INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEE AND PLAN SPONSOR OF
YOUR RECRUITING COMPANY INC. 401(K) PLAN
Fairfax, Virginia

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Your Recruiting Company Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Your Recruiting Company Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

YOUR RECRUITING COMPANY, INC. 401(K) PLAN INDEPENDENT AUDITOR'S REPORT

Page 2

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Your Recruiting Company Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Your Recruiting Company Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

YOUR RECRUITING COMPANY, INC. 401(K) PLAN INDEPENDENT AUDITOR'S REPORT

Page 3

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Your Recruiting Company Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500, Schedule H, Line 4i-Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is

presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Your Recruiting Company Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2021

A. DESCRIPTION OF PLAN

The following description of the Your Recruiting Company Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of Your Recruiting Company Inc. (the Company) who are age twenty-one (21) or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Administrator (the Company) is responsible for oversight of the Plan. The Plan's Finance Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Trustee and Administrator.

Eligibility – Employees of the Company who have reached 21 years of age are eligible to participate in the Plan. For the employer discretionary matching contribution, the participant must be contributing to the Plan and must be employed by the Company on the last day of the contribution period.

Contributions – Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participant's contributions in any taxable year may not exceed a dollar limit which is set by law. The limit is \$19,500 for the year ended December 31, 2021. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may, at the discretion of the plan administrator, contribute amounts representing distributions from other qualified defined benefit or contribution plans and certain individual retirement accounts (IRA). Participants direct the investment of their contribution into various investment options by the Plan. The Plan currently offers various mutual funds as investment options for the participants. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan, unless they affirmatively elect not to participate, with a pre-determined deferral rate set by the Plan Sponsor. Contributions are automatically invested in a designated fund that most closely aligns with their projected retirement date based upon their year of birth until changed by the participant. The Company made a matching contribution equal to 50 percent of the amount deferred by the participant up to a maximum of 6 percent of participant's eligible compensation. At the discretion of the Company's board of directors, the Company may make discretionary additional matching contributions not to exceed the Federal statutory maximum. There was no discretionary additional matching contribution made for 2021. For the 2021 plan year, the Company's matching contribution totaled contributed \$548,997.

Participant accounts - Each participant's account is credited with the participant's contribution, the Company's contributions, Plan earnings, and charged with an allocation of administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined in the plan documents. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100 percent vested after three years of credited service.

A. DESCRIPTION OF PLAN (continued)

Payment of benefits – On termination of service due to death, disability, retirement, or termination of employment, a participant will receive a lump sum amount equal to the value of the participant's vested interest in his or her account. The Plan provides for in-service distributions for participants who had attained age 59 ½. A participant may elect a partial withdrawal with respect to in-service distributions only. The Plan also provides for hardship withdrawals subject to specified terms and conditions. For the year ending December 31, 2021, the Plan paid benefits in the amount of \$2,104,074.

Notes receivable from participants - Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or fifty percent (increased to \$100,000 or 100% for loans made between April 21, 2020 through December 31, 2020) of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate, currently 5.75%, which is commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through payroll deductions.

Forfeited accounts – At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$50,470 and \$10,223, respectively. The \$10,223 was used to fund discretionary employer match contributions in early 2021 and the \$50,470 will be applied prior to the end of 2022.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Use of estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Finance Committee determines the Plan's valuation policies utilizing information provided by their investment advisors and custodians. See Note D for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is reported on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included as administrative expenses when incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

B. SUMMARY OF ACCOUNTING POLICIES (continued)

Payment of Benefits – Benefits are recorded when paid.

Operating expenses – Certain expenses of maintaining the Plan are paid directly by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

C. INFORMATION CERTIFIED BY THE FIDELITY MANAGEMENT TRUST COMPANY – UNAUDITED

At December 31, 2021 and 2020, the Plan's investments were held and managed by the Trustee. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the trustee of the Plan as complete and accurate in accordance with 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under the Employee Retirement Security Act of 1974.

	2021	2020
Investments at fair value	\$ 15,408,247	\$ 12,740,780
Notes receivable from participants	\$ 178,042	\$ 78,837
Investment activity:		
Net appreciation in fair value of investments	\$ 675,493	
Interest and dividend income	\$ 1,274,609	
Interest income on notes receivable from participants	\$ 4,996	

D. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1), and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would

D. FAIR VALUE MEASUREMENTS (continued)

only be used when Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021.

Cash equivalent: Based on quoted net asset values of the shares held by the Plan at year-end.

Mutual funds: Valued at the daily closing prices as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Fair Value Measurements at the End of Reporting Period Using:

	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2021</u>		
Cash equivalent	\$ 332,654	\$ 332,654
Mutual funds	15,075,593	15,075,593
	<u>\$ 15,408,247</u>	<u>\$ 15,408,247</u>
	<u>Fair Value</u>	<u>Level 1</u>
<u>December 31, 2020</u>		
Cash equivalent	\$ 356,411	\$ 356,411
Mutual funds	12,384,369	12,384,369
	<u>\$ 12,740,780</u>	<u>\$ 12,740,780</u>

E. RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. As described in Note B, the Plan paid Fidelity Management Trust Company \$3,725 which was not covered by revenue sharing and is included in administrative expenses. The Plan Sponsor pays directly any other fees related to the plan's operations.

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their entire account.

G. TAX STATUS

The Internal Revenue Service has determined and informed Fidelity Management & Research Company by a letter dated June 30, 2020, that the Volume Submitter Profit Sharing Plan with CODA sponsored by Fidelity Management & Research Company and adopted by the Plan, that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

H. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

I. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 at December 31:

	2021	2020
Net assets available for benefits per financial statements	\$ 15,605,739	\$ 13,050,750
Contributions receivable	(19,450)	(231,133)

J. SUBSEQUENT EVENTS

The Plan operationally implemented certain provisions of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which laws change the Plan to, among others, allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

The Plan Administrator evaluated the activity of the Plan through October 14, 2022 (the date the financial statements were available to be issued) and no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
