Independent Auditor's Report

To the Plan Administrator
SG360 Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of SG360 Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2021 and for the year then ended stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or that may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

To the Plan Administrator
SG360 Savings Plan

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year as of December 31, 2021 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that, (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and, accordingly, we did not express an opinion on the Plan's 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Plan Description

The following description of SG360 Savings Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of SG360 (the "Company") who have completed at least three months of service.

Contributions

Participants can contribute a portion of their compensation as a pretax or post-tax contribution to the Plan up to the maximum allowed under the Plan and the Internal Revenue Code. Eligible employees are automatically enrolled into the Plan with an employee deferral contribution rate of 3 percent of the employee's eligible compensation unless the employee elects a different deferral rate or affirmatively elects not to participate in the Plan. This deferral rate increases 1 percent annually up to a deferral rate of 10 percent of eligible compensation unless an election is made to decline participation or an alternate deferral rate is elected. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also make contributions to the Plan in the form of a rollover of funds from another qualified plan.

The Plan provides for employer discretionary matching contributions and discretionary profit-sharing contributions for all eligible employees, including those covered under a collective bargaining agreement (union employees). The Company's discretionary matching contributions are allocated as of the last day of the plan year and are based on a percentage of participant contributions and total compensation for all eligible participants. The allocation of any discretionary profit-sharing contribution is based on a percentage of a participant's eligible compensation. There were no discretionary profit-sharing contributions made in 2021.

During 2021, the Company elected to make a discretionary matching contribution on 50 percent up to the first 2 percent of employees' deferrals (or up to 1 percent of eligible compensation) for union employees. Additionally, the Company elected to make a discretionary matching contribution on 4 percent of eligible compensation for union employees.

During 2021, the Company elected to make a discretionary matching contribution on 50 percent up to the first 6 percent of employee deferrals (or up to 3 percent of eligible compensation) for nonunion employees.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, and allocations of any additional discretionary contributions and plan earnings (or losses) and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

Participants are immediately fully vested in participant contributions, any profit-sharing contributions, and rollover contributions plus the actual earnings thereon. The portion of the participants' accounts attributable to the employer discretionary matching contributions becomes 33 percent vested after one year of service and continues to vest at the rate of 33 percent for each successive year until 100 percent vested after three years of service. In the event of death, disability, or retirement at designated ages, participants become fully vested.

December 31, 2021 and 2020**Note 1 - Plan Description (Continued)*****Participant Notes Receivable***

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to 50 percent of their vested account balances, not to exceed \$50,000. The notes receivable are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates determined periodically by the plan administrator. The notes receivable must be repaid within five years unless the purpose is for a primary residence. Principal and interest are paid ratably through regular payroll deductions.

Benefit Payments

Distributions are payable upon retirement, death, disability, or termination of employment in the form of a lump-sum amount equal to the vested balance of a participant's account. In-service withdrawals are also permitted for participants over the age of 59½, as well as from rollover funds at any time.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document.

Forfeitures

If a participant is not fully vested on his or her termination date, the nonvested amount of the account is forfeited. Forfeitures are used to reduce future company contributions or to pay administrative expenses of the Plan.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by Voya Retirement Insurance and Annuity Company (Voya) or its affiliates. Voya is the custodian of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Termination

While it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in the plan agreement and ERISA. Upon termination of the Plan, participants become 100 percent vested in their account balances.

Note 2 - Summary of Significant Accounting Policies***Investment Valuation***

The Plan's investments are stated at fair value except as noted below. The fully benefit-responsive investment contract is valued at contract value. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

The pooled separate accounts and common collective trust funds are valued at net asset value per share or its equivalent of the funds, which is based on the fair value of the funds' underlying assets. See Note 5 for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

December 31, 2021 and 2020**Note 2 - Summary of Significant Accounting Policies (Continued)*****Benefit Payments***

Benefits are recorded when paid.

Administrative Expenses

Various administrative costs are paid by the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including October 14, 2022, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

Voya Retirement Insurance and Annuity Company (the "Custodian") holds the Plan's investments and executes all investment transactions. The investment balances and related investment income and losses included in the accompanying financial statements and supplemental schedule of assets held at end of year are based solely on information certified by the Custodian.

Note 4 - Tax Status

The Plan is a prototype plan. The prototype plan has received a favorable opinion letter from the Internal Revenue Service (IRS) dated September 1, 2014 indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

Subsequent to December 31, 2021, the Plan amended the plan document from a prototype plan to a preapproved plan. The preapproved plan has received a favorable opinion letter from the Internal Revenue Service as of June 30, 2020 indicating that the Plan, as designed, is qualified for federal income tax-exempt status. The Plan has not individually sought its own determination letter.

December 31, 2021 and 2020
Note 5 - Net Asset Value Investments

Pooled separate account investments measured at net asset value (NAV) at December 31, 2021 and 2020 were as follows:

	2021	2020
Equity investments (1)	\$ 6,880,686	\$ 13,457,240
Fixed-income investments (2)	1,520,101	1,996,048
Balanced investments (3)	5,799,519	5,334,416
Total pooled separate account investments	<u>\$ 14,200,306</u>	<u>\$ 20,787,704</u>

- (1) This class represents investments in actively managed pooled separate accounts that invest primarily in equity securities, which may include common stocks, options, and futures.
- (2) This class represents investments in actively managed pooled separate accounts that invest in a variety of fixed-income investments, which may include corporate bonds, both U.S. and non-U.S. municipal securities, interest rate swaps, options, and futures.
- (3) This class represents investments in actively managed pooled separate accounts with investments in both equity and debt securities. The investments may include common stock, corporate bonds, U.S. and non-U.S. municipal securities, interest rate swaps, options, and futures.

Common collective trust fund investments measured at NAV at December 31, 2021 and 2020 were as follows:

	2021	2020
Equity investments	\$ 18,821,743	\$ 7,376,925
Fixed-income investments	2,047,819	1,733,642
Balanced investments	1,610,519	1,417,185
Retirement year-based investments	44,265,909	37,656,162
Total common collective trust fund investments	<u>\$ 66,745,990</u>	<u>\$ 48,183,914</u>

There were no unfunded commitments or redemption restrictions on the investments described above.

Note 6 - Investment Contracts

The Plan has a benefit-responsive investment contract with Voya Retirement Insurance and Annuity Company. Voya maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The interest crediting rate is based on a formula agreed upon with the issuer but may not be less than 2 percent. Such interest rates are reviewed on an annual basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the insurance company. Such events include the following: (i) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (ii) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision, (iii) bankruptcy of the plan sponsor or other plan sponsor events (e.g., divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan, or (iv) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator believes that the occurrence of any such events that would limit the Plan's ability to transact at contract value with participants is not probable.

December 31, 2021 and 2020
Note 6 - Investment Contracts (Continued)

As described in Note 2, because the contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets attributable to the insurance contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at contract value.

Note 7 - Corrective Contributions

The plan sponsor failed to allow eligible leased employees who met eligibility requirements to make contributions to the Plan from 2011 through 2021. The plan sponsor has received an acceptance letter from the IRS to make a corrective contribution for 2011 through 2015 through the IRS Voluntary Correction Program. As of December 31, 2021, the 2011 through 2020 corrective contribution had been funded to the Plan. The plan sponsor funded the 2021 corrective contribution of \$381,924 during September 2022. Corrective contributions totaling \$381,924 and \$175,022 have been included in employer contributions receivable for the years ended December 31, 2021 and 2020, respectively.

Note 8 - Reconciliation of the Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Form 5500:

	2021	2020
