INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
and Participants of Soave Enterprises L.L.C.
Savings and Profit Sharing Plan and Trust
Detroit, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Soave Enterprises L.L.C. Savings and Profit Sharing Plan and Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 2 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules as identified in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

1) DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of the Plan

The following description of the Soave Enterprises L.L.C. Savings and Profit Sharing Plan and Trust (the Plan) provides only general information. General

The Plan is a defined contribution plan covering all eligible employees of Soave Enterprises L.L.C. ("Soave") and other related entities as discussed below (the "Company" or "employer"). The Plan includes an elective salary reduction 401(K) provision, discretionary employer match, and a discretionary profit sharing provision. Employees are eligible to participate in the Plan on the 1st quarter following 30 days of service and reaching age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The following related companies under common ownership participated in the Plan during the year ended December 31, 2021: Soave Enterprises L.L.C.; SW Transport Co., L.L.C.; Lafayette Associates, LLC; Soave Automotive Group, Inc.; Trident Services, Inc.; and The Floridian Club, Inc. The following unrelated companies participated in the Plan during the year ended December 31, 2021: Ferrous Processing and Trading Company; FPT Cleveland, LLC; Kee Container Services L.L.C.; Willoughby Iron and Waste Materials, LLC; FPT Canton, L.L.C., and PG 1 L.L.C. dba Parts Galore.

Contributions

Each year, participants may elect to contribute a portion of their compensation not to exceed limits established by the Internal Revenue Code. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. In addition to or instead of pretax contributions, participants can elect to make roth elective deferrals. Rollover contributions from other qualified plans are also permitted at the discretion of the plan administrator. Participants direct the investment of their contributions into various options offered by the Plan. The Plan currently offers mutual funds, common collective trust and a guaranteed investment contract with Mass Mutual and Empower Retirement as investment options for participants. Participants may change their investment options daily. Contributions are subject to certain limitations.

1) DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributions (Continued)

Employer discretionary matching and/or profit sharing contributions to the Plan, if made, are determined by the Company's Board of Directors. Participants direct the investment of any Company discretionary matching or profit sharing contributions as described above. Employer discretionary matching contributions were \$996,349 and \$891,136 for the years ended December 31, 2021, and 2020, respectively. The employer profit sharing contributions for the years ended December 31, 2021, and 2020 were \$862,856 and \$767,745 respectively.

Participant Accounts

Each participant's account is credited with the participant's contribution, if any, and an allocation of (1) the Company's discretionary matching and profit sharing contributions, if any, (2) Plan earnings or losses, and (3) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

The Plan has two loans outstanding as of December 31, 2021 and 2020 for \$458. Both loans are defaulted and the participant of one loan is active and the other loan is inactive as of December 31, 2021.

Vesting

Participants are 100% vested in their voluntary contributions, rollover contributions and any employer discretionary matching contributions plus actual earnings thereon. Vesting in any employer discretionary profit sharing contributions plus actual earnings thereon is based on years of continuous services. If the participant has completed at least one hour of service on or after January 1, 2007, their vested percentage for profit sharing contributions is determined under the following schedule:

Vesting Schedule	
Profit Sharing Contributions	
Years of Service	Vested Percentage
Less than 2	0%
2	20%
3	40%
4	60%
5	80%

Vesting (Continued)

If the participant has not completed at least one hour of service on or after January 1, 2007, their vested percentage for profit sharing contributions is determined under the following schedule:

Vesting Schedule	
Profit Sharing Contributions	
Years of Service	Vested Percentage
Less than 3	0%
3	20%
4	40%
5	60%
6	80%

Distributions

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of his or her vested account as defined by the Plan Document. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Also, a participant may be able to request in-service withdrawal from their plan accounts upon fulfilling certain conditions as specified in the Plan document.

Forfeited Accounts

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$16,270 and \$13,577 respectively. These forfeitures may first be used to pay any administrative expenses. Any remaining forfeitures will be added to any employer discretionary contributions. Out of this account, \$11,416 and \$18,240 was used toward the employer contribution during the year 2021 and 2020, respectively.

Administrative Expenses

The Plan's administrative expenses, including salaries, accounting and legal are paid by the Company and qualify as party-in-interest transactions which are exempt from prohibited transaction rules. Fees related to notes receivable from participants and distributions are charged directly to the participant account and are included in administrative expenses. Investment related expenses are included in net change of fair or contract value of investments.

1) DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value with the exception of Guaranteed Investment Accounts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See footnote 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding adjustment in corrective distribution. In the plan years 2021 and 2020, the Plan distributed excess contribution to the applicable participants in the amount of \$4,009 and \$2,342 respectively.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

1) DESCRIPTION OF THE PLAN AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

CARES Act

On March 27, 2020, the Coronavirus Aid Relief and Economic Security Act (CARES Act) was signed into law. This aid package was designed to help the economy recover from the effects of the coronavirus pandemic, several of the provisions of CARES Act affected employee benefit plans. The provisions of the CARES Act were optional. During 2020, the Plan had opted into the following provisions of the CARES Act:

- Hardship distributions - Qualified Plan participants were permitted to take a coronavirus-related distribution of up to \$100,000 from the Plan without a 10% early withdrawal penalty. Eligible distributions were permitted to be taken up until December 31, 2020. Distributions could have been repaid within three years or a participant may have elected these distributions to be included in taxable income on a pro rata basis over three years.
- Participant loans - Participants with loans outstanding were permitted to defer payment on the loans that were due during 2020 to after January 1, 2021.
- Required minimum distributions (RMDs) - A temporary waiver of required minimum distributions rules permitted participants to suspend their RMDs for 2020 for participants that turned 70 ½ in 2019 and 72 in 2020.

2) INVESTMENTS PREPARED AND CERTIFIED BY TRUSTEES

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan).

The Plan's investments (including investments purchased, sold, as well as held during the year) appreciated in fair value by a net amount of \$4,712,738 and \$6,941,118 as determined by quoted market prices for the years ended December 31, 2021 and 2020 respectively.

3) INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan entered into a fully benefit-responsive guaranteed investment contract with Mass Mutual ("MM"). MM maintains contributions in a general investment account (GIA). The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The GIA is a stable value investment with a guaranteed rate of return and a guarantee of principal that is backed by MM.

SAVINGS AND PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

3) INVESTMENT CONTRACT WITH INSURANCE COMPANY (Continued)

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by MM, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

The contract value of the investment contract at December 31, 2021 and 2020 was \$17,703,405 and \$17,079,320 respectively.

4) FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board Accounting Standard Codification (ASC) 820, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

SOAVE ENTERPRISES L.L.C.

SAVINGS AND PROFIT SHARING PLAN AND TRUST

Notes to Financial Statements (Continued)
December 31, 2021 and 2020

4) FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the assets or liabilities;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is the description of the valuation methodologies used for assets measured at fair or contract value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds

These investments are valued at the daily closing prices as reported by the fund and are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust:

The Common Collective Trust fund is Empower Retirement's PGIM Total Return Bond CIT investment, which is valued at the net asset value (NAV) of the units provided by the fund issuer. NAV is used as a practical expedient for fair value. Participant transactions (purchases and sales) may occur daily.

The method described above for Mutual Funds and Common Collective Trust may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in different fair value measurement at the reporting date.

6) ERISA BOND REQUIREMENTS

The Employee Retirement Income Security Act of 1974 (ERISA) requires that every person who handles funds or other property of the Plan be bonded. The bond coverage is to be determined by the balance of the total plan assets and is required to be at least equal to the lesser of 10% of the plan's assets at the beginning of the plan year or \$500,000. At December 31, 2021 and 2020, the Plan's sponsor-maintained bond coverage in the amount of \$2,000,000.

7) TRANSACTIONS WITH PARTIES-IN-INTEREST

Certain plan investments are represented by guaranteed investment accounts and mutual funds managed by Empower Retirement ("ER") and Mass Mutual ("MM"). ER and MM are the carrier as defined by the Plan and, therefore, these transactions qualify as party-in-interest. Fees paid by the Plan for their services amounted to \$372,261 and \$230,579 for 2021 and 2020, respectively.

8) INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter, dated February 22, 2017 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC).

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for the years prior to December 31, 2018.

9) PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

10) RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of assets available for benefits.

Notes to Financial Statements (Continued)

11) UNALLOCATED ASSETS

Plan assets include unallocated assets in the amount \$89,128 and \$85,071 as of December 31, 2021 and 2020, respectively. The unallocated assets represent, forfeited non vested accounts, uncashed checks and excess contributions received into the Plan but not allocated to the participants as of year-end.

12) LATE REMITTANCE OF DEFERRALS TO THE PLAN

The Company failed to remit to the Plan's trustee a portion of salary deferrals within the period prescribed by the Department of Labor's regulation 29 CFR 2510.3-102. The amount of late payments by the Company was \$654 for the year ended December 31, 2021. The Company has corrected these contributions as of December 31, 2021. The late deferrals are disclosed in the Supplemental Information, Schedule H, Part IV, line 4a.

13) SUBSEQUENT EVENTS

The Plan has evaluated other subsequent events through October 7, 2022, the date that the accompanying financial statements were available to be issued. No significant event was noted that required adjustment or disclosure in the financial statements.

Subsequent to the year end, the Plan has been amended to adopt the provisions of Coronavirus Aid, Relief, and Economic Security ("CARES") Act.
