To the Board of Directors of

Human Care Services for Families and Children, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Human Care Services for Families and Children, Inc. 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Human Care Services for Families and Children, Inc. 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

INDEPENDENT AUDITOR'S REPORT

(Continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Human Care Services for Families and Children, Inc. 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Care Services for Families and Children, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Human Care Services for Families and Children, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Human Care Services for Families and Children, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

(Continued)

INDEPENDENT AUDITOR'S REPORT

(Continued)

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Human Care Services for Families and Children, Inc. 401(k) Profit Sharing Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA

HUMAN CARE SERVICES FOR FAMILIES AND CHILDREN, INC. 401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2021 AND 2020

1. DESCRIPTION OF PLAN

The following description of the Human Care Services for Families & Children, Inc. 401(k) Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a contributory defined contribution 401(k) plan covering all eligible employees of Human Care Services for Families & Children, Inc. (the Company). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan was adopted and became effective December 1, 2016.

Administration

The Company is the plan sponsor and is responsible for administration of the Plan. During 2020, Massachusetts Mutual Life Insurance Company (Mass Mutual) was the issuer of insurance contracts of the Plan. Great-West Life & Annuity Insurance Company of New York (Great-West) acts as the agent of the Plan for Mass Mutual. On December 31, 2020, Empower Retirement, LLC (Empower Retirement) acquired the retirement business of Mass Mutual. In 2021, Empower Retirement is the sole administrator of this business and Great-West, an affiliate of Empower Retirement, acts as an agent on behalf of Mass Mutual and Empower Retirement.

Eligibility

All employees of the Company except for employees who work less than 20 hours per week and are enrolled in, and regularly attend classes offered by the employer or on-call employees are eligible to make salary deferrals and to receive employer matching contributions and employer discretionary contributions.

Contributions

The Plan allows participants to contribute up to 100% of their annual compensation, subject to certain limitations of the Plan and the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may direct the investment of their contributions and the Company's contributions into various investment options offered by the Plan. The employer will contribute matching contributions equal to each participant's elective deferrals. During the year ended December 31, 2021 and 2020, respectively, the employer matched 100% of participants' contributions up to 3% of eligible compensation. The Plan also provides for additional discretionary employer contributions. No additional discretionary contributions were made for the year ended December 31, 2021 and 2020, respectively.

Participant Accounts

Each participant's account is credited with the participant's contributions, the employer matching contributions and allocations of (a) the Company's discretionary contributions, if any, and (b) the participant's share of the Plan's income and losses. Allocations are based on participant earnings and losses and plan expenses on account balances, as defined.

1. DESCRIPTION OF PLAN (Continued)

Vesting

Participants are immediately vested in their contributions, qualified rollovers and net earnings thereon. Participants shall be 100% vested in employer matching and discretionary contributions upon reaching normal retirement age or earlier based on the following vesting schedule:

<u>Years of Service</u>	<u>Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Payment of Benefits

The Plan provides for benefit payments upon termination of service due to death, disability or attainment of retirement age. Participants may elect disbursement of their vested account balance in either a lump sum amount or direct rollover into an individual retirement account or another qualified plan. The normal retirement age is the date a participant reaches the age of 65. Additionally, the Plan provides for in-service withdrawals once a participant has reached the age of 59½, even if still employed. The Plan requires in-service distributions to actively-employed participants that have reached the age of 70 ½.

Benefit payments from the Plan will be made in a lump sum distribution if the balance is less than \$5,000 and the participant does not direct the Plan otherwise.

Hardship Withdrawals

Hardship withdrawals from the Plan are permitted from a participant's account. Hardship withdrawals are strictly regulated by the Internal Revenue Service and a participant must exhaust all available loan options and available distributions prior to requesting a hardship withdrawal.

Administrative Expenses

The Plan pays certain administrative expenses associated with the administration of the Plan. Certain administrative expenses are paid by the Company.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% - 6.50%. The loan interest rate, determined at the time of the loan, is set at one percent above the prime rate of interest as published by The Wall Street Journal. Loans are due over a period not to exceed five years except for loans used to purchase a principal residence, which are payable up to thirty years from the date of the loan. Principal and interest is paid ratably through monthly payroll deductions.

Forfeitures

Forfeitures of non-vested account balances are used to reduce Company contributions or pay Plan expenses. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$23,828 and \$18,416 respectively. During the year ended December 31, 2021 and 2020, \$5,163 and \$31,840, respectively, was utilized from forfeited nonvested accounts to reduce Company contributions.

1. DESCRIPTION OF PLAN (Continued)

Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, all participant accounts would become fully vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are stated at fair value (except for the fully benefit-responsive guaranteed interest accounts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are reflected on a trade date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. Interest income is recorded on the accrual basis.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks such as interest rate, credit risks and overall market volatility. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Fair Value Measurements

The Plan has financial instruments which are recorded at fair value in the accompanying statements of net assets available for benefits. The Plan makes estimates regarding the valuation of assets and liabilities measured at fair value in the financial statements. These assets and liabilities include the investments in separate accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurements – Definition and Hierarchy

The Plan uses various valuation techniques in determining fair value. U.S. GAAP establishes hierarchy for inputs used in measuring fair value that maximizes the use of observable inputs and minimizes the use of unobservable inputs by requiring that the observable inputs be used when available. Observable inputs are inputs that market participants would use in pricing the asset or liability developed based on market data obtained from sources independent of the Plan. Unobservable inputs are inputs that reflect the Plan's assumptions about the assumptions market participants would use in pricing the asset or liability, developed based on the best information available in the circumstances. The hierarchy is broken down into three levels based on the reliability of inputs as follows:

- Level 1 - Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products do not entail a significant degree of judgment. The Plan's mutual funds are valued using Level 1 inputs.
- Level 2 - Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly, or indirectly. The Plan's investments in separate accounts are valued utilizing Level 2 inputs.
- Level 3 - Valuations based on inputs that are unobservable and significant to the overall fair value measurement. The Plan has no investments valued using Level 3 inputs.

The availability of observable inputs can vary and is affected by a wide variety of factors. To the extent that valuation is based on models or inputs that are less observable or unobservable in the market, the determination of fair value requires more judgment. Accordingly, the degree of judgment exercised by the Plan in determining fair value is greatest for instruments categorized in Level 3. In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, for disclosure purposes the level in the fair value hierarchy within which the fair value measurement in its entirety falls is determined based on the lowest level input that is significant to the fair value measurement in its entirety. A description of where the Plan's investments fall within the fair value hierarchy is provided in Note 3.

There were no changes in the valuation methodologies used during 2021 and 2020.

Guaranteed Interest Account

The Plan invested in guaranteed interest accounts with Mass Mutual and Great-West which are valued at contract value. Contract value is the relevant measurement for that portion of the assets available for benefits attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

The primary objective of the guaranteed interest account is to provide a stated rate of return and insulate participants' accounts from daily fluctuations in the market by investing in a diversified portfolio of fixed income securities. The fund is fully benefit responsive, which means withdrawals from the account may be made for qualifying benefit payments, including participant-directed transfers, after a deferral period of up to twelve months for the year ended December 31, 2020, and 30 days for the year ended December 31, 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Guaranteed Interest Account (Continued)

Certain events may limit the ability of the plan to transact at contract value with the Plan custodian and may result in a deferral of the payment of the guaranteed interest account at contract value for up to twelve months for the year ended December 31, 2020 and 30 days for the year ended December 31, 2021. Such events include but may not be limited to a participant termination of employment due to: (1) removal of a group of participants from plan coverage as a result of temporary absence, change in position or other occurrence qualifying as a temporary break in service under the plan; (2) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; or (3) cessation of an employment relationship resulting from a reorganization merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business. Such events also include: (1) removal from the plan of one or more groups or classifications of participants; (2) partial or complete plan and contract termination of the contract; (3) partial or complete plan terminations; or (4) plan disqualification.

The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses.

During the year ended December 31, 2020 the guaranteed interest account was held with Mass Mutual and under this investment, the Issuer was contractually obligated to repay the principal at a specified interest rate that was guaranteed to the Plan. The trustee guaranteed the interest rate until the end of the year.

During the year ended December 31, 2021 Empower Retirement purchased Mass Mutual and the investment in the guaranteed interest account with Mass Mutual was transferred to the GWI Fixed Account – Series Class II with Great-West. Under this investment, the issuer is contractually obliged to repay the principal at an interest crediting rate that is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate and prevailing market conditions. The interest crediting rate is reset quarterly. For the years ended December 31, 2021 and 2020 the average yield earned under this investment was 1.51% and 1.15%, respectively.

Generally, there are no events that allow the issuer to terminate the contract and which require the Plan to settle at an amount different than contract value paid over time.

3. FAIR VALUE MEASUREMENTS

The Plan's investments are measured at fair value on a recurring basis and are valued as follows:

	December 31, 2021			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 3,254,097	\$ -	\$ -	\$ 3,254,097

3. FAIR VALUE MEASUREMENTS (Continued)

	December 31, 2020			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Separate Accounts	\$ <u>-</u>	\$ <u>2,839,886</u>	\$ <u>-</u>	\$ <u>2,839,886</u>

The following is a description of the valuation methodology used for assets measured at fair value.

Separate Accounts: Valued using net asset values that are considered published and therefore observable as the primary pricing input.

Mutual funds: Valued at the net asset value of shares held at year-end based on quoted prices in active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by Mass Mutual and Great-West as of and for the years ended December 31:

	<u>2021</u>	<u>2020</u>
Investments	\$ <u>3,622,979</u>	\$ <u>3,151,373</u>

Notes receivable from participants	\$ <u>15,130</u>	\$ <u>27,563</u>
Interest on notes receivable from participants	\$ <u>1,163</u>	\$ <u>1,719</u>
Schedule of assets (held at end of year)	Schedule H	

5. INCOME TAX STATUS

The Plan is a Volume Submitter Profit Sharing Plan with CODA issued through Dataair Employee Benefit Systems, Inc. The Internal Revenue Service has determined by letter dated March 31, 2014 that the Plan was designed, at that time, in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, were exempt from federal income taxes. The plan administrator and the Plan's tax counsel believe the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

6. PARTY-IN-INTEREST TRANSACTIONS

The Plan allows participants of the Plan to invest in certain funds managed by Mass Mutual and Empower Retirement, and Great-West serves as an agent of the custodians of the Plan. As such, transactions between these parties qualify as party-in-interest transactions. The Plan also allows current employees who are participants to receive loans under specific circumstances. As such, loan transactions between participants and the Plan qualify as party-in-interest transactions.

7. SUBSEQUENT EVENTS

Subsequent events have been evaluated through October 14, 2022, which is the date the financial statements were available to be issued.
