Required Communications

Auditing standards generally accepted in the United States of America (GAAS) (AU-C 260, *The Auditor's Communication with Those Charged with Governance*) require the auditor to promote effective two-way communication between the auditor and those charged with governance. Consistent with this requirement, the following summarizes our responsibilities regarding the financial statement audit as well as observations arising from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities with Regard to the Financial Statement Audit	Our responsibility under GAAS has been described to you in our arrangement letter, dated March 11, 2022. Our audit of the financial statements does not relieve management, or those charged with governance, of their responsibilities, which are also described in that letter. As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.
Overview of the Planned Scope and Timing of the Financial Statement Audit	We have issued a separate communication regarding the planned scope and timing of our audit and identification of significant risks.
Accounting Policies and Practices	Preferability of Accounting Policies and Practices Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice. Adoption of, or Change in, Accounting Policies Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new policies, nor have there been any changes in existing significant accounting policies, during the current year. Significant Accounting Policies We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus. Significant Unusual Transactions We did not identify any significant unusual transactions. Management's Judgments and Accounting Estimates The Plan's financial statements do not include any significant accounting estimates.

Required Communications (Continued)

Area	Comments
Audit Adjustments	There were no audit adjustments made to the original trial balance presented to us to begin our audit.
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Form 5500 Filing	GAAS require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditor's report in order to identify material inconsistencies, if any, with the Plan's audited financial statements. We read the Plan's draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.
ERISA-Required Supplemental Schedule	We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule are presented in conformity with the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor's report for the ERISA-required supplemental schedule. We did not identify inconsistencies with the audited financial statements or with the certified investment information.
Disagreements with Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management's judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.
Consultations with Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed with Management	No significant issues arising from the audit were discussed or were the subject of correspondence with management.

Required Communications (Continued)

Area	Comments
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Difficult or Contentious Matters That Required Consultation	We did not encounter any significant and difficult or contentious matters that required consultation outside the engagement team.
Significant Written Communications Between Management and Our Firm	Copies of significant written communications between our firm and the management of the Plan, including the representation letter provided to us by management, are attached.

The Audit and Risk Committee
Kennebunk Savings Bancorp, MHC
c/o Ms. Lynn Howe, Executive Vice President & Chief Risk Officer
P.O. Box 28
Kennebunk, Maine 04043-0028

Dear Ms. Howe:

The Objective and Scope of the Audit

Kennebunk Savings Bancorp, MHC (you, the Plan Sponsor or the Bank) has requested that Baker Newman & Noyes LLC (BNN, we, us or our) perform an audit in accordance with the *Employee Retirement Income Security Act of 1974* (ERISA) Section 103(a)(3)(C) and report on the financial statements of the Kennebunk Savings Bank 401(k) Plan (the Plan), an employee benefit plan subject to ERISA that is sponsored by Kennebunk Savings Bank (the Plan Sponsor). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020; the related statements of changes in net assets available for benefits for the years then ended; and the related notes to the financial statements.

As part of our audit, we will report on the supplemental schedules required by the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA-required supplemental schedules) for the year ended December 31, 2021, in accordance with auditing standards generally accepted in the United States of America (GAAS). These schedules are presented for the purpose of additional analysis and are not a required part of the financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The financial statements and ERISA-required supplemental schedules are included in the Plan's Form 5500 filing.

Management has determined it is permissible in the circumstances and has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Except as described in the preceding paragraph, the objectives of our audits are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter (Arrangement Letter).

The Responsibilities of the Auditor

We will conduct our audits in accordance with GAAS. Those standards required that we are independent of the Plan and that we comply with applicable ethical requirements. For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (U.S. GAAP). Accordingly, the objective of the ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

As part of an audit in accordance with GAAS, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control;
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements that we have identified during the audit;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
- Conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

We will also communicate to the Plan Trustees and Audit and Risk Committee (a) any fraud involving senior management and fraud (whether caused by senior management or other employees) that causes a material misstatement of the financial statements that becomes known to us during the audits, (b) any instances of noncompliance with laws and regulations that we become aware of during the audits (unless they are clearly inconsequential) and (c) reportable findings identified during the audit of the Plan as a result of testing relevant plan provisions.

The information included in the ERISA-required supplemental schedules, other than that agreed to or derived from the certified investment information, will be subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures in accordance with GAAS. Accordingly, our opinion will state whether the form and content of the supplemental schedules, other than the information agreed to or derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and whether the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

We will maintain our independence in accordance with the standards of the American Institute of Certified Public Accountants and the DOL.

The Responsibilities of the Plan Administrator and Management and Identification of the Applicable Financial Reporting Framework

The Plan Administrator and management are responsible for:

1. Identifying and ensuring that the Plan complies with the laws and regulations applicable to its activities, and for informing us about all known violations of such laws or regulations, other than those that are clearly inconsequential;
2. The design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the Plan involving management, employees who have significant roles in internal control and others where the fraud could have a material effect on the financial statements; and
3. Informing us of its knowledge of any allegations of fraud or suspected fraud affecting the Plan received in communications from employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators or others.

The Plan Trustees and Audit and Risk Committee are responsible for informing us of their views about the risks of fraud within the Plan, and their knowledge of any fraud or suspected fraud affecting the Plan.

Management's election for the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

Our audits will be conducted on the basis that the Plan Administrator, management, and when appropriate, those charged with governance acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with U.S. GAAP;
2. For determining whether:
 - a. An ERISA Section 103(a)(3)(C) audit is permissible under the circumstances;
 - b. The investment information is prepared and certified by a qualified institution as described in 29 CFR 2520.103-8;
 - c. The certification meets the requirements in 29 CFR 2520.103-5; and
 - d. The certified investment information is appropriately measured, presented and disclosed in accordance with U.S. GAAP as of December 31, 2021;
3. To evaluate subsequent events through the date the financial statements are issued or available to be issued and to disclose the date through which subsequent events were evaluated in the financial statements. Management also agrees that it will not conclude on subsequent events earlier than the date of the management representation letter referred to below;

4. For the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
5. For evaluating whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date the financial statements are issued or available to be issued, and to provide appropriate financial statement disclosure, when applicable, about matters related to going concern and using the going concern basis of accounting unless management is required to prepare the financial statements in accordance with the liquidation basis of accounting;
6. For maintaining a current plan instrument, including all plan amendments;
7. For administering the Plan and determining that the Plan's transactions that are presented and disclosed in the Plan's financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants;
8. For the preparation and presentation of the ERISA-required supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements, including for the fair presentation of the ERISA-required supplemental schedules and the form and content of the ERISA-required supplemental schedules in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA;
9. For identifying and determining that the Plan complies with the laws and regulations applicable to its activities; and
10. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, including information relevant to disclosures to allow for the completion of the audit in accordance with the proposed timeline;
 - b. A draft of Form 5500 that is substantially complete prior to the date of our auditors' report;
 - c. Additional information that we may request from management for the purpose of the audits; and
 - d. Unrestricted access to persons within the entity from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from the Plan Administrator and management written confirmation concerning representations made to us in connection with the audits, including, among other items:

1. That management has fulfilled its responsibilities as set out in the terms of this Arrangement Letter; and
2. That it believes the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

The Plan Administrator and management are responsible for informing us about related-party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

The Plan Administrator and management are responsible for adjusting the financial statements to correct material misstatements and affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

The Plan Administrator and management agree to include the auditors' report on the ERISA-required supplemental schedules in any document that contains the ERISA-required supplemental schedules and indicates that the auditors have reported on such ERISA-required supplemental schedules. The Plan Administrator and management also agree to only present the ERISA-required supplemental schedules together with the audited financial statements and the auditors' report thereon.

Reporting

We will issue a written report upon completion of our audits of the Plan's financial statements. We will report on whether the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the applicable financial reporting framework and whether the certified investment information in the financial statements agrees to or is derived from the information certified by a qualified institution. Our report will be addressed to participants and the Plan Trustees and Audit and Risk Committee of the Plan Sponsor.

We also will report on whether the ERISA-required supplemental schedules, other than the certified investment information, are fairly stated in all material respects in relation to the financial statements as a whole, and whether the form and content of the ERISA-required supplemental schedules are presented in conformity with the DOL's rules and regulations for reporting and disclosure under ERISA, and whether the certified investment information in the supplemental schedules agrees to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Circumstances may arise in which our report may differ from its expected form and content based on the results of our ERISA Section 103(a)(3)(C) audit. Depending on the nature of these circumstances, it may be necessary for us to modify our ERISA Section 103(a)(3)(C) opinion, or add an emphasis-of-matter paragraph or other-matter paragraph to our auditors' report.

If circumstances arise relating to the condition of the Plan's records, the availability of appropriate audit evidence or indications of a significant risk of material misstatement of the financial statements because of error, fraudulent financial reporting or misappropriation of assets which, in our professional judgment, prevent us from completing the audits or forming an ERISA Section 103(a)(3)(C) opinion, we retain the unilateral right to take any course of action permitted by professional standards, including declining to express an ERISA Section 103(a)(3)(C) opinion or issue a report, or withdrawing from the engagement.

Records and Assistance

During the course of our engagement, we may accumulate records containing data that should be reflected in the Plan's books and records. The Plan Administrator or management will determine that all such data, if necessary, will be so reflected. Accordingly, you will not expect us to maintain copies of such records in our possession.

The assistance to be supplied by Plan Sponsor personnel, including the preparation of schedules and analyses of accounts, will be discussed and coordinated with Diane Labrie. The timely and accurate completion of this work is an essential condition to our completion of the audits and issuance of our audit report.

Accounting and Tax Services

In connection with our audit, you have requested us to draft the financial statements.

Tom Zuke, Chief Financial Officer and Treasurer, will oversee the services, make all significant judgments that are the proper responsibility of management, evaluate the adequacy of the services, make an informed judgment about the results of the services and accept responsibility for them. You also agree to establish and maintain internal control over these services, including ongoing monitoring activities. At the conclusion of our audit, we will ask you to provide written representations to that effect.

Our services under this Arrangement Letter do not include services for tax return preparation, tax advice or representation in any tax matter. Nevertheless, we may discuss with you certain tax considerations or provide you with tax information that may be relevant to our services. Any such discussions or information would be based upon limited tax research, limited due diligence and limited analysis regarding the underlying facts. Because additional research or a more complete review of the facts could affect our analysis and conclusions, the information provided during these discussions shall not be used as the basis for proceeding with any transaction or any tax return reporting.

Separate arrangements, including fee arrangements, are required for tax preparation, tax advice or tax representation services.

Other Terms of Our Engagement

We will not render an opinion on the Plan's qualification for tax-exempt status or compliance with the provisions of ERISA. However, as a part of our audits, we will perform certain procedures, as required by GAAS, directed at considering the Plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status, including whether management has performed relevant IRC compliance tests, and has corrected or intends to correct failures. As we conduct our audits, we will be aware of the possibility that events affecting the Plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the Plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of potential tax or ERISA noncompliance that come to our attention during the course of our audits. You should recognize, however, that our audits are not designed to nor are they intended to determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

You have not engaged us to prepare or review the Plan's Form 5500 filing with the DOL. Professional standards require that we obtain and read a draft of the Plan's Form 5500 that is substantially complete prior to the dating of our auditors' report. The purpose of this procedure is to identify material inconsistencies, if any, with the Plan's audited financial statements. This procedure is not sufficient nor intended to determine that the Form 5500 is completely and accurately prepared. Further, any suggestions we might make do not constitute tax advice. The preparer of the Form 5500 and you will be responsible for all decisions regarding the Form 5500 and any tax positions reported on that form.

In the event that an inquiry is received from the DOL or Internal Revenue Service regarding the Form 5500 or the financial statements that are made a part of that filing, you agree to provide a copy of such inquiry to us as soon as possible following its receipt. Further, you agree to provide us with a draft of your response to any such correspondence prior to mailing.

Fees and Costs

Our fees for the services described above are based upon the value of the services performed and the time required by the individuals assigned to the engagement, plus direct expenses. Our fee estimate and completion of our work are based upon the following criteria:

1. Anticipated cooperation from your personnel;
2. Timely responses to our inquiries;
3. Timely completion and delivery of client assistance requests;

4. Timely communication of all significant accounting and financial reporting matters; and
5. The assumption that unexpected circumstances will not be encountered during the engagement.

Our fees for this engagement will be \$10,500, plus direct expenses. If any of the aforementioned criteria are not met (including discovery of significant recordkeeping problems or operational errors, Service Organization Control (SOC 1) reports that are qualified or otherwise cannot be relied upon, suspected violations of ERISA or DOL regulations, or issues that cause the Plan's qualified tax status to be questioned), then fees may increase. Interim billings may be submitted as work progresses and as expenses are incurred. Billings are due upon submission.

Use of Subcontractors and Third-Party Products

From time to time and depending upon the circumstances, we may, in our sole discretion, use qualified third-party service providers to assist us in providing professional services to you. In such circumstances, it may be necessary for us to disclose Personal Information or Confidential Information (as both terms are defined below) to them. You hereby consent to us sharing your information, including Confidential Information and Personal Information, with these third-party service providers on the same basis as we would be permitted to share information with one of our employees, provided that such recipients are bound by written obligations of confidentiality that are as protective of your Confidential Information as the confidentiality terms set forth herein. You acknowledge and agree that our use of a third-party service provider may involve the processing, input, disclosure, movement, transfer, and storage of your information and data outside of our technology infrastructure.

We also may provide services to you using certain third-party hardware, software, software services, managed services (including, but not limited to, web hosting, data security, data back-up, email security or similar services subject to direct end-user or subscription agreements), applications and equipment (collectively, Third-Party Products). You acknowledge that your or our use of a Third-Party Product may involve the processing, input, disclosure, movement, transfer and storage of information provided by you to us, including Personal Information and Confidential Information, within the Third-Party Product's infrastructure and not ours, and that the terms of use and service set forth in the end-user license, subscription or other agreement with the licensor of such Third-Party Product, including, but not limited to, applicable laws, will govern all obligations of such licensor relating to data privacy, storage, recovery, security and processing within such Third-Party Product's infrastructure, as well as the service levels associated with such Third-Party Product. You hereby consent to the disclosure of your information, including your Confidential Information and Personal Information, to the licensors of such Third-Party Products for the purpose described herein.

You acknowledge that your or our use of Third-Party Products may be subject to limitations, delays, interruptions, errors and other problems which are beyond our control, including, without limitation, internet outage or lack of availability related to updates, upgrades, patches, fixes, maintenance or other issues. We will not be liable for any delays, delivery failures or other losses or damages resulting from such issues, nor will we be held responsible or liable for any loss, or unauthorized use or disclosure, of any information or data provided by you, including, without limitation, Personal Information provided by you, resulting from your or our use of a Third-Party Product.

Use and Ownership: Access to Audit Documentation

The Audit Documentation for this engagement is the property of BNN. For the purposes of this Arrangement Letter, the term "Audit Documentation" shall mean the confidential and proprietary records of BNN's audit procedures performed, relevant audit evidence obtained, other audit-related workpapers and conclusions reached. Audit Documentation shall not include custom-developed documents, data, reports, analyses, recommendations and deliverables authored or prepared by BNN for the Plan under this Arrangement Letter, or any documents belonging to the Plan or furnished to BNN by the Plan.

As required by ERISA, we are required to make certain Audit Documentation available to the DOL upon request for its regulatory oversight purposes. Access to the requested Audit Documentation will be provided to the DOL under the supervision of BNN audit personnel and at a location designated by BNN. The fees associated with providing access to this audit documentation will be billed at our standard rates.

Review of Audit Documentation by a successor auditor or as part of due diligence is subject to applicable BNN policies, and will be agreed to, accounted for and billed separately. Any such access to our Audit Documentation is subject to a successor auditor signing an Access & Release Letter substantially in BNN's form. BNN reserves the right to decline a successor auditor's request to review our workpapers.

In the event we are required by government regulation, subpoena or other legal process to produce our documents or our personnel as witnesses with respect to our engagement for the Plan, the Plan, to the extent permitted by law, or the Plan Sponsor, as applicable, will, so long as we are not a party to the proceeding in which the information is sought, reimburse us for our professional time and expenses, as well as the fees and expenses of our counsel, incurred in responding to such requests.

Indemnification, Limitation of Liability and Claim Resolution

Because BNN will rely on the Plan and its management, Plan Trustees and Audit and Risk Committee to discharge the foregoing responsibilities, the Plan and the Plan Sponsor agree to indemnify, hold harmless and release BNN and its principals, officers, directors, employees, affiliates, subsidiaries, contractors, subcontractors, agents, representatives, successors, or assigns from all claims, liabilities, losses and costs arising in circumstances where there has been a knowing misrepresentation by a member of the Plan's management.

THE PLAN, THE PLAN SPONSOR AND BNN AGREE THAT NO CLAIM ARISING OUT OF, FROM, OR RELATING TO THE SERVICES RENDERED PURSUANT TO THIS ARRANGEMENT LETTER SHALL BE FILED MORE THAN TWO YEARS AFTER THE DATE OF THE AUDIT REPORT ISSUED BY BNN OR THE DATE OF THIS ARRANGEMENT LETTER IF NO REPORT HAS BEEN ISSUED. IN NO EVENT SHALL BNN OR THE PLAN, THE PLAN SPONSOR OR ANY OF THEIR RESPECTIVE PARTNERS, PRINCIPALS, OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES, SUBSIDIARIES, CONTRACTORS, SUBCONTRACTORS, AGENTS, REPRESENTATIVES, SUCCESSORS, OR ASSIGNS (COLLECTIVELY, THE "COVERED PARTIES" AND EACH INDIVIDUALLY, A "COVERED PARTY"), BE LIABLE FOR THE INTERRUPTION OR LOSS OF BUSINESS, ANY LOST PROFITS, SAVINGS, REVENUE, GOODWILL, SOFTWARE, HARDWARE, OR DATA, OR THE LOSS OF USE THEREOF (REGARDLESS OF WHETHER SUCH LOSSES ARE DEEMED DIRECT DAMAGES), OR INCIDENTAL, INDIRECT, PUNITIVE, CONSEQUENTIAL, SPECIAL, EXEMPLARY, OR SIMILAR SUCH DAMAGES, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE FULLEST EXTENT PERMITTED BY LAW, THE TOTAL AGGREGATE LIABILITY OF THE COVERED PARTIES ARISING OUT OF, FROM, OR RELATING TO THIS ARRANGEMENT LETTER, OR THE REPORT ISSUED OR SERVICES PROVIDED HEREUNDER, REGARDLESS OF THE CIRCUMSTANCES OR NATURE OR TYPE OF CLAIM, INCLUDING, WITHOUT LIMITATION, CLAIMS ARISING FROM A COVERED PARTY'S NEGLIGENCE OR BREACH OF CONTRACT OR WARRANTY, OR RELATING TO OR ARISING FROM A GOVERNMENT, REGULATORY OR ENFORCEMENT ACTION, INVESTIGATION, PROCEEDING, OR FINE, WILL NOT EXCEED THE TOTAL AMOUNT OF THE FEES PAID BY THE PLAN AND/OR THE PLAN SPONSOR TO BNN UNDER THIS ARRANGEMENT LETTER. NOTWITHSTANDING THE FOREGOING, NOTHING IN THIS LIMITATION OF LIABILITY PROVISION SHALL, OR SHALL BE INTERPRETED OR CONSTRUED TO, RELIEVE THE PLAN OF ITS PAYMENT OBLIGATIONS TO BNN UNDER THIS ARRANGEMENT LETTER.

You agree that any dispute (other than our efforts to collect an outstanding invoice) that may arise regarding the meaning, performance or enforcement of this engagement, or any prior engagement that we have performed for you, will, prior to resorting to litigation, be submitted to mediation, and that the parties will engage in the mediation process in good faith once a written request to mediate has been given by any party to the engagement. The results of any such mediation shall be binding only upon agreement of each party to be bound. The costs of any mediation proceeding shall be shared equally by the participating parties.

If mediation fails to resolve the dispute or claim, the parties hereby agree to submit any action, claim or counterclaim, whether based in contract, tort, statutory rights or otherwise, to the Courts of the State of Maine.

The Plan/Bank shall, upon the receipt of written notice, indemnify and hold BNN and its affiliates, and their principals and personnel, harmless against all costs, fees, expenses, damages and liabilities (including legal defense costs) associated with any third-party claim arising from or relating to any knowing misrepresentation to BNN by the Plan/Bank or the intentional withholding or concealment of information from BNN by the Plan/Bank. In addition, the Plan/Bank shall, upon receipt of written notice, indemnify and hold BNN and its affiliates, and their principals and personnel, harmless against all punitive damages associated with any third-party claim arising from or relating to: (i) any services, work product or deliverables from BNN that the Plan/Bank or its management uses or discloses to others; or (ii) this engagement generally. The terms of this paragraph shall apply regardless of the nature of any claim asserted (including those arising from contract law, statutes, regulations or any form of negligence of the Plan/Bank, whether arising out of tort, strict liability or otherwise) and whether or not BNN was advised of the possibility of the damage or loss asserted. Such terms shall also continue to apply after any termination of this agreement by either party and during any dispute between the parties. To the extent finally determined that the conduct giving rise to such punitive damages arose out of BNN's gross negligence or willful misconduct, this paragraph shall not apply.

Confidentiality

BNN and the Plan may, from time to time, disclose Confidential Information (as defined below) to one another. Accordingly, BNN and the Plan agree as the recipient of such Confidential Information (the Receiving Party) to keep strictly confidential all Confidential Information provided to it by the disclosing party (the Disclosing Party) and use, modify, store and copy such Confidential Information only as necessary to perform its obligations and exercise its rights under this Arrangement Letter and for no other purpose or use. Except as otherwise set forth herein, the Receiving Party may only disclose the Confidential Information of the Disclosing Party to its personnel, agents and representatives who are subject to obligations of confidentiality at least as restrictive as those set forth herein and only for the purpose of exercising its rights and fulfilling its obligations hereunder. To avoid any doubt, BNN is permitted to disclose the Plan's Confidential Information to BNN's personnel, agents and representatives for the purpose of maintaining compliance with applicable laws and professional, regulatory and/or ethical standards.

As used herein, "Confidential Information" means information in any form, oral, graphic, written, electronic, machine-readable or hard copy, consisting of: (i) any nonpublic information provided by the Disclosing Party, including, but not limited to, all of its inventions, designs, data, source and object code, programs, program interfaces, know-how, trade secrets, techniques, ideas, discoveries, marketing and business plans, pricing, profit margins and/or similar information; (ii) any information that the Disclosing Party identifies as confidential; or (iii) any information that, by its very nature, a person in the same or similar circumstances would understand should be treated as confidential, including, but not limited to, this Arrangement Letter.

As used herein, the term “Confidential Information” will not include information that: (i) is publicly available at the time of disclosure by the Disclosing Party; (ii) becomes publicly available by publication or otherwise after disclosure by the Disclosing Party, other than by breach of the confidentiality obligations set forth herein by the Receiving Party; (iii) was lawfully in the Receiving Party’s possession, without restriction as to confidentiality or use, at the time of disclosure by the Disclosing Party; (iv) is provided to the Receiving Party without restriction as to confidentiality or use by a third party without violation of any obligation to the Disclosing Party; or (v) is independently developed by employees or agents of the Receiving Party who did not access or use the Confidential Information.

The Receiving Party will treat the Disclosing Party’s Confidential Information with the same degree of care as the Receiving Party treats its own confidential and proprietary information, but in no event will such standard of care be less than a reasonable standard of care. The Receiving Party will promptly notify the Disclosing Party if it becomes aware that any of the Confidential Information of the Disclosing Party has been used or disclosed in violation of this Arrangement Letter.

Notwithstanding the foregoing, in the event that the Receiving Party becomes legally compelled to disclose any of the Confidential Information of the Disclosing Party, or as may be required by applicable regulations or professional standards, the Receiving Party will use commercially reasonable efforts to provide the Disclosing Party with notice prior to disclosure, to the extent permitted by law.

Preexisting Nondisclosure Agreements

In the event that the parties have executed a separate nondisclosure agreement and such agreement does not automatically terminate or expire upon execution of this Arrangement Letter, such agreement shall be terminated as of the effective date of this Arrangement Letter.

Data Protection Compliance

We take reasonable steps to comply with all applicable privacy, cybersecurity and data protection laws that may apply to Personal Information and Confidential Information we process on behalf of our clients. Upon written request, we will provide summaries of our Information Technology (IT) security and disaster recovery policies and make our senior IT personnel reasonably available for discussion upon request. Any information we disclose to you concerning our IT control environment shall constitute Confidential Information of BNN and shall be subject to the confidentiality obligations set forth in this Arrangement Letter.

Prior to disclosing to us or our subcontractors or granting us or our subcontractors with access to your data, you will identify in writing any personal, technical or other data provided or made accessible to us or our subcontractors pursuant to this Arrangement Letter that may be subject to heightened protections under applicable privacy, cybersecurity, export control and/or data protection laws, including, but not limited to, protected health information pursuant to the *Health Information Portability and Accountability Act of 1996* (HIPAA), classified or controlled unclassified information subject to the National Industrial Security Program, the National Industrial Security Program Operating Manual, or the Defense Federal Acquisition Regulation Supplement (DFARS), data subject to Export Administration Regulations (EAR), or International Traffic in Arms Regulations (ITAR) controlled data. Unless otherwise expressly agreed upon and specified in writing by BNN and the Plan, you shall not provide us or any of our subcontractors with access to such data and you shall be responsible for the handling of all such data in connection with the performance of the services requested hereunder, including, but not limited to, the scrubbing, de-identification, de-aggregation, protection, encryption, transfer, movement, input, storage, migration, deletion, copying, processing and modification of such data.

BNN and the Plan acknowledge and agree that they may correspond or convey information and documentation, including Confidential Information and Personal Information, via various forms of electronic transmission, including, but not limited to, Third-Party Products, such as email, FTP and cloud-based sharing and hosting applications (e.g., portals, data analytics tools and helpdesk and support ticketing applications), and that neither party has control over the performance, operation, reliability, availability or security of these electronic transmission methods. Therefore, neither party will be liable for any loss, damage, expense, harm, disclosure or inconvenience resulting from the loss, delay, interception, corruption, unauthorized disclosure or alteration of any electronic transmission where the party has used commercially reasonable efforts to protect such information. We offer our clients various platforms for the exchange of information. You hereby agree that you shall be bound by and comply with any and all user terms and conditions made available (whether by link, click-through or otherwise) with respect to such platforms.

Personal Information

As used herein, the term “Personal Information” means any personal information that directly or indirectly identifies a natural person as may be defined by applicable privacy, data protection or cybersecurity laws, and includes, but is not limited to, nonpublic, personally identifiable information such as Social Security numbers, Social Insurance numbers, driver’s license numbers or state- or province-issued identification card numbers, credit or debit card numbers with or without any required security code, number or passwords, health information and other personal information as defined by applicable laws, whether of the Plan, Plan Sponsor or the Plan’s participants or other third parties.

Each party agrees that it will not transmit to the other, in any manner, (i) Personal Information that is not needed to render the services hereunder and (ii) Personal Information that has not been encrypted. In the event you transmit to us Personal Information in an unencrypted format or via unencrypted means, you agree that we have no obligation to notify you of the foregoing.

You represent and warrant that you have provided all notices and obtained all consents required under applicable data protection laws prior to your collection, use and disclosure to us or our subcontractors of such Personal Information and shall take reasonable steps to ensure that such Personal Information does not include irrelevant or unnecessary information about individuals.

We will use all such Plan- or Plan Sponsor-provided Personal Information, if at all, only for the purposes described in this Arrangement Letter. The parties agree that as part of the performance of the services as described in this Arrangement Letter, and as part of the direct business relationship between the parties, we may, at our election, use the Personal Information to improve the services and for other similar internal and business purposes. We agree to maintain appropriate security measures to protect such Personal Information in accordance with applicable laws.

If we become aware of an unauthorized acquisition or use of Plan- or Plan Sponsor-provided Personal Information, we will promptly inform you of such unauthorized acquisition or use as required by applicable laws and, upon your written request, reasonably cooperate with you at your sole cost in support of any breach notification requirements as imposed upon you by applicable laws.

Retention of Records

We will return to you all original records you provide to us in connection with this engagement. Further, in addition to providing you with those deliverables set forth in this Arrangement Letter, we will provide to you a copy of any records we prepare or accumulate in connection with such deliverables which are not otherwise reflected in your books and records without which your books and records would be incomplete. You have the sole responsibility for retaining and maintaining in your possession or custody all of your financial and nonfinancial records related to this engagement. We will not host, and will not accept responsibility to host, any of your records. We, however, may maintain a copy of any records of yours necessary for us to comply with applicable law and/or professional standards. Any such records retained by us will be subject to the confidentiality obligations set forth herein and destroyed in accordance with our record retention policies.

Termination

Your failure to make full payment of any and all undisputed amounts invoiced in a timely manner constitutes a material breach for which we may refuse to provide deliverables and/or, upon written notice, suspend or terminate our services under this Arrangement Letter. We will not be liable to you for any resulting loss, damage or expense connected with the suspension or termination of our services due to your failure to make full payment of undisputed amounts invoiced in a timely manner.

In the event you terminate this engagement, you will pay us for all services rendered (including deliverables and products delivered), expenses incurred and noncancelable commitments made by us on your behalf through the effective date of termination.

We will not be responsible for any delay or failure in our performance resulting from acts beyond our reasonable control or unforeseen or unexpected circumstances, such as, but not limited to, acts of God, government or war, riots or strikes, disasters, fires, floods, epidemics, pandemics or outbreaks of communicable disease, cyberattacks and internet or other system or network outages. At your option, you may terminate this Arrangement Letter where our services are delayed more than 120 days; however, you are not excused from paying us for all amounts owed for services rendered and deliverables provided prior to the termination of this Arrangement Letter.

When an engagement has been suspended at the request of management or those charged with governance and work on that engagement has not recommenced within 120 days of the request to suspend our work, we may, at our sole discretion, terminate this Arrangement Letter without further obligation to you. Resumption of our work following termination may be subject to our client acceptance procedures and, if resumed, will require additional procedures not contemplated in this Arrangement Letter. Accordingly, the scope, timing and fee arrangement discussed in this Arrangement Letter will no longer apply. In order for us to recommence work, the execution of a new Arrangement Letter will be required.

We may terminate this Arrangement Letter upon written notice if: (i) we determine that our continued performance would result in a violation of law, regulatory requirements, applicable professional or ethical standards, or our client acceptance or retention standards; or (ii) you are placed on a verified sanctioned entity list or if any director or executive of, or other person closely associated with, you or any of your affiliates is placed on a verified sanctioned person list, in each case, including, but not limited to, lists promulgated by the Office of Foreign Assets Control of the U.S. Department of the Treasury, the U.S. State Department, the United Nations Security Council, the European Union or any other relevant sanctioning authority.

The parties agree that those provisions of this Arrangement Letter which, by their context, are intended to survive, including, but not limited to, payment, limitations on liability, claim resolution, use and ownership and confidentiality obligations, shall survive the termination of this Arrangement Letter.

Miscellaneous

We may mention your name and provide a general description of the engagement in our client lists and marketing materials.

Our professional standards require that we perform certain additional procedures, on current and previous years' engagements, whenever a principal or professional employee leaves BNN and is subsequently employed by or associated with a client in a key position. Accordingly, you agree to compensate us for any additional costs incurred as a result of your employment of one of our principals or employees.

Governing Law

This Arrangement Letter, including, without limitation, its validity, interpretation, construction and enforceability, and any dispute, litigation, suit, action, claim or other legal proceeding arising out of, from, or relating in any way to this Arrangement Letter, any provisions herein, a report issued or the services provided hereunder, will be governed and construed in accordance with the laws of the State of Maine, without regard to its conflict of law principles, and applicable U.S. federal law.

Entire Agreement

This Arrangement Letter constitutes the complete and exclusive statement of agreement between BNN and the Plan and supersedes all prior agreements, understandings and proposals, whether oral or written, relating to the subject matter of this Arrangement Letter.

If any term or provision of this Arrangement Letter is determined to be invalid or unenforceable, such term or provision will be deemed stricken, and all other terms and provisions will remain in full force and effect.

This Arrangement Letter may be amended or modified only by a written instrument executed by both parties.

Electronic Signatures and Counterparts

Each party hereto agrees that any electronic signature of a party to this Arrangement Letter or any electronic signature to a document contemplated hereby (including any representation letter) is intended to authenticate such writing and shall be as valid, and have the same force and effect, as a manual signature. Any such electronically signed document shall be deemed (a) to be "written" or "in writing," (b) to have been signed and (c) to constitute a record established and maintained in the ordinary course of business and an original written record when printed from electronic files. Each party hereto also agrees that electronic delivery of a signature to any such document (via email or otherwise) shall be as effective as manual delivery of a manual signature. For purposes hereof, "electronic signature" includes, but is not limited to, (a) a scanned copy (as a pdf (portable document format) or other replicating image) of a manual ink signature, (b) an electronic copy of a traditional signature affixed to a document, (c) a signature incorporated into a document utilizing touchscreen capabilities or (d) a digital signature. This Arrangement Letter may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement. Paper copies or "printouts" of such documents, if introduced as evidence in any judicial, arbitral, mediation or administrative proceeding, will be admissible as between the parties to the same extent and under the same conditions as other original business records created and maintained in documentary form. Neither party shall contest the admissibility of true and accurate copies of electronically signed documents on the basis of the best evidence rule or as not satisfying the business records exception to the hearsay rule.

Please sign and return a copy of this Arrangement Letter to indicate your acknowledgment of, and agreement with, the arrangements for our audits, including our respective responsibilities.

This representation letter is provided in connection with your audit of the financial statements of the Kennebunk Savings Bank 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statement of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2021 and the related notes to the financial statements.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodical examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit arrangement letter dated March 11, 2022, for the preparation and fair presentation of the financial statements referred to above in accordance with U.S. GAAP.
2. We acknowledge our responsibility for administering the Plan and determining the Plan's transactions that are presented and disclosed in the ERISA Plan financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

3. We acknowledge our responsibility for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.
4. We acknowledge our responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions used by us in making accounting estimates are reasonable and reflect our judgment based on our knowledge and experience about past and current events, and our assumptions about conditions we expect to exist and courses of action we expect to take.
6. We are responsible for the estimation methods and assumptions used in measuring assets and liabilities reported or disclosed at fair value, including information obtained from brokers, pricing services or other third parties. Our valuation methodologies have been consistently applied from period to period. The fair value measurements reported or disclosed represented our best estimate of fair value as of the measurement date in accordance with the requirements of Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*. In addition, our disclosures related to fair value measurements are consistent with the objectives outlined in FASB ASC 820.
7. All significant estimates and material concentrations known to management that are required to be disclosed in accordance with the *Risks and Uncertainties Topic* of the FASB ASC have been properly recorded and/or disclosed in the financial statements. Significant estimates are estimates at the statement of net assets available for benefits date that could change materially within the next year. Concentrations refer to nature and type of investments held by the Plan, or markets in which events could occur that would significantly disrupt normal finances within the next year.
8. Related-party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP.
9. Transactions with parties in interest, as defined in Section 3(14) of ERISA and regulations thereunder, including sales, purchases, loans, transfers, leasing arrangements and guarantees, and amounts receivable from or payable to related parties, have been appropriately accounted for and disclosed.
10. We are responsible for determining that significant events or transactions that have occurred since the statement of net assets available date, and through the date of this letter, have been recognized or disclosed in the financial statements. No events or transactions, other than those disclosed in the financial statements, have occurred subsequent to the available date, and through the date of this letter, that would require recognition or disclosure in the financial statements. We further represent that, as of the date of this letter, the financial statements were complete in a form and format that complied with U.S. GAAP, and all approvals necessary for issuance of the financial statements had been obtained.
11. The effects of all known, actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.
12. We have no intention to terminate the Plan.
13. We have properly reported and disclosed amendments to the plan instrument, if any.
14. We have no knowledge of any uncorrected misstatements in the financial statements.

Supplementary Information

15. We acknowledge our responsibility for the presentation of the ERISA-required supplemental schedule in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. In this regard:
- We believe such schedule, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA;
 - The methods of measurement or presentation have not changed from those used in the prior period;
 - There are no underlying significant assumptions or interpretations regarding the measurement or presentation of such information; and
 - We will only present the ERISA-required supplemental schedule together with the audited financial statements and auditors' report thereon and will not separate the ERISA-required supplemental schedule from the audited financial statements and auditors' report thereon in any document that contains such information.

Information Provided

16. We have provided you with:
- Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements such as records, documentation, and other matters;
 - Additional information that you have requested from us for the purpose of the audit;

 - All minutes of the meetings of the Plan's Employee Benefit Committee, or summaries of actions of recent meetings for which minutes have not yet been prepared.
17. All transactions have been recorded in the accounting records and are reflected in the financial statements. 24. We are aware of no significant deficiencies, including material weaknesses, in the design or operation of internal controls that could adversely affect the Plan's ability to record, process, summarize and report financial data.
25. We have no plans or intentions that may materially affect the carrying value or classification of assets or liabilities.
26. The Plan or trust has satisfactory title to all owned assets that are recorded at fair value and all liens, encumbrances or security interests have been properly disclosed.
27. We have answered your questions about the Plan's tax compliance to the best of our knowledge and belief.
28. There have been no communications, whether written or oral, from regulatory agencies concerning noncompliance with, or deficiencies in the operation of, the Plan.
29. We have complied with (a) all aspects of debt and other contractual agreements, including provisions of the Plan, that would have a material effect on the financial statements in the event of noncompliance, (b) the fidelity bonding requirements of ERISA, (c) all participant eligibility and coverage requirements of the Plan, ERISA and the Internal Revenue Code (IRC), and (d) the filing requirements of appropriate agencies.
30. We have complied with the DOL's regulations concerning the timely remittance of participants' contributions to trusts containing assets for the Plan.

31. There are no known instances of noncompliance or suspected noncompliance with laws and regulations.
32. The IRS has determined and informed the Plan Sponsor, by a letter dated June 30, 2020, that the Plan is qualified and the trust established under the Plan is tax exempt under the appropriate section(s) of the IRC. The Plan has been amended since receiving the determination letter. We have operated the Plan and trust in a manner that did not jeopardize this tax status.
33. We have reviewed the complementary user entity control considerations of the Service Organization Controls (SOC 1) Reports for Fidelity Workplace Services LLC and Ceridian HCM, Inc. both dated December 6, 2021 for the twelve-month periods ended October 31, 2021 and September 30, 2021, respectively, and we believe all applicable controls are in place.
34. There are no:
 - a. Non-exempt (prohibited) party-in-interest transactions that were not disclosed in the financial statements or supplemental schedule;
 - b. Notes receivable from participants or other receivables or investments in default or considered to be uncollectible that were not disclosed in the financial statements or supplemental schedule;
 - c. Reportable transactions that were not disclosed in the supplemental schedule; and
 - d. Guarantees, whether written or oral, under which the Plan is contingently liable to a bank or another lending institution.
35. We have received fee disclosures from all of the Plan's covered service providers, have determined that the services are necessary and have evaluated the fees and concluded they are reasonable. Furthermore, we have provided Plan participants with the required fee and investment performance details.
36. Thomas Zuke has reviewed the Checklist for Disclosures and we are satisfied that the financial statements contain all material disclosures required by generally accepted accounting principles.
37. During the course of your audit, you may have accumulated records containing data that should be reflected in our books and records. All such data have been so reflected. Accordingly, copies of such records in your possession are no longer needed by us.

Financial Statements and Supplemental Schedule

With Independent Auditors' Report*

INDEPENDENT AUDITORS' REPORT

The Audit and Risk Committee and Plan Administrator
Kennebunk Savings Bank 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Kennebunk Savings Bank 401(k) Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a period of within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

The Audit and Risk Committee and Plan Administrator
Kennebunk Savings Bank 401(k) Plan

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Audit and Risk Committee and Plan Administrator
Kennebunk Savings Bank 401(k) Plan

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

KENNEBUNK SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of Plan

The following description of the Kennebunk Savings Bank 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) plan sponsored by Kennebunk Savings Bank (the Bank). Employees are eligible for participation in the Plan after attaining age eighteen. Employees are eligible to receive employer contributions after twelve months of service. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA).

Employer Contributions

A participant may elect to contribute pre-tax and/or post-tax (i.e., Roth) dollars to the Plan subject to certain annual limitations. On behalf of each participant who elects to contribute to the Plan, the Bank will make a matching contribution. Effective January 1, 2018, the Plan has been amended to provide safe-harbor matching contributions to all eligible participants. The Bank will make a matching contribution equal to 100% of the first 3% and 50% of the next 2% of eligible compensation contributed to the Plan for each payroll period. All participants are eligible for the safe-harbor match after 12 months of service. Participants are always 100% vested in safe-harbor matching contributions. Participants are immediately vested in their pre-tax and post-tax contributions.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Bank's contribution on their behalf, plus or minus any earnings or losses thereon, and investment fees and certain expenses paid out of the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants

Repayment periods for notes to purchase a principal residence may range up to 15 years; all other note repayment periods must not exceed 5 years. Up to 50% of a participant's vested account balance not to exceed \$50,000 may be borrowed, with principal and interest repayments required. Note repayments are calculated, withheld and remitted bi-weekly. The notes are secured by the balance in the participant's account and bear interest rates that are commensurate with local prevailing rates as determined periodically by the plan trustee.

Effective March 27, 2020, the Plan adopted the loan provisions of the *Coronavirus Aid, Relief, and Economic Security Act* (CARES Act) allowing qualified Plan participants to borrow up to \$100,000 of their vested balance and allowing loan payments due March 27, 2020 through December 31, 2020 to be deferred up to one year.

1. Description of Plan (Continued)

Payment of Benefits

Upon termination of employment, distributions are to be made as soon as administratively feasible at the participant's election. In addition, involuntary distributions of balances less than \$5,000 will be made upon termination. Minimum distributions are required beginning April 1st of the calendar year following the later of the year in which the participant attains age 72 or retires. In-service distributions to participants who have not separated from service may be made upon obtaining the age of 59 ½. Distributions are permitted from the Plan upon death or meeting certain disability or hardship qualifications. Participant rollover distributions may be made upon request of the employee.

Effective March 27, 2020, the Plan adopted the distribution provision of the CARES Act that was signed into law. A CARES Act distribution allows the Plan's qualified participants to take a COVID-19 related distribution up to \$100,000 (not to exceed the participant's account balance) from the Plan prior to December 31, 2020.

2. Summary of Significant Accounting Principles

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (U.S. GAAP) requires the plan administrator to make significant estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investments and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurement.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

KENNEBUNK SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Principles (Continued)

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. Interest income is recorded on the accrual basis.

Administrative Expenses

Administrative expenses for the Plan are paid by the Bank to the extent they are not paid by the Plan.

The Plan receives a quarterly revenue credit from the trustee pursuant to a Service Agreement. Such amounts can be applied towards certain Plan expenses, or reallocated to eligible participant accounts.

Contributions

Participant contributions are recorded in the period in which payroll deductions are made. Employer contributions are recorded in the year of related eligible participant service.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Risks and Uncertainties

The Plan provides for various investment options which in turn invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Subsequent Events

Management has considered transactions or events occurring through October 13, 2022, which is the date that the financial statements were available to be issued. Management has not evaluated subsequent events after that date for inclusion in the financial statements.

KENNEBUNK SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

3. Investment in Collective Trust

The Plan has an investment in the Fidelity Managed Income Portfolio, a collective trust, which is stated at fair value based on net asset value (NAV). NAV has been determined based on the unit value of the trust. Unit value is determined by dividing the fund's net assets based on the fair value of the underlying investments by its units outstanding at each valuation date. Certain employer initiated events may reduce the reported value of the investment in collective trust. These events include discontinued operations, layoffs, Plan termination, bankruptcy or reorganization, merger, early retirement incentive programs, tax disqualification of the Plan or other events. Such events are not expected to be probable to occur.

4. Tax Status

A qualifying plan is one for which the employer may currently deduct contributions on its income tax return, the employee is not currently taxed on the contribution, and the plan income is not taxable.

The Plan has adopted the Fidelity Management Trust Company Volume Submitter Sharing Plan. The Internal Revenue Service (IRS) has issued a favorable opinion letter dated March 31, 2014, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Effective 2021, the Plan was restated and is a prototype non-standardized profit sharing plan sponsored by Fidelity Management Trust Company for which the IRS issued a favorable opinion letter dated June 30, 2020, stating that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the Code). The restatement did not have a significant impact on the Plan's operations. The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by a plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. Management evaluated the Plan's tax positions and concluded that the Plan has maintained its tax exempt status and has taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements.

5. Plan Termination

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their employer contributions.

KENNEBUNK SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

6. Information Prepared and Certified by Trustee

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company, except for comparing such information certified by the trustee to information included in the Plan's financial statements and supplemental schedule. The Plan Administrator has determined that the trustee meets the requirement of a qualified institution as defined by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Plan's investments, notes receivable from participants, and related income and transactions were certified as complete and accurate.

7. Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds, a collective trust, and a money market fund managed by Fidelity Investments, which is affiliated with Fidelity Management Trust Company, the trustee of the Plan's investment assets, and, therefore, these transactions qualify as party-in-interest transactions. The Plan also paid Fidelity \$31,088 for the year ended December 31, 2021, offset by the revenue credit disclosed in footnote 2, resulting in a net administrative refund of \$20,049. In addition, the plan paid advisory fees to Valmark Advisers, Inc. and Strategic Advisors Inc. totaling \$20,000 and \$13,648 in 2021, respectively.

8. Fair Value Measurement

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

KENNEBUNK SAVINGS BANK 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

8. Fair Value Measurement (Continued)

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value at December 31, 2021 and 2020.

Mutual funds and money market fund: Valued daily at the quoted price reported in the active market in which the security is traded.

Collective trust: Valued at NAV using the practical expedient. The fund has no unfunded commitments and can be redeemed daily at NAV.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

9. Reconciliation of Financial Statements to Form 5500

As of December 31, 2021 and 2020 notes receivable from participants are reflected as a receivable on the financial statements which is different from the Form 5500 presentation. On the Form 5500, notes receivable are classified as investments under the caption “participant loans.”
