451 and \$92,904, respectively. These accounts may be used to pay administrative expenses of the Plan or to reduce employer contributions. In 2021, the Sponsor used \$263,232 to reduce employer contributions. No forfeitures were used to pay Plan administrative expenses during 2021.

Administrative Expenses

The Plan document permits certain administrative expenses to be paid by the Plan. All other expenses are paid by the Sponsor. The Sponsor does not expect reimbursement from the Plan for these expenses. Administrative fees paid by participants include loan initiation fees and distribution fees. Additionally, participants are charged a fee based on the balance in their accounts for investment management and administrative services. This fee is netted with

Elekta, Inc. 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

investment returns in each participant's account. These expenses are paid to a service provider of the Plan and therefore qualify as party-in-interest transactions.

The Plan has an ERISA account where the qualified institution deposit revenue sharing payments that can be used to pay administrative expenses or allocated to participant accounts. In 2021, the qualified institution deposited \$204,210 of revenue sharing credits into the account and administrative expenses totaling \$204,210 were paid from the account. Deposits to this account are included in net change in fair value of investments in the accompanying statement of changes in net assets available for benefits. At both December 31, 2021 and 2020, the balance in this account was \$538, which is included in mutual funds on the statements of net assets available for benefits.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are presented on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates, and such differences may be material to the financial statements.

Contributions

Participant contributions are considered payable to the Plan upon the withholding of contributions from the participant's paycheck. The employer discretionary matching and the discretionary profit-sharing contributions, if any, are considered payable to the Plan upon approval of the Sponsor. Any unfunded participant or employer matching contributions are included in the employee or employer contributions receivable on the statements of net assets available for benefits as of December 31, 2021 and 2020.

Valuation of Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Net change in fair value of investments includes interest, dividends, and realized and unrealized gains and losses on those investments. Interest income is recorded when received.

Elekta, Inc. 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

Notes Receivable from Participants

Notes receivable from participants are carried at their outstanding balance. Interest income on the notes receivable is recognized when received by the Plan, primarily monthly. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make note repayments and the plan administrator deems the note to be in default, the participant note receivable balance is reduced, and a benefit payment is recorded.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 13, 2022, which is the date the financial statements were available to be issued.

3. Information Certified by the Qualified Institution

All information in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants as of December 31, 2021 and 2020, and the net change in fair value of investments and interest on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by T. Rowe Price Trust Company (T. Rowe Price), the Plan's qualified institution.

4. Investments

Plan investments include certain units in common collective trusts and a stable value fund managed by T. Rowe Price. T. Rowe Price is a service provider for the Plan; therefore, transactions in these investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net change in fair value of investments as they are paid through revenue sharing, rather than a direct payment.

Investments are exposed to several risks, such as interest rate, market, currency, and credit risks. Market risks include U.S. and global events which could impact the value of Plan investments. Such events would include healthcare crises, such as a pandemic, international conflicts, supply chain disruptions, global monetary policy decisions, significant exogenous economic influences, significant cybersecurity attacks, and other similar events. It is at least reasonably possible that changes in fair value will occur in the near term and that such changes could materially affect participants' account balances.

Elekta, Inc. 401(k) Savings Plan

Notes to Financial Statements December 31, 2021 and 2020

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities, and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy are described as follows:

Level 1 – unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2 – other observable data, including quoted prices for identical assets in inactive markets

Level 3 – unobservable inputs

Observable inputs are those based on market data obtained from sources independent of the Plan, and unobservable inputs reflect the Plan's own assumptions based on the best information available. The input levels are not necessarily an indication of the risk or liquidity associated with financial instruments at that level but rather the degree of judgment used in determining those values.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Investments in mutual funds are stated at quoted market prices for the identical security in an active market (Level 1).

Fair value of the common/collective trusts is determined by prices published daily by the trust manager, which is the NAVs of the common/collective trusts (Level 1). Net asset value is determined by the fair value of the mutual funds, stocks, and other securities in the common/collective trusts. Participants can trade the common/collective trusts daily at the published NAV.

The Plan invests in a stable value fund held in a common/collective trust. The stable value fund invests in fully benefit-responsive guaranteed investment contracts (GICs), which are general obligations of the insurance companies that issue the contracts, as well as synthetic GICs. The stable value fund trades at the net asset value (NAV), which is based on the contract value of the underlying investments. Participants transact at NAV daily in an active market. Contract value approximates fair value. The stable value fund includes certain redemption restrictions. If the Plan chooses to redeem all or a significant portion of the stable value fund, the issuer may require a 12-month wait period to redeem.

Elekta, Inc. 401(k) Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

The following table summarizes the Plan's investments based on the inputs used to determine their fair values as of December 31, 2021 and 2020:

	Level 1	
	2021	2020
Mutual funds	\$ 216,622,998	\$ 186,997,222
Common/collective trusts	102,221,261	84,299,791
Total	\$ 318,844,259	\$ 271,297,013

There has been significant volatility in the investment markets both nationally and globally since December 31, 2021, which has resulted in a substantial decline in the value of the Plan's investment portfolio. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

5. Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination of the Plan, all participants would become fully vested in their account balances.

6. Income Tax Status

The Plan uses a prototype plan document prepared by T. Rowe Price Retirement Plan Services, Inc. The Internal Revenue Service has provided an opinion letter dated August 19, 2020 stating that the prototype plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has not obtained an individual determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and has no income subject to unrelated business income tax. The Plan's income tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2021 and 2020 and the increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2021:

	2021	2020
Net assets available for benefits per the financial statements	\$ 346,888,484	\$ 304,984,796
Less: Employee contributions receivable	-	(287,972)
Less: Employer contributions receivable	(577,123)	(595,879)
Net assets available for benefits per the Form 5500	\$ 346,311,361	\$ 304,100,945

	2021
Increase in net assets available for benefits per the financial statements	\$ 41,903,688
Prior year contributions receivable	883,851
Current year contributions receivable	(577,123)
Net increase in net assets available for benefits per the Form 5500	\$ 42,210,416

The above reconciliations are included to show the difference between the cash basis Form 5500 and the accrual basis financial statements.
