Independent Auditor's Report

To the Trustees and the Participants

MoneyLion, Inc.

401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of MoneyLion, Inc. 401(k) Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The 2021 financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (continued)

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules, Schedule H – Part IV – Line 4(a) – Schedule of Delinquents Contributions for the Year Ended December 31, 2021 and Schedule H – Part IV – Line 4(i) Assets (Held at End of Year) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 29, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021

Note 1 – Description of plan

The following description of MoneyLion, Inc. 401(k) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established on January 1, 2018. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Employees of the MoneyLion, Inc. (the “Company”) over the age of 21 who have completed 30 days of service are eligible to participate in the Plan for purposes of elective deferrals and the Company’s safe harbor matching contribution. Employees who attain one year of service are eligible for employer profit sharing contributions, if any.

In December 2019, Congress passed the Setting Every Community Up for Retirement Enhancement Act (the “SECURE Act”) that contained the largest package of retirement system reform in over a decade. Many of the provisions of the SECURE Act were effective on January 1, 2020 and require changes to plan administration and recordkeeping.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of businesses in numerous industries. As of March 27, 2020, Congress passed the Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”) that included numerous employee benefit plan provisions to assist plan sponsors and participants, which the Plan Administrator has elected to adopt.

Participant accounts

Each participant’s account is credited with the (a) participant’s contributions, (b) allocations of the Company’s contributions, if any, and (c) Plan earnings net of an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Contributions

Upon eligibility, participants may make pre-tax and Roth contributions to the Plan, subject to certain limitations set by the Internal Revenue Code (“IRC”). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Company makes a safe harbor matching contribution of 100% up to 3% of compensation plus 50% of employee contributions in excess of 3% of compensation and up to 5% of compensation. The Company may make profit sharing contributions equal to a discretionary amount for eligible employees. During 2021, the Company did not make any profit sharing contributions.

Investment options

Each participant may direct the investment of his/her account into certain available investment options. The assets of the Plan are allocated to the applicable funds at the direction of the participant.

Notes to Financial Statements (continued)

Note 1 – Description of plan (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon and employer safe harbor contributions. Vesting in the Company's discretionary matching contributions portion of their accounts plus actual earnings thereon is based on the number of years of continuous service by the participant. A participant is 100 percent vested after six years of credited service, based on the vesting schedule outlined in the Plan document.

Forfeitures

Forfeitures are created when participants terminate employment before becoming entitled to their full benefits under the Plan. Forfeitures may be used to pay administrative expenses or reduce future employer contributions. For the year ended December 31, 2021, there were no forfeitures.

Notes receivable from participants

Under the terms of the Plan, participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lower of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates equal to the prime rate plus 1%. Principal and interest is paid ratably through payroll deductions or payment by check over no longer than a five-year period. The five-year period may be extended to a term no longer than 30 years if the participant is borrowing to finance the purchase or renovation of a principal residence. Participants are limited to one outstanding loan at a time. Through the adoption of the CARES Act in 2020, maximum loan amounts increased to the lesser of \$100,000 or 100% of a participant's vested account balance for 180 days following the date of enactment. A participant was required to meet certain criteria to be eligible for the increased loan amounts.

Payment of benefits

On termination of service due to death, disability, retirement, or separation from service, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments as further outlined in the Plan document. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution.

Note 2 – Summary of significant accounting policies

Basis of accounting

The Plan's financial statements are prepared using the accrual basis of accounting, except for benefits paid which are recorded when paid.

MONEYLION, INC.
401(k) PROFIT SHARING PLAN

Notes to Financial Statements (continued)
December 31, 2021

Note 2 – Summary of significant accounting policies (continued)

Investment valuations and income recognition

The Plan's investments are reported at fair value except for the fixed income guaranteed option which is valued at contract value.

Realized, unrealized gains (losses) and interest and dividend income from the assets in each account are credited to or charged against each participant's account. Purchases and sales of securities are recorded on a trade date basis.

Administrative expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participants' accounts and are included in administrative expenses.

Contributions

Contributions from participants are recorded as they are withheld from the participants' wages.

Payment of benefits

Benefit payments to participants or their beneficiaries are recorded when paid.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and December 31, 2020.

Risks and uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, credit and liquidity risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits at December 31, 2021. The Plan's investments are not insured or protected by the Pension Benefit Guaranty Corporation, or any other governmental agency, accordingly, the Plan is subject to the normal investment risks associated with mutual funds, pooled separate accounts and common/collective trusts. Any defaults on notes receivable from participants would be treated as a taxable distribution to the participant.

Note 2 – Summary of significant accounting policies (continued)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

Subsequent events

The Plan has evaluated events and transactions for potential recognition or disclosure through September 26, 2022, which is the date of the financial statements were available to be issued.

Effective January 1, 2022, Malka Media Group LLC and Malka Sports LLC, were merged into the Plan. Any employee who was a participant in the Plan prior to the effective date of the amendment, or becomes a participant in this Plan as a result of the Plan being merged with and into this Plan, shall continue to participate in the Plan provided such employee is an eligible employee.

Note 3 – Investments, at fair value

Fair value measurements

The Plan reports its investments under the Financial Accounting Standards fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and the lowest priority to unobservable inputs. The three levels of the fair value hierarchy under this standard are as follows:

- Level 1 – Unadjusted quoted prices in active markets for identical assets.
- Level 2 – Quoted prices for identical assets in markets that are not active, quoted prices for similar assets in active markets, inputs other than quoted market prices, and inputs derived principally from observable market data.
- Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following tables sets forth the Plan's investment assets at fair value on December 31, 2021 and December 31, 2020 by level within the fair value hierarchy:

	2021			
	Level 1	Level 2	Level 3	Total

Common/collective trusts measured at net asset value				2,165,915
Total investments, at fair value				\$ 3,185,184

Mutual funds

The Plan's investments in mutual funds are stated at fair value based on the quoted market prices of the underlying securities within each fund. These funds are required to publish their daily Net Asset Value ("NAV") and to transact at that price.

Pooled separate accounts

Unit value is calculated based on the net assets of the underlying pool of securities which value their investment securities at fair value. The separate accounts are valued daily based on the NAV of shares of the underlying funds. These investments can be redeemed on a daily basis.

Common/collective trusts

The NAV of the common/collective trusts are determined at the close of each business day based on the fair value of the respective investments. The NAV per unit is calculated as of the close of each business day. The NAV per unit is computed by dividing the total contract value of the assets of the Fund, less its liabilities, by the total number of units outstanding at the time of such computation ("unit value"). These funds are measured at NAV as a readily determinable fair value. Investment income earned is reinvested in the Fund and included in the determination of unit values. The value of each participant's account on any date is determined by multiplying the number of units held by the "unit value" at the close of the business day. The common/collective trusts have zero unfunded commitments, a daily redemption frequency and a 1 day redemption notice period.

Note 4 – Investments at contract value

The Plan held a portfolio of investment contracts that comprised of fixed income guaranteed option contracts. These contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses. The following represents the disaggregation of contract value between types of investment contracts held by the Plan at December 31, 2021. There was no fixed income guaranteed option at December 31, 2020.

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue and terminate the Plan at any time, subject to the provisions of ERISA. Should there be a partial or full termination of the Plan, participants become 100% vested in their accounts.

Note 7 – Party-in-interest transactions

Plan investments include shares of funds managed by Principal Life Insurance Company, Principal Trust Company and Principal Global Investors Trust Company are the Trustees as defined by the Plan, and, therefore, those transactions, as well as other transactions with the Trustees, qualify as party-in-interest.

Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions also qualify as a party-in-interest transactions.

Note 8 – Tax status

The Internal Revenue Service has determined and informed the Plan by letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan’s management and Trustees believe the Plan is designed and currently being operated in compliance with applicable requirements of the IRC.
