Independent Auditors' Report

To the Plan Administrator and Participants
of Metz Culinary Management, Inc. 401(k) Plan
Dallas, Pennsylvania

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Metz Culinary Management, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended and the related notes to the financial statements (modified cash basis) (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly in all material respects, in accordance with the modified cash basis of accounting described in Note 2.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Metz Culinary Management, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter- Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Metz Culinary Management, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Metz Culinary Management, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (held at end of year) (modified cash basis) and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions (modified cash basis) as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules (modified cash basis), we evaluated whether the supplemental schedules (modified cash basis), other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedules (modified cash basis), other than the information in the supplemental schedules (modified cash basis) that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules (modified cash basis) related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by the institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Metz Culinary Management, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion in the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Departments of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**NOTES TO FINANCIAL STATEMENTS
(MODIFIED CASH BASIS)**

**YEAR ENDED DECEMBER 31, 2021
(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)**

NOTE 1 Description of plan

The following description of the Metz Culinary Management, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Metz Culinary Management, Inc. (the Company) that have completed six months of service and attained age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Board of Trustees is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

Contributions

Each year, participants of the Plan may contribute up to 15% of pretax compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). The Company's matching and profit sharing contributions are discretionary. There was a discretionary employer matching contribution of \$297,371 less forfeitures applied of \$85,113 in 2021. There was no profit sharing contribution in 2021. Contributions are subject to certain IRS limitations. Participants direct the investment of their accounts into various investment options offered by the Plan.

Participant accounts

A separate account is maintained for each participant. Each participant's account is credited with the participant's contributions, including rollovers, company matching contributions, if any, and allocations of the Company's profit sharing contributions, if any, and Plan earnings. Each participant's account is also charged with an allocation of certain administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants self-direct the investment of their accounts into various investment options offered by the Plan.

Vesting

Participants are immediately vested in their contributions plus earnings thereon. Vesting in the Company's contribution portion of their account is based on years of credited service and a graded vesting schedule, with 100% vesting after four years of credited service.

Notes receivable from participants

Participants may borrow from their account balance a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Participants may not have more than one loan outstanding. The loans are secured by the balance in the participant's account and bear an interest rate equal to the prime rate as published in the Wall Street Journal plus one percentage point. Principal and interest is paid ratably through payroll deductions. See Note 9, CARES Act, for increase in maximum borrowings.

Payment of benefits

A participant is eligible to receive a distribution of his or her vested account upon retirement, disability, death and termination of employment. The normal form of benefit payment for a married participant is a qualified joint and survivor annuity and a life annuity for participants who are not married. Participants may elect to receive their distribution in a lump sum, in equal monthly, quarterly or annual installments or in payments for life with a guarantee of payments for a specific number of years certain. The Plan also provides for in-service withdrawals for hardship withdrawals. See Note 9, CARES Act, for additional changes to payment of benefits.

NOTE 2 Summary of significant accounting policies

Basis of accounting

The accompanying financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than generally accepted accounting principles in the United States of America, and is an acceptable method of reporting under Department of Labor Regulations. The modification to the cash basis of accounting is the adjustment of investments to fair value. Investment income is recognized when received, and disbursements are recognized when made. Additionally, securities investments are reflected at fair value. Accordingly, the financial statements are not intended to present the net assets available for benefits and changes in net assets available for benefits of the plan in accordance with accounting principles generally accepted in the United States of America.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the cash basis. Dividends are recorded when received. Net appreciation includes the gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in accordance with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and uncertainties

The Plan provides for various investment options in various combinations of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Management continues to evaluate the impact of the COVID-19 pandemic and has concluded that while it is reasonably possible that the virus could have a negative effect on the Company's financial position and results of its operations and plan investments, the specific impact is not readily determinable as of the date of these financial statements. The financial statements do not include any adjustments that might result from the outcome of this uncertainty.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal. Interest income is recorded on the cash basis. Related fees are recorded as administrative expenses and are expensed when they are paid. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded based on the terms of the plan document.

Payment of benefits

Payments are recorded when paid.

Contributions

Contributions are recorded when received by the Plan. Participants direct the investment of their accounts into various investment options offered by the Plan.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Certain expenses of maintaining the Plan paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of the fair value of investments.

Forfeited accounts

When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represents forfeitures. Forfeitures are used to pay plan expenses or reduce Company contributions. The forfeiture account is zero at December 31, 2021 and 2020. There were \$85,113 of forfeitures used in 2021 and no forfeitures used during 2020.

NOTE 3 Investments

The following presents investments that represent 10% or more of the Plan's net assets at December 31:

	2021	2020
Wells Fargo Stable Return Fund N		\$ 3,284,048
American Funds 2030 Trgt Date Retire R6	\$ 3,575,438	2,792,295
American Funds 2040 Trgt Date Retire R6	2,943,520	

NOTE 4 Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specific (contractual) term, the level 2 input must be

(WITH COMPARATIVE INFORMATION AT DECEMBER 31, 2020)

observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common collective trusts: The stable value collective trust fund invests in conventional and synthetic investment contracts issued by life insurance companies, banks and other financial institutions and is valued at the net asset value per unit as determined by the common collective trust as of the valuation date. The NAV is the basis for current transactions and the stable value can be redeemed at NAV as of the measurement date. Therefore, this investment has a "Readily Determinable Fair Value". The fair value of conventional investment contracts held by the fund is determined based on present value of the contracts expected cash flows, discounted by current market interest rates for like-duration and like-quality investments. These inputs are "observable for the asset or liability, either directly or indirectly", including quoted prices for similar securities, interest rates, credit risk, etc. that are determined for an asset based on independent market data. The stable value included as level 2 have NAVs that are considered published. The fair value of synthetic investment contracts held by the fund are based on the fair value of the underlying securities, which consist primarily of over-the-counter market securities and open-end mutual funds. There are no unfunded commitments or redemption restrictions.

The following tables set forth by level within the fair value hierarchy the Plan's investment assets at fair value, as of December 31, 2021 and 2020. As required by FASB ASC 820, assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 Related-party transactions and party in interest transactions

Certain plan investments were managed by Wells Fargo from January 1, 2021 to May 20, 2021 and by Principal Trust Company from May 21, 2021 to December 31, 2021. Wells Fargo was the Trustee as defined by the Plan from January 1, 2021 to May 20, 2021 and Principal Trust Company was the Trustee as defined by the Plan from May 21, 2021 to December 31, 2021 and, therefore, these transactions qualify as party-in-interest transactions.

Wells Fargo (the Trustee) from January 1, 2021 to May 20, 2021 and Principal Trust Company (the Trustee) from May 21, 2021 to December 31, 2021 provide certain administrative services to the Plan pursuant to a Service Agreement between the Company and the Trustee. The Trustee receives revenue from certain service providers for services the Trustee provides to the funds. This revenue is used to offset certain amounts that would be owed to the Trustee from the Plan for its administrative services to the Plan had the arrangements with the service providers not been in place.

NOTE 6 Tax status

The IRS had determined and informed the Company by a letter dated June 30, 2020, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 7 Information certified by Trustees

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Wells Fargo (the Trustee of the Plan) from January 1, 2021 to May 20, 2021 and Principal Trust Company (the Trustee of the Plan) from May 21, 2021 to December 31, 2021.

NOTE 8 Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions and related earnings.

NOTE 9 CARES Act

On March 27, 2020, President Trump signed into law the "Coronavirus Aid, Relief, and Economic Security (CARES) Act." The CARES Act, among other things, includes several relief provisions available to tax-qualified retirement plans and their participants. Plan management has evaluated the relief provisions available to plan participants under the CARES Act and has implemented the following provisions:

- Special coronavirus distributions up to \$100,000
- Increase the available loan amount as described in Note 1 to the lesser of \$100,000 or 100% of the participant's vested account balance
- Defer the loan repayments, if applicable, up to one year

NOTE 10 Subsequent events

The Plan has evaluated subsequent events through October 13, 2022, which is the date these financial statements were available to be issued.
