REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Rev Agency, LLC 401K Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audits of the financial statements of Rev Agency, LLC 401K Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Rev Agency, LLC 401K Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rev Agency, LLC 401K Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rev Agency, LLC 401K Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rev Agency, LLC 401K Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1.DESCRPTION OF THE PLAN

The following description of the Rev Agency, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the plan's provision.

General

The plan is a multiple employer defined contribution plan covering eligible employees. The plan is subject to the provisions of ERISA. All regular full-time and part-time employees over 21 years of age of Rev Agency LLC and America's Vacation Center, LLC are eligible to participate in the plan after three months of service. Union employees, introductory employees and certain nonresident aliens are excluded from participation. Participation commences on the first day of each plan year and the first day of the fourth, seventh and tenth month of each Plan Year

Contributions

Each year participants may contribute up to 90% of their compensation not to exceed the maximum allowable IRC 402(g) limit of \$19,500 for 2021. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified plans. The Plan has the automatic deferral provision starting at 3% and increasing annually by 1% until a 6% contribution level is reached.

The Company makes a non-discretionary matching employer contribution equal to 50% of elective deferrals, up to 4% of the participant's eligible earnings. The non-elective contribution will be allocated to all employees eligible to participate in the plan except certain higher paid employees.

The maximum IRC 415 limit for total contributions made on behalf of a participant (deferrals and employer contributions) is \$58,000. Catch-up contributions can be made in excess of this limit.

Participants direct the investment of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds as options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. A participant is vested in employer contributions according to the following schedule. However, participants become 100% vested in employer contributions when termination of employment is the result of attaining retirement age, and upon death or total disability.

Period of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures

Forfeitures attributable to employer contributions shall be used to offset plan expenses and fund the employer contribution for the Plan year following the year such forfeitures occur.

Notes Receivable from Participant

Participants may borrow up to maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as participant directed investments. Loan terms range from one to five years. Loan terms may exceed five years only in the event the loan proceeds are used to purchase or construct the participant's principal residence. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing prime rates. Interest rates on loans outstanding as of December 31, 2021 and 2020 were 7%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, purchase of an annuity, or payment in equal installments.

NOTE 1.DESCRPTION OF THE PLAN (Continued)

The distributable amount is equal to the value of the participant's vested interest in his or her account. Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of discretionary contributions.

The plan also allows for in-service distributions upon attainment of age 59½ for any reason, and before age 59½ due to financial hardship, as defined in the plan document.

NOTE 2.SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting. Employer contributions and income from investments are recorded when they are earned. Employee contributions are recorded when withheld from pay. Expenses are recorded in accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded in the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investment bought and sold as well as held during the year.

Notes Receivables from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. As of December 31, 2021, \$4,820 was recorded as interest income on notes receivable from participants.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Payments of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net appreciation(depreciation) of the fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 16, 2022 the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, as included in the accompany financial statements and supplemental schedules prepared by or derived from information reported by the trustee of the Plan, Fidelity Management Trust Company for 2021 and 2020. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate at December 31, 2021 and 2020 and for the year ended December 31, 2021, as follows:

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 as described as follows:

<i>Level 1</i>	<i>Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.</i>
<i>Level 2</i>	<i>Inputs to the valuation methodology include</i> <i>• quoted prices for similar assets or liabilities in active markets;</i> <i>• quoted prices for similar assets or liabilities in inactive markets;</i> <i>• inputs other than quoted prices that are observable for the asset or liability;</i> <i>• inputs that are derived principally from or corroborated by observable market data by correlation or other means.</i> <i>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</i>
<i>Level 3</i>	<i>Inputs to the valuation methodology are unobservable and significant to the fair value measurement.</i>

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for asset measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed actively traded. is based on the appropriate level of the investments contained in the fund.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Money Market Funds: Mutual funds that invest in short-term debt securities such as US Treasury Bills and commercial paper. The NAV of the funds is based on calculations performed by Fidelity Pricing and Cash Management Services using the underlying investments. As such the hierarchical level for the fair value inputs of these funds is based on the appropriate level of investments contained in the funds. The underlying investments consist primarily of mutual funds with the characteristics described in mutual funds above. Further, the NAV of the funds are readily available on the appropriate exchange. As a result, these funds are classified as Level 1.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Asset at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,114,912	\$ -	\$ -	\$ 6,114,912

NOTE 5. NONPARTICIPANTS-DIRECTED INVESTMENTS

The Plan's participants direct all investments. There are no non-participant directed investments as of December 31, 2021 and 2020.

NOTE 6. RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee for the Plan and, therefore, these transactions qualify as party in interest transactions. The Plan also made direct payments to third party administrator of \$8,259. The Plan Sponsor pays directly any other fees related to the plan's operations. The Plan Trustee receives fees from administration and investment management.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, Rev Agency, LLC has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8. PLAN AMENDMENT AND TAX STATUS

The Plan obtained its latest determination letter in which the Internal Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISK AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. RISK AND UNCERTAINTIES (Continued)

COVID-19, a respiratory disease caused by a new strain of coronavirus, was declared a pandemic by the World Health Organization in March 2020 and continues to affect a wide range of economic activities, as well as domestic and global business and financial markets. In December 2020, the U.S. Food and Drug Administration approved the distribution of COVID-19 vaccines that, once widely adopted and utilized, may materially reduce the impact of COVID-19 going forward, although the impact of the virus including certain new strains remain uncertain. The impact, scope and duration of any new strains of the virus, and the ability to successfully distribute the vaccines, remain largely unknown. The attendant governmental policy and social responses, and economic and financial consequences, continue to be the subject of considerable attention and development. The Plan continues to perform all of its traditional operations, however, the Plan's individual investment values have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Rev Agency, LLC 401K Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed audits of the financial statements of Rev Agency, LLC 401K Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Rev Agency, LLC 401K Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rev Agency, LLC 401K Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rev Agency, LLC 401K Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rev Agency, LLC 401K Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedules Required by ERISA

The supplemental schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 1.DESCRPTION OF THE PLAN

The following description of the Rev Agency, LLC Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the plan's provision.

General

The plan is a multiple employer defined contribution plan covering eligible employees. The plan is subject to the provisions of ERISA. All regular full-time and part-time employees over 21 years of age of Rev Agency LLC and America's Vacation Center, LLC are eligible to participate in the plan after three months of service. Union employees, introductory employees and certain nonresident aliens are excluded from participation. Participation commences on the first day of each plan year and the first day of the fourth, seventh and tenth month of each Plan Year

Contributions

Each year participants may contribute up to 90% of their compensation not to exceed the maximum allowable IRC 402(g) limit of \$19,500 for 2021. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also rollover amounts representing distributions from other qualified plans. The Plan has the automatic deferral provision starting at 3% and increasing annually by 1% until a 6% contribution level is reached.

The Company makes a non-discretionary matching employer contribution equal to 50% of elective deferrals, up to 4% of the participant's eligible earnings. The non-elective contribution will be allocated to all employees eligible to participate in the plan except certain higher paid employees.

The maximum IRC 415 limit for total contributions made on behalf of a participant (deferrals and employer contributions) is \$58,000. Catch-up contributions can be made in excess of this limit.

Participants direct the investment of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds as options for participants.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the company's contribution and (b) plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested balance.

DECEMBER 31, 2021 AND 2020

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the company's contribution portion of their accounts is based on years of continuous service. A participant is vested in employer contributions according to the following schedule. However, participants become 100% vested in employer contributions when termination of employment is the result of attaining retirement age, and upon death or total disability.

Period of Service	Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Forfeitures

Forfeitures attributable to employer contributions shall be used to offset plan expenses and fund the employer contribution for the Plan year following the year such forfeitures occur.

Notes Receivable from Participant

Participants may borrow up to maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as participant directed investments. Loan terms range from one to five years. Loan terms may exceed five years only in the event the loan proceeds are used to purchase or construct the participant's principal residence. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with prevailing prime rates. Interest rates on loans outstanding as of December 31, 2021 and 2020 were 7%. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, purchase of an annuity, or payment in equal installments.

NOTE 1.DESCRPTION OF THE PLAN (Continued)

The distributable amount is equal to the value of the participant's vested interest in his or her account. Employees who elect to have their benefit payments deferred continue to share in allocations of investment income and losses but do not share in subsequent allocations of discretionary contributions.

The plan also allows for in-service distributions upon attainment of age 59½ for any reason, and before age 59½ due to financial hardship, as defined in the plan document.

NOTE 2.SUMMARY OF ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting. Employer contributions and income from investments are recorded when they are earned. Employee contributions are recorded when withheld from pay. Expenses are recorded in accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded in the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investment bought and sold as well as held during the year.

Notes Receivables from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. As of December 31, 2021, \$4,820 was recorded as interest income on notes receivable from participants.

NOTE 2. SUMMARY OF ACCOUNTING POLICIES (Continued)

Payments of Benefits

Benefits are recorded when paid.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

Plan Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net appreciation(depreciation) of the fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through August 16, 2022 the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following is a summary of the unaudited information regarding the Plan, as included in the accompany financial statements and supplemental schedules prepared by or derived from information reported by the trustee of the Plan, Fidelity Management Trust Company for 2021 and 2020. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate at December 31, 2021 and 2020 and for the year ended December 31, 2021, as follows:

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 as described as follows:

<i>Level 1</i>	<i>Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.</i>
<i>Level 2</i>	<i>Inputs to the valuation methodology include</i> • <i>quoted prices for similar assets or liabilities in active markets;</i> • <i>quoted prices for similar assets or liabilities in inactive markets;</i> • <i>inputs other than quoted prices that are observable for the asset or liability;</i> • <i>inputs that are derived principally from or corroborated by observable market data by correlation or other means.</i> <i>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</i>
<i>Level 3</i>	<i>Inputs to the valuation methodology are unobservable and significant to the fair value measurement.</i>

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for asset measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. The funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed actively traded. is based on the appropriate level of the investments contained in the fund.

**REV AGENCY, LLC.
RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

Money Market Funds: Mutual funds that invest in short-term debt securities such as US Treasury Bills and commercial paper. The NAV of the funds is based on calculations performed by Fidelity Pricing and Cash Management Services using the underlying investments. As such the hierarchical level for the fair value inputs of these funds is based on the appropriate level of investments contained in the funds. The underlying investments consist primarily of mutual funds with the characteristics described in mutual funds above. Further, the NAV of the funds are readily available on the appropriate exchange. As a result, these funds are classified as Level 1.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Asset at Fair Value as of December 31, 2021</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,114,912	\$ -	\$ -	\$ 6,114,912

	<u>Asset at Fair Value as of December 31, 2020</u>			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 6,201,050	\$ -	\$ -	\$ 6,201,050

Total asset at fair value	<u>\$ 6,838,993</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 6,838,993</u>

NOTE 5. NONPARTICIPANTS-DIRECTED INVESTMENTS

The Plan's participants direct all investments. There are no non-participant directed investments as of December 31, 2021 and 2020.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020**

NOTE 6. RELATED-PARTY TRANSACTIONS

Certain Plan investments are managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee for the Plan and, therefore, these transactions qualify as party in interest transactions. The Plan also made direct payments to third party administrator of \$8,259. The Plan Sponsor pays directly any other fees related to the plan's operations. The Plan Trustee receives fees from administration and investment management.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, Rev Agency, LLC has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 8. PLAN AMENDMENT AND TAX STATUS

The Plan obtained its latest determination letter in which the Internal Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISK AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. RISK AND UNCERTAINTIES (Continued)

COVID-19, a respiratory disease caused by a new strain of coronavirus, was declared a pandemic by the World Health Organization in March 2020 and continues to affect a wide range of economic activities, as well as domestic and global business and financial markets. In December 2020, the U.S. Food and Drug Administration approved the distribution of COVID-19 vaccines that, once widely adopted and utilized, may materially reduce the impact of COVID-19 going forward, although the impact of the virus including certain new strains remain uncertain. The impact, scope and duration of any new strains of the virus, and the ability to successfully distribute the vaccines, remain largely unknown. The attendant governmental policy and social responses, and economic and financial consequences, continue to be the subject of considerable attention and development. The Plan continues to perform all of its traditional operations, however, the Plan's individual investment values have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
