INDEPENDENT AUDITORS' REPORT

To the Plan Administrator of
Creative Office Pavilion 401(k) Plan and Trust:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Creative Office Pavilion 401(k) Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Creative Office Pavilion 401(k) Plan and Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Office Pavilion 401(k) Plan and Trust's ability to continue as a going concern for one year from the date the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Creative Office Pavilion 401(k) Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Creative Office Pavilion 401(k) Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i, Schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all

material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Creative Office Pavilion 401(k) Plan and Trust. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CREATIVE OFFICE PAVILION 401(K) PLAN AND TRUST

Notes to Financial Statements

December 31, 2021 and 2020

(1) Plan Description

The following description of the Creative Office Pavilion 401(k) Plan and Trust provides only general information. Participants should refer to the Plan document and adoption agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that is intended to comply with the provisions of the ERISA and Section 401(a) and Section 401(k) of the Internal Revenue Code (IRC).

The Plan covers all employees of Creative Office Interiors, Inc. d/b/a Creative Office Pavilion ("the Company") except residents of Puerto Rico, employees covered by a collective bargaining agreement and nonresident aliens who do not receive United States source income from the Company. To become eligible, employees must have a minimum of three months of service and have attained age 18, except co-ops and interns who must have completed 1,000 hours of service and have attained age 21. The plan entrance date, for those who meet eligibility requirements, is the first day of every month.

The Plan was amended effective September 1, 2021 to (a) specify that participants who were automatically enrolled on or after July 1, 2017, with a deferral rate greater than 0% will have that deferral rate increased annually by 1% as a pre-tax deferral contribution, until a deferral rate of 10% is reached, and (b) allow participants who became disabled or died during the plan year to be eligible to receive an allocation of non-elective employer and matching employer contributions.

The Plan was also amended on October 27, 2021 to adopt a new plan document which resulted in the following changes to the Plan: (a) participants may take distributions from the Plan while employed by the Company, age 65, (b) participant loans must be for no less than \$1,000, and (c) each participant can have only one loan outstanding at a time.

Contributions

All eligible employees, unless they elect otherwise, are automatically enrolled in the Plan and 5% of their eligible compensation is deferred from tax, withheld and contributed to the Plan trust. Employees who are automatically enrolled have their deferrals increased by 1% of their eligible compensation annually, until a deferral rate of 10% is reached. Effective October 27, 2021, participants who were automatically enrolled on or after July 1, 2017, with a deferral rate greater than 0% will have that deferral rate increased annually by 1% as a pre-tax deferral contribution, until a deferral rate of 10% is reached. Participants may elect to make before-tax contributions that may not exceed 60% of their annual compensation, as defined by the Plan, and \$19,500, the maximum contribution for 2021 excluding catch-up provisions for participants age 50 and above, for which the maximum contribution is \$6,500. Employees may also make rollover contributions by which they transfer to the Plan all or a portion of the proceeds they receive from any other qualified plan. Participants direct the investment of their contributions and other plan activity to be allocated to their accounts among several options.

CREATIVE OFFICE PAVILION 401(K) PLAN AND TRUST

Notes to Financial Statements

December 31, 2021 and 2020

The Company may make a matching contribution to the Plan on an annual basis at the discretion of the Company's Board of Directors. Participants must be employed by Company as of the Plan's year end date to qualify for the employer matching contribution. The Plan was amended effective September 1, 2021 removing this requirement if a participant becomes disabled or deceased during the plan year. The Company elected to make a matching contribution in the amount of \$0.10 on the dollar for each eligible participant's total contributions to the Plan, excluding any rollover and catch-up contributions, for the year ended December 31, 2021. The Company chose not to make a contribution for the year ended December 31, 2020. The matching contribution totaled \$155,081 for December 31, 2021, and is included in employer contributions receivable in the Statement of Net Assets Available for Benefits.

Participant Accounts

Each participant's account is credited with the participant's contributions, allocation of the Company's discretionary matching contribution, and related investment earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants are charged a fixed annual fee for investment advisory services. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are fully and immediately vested in their before-tax contributions, rollover contributions, and Company matching contributions.

Notes Receivable from Participants

Participants may borrow up to the lesser of \$50,000 (reduced for certain items) or 50% of their vested account balance. Effective October 27, 2021, each note must be for a minimum of \$1,000 and participants are permitted to have only one loan outstanding at a time. The term of the note may not exceed five years, unless the note is used to acquire a principal residence, in which case the note may be repaid over a period of up to ten years. Principal and interest are paid ratably through payroll deductions. Each note bears interest at a fixed rate of prime plus 1% and is secured by the balance in the participant's account. Interest rates on outstanding notes at December 31, 2021 were 4.25% to 6.50%.

Payment of Benefits

Upon termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to either a portion or the full value of the participant's vested interest in his or her account, or in installment payments. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Accounts of terminated employees whose balance does not exceed \$1,000 must be distributed by the Plan. The Plan permits in-service withdrawals upon attainment of age 59 1/2. Effective October 27, 2021, the Plan is permitted to issue certain distributions to the active

military, and participants are permitted in-service withdrawals upon attainment of normal retirement age, as defined by the Plan.

Forfeited Accounts

Forfeitures occur when the Company makes excess contributions to the Plan. Forfeitures may be used to pay administrative expenses of the Plan if so directed by the Company. To the extent that forfeitures are not used to pay administrative expenses of the Plan, forfeitures shall be applied to reduce the contributions of the employer. At December 31, 2021 and 2020, the forfeiture account balance was \$1,717 and \$999, respectively. The Plan did not use any forfeitures to reduce either employer contributions or administrative expenses in 2021.

Revenue Credit Account

The Plan has an agreement with the Plan custodian to receive investment fee revenue generated from plan assets in excess of a calculated rate. Revenue received is held by the Plan custodian in a mutual fund that invests primarily in government money market securities. These funds are trust assets that may be used to pay administrative expenses of the Plan or allocated to the accounts of participants, who are employed by the Company, pro rata based on a set allocation formula. The Plan intends to utilize these funds to pay for accrued administrative expenses.

(2) Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in net asset value will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Investments in mutual funds are not insured by the Federal Deposit Insurance Corporation (FDIC). In addition, individual participant accounts are subject to credit risk to the extent that cash deposits with financial institution exceed FDIC limits.

CREATIVE OFFICE PAVILION 401(K) PLAN AND TRUST

Notes to Financial Statements

December 31, 2021 and 2020

Investment Valuation and Income Recognition

The Plan's investments in mutual funds are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

The Plan's investments in a common collective trust ("CCT") are valued at the net asset value of units of a collective trust. The net asset value, as provided by the fund manager, is used as a practical expedient to estimate fair value. The net asset value is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent participant loans are recorded as distributions based on the terms of the Plan agreement.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account. Investment advisory fees are charged to participants' accounts. Fees related to the administration of notes receivable and investment advisory fees are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

(3) Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

CREATIVE OFFICE PAVILION 401(K) PLAN AND TRUST

Notes to Financial Statements

December 31, 2021 and 2020

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification ("ASC") 820 are described as follows:

Level 1

Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan can access at the measurement date.

Level 2

Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets
- quoted prices for identical or similar assets or liabilities in inactive markets
- inputs other than quoted prices that are observable for the asset or liability
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

Mutual funds are valued at the daily closing price as reported by the funds. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Investments Measured Using the Net Asset Value Per Share Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments. Plan sponsor withdrawals are subject to 12 months notice.

(4) Certification by the Plan's Trustee (Unaudited)

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and

Notes to Financial Statements

December 31, 2021 and 2020

accurate by the Plan's trustee, Fidelity Management Trust Company, as of December 31, 2021 and 2020 and for the year ended December 31, 2021:

	<u>2021</u>	<u>2020</u>
Investments:		
Mutual funds at fair value	\$ 47,102,097	\$ 42,618,512
Common collective trust at net asset value	5,429,130	4,769,151
	<u>\$ 52,531,227</u>	<u>\$ 47,387,663</u>
Investment income:		
Dividends	\$ 3,606,954	
Unrealized net depreciation of investments	(3,345,130)	
Realized gain on sale of investments	5,921,541	
	<u>\$ 6,183,365</u>	

(5) Tax Status

On November 28, 2014, the Plan adopted the Fidelity Basic Plan Document No. 17, a prototype plan for which the IRS issued an advisory letter dated March 31, 2014, which states that the prototype plan is acceptable under IRC Section 401 for use by employers for the benefit of their employees.

Effective October 27, 2021, the Plan adopted the Fidelity Basic Plan Document No. 17, a prototype plan for which the IRS issued an advisory letter dated June 30, 2020, which states that the prototype plan is acceptable under IRC Section 401 for use by employers for the benefit of their employees. The changes to the plan as a result of the adoption are described in Note 1.

The Plan administrator believes that the Plan has been designed and operated in compliance with the applicable requirements of the IRC therefore no provision for income taxes has been included in the financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Termination of the Plan

While it is the intention of the Company to continue the Plan indefinitely, the Company reserves the right to amend or terminate the Plan at any time.

(7) Parties-In-Interest

Certain Plan investments are shares of mutual funds and a common collective trust managed by Fidelity Investments (FI). The trustee, Fidelity Management Trust Company, is a related party to FI and, therefore, these transactions qualify as party-in-interest transactions. Direct compensation paid by the Plan to FI for recordkeeping, net of a revenue credit, resulted in net revenue to the Plan of \$26,212 for the year ended December 31, 2021.

The Company employs an investment advisor and broker-dealer that provides investment advice and performs certain services on behalf of the Company. The Plan paid direct compensation totaling \$16,260 to the advisor and broker-dealer for the year ended December 31, 2021.

The Company has engaged a co-fiduciary with which it has an insurance policy that will cover 50% of any fiduciary liability in excess of their fidelity bond so long as certain terms are met. The co-fiduciary receives fees based on assets under management, which are paid outside the Plan.

The Company provides certain administrative services to the Plan for which no fees are charged. Shareholders of the Company and the Plan administrator, an employee of the Company, are participants in the Plan.

(8) Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to Form 5500, Schedule H as of December 31, 2021 and 2020:
