Independent Auditor's Report

To the Plan Administrator
The Buntin Group, Inc.
Employees 401(K) Plan
Nashville, Tennessee

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of The Buntin Group, Inc. Employees 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of The Buntin Group, Inc. Employees 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Buntin Group, Inc. Employees 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not

detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Buntin Group, Inc. Employees 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Buntin Group, Inc. Employees 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule, Schedule H Line 4i -Schedule of Assets (Held at Year End) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of The Buntin Group, Inc. Employees 401(k) Plan were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 8, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF PLAN

The following description of The Buntin Group, Inc. (the “Company” or “Employer”) Employees 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan designed to provide retirement benefits to eligible employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants in the Plan may contribute up to \$19,500 (maximum for 2021) of their annual compensation, as defined in the Plan, between pre-tax and after-tax Roth 401(k) amounts. Participants over age 50 may make elective catch-up contributions not to exceed \$6,500 (maximum for 2021) of their annual compensation between pre-tax and after-tax Roth 401(k) amounts. Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans, excluding after-tax and Roth amounts. Participants direct the investment of their contributions into various investment options offered by the Plan. These contributions are on an elective basis with employees eligible to contribute up to 100% of their compensation. The Company may make an employer contribution at the discretion of the Company’s Board of Directors. For 2020, the Company elected to make employer matching contributions equal to 100% of the first 2% of compensation deferred into the Plan and 50% of the next 4% of compensation deferred into the Plan until March 2020. The match was temporarily suspended in March 2020. In June 2020, the Company elected to re-start the matching contributions at a reduced rate equal to 50% of the first 2% of compensation deferred into the Plan and 25% of the next 4% of compensation deferred into the Plan. In April 2021 the Plan adjusted it’s employer match back to it’s original pre-Covid rate of 100% match on the first 2% of an employee’s deferral and \$0.50 on the dollar for employee deferral percentages 3%-6%.

Vesting

Participants are fully vested in their employee accounts and related fund earnings. Participants’ vesting percentages in the employer account, which accumulates the Company’s contributions and related fund earnings, is based upon the participants’ total years of credited employment. A year of credited employment is defined as any plan year in which an employee completes 1,000 hours of service to the Company. Participants vest 100% in employer contributions after three years of service for contributions after April 14, 2017. For contributions prior to April 14, 2017, the vesting schedule is as follows:

THE BUNTIN GROUP, INC. EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF PLAN - Continued

<u>Years of Credited Employment</u>	<u>Nonforfeitable Percentages</u>
Less than two years	0%
Two years but less than three years	20%
Three years but less than four years	40%
Four years but less than five years	60%
Five years but less than six years	80%
Six years or more	100%

Forfeitures

A forfeiture of participants' non-vested employer account occurs at the end of the plan year in which the participant receives a full distribution of their other vested account or, if later, incurs five consecutive breaks in service. A break in service is defined as a plan year in which a participant completes 500 or fewer hours. Forfeitures may be used to reduce employer matching contributions or pay plan expenses. Forfeitures totaling \$7,547 and \$26,762 were available for use at December 31, 2021 and 2020, respectively. Forfeitures totaling \$57,726 were used to offset employer contributions for the year ended December 31, 2021.

Administrative Expenses

Administrative expenses are paid by the Company to the extent they are not paid by the Plan. Fees paid by the Plan for investment management services were included as a reduction of the return earned by each fund.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of a) the Company's contribution, b) forfeitures, and c) Plan earnings, and charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of their account to any of the investment options available under the Plan.

THE BUNTIN GROUP, INC. EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

A. DESCRIPTION OF PLAN - Continued

Notes Receivable from Participants

Participants may make discretionary borrowings of at least \$1,000 up to a maximum of the lesser of \$50,000 or 50% from their vested account balance. The loans are secured by the balance in the participant's account and bear interest at 1% over the prime rate. Principal and interest is paid through payroll deductions.

Payment of Benefits

Upon termination of service, a participant is eligible to receive an amount equal to the value of the participant's vested interest in his or her account. Benefit amounts under \$5,000 are automatically distributed to participants. Participants (or their beneficiaries upon the death of the participant) may elect to receive their vested account balances as a single lump sum or in installment payments at least equal to the required minimum distribution amount. Active participants may also take distributions from the Plan upon attainment of age 59½.

Retirement, Death and Disability

A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and earnings thereon.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and present the net assets available for benefits and changes to those net assets of the Plan.

THE BUNTIN GROUP, INC. EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Notes Receivable from Participants

Notes receivable from participants are reported at their unpaid principal balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 defines fair value as the price that would be received by the Plan for an asset or paid by the Plan to transfer a liability (an exit price) in an orderly transaction between market participants on the measurement date in the Plan's principal or most advantageous market for the asset or liability. FASB ASC 820 establishes a fair value hierarchy which requires the Plan to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The hierarchy places the highest priority on unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and gives the lowest priority to unobservable inputs (level 3 measurements). The three levels of inputs within the fair value hierarchy are defined as follows:

THE BUNTIN GROUP, INC. EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Level 1 - Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2 - Significant other observable inputs other than level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3 - Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Mutual Funds:

The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (level 1 inputs).

Collective Trust:

The fair values of interests in the stable value fund are based upon the net asset values of the fund, as reported by the trustee of the fund, in the fully benefit-responsive investment contracts held by the fund. The trust provides for investments in insurance contracts and similar investments in order to provide a favorable current return while at the same time limiting changes in principal value. The trust allows for participants to receive immediate withdrawals.

THE BUNTIN GROUP, INC. EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investments measured at fair value on a recurring basis are summarized below:

		<u>Fair Value Measurements at Reporting Date Using</u>		
		<u>Quoted Prices in</u>	<u>Significant</u>	<u>Significant</u>

- (a) Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the hierarchy tables for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line items presented in the statement of net assets available for benefits.

THE BUNTIN GROUP, INC. EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

Risks and Uncertainties

The Plan holds various investments. Investments are exposed to various risks such as interest rate, market, liquidity and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the fair values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits. In December 2019, a novel strain of coronavirus surfaced in Wuhan, China, and has spread around the world, with resulting business and social disruption. The coronavirus was declared a Public Health Emergency of International Concern by the World Health Organization on January 30, 2020 and subsequently declared a global pandemic on March 11, 2020. The ultimate impact of the coronavirus on the Plan and the Company will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and the actions required to contain the coronavirus or treat its impact, among others.

Coronavirus Aid, Relief and Economic Security Act ("CARES Act")

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security ("CARES") Act was passed by Congress and signed into law by the president. The CARES Act is the latest round of federal governmental support relating to the COVID-19 pandemic and associated economic turmoil.

Following the enactment of the CARES Act, the Company chose to eliminate any required minimum distributions to a Plan participant, incorporate the provisions for special "coronavirus-related distributions" and incorporate the special provisions for loans under then Plan as set forth in the CARES Act. The Company suspended their employer match as of March 16, 2020 but has since re-instated it as of June 1, 2020 at a reduced rate equal to half of their previous match calculation.

C. CERTIFIED INVESTMENTS AND NOTES RECEIVABLE –
UNAUDITED INFORMATION

Substantially all information pertaining to investments including associated investment income (loss) and notes receivable from participants including the related interest income reported in the financial statements has been certified as complete and accurate by Empower Trust Company, LLC. as of December 31, 2021 and 2020 and for the year ended December 31, 2021.

THE BUNTIN GROUP, INC. EMPLOYEES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

D. INCOME TAX STATUS

The Internal Revenue Service issued an opinion letter dated March 31, 2014 indicating that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code. Although the Plan has been amended from the original prototype document, Plan management believes the Plan is currently being operated in accordance with the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by the Department of Labor or Internal Revenue Service; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

E. PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Investment management fees incurred by the Plan are paid to EmpowerTrust Company, which is a party-in-interest, and are reflected as a reduction of investment return for each investment. The management of the Company performs certain administrative functions for the Plan for which they receive no compensation from the Plan. In addition, notes receivable from participants are also considered party-in-interest transactions.

F. SUBSEQUENT EVENTS

Plan management has evaluated subsequent events for recognition and disclosure through October 13, 2022, which is the date the financial statements were available to be issued.
