Financial Statements and Supplemental Schedules

Years Ended December 31, 2021 and 2020
With Independent Auditors' Report

INDEPENDENT AUDITORS' REPORT

The Plan Administrator
Bluestone Bank 401(k) Plan (formerly, Bridgewater Savings Bank 401(k) Plan)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Bluestone Bank 401(k) Plan (formerly, Bridgewater Savings Bank 401(k) Plan) (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period of within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

Plan Administrator
Bluestone Bank 401(k) Plan (formerly, Bridgewater Savings Bank 401(k) Plan)

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Emphasis of Matter-Plan Merger and Restatement

As discussed in Note 1 to the financial statements, effective January 1, 2021, the Plan was amended and restated to change its name from Bridgewater Savings Bank 401(k) Plan to Bluestone Bank 401(k) Plan. In addition, the assets of all active participants in the Mansfield Bank CBERA Plan A were transferred into the Plan in 2021. Our opinion is not modified with respect to these matters.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Administrator
Bluestone Bank 401(k) Plan (formerly, Bridgewater Savings Bank 401(k) Plan)

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The financial statements of the Plan as of and for the year ended December 31, 2020 were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements; and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan

The following description of Bluestone Bank 401(k) Plan (the Plan), is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General Information

The Plan is a defined contribution plan covering substantially all employees of Bluestone Bank (the Bank or Employer) who have completed three months of service and have attained the age of twenty-one (Participants). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974*, as amended (ERISA). The trustee and recordkeeper of the Plan is John Hancock Trust Company, LLC (John Hancock).

The Board of Directors is responsible for oversight of the Plan. The 401(k) Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

On October 1, 2020, Bridgewater Savings Bank merged with Mansfield Bank to form Bluestone Bank. The Bridgewater Savings Bank 401(k) Plan is the surviving plan of Bluestone Bank. Effective January 1, 2021, the Plan was amended and restated to change its name to Bluestone Bank 401(k) Plan. As a result of the merger, on January 4, 2021, Mansfield Bank CBERA Plan A transferred the assets of all active participants and notes receivable from participants, amounting to \$10,041,760, into the Plan. Effective January 1, 2021, the Plan was amended and restated to change its trustee to John Hancock. As a result of the change in trustee, all of the Plan's assets were transferred to John Hancock on January 4, 2021.

Participant Contributions

Participants may contribute to the Plan a percentage of pretax annual compensation, as defined in the Plan, up to the maximum amount allowable under the provisions of the Internal Revenue Code (IRC). Participants who have obtained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans or individual retirement accounts (rollovers). Participants direct the investment of their contributions to various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Effective January 1, 2021, automatically enrolled participants have their deferral rate set at 5% of eligible compensation, increased annually by 1% up to the maximum percentage of 15%. Prior to January 1, 2021, automatically enrolled participants had their deferral rate set at 3% of eligible compensation, increased annually by 1% up to the maximum percentage of 10%.

Employer Safe Harbor Matching Contribution

The Bank's contributions to the Plan are determined by the Bank's Board of Directors, but the amounts contributed cannot exceed the maximum amounts allowable under the provisions of the IRC. Effective January 1, 2021, the Bank matches 100% of each participant's salary-deferred contributions up to 5% of the participant's compensation. Prior to January 1, 2021, the Bank matched 100% of each participant's salary-deferred contributions up to 4% of the participant's compensation. During the years ended December 31, 2021 and 2020, the Bank made safe harbor matching contributions of \$709,514 and \$366,357, respectively.

Employer Non-elective Contributions

The Bank may also make discretionary non-elective contributions to the Plan. Effective January 1, 2021, employees are required to be 21 years old, completed 90 days of service, employed by the Bank on the last day of the Plan year-end, and to have completed at least 1,000 hours of service in order to be eligible for a discretionary non-elective contribution. Prior to January 1, 2021, employees were required to be 21 years old, completed 90 days of service, employed by the Bank on the last day of the Plan year-end, have a hire date prior to January 1, 2011, and to have completed at least 1,000 hours of service in order to be eligible for a discretionary non-elective contribution. During the years ended December 31, 2021 and 2020, the Bank made discretionary non-elective contributions to the Plan totaling \$614,106 and \$156,434, respectively.

Discretionary non-elective contributions are allocated on a pro-rata basis as a percentage of participant compensation. Participants direct the investment of the Bank's matching and discretionary non-elective contributions into various investment options offered by the Plan. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and Bank safe harbor matching contributions, as well as allocations of the Bank's discretionary non-elective contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their salary-deferred contributions and Bank safe harbor matching contributions plus actual earnings thereon. Vesting in the Bank's discretionary non-elective contributions and earnings thereon, is based on continuous service. A participant is 100 percent vested after three years of service, as defined in the Plan, or upon permanent disability.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Prior to January 1, 2021, the loans were secured by the balance in the participant's account and bear interest at rates which are commensurate with local prevailing rates as determined by the Plan Administrator. Effective January 1, 2021, the loans are secured by the balance in the participant's account and bear interest at rates 1% over the prime interest rate. Interest rates at December 31, 2021 and 2020 ranged from 2.80% – 6.50%. Principal and interest is paid ratably through payroll deductions. If any scheduled loan repayment is not made by the end of the calendar quarter following the calendar quarter that the missed payment was due, the loan is considered to be in default and will be deemed a distribution from the Plan.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. **Description of Plan (Continued)**

During the years ended December 31, 2021 and 2020, \$13,346 and \$7,109, respectively, of loans in default were deemed distributions and were included in benefits paid to participants on the statements of changes in net assets available for benefits.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic installments. If a participant terminates employment for any reason and his or her vested account balance does not exceed \$5,000, the plan administrator may distribute such amount in a lump-sum payment to the participant without consent of the participant.

The Plan also provides for in-service withdrawals with certain limitations set by the Plan, for participants who have attained the age of 59 ½. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship Withdrawals

The Plan allows participants to make hardship withdrawals, provided certain conditions are met, as defined in the Plan agreement.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts amounted to \$5,848 and \$31,883, respectively. These amounts may be used to reduce future Bank non-elective discretionary contributions or pay administrative expenses. For the years ended December 31, 2021 and 2020, Bank's contributions and administrative expenses reduced by forfeitures was not material.

2. **Summary of Significant Accounting Policies**

Basis of Accounting

The financial statements of the Plan are prepared under the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of investment securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain administrative expenses relating to the Plan are paid by the Bank and are excluded from these financial statements. However, certain expenses, including benefits paid processing fees, are paid for by the individual participant and are included as administrative expenses.

Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included as administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. As a result of recent global events, there has been heightened market risk and volatility that could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits, the impact of which is uncertain.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

2. **Summary of Significant Accounting Policies (Continued)**

Subsequent Events

Events occurring after the statement of net assets available for benefits date are evaluated by management to determine whether such events should be recognized or disclosed in the financial statements. Management has evaluated subsequent events through October 13, 2022, which is the date the financial statements were available to be issued.

3. **Information Certified by the Trustee**

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform, and they did not perform, such auditing procedures with respect to the information certified by John Hancock Trust Company, LLC, as of and for the year ended December 31, 2021, and Great-West Trust Company, LLC (Great-West), the former Trustee of the Plan, as of and for the year ended December 31, 2020, except for comparing the information certified by the trustee to information included in the Plan's financial statements and supplemental schedule.

All information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest income on notes receivable from participants and dividend income for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by John Hancock and Great-West, respectively.

4. **Fair Value Measurements**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

4. Fair Value Measurements (Continued)

- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Assets that are measured at fair value using the net asset value per share practical expedient (NAV) have not been classified in the fair value hierarchy.

There have been no changes in the methodologies used at December 31, 2021 and 2020.

Following is a description of the valuation methodologies used for assets measured at fair value (there are no liabilities):

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. Investments in these funds can be redeemed daily upon request.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
<u>2021</u>

5. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds which are managed by John Hancock, the current trustee, and Putnam Fiduciary Trust Company, who merged with Great-West, the former trustee. Transactions with these entities qualify as party-in-interest transactions. Fees paid to the trustee for services in connection with the Plan amounted to \$42,532 and \$25,387 for the years ended December 31, 2021 and 2020, respectively. The Bank pays directly any other fees related to the Plan's operations.

Merrill Lynch, Pierce, Fenner and Smith Incorporated (MLPF&S) provides certain non-fiduciary services to the Plan, pursuant to a Written Services Agreement (WSA) between the Bank and MLPF&S. MLPF&S receives revenue from mutual fund service providers for services MLPF&S provides to the funds. The revenue is used to offset certain amounts owed to MLPF&S for its administrative services to the Plan.

If the revenue received by MLPF&S from such mutual fund service providers exceeds the amount owed under the WSA, MLPF&S remits the excess to the Plan's trust. During 2021 and 2020, there were no excess amounts. During the year ended December 31, 2021 direct administrative expenses charged to the Plan and paid to MLPF&S totaled \$14,718, and during 2020, approximately \$750 of indirect compensation was paid out of the Plan's earnings (through appreciation in the fair value of investments) to MLPF&S.

Additionally, the Plan extends loans to participants who are considered parties-in-interest and are also exempt from the prohibited transaction rules.

6. Termination of the Plan

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their discretionary Bank contributions.

7. Tax Status of the Plan

The Plan adopted a prototype non-standardized profit sharing Plan sponsored by Great-West Trust Company, LLC, which received an opinion letter from the IRS, dated March 31, 2014, stating that the Bank may rely on the opinion letter with respect to the qualification of the Plan under IRC Section 401(a). The Bank has restated the Plan as of January 1, 2021 to a prototype non-standardized profit sharing Plan, which received an opinion letter from the IRS, dated May 18, 2015, stating that the Bank may rely on the opinion letter with respect to the qualification of the Plan under IRC Section 401(a). The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable provisions of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Effective January 1, 2022, the Plan adopted a non-standardized pre-approved profit sharing Plan sponsored by John Hancock Retirement Plan Services, LLC and the Bank was informed by a letter dated June 30, 2020 from the IRS that the form of the Plan was acceptable under Section 401(a) of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

BLUESTONE BANK 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

7. Tax Status of the Plan (Continued)

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

8. Participant Contributions Transferred Late to the Plan

During 2021, the Plan determined that certain remittances of employee deferrals and/or loan repayments for the Plan year ended December 31, 2020 were not made timely in accordance with DOL's guidelines. The Bank reported the remittances in question as prohibited transactions during Plan years 2021 and 2020. The Plan sponsor reimbursed the Plan for lost interest during 2021, and filed Form 5330 and paid the applicable excise tax in 2022. All remittances that the Bank has categorized as late are included in the schedule of delinquent participant contributions in the supplemental schedules to the financial statements.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the financial statements to Form 5500 as of and for the year ended December 31:

	<u>2021</u>
Net assets available for benefits:	
Net assets available for benefits reported on Form 5500	\$32,111,790
Employer contribution receivable	469,571
Employee contribution receivable	<u>42,546</u>
