INDEPENDENT AUDITOR'S REPORT

To the Plan Administrative Committee
San Antonio Eye Center 401k Profit Sharing Plan
San Antonio, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of San Antonio Eye Center 401k Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of San Antonio Eye Center 401k Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section-

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of San Antonio Eye Center 401k Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about San Antonio Eye Center 401k Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of San Antonio Eye Center 401k Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about San Antonio Eye Center 401k Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i- Schedule of Assets (Held at End of Year) as of an for the year ended December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion-

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Our responsibility is to express an opinion on the 2020 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statement. The plan administrator has obtained a certification from the custodian as of December 31, 2020, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2020 financial statements. Accordingly, we do not express an opinion on the 2020 financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of San Antonio Eye Center 401k Profit Sharing Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a defined contribution plan which covers substantially all employees of San Antonio Eye Center, P.A. (the Company or Plan Sponsor). Employees become eligible to participate in the Plan when they have completed one hour of service and have attained age 21. Entry dates for participants are the date they satisfy eligibility requirements. Employees become eligible to receive matching and nonelective deferrals when they have completed one year of service and have attained age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions

Participants may elect to contribute to the Plan a percentage of their compensation; however, total deferrals in any taxable year may not exceed a certain dollar amount which is set by law. The employer may make discretionary matching and/or nonelective contributions each year. Participants who reach the age of 50 before the close of a calendar year are eligible to make catch-up elective deferral contributions to the Plan. Participants may designate part or all of their salary deferral contributions as Roth after-tax contributions.

Participant Accounts

Benefits to employees of the Companies consist of employer matching and nonelective contributions, participant contributions, and earnings on investments. Nonelective contributions are discretionary and are determined separately for each employee classification. Participants are eligible to receive an allocation of employer nonelective contributions upon completion of at least 501 service hours during the plan year or are employed on the last day of the Plan year. Matching contributions may be made equal to a uniform percentage or dollar amount of elective deferrals as determined by the employer.

Vesting

Participants are vested immediately in their contributions and actual earnings thereon. Vesting in the Company's discretionary nonelective and matching contributions of their accounts is based on years of continuous service, which have a six-year graded vesting period as follows:

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

<u>Complete Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Upon normal retirement age, or in the event of death or disability, the participant becomes 100% vested.

Payment of Benefits

On termination of service for any reason, a participant may elect to receive an amount equal to the value of the participant's vested balance as soon as is administratively feasible in the form of a lump-sum distribution. The Plan contains a mandatory cash out provision for accounts under \$5,000 which are paid in a lump-sum distribution without participant consent.

Forfeitures

Forfeitures of nonvested nonelective and matching contributions may be used to reduce the contributions payable to the Plan or to pay Plan expenses.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting and present the net assets available for the benefit of the participants and changes in those net assets.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Notes receivable from participants

Participants may borrow, subject to certain conditions, from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest earned on participant loans was \$11,244 and \$10,739 for 2021 and 2020, respectively.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments.

NOTE 3 – CERTIFIED FINANCIAL INFORMATION

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA for the years ended December 31, 2021 and 2020. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by John Hancock Life Insurance Company for the years ended December 31, 2021 and 2020, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedules.

NOTE 3 – CERTIFIED FINANCIAL INFORMATION (CONTINUED)

The following table presents the fair value of participant-directed investments and participant loans in this Plan that were certified by John Hancock Life Insurance Company for the years ended December 31, 2021 and 2020.

	2021	2020
Pooled separate accounts	\$ 8,756,314	\$ 7,330,441
Participant loans	231,333	228,492
	<u>\$ 8,987,647</u>	<u>\$ 7,558,933</u>

John Hancock Life Insurance Company also certified to the completeness and accuracy of \$797,461 of interest, dividends and net appreciation in fair market value of investments for the year ended December 31, 2021. John Hancock Life Insurance Company also certified the interest income from participant loans for the year ended December 31, 2021 of \$11,244.

John Hancock Life Insurance Company also certified to the completeness and accuracy of \$933,731 of interest, dividends and net depreciation in fair market value of investments for the year ended December 31, 2020. John Hancock Life Insurance Company also certified the interest income from participant loans for the year ended December 31, 2020 of \$10,739.

NOTE 4 – TAX STATUS

Effective January 1, 1998 the Plan adopted a nonstandardized form of a prototype plan. The Plan has received an opinion letter from the IRS as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by the Plan. Although the Plan has been amended since receiving this determination letter, the Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken uncertain tax positions that more-likely-than-not would not be sustained upon examination by applicable taxing authorities. The plan administrator has analyzed tax positions taken by the Plan and has concluded that there are no uncertain tax positions taken, or expected to be taken, that would require recognition of a liability or that would require disclosure in the financial statements.

The Plan is subject to routine audits by taxing jurisdictions. However, currently no audits for any tax periods are in progress. The plan administrator believes that the Plan is no longer subject to income tax examination for years ending prior to December 31, 2018.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK

The Plan's investments are not guaranteed by any federal depository insurance. Any significant concentration of credit risk related to the specific investments in the registered investment companies may subject the Plan investments to economic changes occurring within those industries in which the funds have invested.

NOTE 6 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Statement ASC 820, *Fair Value Measurements* (FASB ASC 820), establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Input to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodology used for assets measured at fair value by the Plan.

Pooled separate accounts: Valued at the net asset value by the custodian, as of the close of business and adjusted for dividends, splits, administrative maintenance charges and other items.

NOTE 6 – FAIR VALUE MEASUREMENTS (CONTINUED)

The methods above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuations methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan's assets recorded at fair value have been categorized based upon a fair value hierarchy in accordance with FASB ASC 820. The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
Description	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 8,756,314	\$ -	\$ 8,756,314
