INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of the Headwaters Salons, LLC 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management has determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Headwaters Salons, LLC 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Headwaters Salons, LLC 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing our audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Headwaters Salons, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

Auditor's Responsibilities for the 2021 Financial Statements (Continued)

In performing our audit in accordance with generally accepted auditing standards, we:

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Headwaters Salons, LLC 401(k) Plan's ability to continue as a going concern for a reasonable amount of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of Delinquent Participant Contributions and Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

2021 Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental Schedule of Assets (Held at End of Year) relates to assets held by LT Trust Company and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Predecessor Auditor's Report on the 2020 Financial Statements

The 2020 Financial Statements of the Headwaters Salons, LLC 401(k) Plan were audited by a predecessor auditor. The predecessor auditor issued an opinion in accordance with ERISA Section 103(a)(3)(C) whereas they believed that the audit evidence they obtained was sufficient and appropriate to provide a basis for their ERISA Section 103(a)(3)(C) audit opinion. Their report was dated September 30, 2021. The predecessor auditor's report included an emphasis of matter paragraph discussing investment earnings and not receiving adequate earnings records to properly test plan earnings as of the year end. The opinion was not modified with respect to that matter.

NOTES TO FINANCIAL STATEMENTS
December 31, 2021

1. DESCRIPTION OF THE PLAN

The following description of the Headwaters Salons, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

Headwaters Salons, LLC (the Company) established the Plan effective on January 1, 2016 as part of a controlled group which includes four additional participating employers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is a qualified defined contribution plan covering substantially all employees except employees covered by a collective bargaining agreement, non-resident aliens who do not receive U.S. source income or leased employees.

Employees not otherwise excluded become eligible to participate after being credited with one year of service. Employees may enter the Plan on January 1st or July 1st coincident with or following the date of meeting the eligibility requirements.

Plan Administration

The administration of the Plan is the responsibility of the Plan Sponsor. All money that is contributed to the Plan is held for the benefit of the participants.

Contributions

Participants can make pre-tax elective deferrals and post-tax Roth elective deferrals into the Plan. Participants may contribute up to 100% of defined earnings, as limited by §402(g) of the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover distributions from certain other qualified retirement plans. There were no rollover contributions for the year ended December 31, 2021. Participants direct the investment of their contributions into various investment options offered by the Plan.

A safe harbor matching contribution will be made to eligible participants equal to 100% of elective deferrals that do not exceed 3% of compensation, plus 50% of the deferrals that exceed 3% but do not exceed 5% of compensation. The Company made safe harbor matching contributions of \$182,749 for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions (if any) and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately 100% vested in their voluntary deferral contributions and safe harbor contributions plus actual earnings thereon.

In addition, the Plan allows for in-service distributions to participants over the age of 59 1/2 from all fully vested sources.

Forfeited Accounts

Forfeitures, if any, are retained in the Plan and are to be used to reduce employer contributions or pay Plan expenses. Forfeitures available to be used were \$0 for the year ended December 31, 2021. There were no forfeitures used for the year ended December 31, 2021.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Plan Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Certain other investment related administrative fees are paid by the Plan and included in net appreciation (depreciation) in fair value of investments. Participants may be charged distribution fees upon withdrawal of their accounts.

Benefit Payments

Benefits are recorded when paid.

3. INFORMATION CERTIFIED BY THE CUSTODIAN

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investment information disclosed in the accompanying financial statements and schedule including investments held at December 31, 2021, and net appreciation (depreciation) in fair value of investments, dividends, and gains on sales of assets for the year then ended were obtained or derived from information supplied to the Plan administration and certified as complete and accurate by LT Trust Company, the custodian.

Accordingly, as permitted under such election, the following information was not subjected to any auditing procedures performed by the independent public accountants, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule:

	<u>2021</u>
Investments	\$ 1,859,263
Net appreciation in value of investments	70,308
Interest and dividends	195,978

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under the "Fair Value Measurements" under FASB ASC 820 are described as follows:

Level 1 - inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - inputs to the valuation methodology include (a) quoted market prices for similar assets or liabilities in active markets, (b) quoted prices for identical or similar assets or liabilities in inactive markets, (c) inputs other than quoted market prices that are observable for the asset or liability, or (d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - inputs to the valuation methodology that are unobservable and significant to the fair value measurement.

4. FAIR VALUE MEASUREMENTS (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies: Valued at the daily closing price as reported by the Fund. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
December 31, 2021				
Registered investment companies	\$ 1,859,263	\$ -	\$ -	\$ 1,859,263
Total investments at fair value	<u>\$ 1,859,263</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,859,263</u>
December 31, 2020				
Registered investment companies	\$ 1,506,233	\$ -	\$ -	\$ 1,506,233
Total investments at fair value	<u>\$ 1,506,233</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 1,506,233</u>

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan paid service provider fees of \$11,492 to AT Retirement Services, LLC as of December 31, 2021. Additionally, the Plan paid investment advisor fees of \$8,607 as of December 31, 2021.

6. TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

6. TAX STATUS (Continued)

The Plan evaluates all significant tax positions as required by generally accepted accounting principles in the United States. As of December 31, 2021, the Plan does not believe that it has taken any tax positions that would require the recording of any additional tax liability nor does it believe that there are any unrealized tax benefits that would either increase or decrease within the next twelve months.

7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts and the assets will be distributed to participants in proportion to their respective account balances. Currently, all participant accounts are 100% vested.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

9. DELINQUENT PARTICIPANT CONTRIBUTIONS

Certain participant contributions were remitted to the Plan later than shown possible. The Plan has made corrections outside of the Voluntary Fiduciary Correction Program (VFCP). Late contributions identified totaled \$61,397 for the year ended December 31, 2021.

10. SUBSEQUENT EVENTS

Effective January 1, 2022, the Plan was restated pursuant to the cycle three restatement period and includes an addendum intended as a good faith effort to comply with the requirements of the Further Consolidated Appropriations Act, including the SECURE Act provisions, the Coronavirus, Aid, Relief and Economic Security (CARES) Act and the Consolidated Appropriations Act.

Management has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued. Management determined there were no other subsequent events that required reporting in the financial statements.
