Independent Auditor's Report

The Plan Trustees
Buckingham Manufacturing Company, Inc.
401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The Plan Trustees
Buckingham Manufacturing Company, Inc.
401(k) Retirement Plan

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

The Plan Trustees
Buckingham Manufacturing Company, Inc.
401(k) Retirement Plan

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The Plan Trustees
Buckingham Manufacturing Company, Inc.
401(k) Retirement Plan

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BUCKINGHAM MANUFACTURING COMPANY, INC.
401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1: PLAN DESCRIPTION

The following brief description of the Buckingham Manufacturing Company, Inc. 401(k) Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for complete information.

Plan Sponsor:	Buckingham Manufacturing Company, Inc.
Plan Name:	Buckingham Manufacturing Company, Inc. 401(k) Retirement Plan
Plan Number:	001
Sponsor EIN:	16-1290727

Participating Employers:	Name	EIN
	Hydron, Inc.	16-1429139
	Linemen's Supply, Inc.	16-1290728

General

The Plan is a defined contribution plan covering all employees of Buckingham Manufacturing Company, Inc., Linemen's Supply, Inc. and Hydron, Inc. (the Companies) as of their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All employees of the Companies are immediately eligible to participate in the Plan upon hiring.

Contributions

Employees can defer their salary up to statutory amounts allowed by the Internal Revenue Code. Participants who will be at least 50 years of age by the end of the calendar year are permitted a "catch-up" deferral. Participants may also contribute funds representing distributions from other qualified defined benefit or contribution plans. Effective July 17, 2006, the Companies elected automatic enrollment for all new eligible employees. The Companies match 25% of the first 4% of qualified compensation that an employee contributes to the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Companies may also make additional discretionary contributions equal to a percentage of participant's qualified compensation. Discretionary contributions (profit sharing) amounted to \$329,740 and \$125,912 for 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Companies' contributions, Plan earnings, and charged with an allocation of administrative expenses. Allocations of Plan earnings and administrative expenses are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance. Participants may change their investment options at any time.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1: PLAN DESCRIPTION (Continued)

Vesting

Participants are vested immediately in their contributions to the Plan plus actual earnings thereon. Vesting in the Companies' matching and discretionary profit sharing contribution portions of their accounts is based on years of continuous service. A participant is 100% vested after 3 years of credited service.

Notes Receivable from Participants

Participants may borrow from the Plan a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are collateralized by the vested balance in the participant's account and bear interest at the prime rate. Principal and interest is paid through payroll deductions. These notes are valued at amortized cost.

On April 21, 2020, the Plan implemented loan payment deferrals for participants impacted by the coronavirus (COVID-19) in accordance with the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). This option ended December 31, 2020. Additionally participants were able to take larger loans if they were COVID-19 related. For loans made to a qualified individual from March 27, 2020 to September 22, 2020, the loan maximum was increased to the lesser of 100% of the participants vested account balance or \$100,000.

Payment of Benefits

Normal retirement date for participants under the Plan is age 65. Upon termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments over a fixed period of time. The Plan provides for in-service benefit payments beginning at age 60.

Hardship Withdrawals

Effective April 21, 2020 through December 31, 2020 the Plan implemented COVID-19 hardship withdrawals for participants who have been impacted by COVID-19, in accordance with the CARES Act. The withdrawal was limited to the lessor of the participants vested account or \$100,000.

NOTE 1: PLAN DESCRIPTION (Continued)

Forfeited Accounts

Forfeited participant accounts are used to reduce the Companies' contributions to the Plan. The following amounts were utilized as indicated:

	2021	2020
Employer match	\$ 43,948	\$ 7,909

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan have been prepared on an accrual basis in conformity with accounting principles generally accepted in the United States of America.

Administrative Expenses

Certain administrative expenses of the Plan are paid by the Companies and amounted to \$8,500 and \$8,000 for 2021 and 2020, respectively.

Related Party and Party-in-Interest Transactions

For the years ended December 31, 2021 and 2020, certain Plan investments were shares of mutual funds managed by the Fidelity Management Trust Company. The transactions noted above qualify as party-in-interest transactions. Those transactions however are specifically exempt from the Department of Labor's party-in-interest reporting requirements.

Notes receivable from participants represent a portion of the Plan's receivables. These transactions also qualify as party-in-interest transactions. Notes receivable from participants to the Plan were \$323,581 and \$367,305 as of December 31, 2021 and 2020, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Payment of Benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Terminated Participants

The value of terminated participant accounts at December 31, 2021 and 2020 was \$1,921,182 and \$1,576,081, respectively.

Plan Termination

Although they have not expressed intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their account balances.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make significant estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Valuation of Investments and Income Recognition

Investments are stated at fair value, unless otherwise stated. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

BUCKINGHAM MANUFACTURING COMPANY, INC.
401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3: INVESTMENT AND FAIR VALUE MEASUREMENTS

The fair value of an asset is the amount at which that asset could be bought or sold in a current transaction between willing parties, that is, other than a forced liquidation sale. The Plan's financial assets carried at fair value have been classified, for disclosure purposes, and are based on hierarchy defined by FASB Codification Section 820. The Plan does not have any financial liabilities applicable under this guidance. The levels of fair value hierarchy are as follows:

- Level 1 - observable inputs based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 - observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 - inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020.

Mutual funds: These investments are valued using the Net Asset Value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

Investment levels by investment category for 2021 are:

Investment Category	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Registered investment companies:				
Mutual Funds	<u>\$ 14,599,732</u>	<u>\$ 14,599,732</u>	<u>\$ -</u>	<u>\$ -</u>

BUCKINGHAM MANUFACTURING COMPANY, INC.
401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 3: INVESTMENT AND FAIR VALUE MEASUREMENTS (Continued)

Investment levels by investment category for 2020 are:

Investment Category	Fair Value	Level 1 Inputs	Level 2 Inputs	Level 3 Inputs
Registered investment companies:				
Mutual Funds	\$ 13,926,843	\$ 13,926,843	\$ -	\$ -

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4: INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The Plan administrator has elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule are complete and accurate:

	2021	2020
Statement of Net Assets Available for Benefits		
Investments	\$ 19,001,352	\$ 16,487,626
Notes receivable from participants	323,581	367,305
Statements of Changes in Net Assets Available for Benefits —		
Interest, dividends, and net appreciation		
(depreciation) in fair value of investments	1,895,001	1,724,169
Interest on notes receivable from participants	15,559	17,021

All information in the supplemental Schedule of Assets (Held at End of Year) is presented solely based upon the certification.

The plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the accompanying financial statements and supplemental Schedule of Assets (Held at End of Year).

BUCKINGHAM MANUFACTURING COMPANY, INC.
401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 5: INVESTMENT CONTRACT

The Plan entered into a benefit-responsive investment contract with Lincoln Stable Value Fund (Lincoln). Lincoln maintains the contributions in a pooled account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. For the years ended December 31, 2021 and 2020 the contract is included in the financial statements at contract value as reported to the Plan by Lincoln. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract.

Certain events limit the Plan's ability to transact at contract value with Lincoln. Such events include, the plan sponsor materially reducing the workforce (i.e. spinoff, layoff or plan termination). In this case limited book value coverage may apply.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

The contract value of the investment contract at December 31, 2021 and 2020 was \$4,401,620 and \$2,560,783, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Lincoln guaranteed investment contract permits the insurance company to terminate the agreement prior to scheduled maturity date. The following events could trigger termination by the insurance company: (a) any charges billed to the contract owner haven't been paid to Lincoln within 30 days, (b) the Plan ceases to meet the requirements of the Internal Revenue Code for purchasers of this contract, (c) at any time following the end of the third contract year, the contract owner's account balance is less than \$15,000, (d) at any time following the end of the third contract year, there is no deposit activity for a 24-consecutive-month period and the contract owner's account balance is less than \$50,000, (e) the contract owner fails to furnish requested information or other documentation, (f) Lincoln discovers any misrepresentation of material information, (g) Lincoln discontinues offering this contract form to the public, or (h) the plan terminates its recordkeeping agreement with Lincoln.

BUCKINGHAM MANUFACTURING COMPANY, INC.
401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 6: TAX STATUS

The Internal Revenue Service has determined and informed the Prototype Plan service provider by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with the Internal Revenue Code ("IRC").

NOTE 7: RISKS AND UNCERTAINTIES

The Plan invests in various mutual fund securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 8: RECONCILIATION OF FORM 5500 FINANCIAL DATA

The following is a reconciliation of financial information per the financial statements to the Form 5500 at December 31, 2021:

	Financial Statements	5500	Difference	Explanation
Assets				
Profit sharing contribution	\$ 223,641	\$ -	\$ 223,641	Contribution receivable
	<u>\$ 223,641</u>	<u>\$ -</u>	<u>\$ 223,641</u>	

NOTE 9: SUBSEQUENT EVENTS

The plan trustees have evaluated events and transactions that occurred between December 31, 2021 and October 14, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. The plan trustees did not find any transactions or events during that period that would require adjustment to, or disclosure in, these financial statements.

The Plan Trustees
Buckingham Manufacturing Company, Inc.
401(k) Retirement Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan (the "Plan") as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following deficiencies in Buckingham Manufacturing Company, Inc. 401(K) Retirement Plan's internal control to be material weaknesses:

1. During our audit procedures we identified a loan had been processed via the Fidelity mobile app without proper approval or documentation to support distribution of the loan.

Our recommendation is plan administrators review a listing of loans on a periodic basis to ensure all loans have been properly approved.

2. During our audit procedures we identified a plan participant was improperly excluded from the profit sharing contribution. Plan administration took corrective action as of the date of this letter.

Our recommendation is plan administrators review the calculation to ensure all eligible participants receive the correct profit sharing contribution.

This communication is intended solely for the information and use of management, the board of directors, and others within the Plan, and is not intended to be, and should not be, used by anyone other than these specified parties.
