Plan Administrator
Lang Nelson & Associates 401(k) Retirement Plan
Minneapolis, Minnesota

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Lang Nelson & Associates 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section –

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules (see accompanying table of contents), as of and for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated July 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description –

The following description is provided for information purposes only. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Lang Nelson & Associates 401(k) Retirement Plan (the Plan) was created on January 1, 1996. Effective December 1, 2008, the Plan adopted the provisions of a volume submitter plan and trust sponsored by Minnesota Life Insurance Company (the trustee/custodian of the Plan). Minnesota Life Insurance Company and affiliates are referred to as Minnesota Life. The Board of Directors is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Plan Amendments

In 2020, the Plan implemented certain requirements of the Coronavirus Aid, Relief, and Economic Security Act (the CARES Act) and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the SECURE Act), which allow certain eligible individuals to receive coronavirus-related distributions of up to \$100,000, allow loan repayments to be deferred up to one year and delay the commencement date for required minimum distributions. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

On October 20, 2021, the Plan was amended to update hardship withdrawal provisions, including but not limited to the following. Participants are no longer required to take a loan prior to a hardship distribution. Additionally, Participants are no longer required to suspend contributions after receiving a hardship distribution.

Eligibility

Employees are eligible to become participants on the first day of employment and must be 19 years of age or older.

Contributions

Participants may elect to make pre-tax salary deferral contributions, not to exceed annual limitations specified in the Plan. Pre-tax salary deferral contributions cannot exceed the amount allowable under Section 415 of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants may also make after-tax Roth 401(k) deferral contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may make discretionary matching contributions, not to exceed 6% of each participant's compensation, and nonelective contributions. The participant must be an employee on the last day of the Plan year or have worked at least 1,000 hours during the Plan year to receive a nonelective contribution.

(continued)

LANG NELSON & ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description – continued

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's contributions, as well as allocations of plan earnings. Participant accounts are charged with plan losses and an allocation of administrative expenses that are paid by the Plan. Nonelective contributions are allocated based on the participant's eligible compensation to the total eligible compensation of all participants, subject to certain limitations. Plan earnings and losses are allocated based on account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are always 100% vested in their pre-tax salary reduction contributions, rollover contributions, and related earnings. Participants' interest in their employer-derived contributions and related earnings are 100% vested after completing 1 year of service. Upon termination of employment, any nonvested amount of employer-derived contributions is forfeited.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum of the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years and a participant may have only one loan outstanding at a time. The loans are secured by the vested balance in the participant's account and bear interest at prime plus 1.75% to 2.00%. The prime rate at December 31, 2021 and 2020 was 3.25%. At December 31, 2021, the interest rate on outstanding loans ranged from 5.25% to 7.25%. The loans are due various times through September 2026. Principal and interest are paid ratably through payroll deductions.

Pursuant to the CARES Act, effective operationally April 15, 2020, Plan participants could elect to defer loan repayments that occurred between March 27, 2020 and December 31, 2020 for up to one year. Also pursuant to the CARES Act, the available loan amount increased to the lesser of \$100,000 or 100% of the participant's vested account balance. The ability to request to defer loan repayments and increase in loan amount available under the CARES Act ceased as of December 31, 2020.

Normal Retirement

Normal retirement is age 59½. In service distributions are permitted upon attainment of age 59½.

Payment of Benefits

A participant or a participant's beneficiary is entitled to 100% of the account balance in the event of permanent disability, death, or their vested balance at retirement. Upon termination of employment, participant account balances of \$1,000 or less are automatically distributed. Terminated participants with account balances in excess of \$1,000 must provide their consent for distribution and may leave their accounts in the Plan. The Plan also provides for in-service and hardship distributions. Effective February 2020, participant account balances of \$5,000 or less are automatically rolled into an IRA unless an affirmative election to receive or roll over the distribution is made.

Pursuant to the SECURE Act enacted, effective operationally January 1, 2020, the age at which required minimum distributions must begin was increased from 70½ to 72.

(continued)

LANG NELSON & ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

1. Plan Description – continued

Payment of Benefits – continued

Pursuant to the CARES Act enacted, effective operationally April 15, 2020, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 distribution and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020.

Additionally, the CARES Act permitted Plan participants to request up to \$100,000 in coronavirus-related distributions, with repayment terms of up to three years. The ability to request coronavirus-related distributions under the CARES Act ceased as of December 31, 2020.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$1,047 and \$726, respectively. These accounts will be used by the Company to pay Plan expenses or to reduce future employer contributions. The Company used \$359 in forfeitures to reduce Company contributions or to pay Plan expenses in 2021.

Termination

Although the Company has not expressed any intent to do so, it has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of Plan termination, participants become 100% vested in their employer contributions.

2. The Plan and Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of the financial statements, in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that may affect certain amounts and disclosures in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisers and custodian. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Realized gains and losses related to sales of investments are recorded on a trade-date basis, and unrealized gains and losses are recorded based on the fair value as of the end of the Plan year. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

(continued)

LANG NELSON & ASSOCIATES 401(K) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

2. The Plan and Summary of Significant Accounting Policies – (continued)

Note Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expenses when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant loans are recorded as distributions on the basis of the terms of the Plan agreement.

Payment of Benefit

Benefits paid to participants are recorded when paid. There were no benefits requested before year-end that were not paid.

Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

3. Certified Investments –

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at December 31, 2021 and 2020, and investment income, including interest on notes receivable from participants, for the year ended December 31, 2021 that is disclosed in the accompanying financial statements and supplemental schedules, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by the trustee/custodian of the Plan.

4. Fair Value Measurements

In accordance with FASB Accounting Standards Codification Subtopic 820-10, the pooled separate accounts held by the Plan are not classified in the fair value hierarchy table that prioritizes the inputs to valuation techniques used to measure fair value because they are measured at their net asset value (NAV) per share practical expedient and do not have a readily determinable fair value

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Pooled Separate Accounts: Pooled separate accounts, where there is no readily determinable fair value, are invested directly in one underlying mutual fund. These accounts are offered and managed by Minnesota Life Insurance Company. The accounts are valued based on the NAV of the underlying mutual fund. The accounts are not deemed to be actively traded.

The following table summarizes investments for which fair value is measured using the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Concentrations –

Investments that represent 10% or more of the Plan's total investment balance were as follows:

Janus Henderson Triton N	374,560	379,108

* Represents less than 10% of the Plan's total investment balance.

6. Related-Party Transactions and Party-In-Interest Transactions –

Certain plan investments are shares of mutual funds managed by Minnesota Life. Fees incurred and paid by the Plan directly to Minnesota Life were \$4,260 in 2021.

7. Nonexempt Prohibited Transactions –

During the plan years ended December 31, 2021 and December 31, 2020, the Company failed to remit certain participant contributions totaling \$8,092 and \$22,287, respectively, to the Plan within the period prescribed by DOL regulations. The Company determined the lost earnings on the late remittances to be approximately \$345 and \$48 for the years ended 2021 and 2020, respectively. The 2021 and 2020 late remittance amounts due were fully corrected and paid in 2022 and 2021, respectively.

NOTES TO FINANCIAL STATEMENTS

8. Tax Status –

The Internal Revenue Service (IRS) has notified Minnesota Life by a letter dated June 30, 2020, that the volume submitter plan and related trust as then designed was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan sponsor believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan is qualified, and the related trust is tax-exempt.

9. Risks and Uncertainties –

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

10. Reconciliation of Financial Statements to IRS Form 5500 –

The following is a reconciliation of the net assets available for benefits from the financial statements to the IRS Form 5500:

	December 31,	
	2021	2020
Net assets available for benefits - financial statements	\$ 3,573,033	\$ 3,640,254
Adjustment for employee contribution receivable	-	(11,141)
Adjustment for employer contribution receivable	(8,092)	(1,302)
Net assets available for benefits – IRS Form 5500	\$ 3,564,941	\$ 3,627,811

The following is a reconciliation of the net decrease in net assets available for benefits from the financial statements to IRS Form 5500 for the year ended December 31, 2021:

	December 31, 2021
Net decrease in net assets available for benefits - financial statements	\$ (67,221)
Adjustment for prior year employee contribution receivable	11,141
Adjustment for prior year employer contribution receivable	1,302
Adjustment for current year employer contribution receivable	(8,092)
Net decrease – IRS Form 5500	\$ (62,870)

11. Coronavirus Pandemic

During March 2020, a global pandemic was declared by the World Health Organization related to the rapidly growing outbreak of a novel strain of coronavirus (COVID-19). The pandemic has significantly impacted the economic conditions in the U.S. and globally, which have increased unemployment and resulted in volatility in investment markets. This situation continues to evolve and additional impacts to the Plan may arise that the Plan is not aware of currently. The Plan cannot predict the future impact the pandemic may have on participants' account balances and the amounts reported in the statement of net assets available for benefits and the statement of changes in net assets available for benefits, but such impact could be material.

12. Subsequent Events –

Management has evaluated subsequent events through September 30, 2022, the date the financial statements were available to be issued.

The Plan was amended, effective as of March 1, 2022, to change the employer matching formula to a Flexible Discretionary Match and to require consent for involuntary cash-outs over \$5,000.
