INDEPENDENT AUDITORS' REPORT

To the Participants and Plan Administrator of the
Employee Benefit Plan of FCN Bank, National Association

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Employee Benefit Plan of FCN Bank, National Association, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report.

We are required to be independent of the Employee Benefit Plan of FCN Bank, National Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of FCN Bank, National Association's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Employee Benefit Plan of FCN Bank, National Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Employee Benefit Plan of FCN Bank, National Association's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Employee Benefit Plan of FCN Bank, National Association. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN:

The following description of the Employee Benefit Plan of FCN Bank, National Association (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established July 1, 1987, covering all eligible employees of FCN Bank, National Association (the Bank or Employer). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and the Internal Revenue Code (IRC) of 1986, as amended (the Code).

There are no minimum age or service requirements to be eligible to participate in the Plan. To be eligible for employer contributions, employees must be at least 20.5 years of age and have completed 1 year of service and worked at least 1,000 hours within that 12 month period. Employees meeting eligibility requirements may enroll in the Plan on the first day of the month following the date on which the eligibility requirements are fulfilled.

Contributions

Each year participants may contribute up to the maximum annual dollar limit permitted by law of pre-tax compensation, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows after-tax Roth contributions. The combined pre-tax and after-tax contributions cannot exceed established Internal Revenue Service (IRS) limits. In 2021, the Bank contributed matching contributions in an amount equal to 100% of the first 4% of compensation contributed by the participant.

Additionally, the Plan accepts direct rollovers from other qualified plans and arrangements, and rollover contributions from participants. Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with the participant's contributions and employer's matching contributions and adjusted for earnings and losses thereon. Participant accounts may also be charged with an allocation of certain administrative expenses of the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the vested amount that is in such participant's account at any given time. Participants may elect to invest in any combination of funds offered by the Plan.

Vesting

Participants are immediately vested in their own contributions plus actual earnings thereon. Vesting in the Bank's matching and profit-sharing contributions portion of their accounts, plus actual earnings thereon, is based on years of service.

A participant is 100% vested in the Bank's matching contributions after three years of credited service as follows:

<u>Years of Service</u>	<u>Percentage Vested</u>
Less than one	0%
One but less than two	33%
Two but less than three	66%
Three or more	100%

Notes receivable from participants

Participant loans are not permitted under the provisions of the Plan.

Payment of benefits

Upon a participant's retirement, death, total or permanent disability, or other termination of employment with the Bank, the participant's vested account is distributed in one lump sum. Participants may also request a non-recurring partial payment.

In-service distributions are permissible from the Plan for participants that have obtained the age of 59 1/2. Participants electing in-service distributions may elect to receive all or a portion of their elective deferral contributions in a lump sum payment.

In conditions of financial hardship, as defined by the Plan, a participant may apply to the plan administrator for approval to withdraw that portion of their elective deferrals necessary to meet the financial hardship, subject to the limitations of the Plan and the IRC.

Forfeitures

In the event a participant terminates employment prior to 100% vesting, the portion of the employer contributions which is not vested is forfeited at that time. The forfeited amounts may be used to reduce future employer contributions. At December 31, 2021 and 2020, there were no forfeited non-vested accounts available to offset future employer contributions. During 2021, \$1,775 of forfeitures were used to offset employer contributions.

2. SUMMARY OF ACCOUNTING POLICIES:

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein at the date of the financial statements. Actual results could differ from those estimates.

Investment valuation and income recognition

The Plan's Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits

Benefit payments to participants are recorded when paid.

Administrative expenses

Certain expenses of maintaining the Plan are paid directly by the Bank and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent events

The Plan has evaluated subsequent events through the October 13, 2022, the date the financial statements were available to be issued.

3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN:

The Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Mutual of America Life Insurance Company, the custodian, has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020, and the supplemental schedule of assets (held at end of year) as of December 31, 2021, and to the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended December 31, 2021.

4. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There has been no change in the methodologies used at December 31, 2021 and 2020.

Mutual and money market funds: Valued at the daily closing price as reported by the fund. Mutual and money market funds held by the Plan are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual and money market funds held by the Plan are deemed to be actively traded.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's cash and investments at fair value. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

Investments at Fair Value at December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 128,778	-	-	128,778
Mutual funds	<u>8,146,639</u>	<u>-</u>	<u>-</u>	<u>8,146,639</u>
Total investments at fair value	<u>\$ 8,275,417</u>	<u>-</u>	<u>-</u>	<u>8,275,417</u>

Investments at Fair Value at December 31, 2020

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money market fund	\$ 41,623	-	-	41,623
Mutual funds	<u>7,399,520</u>	<u>-</u>	<u>-</u>	<u>7,399,520</u>
Total investments at fair value	<u>\$ 7,441,143</u>	<u>-</u>	<u>-</u>	<u>7,441,143</u>

5. INSURANCE COMPANY GENERAL ACCOUNT:

The Plan's investment in the Mutual of America Interest Accumulation Account is an unallocated contract with The American Life Insurance Company of New York. Mutual of America Life Insurance Company, the custodian of the plan, maintains the contributions in a general account. This fund is considered to be a cash equivalent due to holding instruments such as interest bearing cash. The value within the plan is \$1,635,255 and \$1,562,471 at December 31, 2021 and 2020, respectively.

The amount in this account at any time will be equal to the sum of all amounts that have been allocated to it less the sum of all amounts that have been withdrawn. The contract has no unordinary transfer or withdrawal restrictions.

The contract issuer is contractually obligated to repay the principal and a separate rate of interest that will be declared from time to time by the insurance company in its discretion. Crediting interest will be allocated no less frequently than once in a calendar month to amounts within the account. The crediting interest rate will not be less than 3%.

6. RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS:

Certain Plan investments are invested in funds managed by Mutual of America Life Insurance Company; therefore, these transactions qualify as party in interest. Total fees paid by the Plan to Mutual of America Life Insurance Company for the year ended December 31, 2021 were \$662.

Several employees of the Bank provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Bank for the services of the employees to the Plan.

7. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Bank has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in the Bank's contributions.

8. TAX STATUS:

The Bank adopted a prototype non-standardized profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the IRS dated November 30, 2022. The IRS stated in the letter that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has since been amended. While the Plan has not obtained its own determination letter, the plan administrator believes that the Plan currently is designed and being operated in compliance with the applicable requirements of the IRC and therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

9. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

10. PLAN OPERATIONS IMPACTED BY COVID-19:

On March 11, 2020, the World Health Organization declared the novel coronavirus (COVID-19) outbreak a pandemic which has impacted the financial markets and global economy. The COVID-19 pandemic is on-going and the duration and extent of the related financial impact on the Plan's net assets available for benefits and changes in net assets available for benefits is uncertain and cannot be reasonably estimated at this time.

On March 27, 2020, the U.S. Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provided temporary relief for retirement plan sponsors and their participants with respect to distributions and participant loans during 2020. The provisions of the CARES Act could be effective and operationalized immediately, prior to amending the plan document. The Bank elected not to adopt the optional provisions of the CARES Act.

11. PLAN COMPLIANCE CORRECTIONS:

During 2020, it was discovered that an incorrect definition of plan compensation was used in calculating employer match contributions on profit sharing compensation. The plan administrator is currently in the process of taking corrective action for all participants who were impacted by the improper exclusion of certain wages from eligible compensation. The Plan has not yet determined the total effect of missed employer contributions including lost earnings on those deferrals. The Plan intends to deposit these contributions and lost earnings into affected participant accounts as soon as reasonably possible.
