INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Aetrex, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Aetrex, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Rotenberg Meril Solomon Bertiger & Guttilla, P.C. ("Rotenberg"), whose practice merged with Marcum LLP as of February 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Rotenberg not to perform and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 5, 2021 indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule(s) other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Aetrex, Inc. 401(k) Plan, formally Aetrex Worldwide, Inc. 401k Plan (the "Plan"), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan was established effective January 1, 1997. The Plan is a defined contribution plan covering all eligible employees of Aetrex, Inc. formally know as Aetrex Worldwide, Inc. (the "Employer"). Employees are eligible to participate in the Plan at the minimum age of 21 after completing six months of service. Their entry date will be the first day of the following month after becoming eligible. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Management of the Employer is responsible for oversight of the Plan. The Plan's administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

CONTRIBUTIONS

The Plan allows pre-tax deferrals and/or Roth after-tax deferrals. Each year, participants may contribute up to 50% of annual eligible compensation, as defined in the Plan. All employees were limited to a maximum contribution of \$19,500 in 2021 by Code Section 402(g) of the Internal Revenue Code ("IRC").

Participants age 50 or older before the end of the Plan year are eligible to make an additional annual "catch-up" contribution up to \$6,500 as a pre-tax and/or Roth contribution. If any participant's compensation deferrals for a year exceed the maximum allowable for that year, the excess amount may be returned to the participant as taxable compensation.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer may make a discretionary matching contribution on behalf of each eligible participant. The Employer may also contribute an amount determined in its sole judgement, known as a discretionary profit sharing contribution. If required, the Plan permits the Employer to make qualified non-elective and qualified matching contributions to correct failures of certain nondiscrimination testing required under the Plan. To be eligible for matching, profit sharing contributions, and qualified non-elective employer contributions, a participant must be employed on the last day of the Plan year. In 2021, the Employer matched 25% of the first 4% of base compensation that a participant contributed to the Plan. For the year ended December 31, 2021, employer contributions totaled \$62,644.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with (a) the participant's contributions, (b) allocations of the Employer's discretionary contributions, if any, (c) rollover contributions, if any, and (d) earnings and the appreciation in the value of the investments; and charged with (a) distributions made to the participant, (b) depreciation in the value of the investments, and (c) allocation of participant account administrative expenses. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are fully and immediately vested in their contributions and rollover contributions plus actual earnings thereon. Vesting in the Employer's contribution portion of their accounts is based on years of continuous service. Employer contributions vest at a rate of 25% per year and are fully vested upon four years of service. In the event of total disability or death, the participants will become 100% vested in their accounts.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts. The minimum loan amount is \$1,000 and participants may borrow up to 50% of their vested account balance up to a maximum of \$50,000. However, the \$50,000 will be reduced by the highest outstanding note balance they had during the previous one-year period. Participants are allowed a maximum of two notes outstanding at any one time. Notes must be fully repaid within five years unless the note is used for the purchase of a primary residence, in which case the plan administrator may permit a longer repayment term. Principal and interest is paid through payroll deductions. The notes bear interest at Prime plus 2%. All notes are adequately secured by the balance of the participant's account.

PAYMENT OF BENEFITS AFTER TERMINATION OF EMPLOYMENT

Upon termination of service, participants may elect to have their benefits paid to them as a single lump sum, paid as a direct rollover to another qualified retirement plan or individual retirement account, or distributed in partial payments. Termination of service may result from the death of the participant, total disability of the participant, retirement, or termination of employment. If the participant's account is greater than \$5,000, he or she has the option to defer receiving payments until age 72. If the participant's account balance is less than \$5,000 and the terminated participant fails to make a distribution election, the Plan will roll the balance into a traditional and/or Roth IRA account. If the account is less than \$1,000, the Plan will distribute the account directly to the participant in a lump sum. In the event of a death of a participant prior to retirement, 100% of the participant's account will be paid to their beneficiary.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITED ACCOUNTS

If a participant terminates before becoming fully vested in their account balance, the non-vested portion of the participant's account balance will be forfeited as of the earlier of the distribution of the entire vested portion of the participant's account or the last day of the Plan year in which the former participant has a five-year break in service. Forfeitures may be used by the Plan to reduce any Employer matching contributions or pay administrative expenses. For the year ended December 31, 2021, forfeitures in the amount of \$3,568 were redeemed by the Plan. The balance in the forfeiture account as of December 31, 2021 and 2020 was \$577 and \$3,567, respectively.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP"). The Plan follows the accounting and reporting guidance as prescribed by Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 962, "Plan Accounting - Defined Contribution Pension Plans."

USE OF ESTIMATES

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributes the excess contributions to the applicable participants prior to March 15th of the next fiscal year.

PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution.

EXPENSES

The cost and expenses of administering the Plan are paid by the Plan participants unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from the financial statements. Administrative expenses incurred by the Plan include note receivable and benefit payment fees charged directly to the participant's accounts and recordkeeping fees. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan values its investments under the provisions of FASB ASC 820, "*Fair Value Measurements and Disclosures*," which defines fair value under GAAP, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. GAAP establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement.

The following provides a description of the three levels of inputs that may be used to measure fair value under the standard, the types of plan investments that fall under each category, and the valuation methodologies used to measure these investments at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

BASIS OF FAIR VALUE MEASUREMENTS

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Mutual funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 3 - BASIS OF FAIR VALUE MEASUREMENTS (CONTINUED)

The tables below segregate all investments as of December 31, 2021 and 2020 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 8,652,845	\$ --	\$ --	\$ 8,652,845

Investments at Fair Value				<u>\$ 8,970,245</u>

Mutual funds	\$ 7,455,466	\$ --	\$ --	\$ 7,455,466

Investment measured at net asset value*				<u>794,768</u>
Investments at Fair Value				<u>\$ 8,250,234</u>

*This investment has been measured at fair value using the NAV per share (or its equivalent) as a practical expedient and has not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

COMMON COLLECTIVE TRUST

A common collective trust fund is comprised of units that are not publicly traded. The Plan's investment in a common collective trust fund is valued at the NAV of participation units held by the Plan at year-end. The underlying assets in this fund are valued, where applicable, on exchanges and price quotes for the assets held by the fund when readily available. When

current market prices or quotations are not available, valuations are determined using valuation models adopted by the trustee or other inputs principally from or corroborated by observable market data.

There are no funding commitments required by the common collective trust and there is no minimum notice or holding periods for the participants. If management of the Plan wishes to withdraw the entire investment in the common collective trust, the Plan must provide the trustee with at least 60 days' notice.

NOTE 4 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

Less: prior year excess contributions payable	(1,551)
Rounding	(1)
Net income per Schedule H of Form 5500	<u>\$ 688,050</u>

NOTE 5 - PLAN TERMINATION

Although the Employer has not expressed any intent to do so, the Employer has the right, under the Plan agreement, to amend any or all provisions of the Plan, as well as discontinue contributions and terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their accounts.

AETREX, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 6 - TAX STATUS

The Plan has adopted the Ascensus, Inc. Prototype Non-Standardized Profit Sharing Plan (the "Prototype Plan"), which is qualified under Section 401 of the IRC as a tax-exempt plan. The Prototype Plan has received an opinion letter from the IRS dated January 1, 2018.

On December 1, 2021 the Plan adopted the Ascensus LLC Non-Standardized Pre-Approved Profit Sharing Plan with CODA ("Pre-Approved Plan"). The Pre-Approved plan is qualified under Section 401 of the IRC as a tax-exempt plan. The Pre-Approved Plan received an opinion letter from the IRS dated June 30, 2020.

Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 7 - CERTIFIED INVESTMENTS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Acensus Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are managed by The Vanguard Group, Inc., the third-party administrator of the Plan; therefore, these transactions qualify as party-in-interest transactions.

Certain employees of the Employer, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2021

NOTE 9 - EXCESS CONTRIBUTIONS PAYABLE

For the year ended December 31, 2020, certain contributions from highly compensated participants in the amount of \$1,551, did not comply with the participant discrimination rules set forth in Section 401(k)(3) of the IRC. These contributions exceeded the allowable deferral limit and were refunded to participants prior to March 15, 2021. There were no excess contributions during the year ended December 31, 2021.

NOTE 10 - SUBSEQUENT EVENTS:

The Plan evaluated subsequent events through October 13, 2022, which is the date the financial statements were available to be issued.
