INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Holyoke Medical Center, Inc. 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Holyoke Medical Center 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the 2021 audit of Holyoke Medical Center 403(b) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Holyoke Medical Center 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Holyoke Medical Center 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Holyoke Medical Center 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Holyoke Medical Center 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at Year End) as of December 31, 2021 and Delinquent Participants Contributions for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements and supplemental schedules of Holyoke Medical Center 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform auditing procedures with respect to the information certified by a qualified institution. In our report dated October 12, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedules, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedules other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

HOLYOKE MEDICAL CENTER, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN:

The following description of the Holyoke Medical Center, Inc. 403(b) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a Section 403(b) defined contribution plan established on January 1, 2009, most recently amended and restated December 31, 2018, covering substantially all non-union employees of Holyoke Medical Center, Inc., Valley Health Systems, Inc., River Valley Counseling Center and Western Mass Physician Associates, Inc. (collectively the “Company”). Employees are eligible to make employee deferral contributions immediately upon their date of hire. Non-union Employees that are over 21 years of age will be eligible to receive employer contributions, if any, upon the completion of one year of service and 1,000 hours. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan was amended and restated effective December 31, 2018 such that the qualified plan assets of the River Valley Counseling Center, Inc. 403(b) Retirement Plan and Western Mass Physician Associates, Inc. 403(b) Retirement Plan were merged into the Plan during January of 2019.

On September 1, 2020, the Plan was amended to exclude highly compensated employees from the employer matching contributions.

Contributions

Participants may make pre-tax contributions of their annual wages subject to annual limitations determined by the Internal Revenue Code (\$19,500 for the years ended December 31, 2021 and 2020). Participants are also able to make age 50 and older catch up contributions (up to \$6,500 for the years ended December 31, 2021 and 2020). Those participants that have completed 15 years of service with the Company may be entitled to make qualified organization catch-up deferrals. The Company, at its discretion, may make matching contributions to the Plan. Company contributions of \$198,807 (\$204,785 less forfeitures used of \$5,978) and \$201,370 (\$216,262 less forfeitures used of \$14,892) were made for the years ended December 31, 2021 and 2020, respectively.

Participants direct their contributions into various investment options offered by the Plan. Participants may change their investment options on a daily basis.

Participant accounts

Each participant’s account is credited with the participant’s voluntary contributions and an allocation of (1) the employer matching contribution, if any, and (2) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants’ compensation, specific participant transactions or account balances as defined in the Plan document. The benefit to which a participant is entitled is the amount which can be provided from the participant’s account.

Notes receivable from participants

Participants may borrow from their fund accounts up to an aggregate amount equal to the lesser of \$50,000 or 50% of the value of their vested interest in such account. The rate of interest is variable and is based on the prevailing rate used by commercial lending institutions and is generally prime rate plus 1.0% as of the date of the loan issuance. The interest rate charged to participant loans range between 4.25% and 6.50%. Principal and interest is paid through payroll deductions so long as participant is employed by the Company and thereafter by regular installment payments.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF THE PLAN: (CONTINUED)

Forfeitures

If a participant terminates employment with the Company at a time when the participant is less than 100% vested, the non-vested portion of employer contributions is forfeited. Forfeitures are left in the Plan to first cover future administrative expenses and then to reduce future employer contributions. There were approximately \$6,000 and \$14,900 in forfeited non-vested accounts at December 31, 2021 and 2020, respectively. During May 2022, forfeitures of approximately \$6,000 were used towards employer contributions for the 2021 Plan year. During April 2021, forfeitures of approximately \$14,900 were used towards employer contributions for the 2020 Plan year.

Vesting

Participants are immediately vested in their contributions, plus actual earnings thereon. Participants become vested in employer matching contributions, if any, after the completion of 3 years of service.

Payment of benefits

On termination of service due to death, disability, retirement or termination, a participant or their beneficiaries may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account, periodic installments over a specified period, or a partial withdrawal. Participants may also receive an in-service withdrawal upon attainment of age 59 ½.

Plan termination

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.

CARES Act

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was signed into law. The CARES Act allows retirement plans to provide participants who are impacted by COVID-19 (as defined in the CARES Act) with greater access to their savings. As permitted by the CARES Act, the Plan opted to implement the following provisions:

- Through December 31, 2020, qualified individuals are permitted to take a distribution in an amount up to \$100,000 from the Plan. Any such distribution is not subject to the 10% early distribution penalty or the mandatory 20% federal income tax withholding rate. Participants who take a qualified distribution have the option to have the distribution taxed over a three-year period, with the ability to recontribute up to the full amount of the distribution within three years and not be subject to federal income tax as a result.
- Participants are allowed to borrow the lesser of up to \$100,000 or 100% of the participants vested balance (an increase from \$50,000 previously allowed), and repayment can be delayed.
- Required minimum distributions are waived for retired and retirement-aged individuals until December 31, 2020.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting

The accompanying financial statements have been prepared on the accrual basis in conformity with accounting principles generally accepted in the United States of America.

HOLYOKE MEDICAL CENTER, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Investment valuation and income recognition

Investments held by the Plan are stated at fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). All investments are participant directed.

The Plan administrator is responsible for determining the Plan's valuation policies and analyzing information provided by the investment advisors and record keeper that is used to determine the fair value of the Plan's investments. See Note 3 for further discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when earned. Dividends are recorded on the ex-dividend date.

In accordance with the policy of stating investments at fair value, net unrealized appreciation or depreciation for the year is reflected in the statements of changes in net assets available for benefits. The net appreciation (depreciation) in the fair value of its investments consists of realized gains or losses and unrealized appreciation (depreciation) on those investments.

Earnings (losses) on investments with the exception of participant loans are allocated on a pro rata basis to individual participant accounts based on the type of investment and the ratio of participant's individual account balance to the aggregate of participant account balances. The portion of interest included in each loan payment by a participant is recognized as interest income in the participants account.

Administrative expenses

Investment management fees are paid by the Plan participants as deductions from their account balances. Other various costs and expenses incurred in connection with the operation of the Plan are paid by the Company and excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments. Certain fees paid by the Plan are reimbursed through an expense sharing arrangement with Fidelity Personal Trust Company. Those fees not reimbursed are included as expenses of the Plan (see Note 6).

Notes receivable from participants

Notes receivable from participants are recorded at their unpaid balance plus any accrued but unpaid interest. Since the participant's remaining vested investment balance is sufficient to cover the outstanding loan amount, there is no allowance for doubtful accounts at December 31, 2021 and 2020. Interest is calculated and included in the repayment terms of the loan when the loan is initiated and is recognized with the amortization of the loan as each payment is remitted. Loans are monitored for repayment under the original loan terms and defaulted when active participants cease payments past the allowed grace period. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document. For terminated participants, once a distribution is requested, the outstanding loan balance will be netted against the remaining vested investment balance.

Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate risk, market risk and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of assets available for benefits.

HOLYOKE MEDICAL CENTER, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Payment of benefits

Benefit payments are recorded when paid.

3. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are valued at the closing price recorded on the active market in which these individual securities are traded.

HOLYOKE MEDICAL CENTER, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

3. FAIR VALUE MEASUREMENTS: (CONTINUED)

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

Fair Value Measurements at December 31, 2021				
	Total Fair Value	Level 1	Level 2	Level 3
Investments at fair value:				
Mutual funds	\$ 51,103,429	\$ 51,103,429	\$ -	\$ -

Fair Value Measurements at December 31, 2020				
	Total Fair Value	Level 1	Level 2	Level 3
Investments at fair value:				
Mutual funds	\$ 43,230,444	\$ 43,230,444	\$ -	\$ -

4. INFORMATION CERTIFIED BY CUSTODIAN:

The Plan administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Fidelity Personal Trust Company (Fidelity), the custodian of the Plan, certified to the Plan administrator the fair value and physical custody of investments to be complete and accurate as of December 31, 2021 and 2020 and investment transactions for the Plan years ended December 31, 2021 and 2020 and investments included in the statements of net assets available for benefits, interest and dividend income, net appreciation in the fair value of investments included in the statements of changes in net assets available for benefits and the information contained in Note 3 concerning investments and information included in the schedule of assets (held at end of year).

5. TAX STATUS:

Since the Internal Revenue Service has not yet initiated a determination letter review procedure for 403(b) plans, the Plan has not yet obtained a determination letter in which the Internal Revenue Service states that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

HOLYOKE MEDICAL CENTER, INC. 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

5. TAX STATUS: (CONTINUED)

Plan management is required to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

During the year ended December 31, 2021 and 2020, the Plan failed to remit certain participant contributions to the Plan within the time period prescribed by the Department of Labor Regulations. Delays in remitting contributions to the Plan were due to procedural errors. Plan management consulted with legal council, and determined that no further corrections relative to these late remittances were required, as all individual corrections would fall below the de minimis threshold prescribed by the Internal Revenue Service ("IRS") in its Employee Plans Compliance Resolution System guidance.

6. RELATED PARTY TRANSACTIONS:

Certain Plan investments were held and managed by Fidelity. Fidelity is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid to Fidelity by the Plan for investment management services amounted to approximately \$7,500 and \$15,500 for the years ended December 31, 2021 and 2020, respectively.

Sentinel is a third-party administrator of the Plan. As such, fees paid by the Plan to Sentinel qualify as party-in-interest transactions. Fees paid by the Plan for the years ended December 31, 2021 and 2020 were approximately \$76,000 and \$67,800, respectively.

Shephard Kaplan is the investment/financial advisor of the Plan. As such, fees paid by the Plan to Shephard Kaplan are party-in-interest transactions. Fees paid by the Plan for the years ended December 31, 2021 and 2020 were approximately \$5,600 and \$1,100, respectively.

Certain fees paid by the Plan for investment management services were included in net appreciation in the fair value of the investments, as they are paid through revenue sharing rather than a direct payment.

Certain fees paid by the Plan are reimbursed through an expense sharing arrangement with Fidelity. Reimbursement of these expenses amounted to approximately \$1,900 and \$45,900 for the years ended December 31, 2021 and 2020, respectively and are included as a reduction to administrative expenses on the statement of changes in net assets available for benefits.

Certain employees and officers of the Company, who may also be participants in the Plan, perform administrative services at no cost to the Plan.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

7. RISKS AND UNCERTAINTIES:

During 2020, there was an outbreak of the novel coronavirus ("COVID-19"), which impacted the financial global, national and local economy. COVID-19 has affected and may continue to impact the economic activity globally, nationally and locally.

8. SUBSEQUENT EVENTS:

Management has evaluated subsequent events through October 10, 2022, the date on which the financial statements were available to be issued.
