Spurs Sports & Entertainment 401(k) Plan
San Antonio, Texas

As part of our audit of the financial statements of Spurs Sports & Entertainment 401(k) Plan (Plan) as of and for the year ended December 31, 2021, we wish to communicate the following to you.

An audit performed in accordance with ERISA Section 103(a)(3)(C) does not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised, and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Management has determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. Management has also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

AUDIT SCOPE AND RESULTS

Auditor's Responsibility Under Auditing Standards Generally Accepted in the United States of America

An audit performed in accordance with auditing standards generally accepted in the United States of America is designed to obtain reasonable, rather than absolute, assurance about the financial statements. In performing auditing procedures, we establish scopes of audit tests in relation to the financial statements taken as a whole. Our engagement does not include a detailed audit of every transaction. Our contract more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our contract more specifically describes your responsibilities.

- Fair value of investments

Significant Unusual Transactions

Significant unusual transactions represent significant transactions that are outside the normal course of business for the Plan or that otherwise appear to be unusual due to their timing, size, or nature. We have identified the following transactions that we consider to be significant and unusual:

- No matters are reportable

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Investments – see above regarding the auditing procedures not performed as instructed by the Plan Administrator
- Fair value of investments and related disclosures

Audit Adjustments

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments which, in its judgment, are required to prevent the financial statements from being materially misstated. A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework. No audit adjustments were proposed in conjunction with the current year audit.

Reportable Findings

During the course of the audit, we have identified the following reportable findings that are considered relevant to those charged with governance over the Plan:

- Insufficient monitoring of the Plan's service organizations, including review of relevant SOC 1 reports
- Participant deferral rate change review through formal review of feedback files provided by Fidelity

See the "Internal Control Over Financial Reporting" section for more information on the above reportable findings.

Auditor's Judgments About the Quality of the Plan's Accounting Principles

During the course of the audit, we made the following observations regarding the Plan's application of accounting principles:

- The quality of the Plan's accounting principles appears adequate and appropriately applied

Other Documents Containing Audited Financial Statements

The Plan's audited financial statements are included in the Form 5500, *Annual Return/Report of Employee Benefit Plan*, filed with the Department of Labor Employee Benefits Security Administration. As part of our procedures, we read the draft Form 5500 that is substantially complete to determine if financial information discussed in sections outside the financial statements materially contradicts the audited financial statements. If we identify any such matters, we bring them to management's attention and review subsequent revisions.

Our responsibility also includes communicating to you any information we believe is a material misstatement of fact. Nothing came to our attention that caused us to believe that such information, or its manner of presentation, is materially inconsistent with the information, or manner of its presentation, appearing in the financial statements.

During the Audit Process

During the audit process, the following issue was discussed or was the subject of correspondence with management:

- Business conditions affecting the Plan

Other Material Communications

Listed below are other material communications between management and us related to the audit:

- Management representation letter (attached)

INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit of the financial statements of Spurs Sports & Entertainment 401(k) Plan as of and for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our audit procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control.

Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented or detected and corrected on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

We observed the following matters that we consider to be deficiencies.

Deficiencies

SSAE 16 Review

We noted in our walkthroughs of internal controls that there was no documentation of a review performed on the Fidelity SSAE 16 (SOC 1) report by Plan management. Review of the SOC 1 report is necessary to verify that controls are in place and operating effectively at the custodian level, as well as ensuring the proper user controls are in place at the plan sponsor level. We recommend a review process be implemented to consider any user control considerations outlined in the SOC 1 report and to ensure proper functioning of the custodian processes. This review can, but is not required to, be performed in conjunction with the review of the Plan's investments. We recommend that the person responsible for performing the review document the review by initialing the report or document the review in the Plan minutes to indicate the review was performed.

Participant Deferral Rate Change Review

During our walkthrough procedures we noted that while management reviews the feedback files for rate changes elected by participants, we noted there is no formal documentation kept for the review of participant contribution rate changes after those changes are made within the payroll system. In addition, we noted during our testing of participant data, an individual elected a 0% Roth contribution rate in 2020. However, this rate was not implemented until the fourth paycheck of 2021 when it was a subsequently identified and corrected by management. We recommend management design and implement an automated system to process participant contribution rate changes within the payroll system or that management formally document the review and input of deferral rate changes manually made within the payroll system. In addition, we recommend management design and implement a process to regularly review participant contribution rate changes after such changes are processed to ensure participants are contributing at their elected rates in order to ensure proper deferrals are being remitted to the Plan.

This communication is intended solely for the information and use of the Investment Committee, Trustees, and Plan management and is not intended to be, and should not be, used by anyone other than these specified parties.

The undersigned ("We") are providing this letter in connection with FORVIS' audit of the financial statements of Spurs Sports & Entertainment 401(k) Plan (Plan) as of and for the years ended December 31, 2021 and 2020, and supplemental schedule for the year ended December 31, 2021.

Our representations are current and effective as of the date of FORVIS' report: October 12, 2022.

Our engagement with FORVIS is based on our contract for services dated: May 27, 2022.

Our Responsibility and Consideration of Material Matters

We confirm that we are responsible for the fair presentation of the financial statements subject to FORVIS' report in conformity with accounting principles generally accepted in the United States of America and for the fair presentation of the accompanying supplemental schedule in conformity with the Department of Labor's Rules and Regulations under the *Employee Retirement Income Security Act of 1974* (ERISA).

We are also responsible for adopting sound accounting policies; establishing and maintaining effective internal control over financial reporting, operations, and compliance; and preventing and detecting fraud.

We elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and, that the certified investment information is appropriately measured, presented, and disclosed in accordance with accounting principles generally accepted in the United States of America.

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with generally accepted accounting principles and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

For the audit of the Plan's 2020 financial statements, we have instructed you not to perform any auditing procedures with respect to information prepared and certified by Fidelity Management Trust Company, the custodian, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information that you did not audit, we understand that you did not express an opinion on the financial statements and supplemental schedule as a whole. We understand the form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified or provided by the custodian, was audited by you in accordance with generally accepted auditing standards, and was subjected to tests of our accounting records and other procedures as you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

Confirmation of Matters Specific to the Subject Matter of FORVIS' Report

We confirm, to the best of our knowledge and belief, the following:

1. We have fulfilled our responsibilities, as set out in the terms of our contract, for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America.
2. - b. The most current Plan instrument for the audit period, including all Plan Amendments.
 - c. A draft of the Form 5500 that is substantially complete.
 - d. Additional information that you have requested from us for the purpose of the audit.
 - e. Unrestricted access to persons within the Plan from whom you determined it necessary to obtain audit evidence.
 - f. All minutes of Administrative and Investment Committee meetings held through the date of this letter.
 - g. All significant contracts.
8. All transactions have been recorded in the accounting records and are reflected in the financial statements.
9. Financial instruments with off-balance sheet risk and financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
10. We have informed you of all current risks of a material amount that are not adequately prevented or detected by our procedures with respect to:
- a. Misappropriation of assets.
 - b. Misrepresented or misstated assets or liabilities.
11. We have no knowledge of any known or suspected fraudulent financial reporting or misappropriation of assets involving:

12. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from participants, former participants, regulators, third-party servicers, or others.
13. We have assessed the risk that the financial statements may be materially misstated as a result of fraud and disclosed to you any such risk identified.
14. We have disclosed to you the identity of the Plan's related parties and all the related-party relationships and transactions of which we are aware. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with accounting principles generally accepted in the United States of America.

We understand that the term related party refers to an affiliate; principal owners, management, and members of their immediate families; subsidiaries accounted for by the equity method; and any other party with which the Plan may deal if the Plan can significantly influence, or be influenced by, the management or operating policies of the other. The term affiliate refers to a party that directly or indirectly controls, or is controlled by, or is under common control with, the Plan.

15. Except as reflected in the financial statements, there are no:
 - a. Plans or intentions that may materially affect carrying values of assets and liabilities.
 - b. Material transactions omitted or improperly recorded in the financial records.

16. Material concentrations have been properly disclosed in accordance with U.S. GAAP.
17. We acknowledge the Plan does not meet the definition of a “public entity” under generally accepted accounting principles.
18. We have disclosed to you all known instances of noncompliance or suspected noncompliance with laws and regulations whose effects should be considered when preparing financial statements.
19. Neither the Plan nor the Plan Sponsor are aware of any pending or threatened litigation or claims whose effects should be considered when preparing the financial statements. Neither the Plan nor the Plan Sponsor have sought or received attorney’s services related to pending or threatened litigation or claims during or subsequent to the audit period. Also, we are not aware of any litigation or claims, pending or threatened, for which legal counsel should be sought.
20. Adequate allowances have been accrued for any material losses from uncollected receivables.
21. Except as disclosed in the financial statements, the Plan has:
 - a. Satisfactory title to all recorded assets, and they are not subject to any liens, pledges, or other encumbrances.
 - b. Complied with all aspects of contractual agreements, for which noncompliance would materially affect the financial statements.
22. The financial statements disclose all significant estimates known to us. Significant estimates are estimates at the date of the statements of net assets available for benefits that could change materially within the next year. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.
23. The fair values of financial assets recognized in the financial statements or disclosed in the notes thereto are reasonable estimates based on the methods and assumptions used. The methods and significant assumptions used result in measurements of fair value appropriate for financial statement recognition and disclosure purposes and have been applied consistently from period to period, taking into account any changes in circumstances. The significant assumptions appropriately reflect market participant assumptions.

24. The Plan and the trust established under the Plan are qualified under the appropriate section of the Internal Revenue Code, and we intend to continue them as a qualified Plan and trust. We do not have any intention at present to terminate the Plan. Required nondiscrimination testing under the appropriate Code Sections has been completed for the Plan, and any excess contributions have been disposed of in accordance with regulations.
25. The adoption date of the most recent Plan amendment was July 14, 2021 as provided to you.
26. The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, we believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, we believe that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date.
27. The Plan has complied with the fidelity bonding requirements of ERISA.
28. The Plan has made no investments during the year that violate the terms of the Plan or Trust Agreement.
29. We are not aware of any side agreements or other arrangements (either written or oral) that are in place.
30. With respect to any nonattest services you have provided us during the year, including assisting with the preparation, clerical, printing, and binding of the financial statements and related notes:

31. We have reviewed the reports of all transactions processed by third-party servicers, and based on our review, we believe the transactions shown in the reports are valid and in accordance with our instructions to the third-party processor. We also have had no communications from any of the Plan's service organizations regarding any fraud, noncompliance with laws and regulations, or uncorrected misstatements.

33. We have apprised you of all communications, written or oral, with regulatory agencies concerning the operation of the Plan.
34. As applicable, we have complied with the Department of Labor's regulations concerning the services provider fee disclosures in accordance with Sec. 408(b)(2).

35. With regard to supplementary information:

- a. We acknowledge our responsibility for the presentation of the supplementary information, including its form and content, in conformity with relevant regulatory requirements or other applicable criteria.
- b. We believe the supplementary information is fairly presented, both in form and content, in accordance with relevant regulatory requirements or other applicable criteria, in material respects.
- c. The methods of measurement and presentation of the supplementary information are unchanged from those used in the prior period.
- d. We believe the significant assumptions or interpretations underlying the measurement and/or presentation of the supplementary information are reasonable and appropriate.
- e. The supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- f. If the supplementary information is not presented with the audited financial statements, we acknowledge we will make the audited financial statements readily available to intended users of the supplementary information no later than the date such information and the related auditor's report are issued.

36. We understand the values of the assets and liabilities recorded in the financial statements could change rapidly, resulting in material future adjustments to investment values that could negatively impact the Plan. We acknowledge that you have no responsibility for future changes caused by the current economic environment and the resulting impact on the Plan's financial statements. Further, the Plan Sponsor is solely responsible for all aspects of managing the Plan, including questioning the quality and valuation of investments.
