To the Trustees, Plan Sponsor, and Participants of
Heard & Smith LLP 401(k) Retirement Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Heard & Smith LLP 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of Heard & Smith LLP 401(k) Retirement Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Independent Auditor's Report (continued)

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Heard & Smith LLP 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Heard & Smith LLP 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Independent Auditor's Report (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Heard & Smith LLP 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Heard & Smith LLP 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i—Schedule of Assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying

Independent Auditor's Report (continued)

accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements Heard & Smith LLP 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 24, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HEARD & SMITH, LLP 401(K) RETIREMENT PLAN

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following brief description of the Heard & Smith LLP 401(k) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan was established and commenced on January 1, 2003. The Plan is a defined contribution plan covering all employees of Heard & Smith, LLP (the Company), except employees who are members of a collective bargaining unit and nonresident aliens with no U.S. income, who have completed one year of service and who are age twenty-one (21) or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Company may, at its discretion, match a portion of participant contributions or make a non-elective discretionary contribution known as a profit-sharing contribution. Contributions are subject to certain limitations. The Company did not make any matching for the year 2021 but did make a profit-sharing contribution in the amount of \$330,019 for the year 2021. Each year, participants may contribute up to a maximum amount determined by the Federal Government, which for the year 2021 was \$19,500. Also, participants who have obtained the age of 50 before the close of the Plan year are eligible to make catch-up contributions, which for the year 2021 was up to an additional \$6,500.

Additionally, participants may rollover or transfer retirement savings or account balances from other qualified retirement plans into the Plan.

Participant Accounts

Participants may direct their contributions to selected investments as made available by the Plan administrator. Participants may change their investment options throughout the year via direct access with the Plan's custodian. Each participant's account is credited with the participant's contribution, the Company's contributions (if any), and an allocation of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are not paid by the Company. Allocations are in proportion to the participant account balances. Plan earnings are credited to each participant's account based upon the performance of the investments selected at each valuation date. The benefit to which a participant is entitled is the benefit that can be derived from the participant's vested account.

Notes to Financial Statements December 31, 2021 and 2020

1. Description of Plan (continued)

Payment of benefits

On termination of service, a lump-sum amount or substantially equal installments will be distributed equal to the value of the participant's vested interest in his or her account. Hardship distributions are also available subject to certain limitations.

Vesting

Participants are 100% vested at all times in the accrued benefits from their elective contributions. Participants become 20% vested after two years of service and increasing 20% per year until 100% vested after the completion of six years of service in all matching and non-elective discretionary contributions made by the Company and the earnings thereon.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeited amounts from nonvested accounts may be used by the Plan for several purposes including reducing the Company's matching and non-elective contributions or applied to reduce administrative expenses of the Plan. Unallocated forfeitures at December 31, 2021 and 2020 were \$1,695 and \$5,402, respectively. Also, in 2021 employer profit sharing contributions were reduced by \$10,367 from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Investment Valuation and Income Recognition

Investments held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes to Financial Statements December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan management to make estimates and assumptions that affect the reported amounts assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Excess Contribution Payable

An accounts payable to a participant at December 31, 2020 is for 2020 contributions the participant deferred prior to being eligible to participate in the Plan. The 2020 contributions plus earnings were refunded to the participant in 2021.

The Plan distributed the 2019 excess contributions plus associated earnings to the applicable participant on September 14, 2021. Because these corrective distribution to correct the ADP/ACP failure for the 2019 plan year was not made by December 31, 2020, this failure was self-corrected by the Plan Sponsor in 2021. The Plan Sponsor corrected the 2019 nondiscrimination testing failure in 2021 using the one-to-one correction method, which generally requires the excess contributions plus earnings to be refunded to highly compensated employees and a qualified nonelective contribution (QNEC) be made by the Sponsor in the same amount and allocated to certain non-highly compensated employees. Accordingly, during 2021, the Sponsor made a QNEC contribution in the amount of \$3,891 which is reflected as an employer QNEC contribution within the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of participant-initiated transactions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

3. Certification of Plan Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements December 31, 2021 and 2020

3. Certification of Plan Custodian (continued)

Accordingly, John Hancock Life Insurance Company (U.S.A.) (John Hancock), the custodian of the Plan has certified that the following information included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Investment income (loss) as shown in the statements of changes in net assets available for benefits for the year ended December 31, 2021.
- Investment information included in the accompanying schedule of assets (held at end of year) as of December 31, 2021.

Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan's independent auditors did not perform auditing procedures with respect to the above referenced information certified by the trustee which appears throughout the Plan's financial statements and supplemental schedule.

4. Fair Value Measurements

The fair value measurement accounting literature establishes a framework for measuring fair value in accordance with accounting principles generally accepted in the United States of America. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, Level 2 input must be observable for substantially the full term of the asset or liability.

HEARD & SMITH, LLP 401(K) RETIREMENT PLAN

Notes to Financial Statements December 31, 2021 and 2020

4. Fair Value Measurements (continued)

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for major categories of investments measured at fair value:

Pooled Separate Accounts

These investments are valued using the net asset value ("NAV") of units held by the Plan at year-end as provided by the Custodian. The NAV is based on the fair value of the underlying assets owned by the fund, net of the investment management fee, and is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. If the Plan initiates a full redemption of the pooled separate account, the issuer reserves the right to require 12 months' notification in order to ensure that securities liquidations will be carried out in an orderly business manner. Participant transactions (purchases and sales) may occur daily, and there are no significant restrictions on participant redemptions or any unfunded commitments.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair values as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Fair Value
Investments measured at NAV (a)	\$ -		\$ -	\$ 3,807,906

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Fair Value
Investments measured at NAV (a)	\$ -		\$ -	\$ 3,096,561

(a) In accordance with ASC 820-10, certain investments (pooled separate accounts) that were measured at NAV per share (or its equivalents) have not been classified in the fair value hierarchy. All invested assets held by the Plan are measured at NAV per share. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Notes to Financial Statements December 31, 2021 and 2020

5. Tax Status

The Company adopted the Dataair Employee Benefit Systems, Inc. Volume Submitter Profit Sharing Plan with CODA which received a favorable opinion letter from the Internal Revenue Service (IRS) on March 31, 2014 which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in accordance with the applicable requirements of the IRC, and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments are investments managed by John Hancock. John Hancock is the custodian of Plan assets, and they provide participant accounting and, therefore these transactions qualify as party-in-interest transactions. Such transactions are permitted under the provisions of the Plan and are exempt from the prohibition of party-in-interest transactions under ERISA. Total fees paid by the Plan for administrative services amounted to \$1,150 for the year ended December 31, 2021.

7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Plan Termination

Although it has not expressed intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, all participants would become fully vested in their account balances.

9. Reconciliation of Financial Statements to Form 5500

The following is reconciliation of net assets available for benefits per financial statements at December 31, 2021 and 2020 to Form 5500:

	December 31,	
	2021	2020
Net assets available for benefits per financial statements	\$ 4,139,620	\$ 3,420,222
Add: Excess contribution payable	-	1,800
Net assets available for benefits per Form 5500	<u>\$ 4,139,620</u>	<u>\$ 3,422,022</u>

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2021 to Form 5500:

Net increase in net assets available for benefits per financial statements	\$ 719,398
Less: Excess contribution payable at December 31, 2019	<u>(1,800)</u>
Net income per Form 5500	<u>\$ 717,598</u>

10. Subsequent Events – Plan Restatement

Every six years, qualified retirement plans are required to restate plan documents to incorporate legislative and regulatory changes that occurred since the documents were last rewritten. The current restatement window (Cycle 3 Restatement) opened August 1, 2020 and closed on July 31, 2022.

The Plan was restated using The Retirement Advantage, Inc. Non-Standard Pre-Approved Profit Sharing Plan With CODA effective January 1, 2022. The IRS determined and issued a letter dated June 30, 2020 stating that the plan document is qualified under the appropriate sections of the IRC. There were no significant changes to the Plan provisions.

Subsequent events were evaluated through October 10, 2022, the date the financial statements were available to be issued.
