To the Plan Administrator
Woodhouse Auto Family 401(k) Plan
Omaha, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Woodhouse Auto Family 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate to the best of its knowledge.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i, Schedule of Assets (Held at End of Year) as of December 31, 2021 (Schedule 1), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated September 21, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and supplemental schedule, and (b) the form and content of the information included in the financial statements and supplemental schedule other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Woodhouse Auto Family 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of Plan

The following description of the Woodhouse Auto Family 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a qualified defined contribution plan for the benefit of the employees of:

- Woodhouse Ford, Inc.
- Woodhouse Ford of Omaha, Inc.
- Woodhouse SW Place
- Woodhouse Lincoln-Mercury Inc.
- Woodhouse Nissan, Inc.
- Woodhouse Auto Family, Inc.
- Woodhouse CBP, Inc.
- Woodhouse Ford South, Inc.
- Woodhouse Sioux City, Inc.
- Woodhouse Buick GMC
- Woodhouse Insurance Agency
- Woodhouse Parts Direct, Inc

The above entities are hereinafter referred to collectively as Employers. The Plan Administrator and the 401(k) Committee determine the appropriateness of the Plan's investment offerings and monitor investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

B. Contributions

Contributions made to the Plan are as follows:

Participant Contributions – Participants may contribute up to the maximum percentage allowable not to exceed limits of the Internal Revenue Service (IRS) on a before tax basis. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect a different deferral rate or not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 6% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. Participants may also rollover amounts representing distributions from other qualified plans.

Employers Matching Contributions – The Employers may make matching contributions equal to a discretionary percentage of the participant's salary reductions, to be determined annually by the Employers. The Employers elected a matching contribution rate of one-half of the participant's contributions that do not exceed 6% of eligible compensation for the year ended December 31, 2021.

Employers Discretionary Profit Sharing Contributions – Each year, the Employers may make a discretionary profit sharing contribution to the Plan. No discretionary profit sharing contribution was made for the year ended December 31, 2021.

All contributions are participant directed.

C. Participant Accounts

Each participant's investment account is credited with the participant's contributions (including rollovers), and allocations of (a) the Employers matching contributions, (b) Plan earnings or losses, and (c) the Employers discretionary profit sharing contributions, and charged with an allocation of administrative expenses. Allocations of earnings or losses are based on individual accounts. Allocations of Plan expenses are also pro rata based on the participant's account balance. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Woodhouse Auto Family 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

D. Eligibility

All employees are eligible to make salary deferral contributions upon attaining age 21. Employees that are age 21 or older will become eligible for Employers contributions on the first day of the Plan year or the first day of the 4th, 7th and 10th months of the Plan year following the completion of one year of service with a minimum of 1,000 hours in twelve consecutive months. An employee must also be employed on the last day of the Plan year to share in any discretionary profit sharing contribution.

E. Vesting

Participants are fully vested in their contributions (including rollovers) and are vested in the Employers contributions to the Plan according to the following schedule:

<u>Completed Years of Service</u>	<u>Vesting Percentage</u>
Less than three years	0%
Three or more years	100%

Participants become 100% vested upon death, total and permanent disability, or upon reaching normal retirement age 65.

F. Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes may only be taken for purposes as specified in the Plan. The notes are secured by the balance in the participant's account and bear interest at a reasonable rate as determined by the Plan Administrator. Principal and interest is paid ratably through bi-weekly or monthly payroll deductions. Notes as of December 31, 2021 bear interest rates between 4.25% and 6.50% and mature between January 2022 and August 2026.

On March 27, 2020 the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted to provide emergency assistance for individuals, families, and businesses affected by the coronavirus pandemic. The Plan elected to adopt provisions of the CARES Act allowing eligible participants to request loans of up to \$100,000 or 100% of the participant's vested balance for qualifying coronavirus related reasons and make extended loan repayment periods available through December 31, 2020.

G. Payment of Benefits

Upon separation of service, due to death, disability or retirement, a participant or beneficiary may elect to receive the vested portion of his or her account in a lump sum payment, partial payments or installment payments. For separation of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump sum distribution. If the participant's account is less than \$5,000, but greater than \$1,000, upon separation of service, the Plan can automatically roll the account into a qualified individual retirement account. If the participant's account is less than \$1,000, the Plan can automatically cash out the account.

The Plan elected to adopt provisions of the CARES Act allowing eligible participants to request penalty-free distributions of up to \$100,000 for qualifying coronavirus related reasons through December 31, 2020. The CARES Act also provided for the temporary waiver of any required minimum distributions due in 2020.

Woodhouse Auto Family 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

H. Forfeited Accounts

Participants leaving employment with the Employers before becoming fully vested forfeit their nonvested interest in Employers contributions. Forfeitures of Employers discretionary profit sharing contributions are allocated to all participants eligible to share in the allocations in proportion to each such participant's compensation for the year. Forfeitures of Employers matching contributions are used to offset future Employers matching contributions. At December 31, 2021 and 2020, the forfeiture balance was \$36,136 and \$48,247, respectively. During the year ended December 31, 2021, \$29,588 of forfeitures were used to reduce Employers matching contributions.

(2) Summary of Significant Accounting Policies

A. Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee.

The pooled separate accounts are valued at fair value based on the net asset value (NAV) of units held in the account. The NAV, as determined by the insurance company, is used as a practical expedient to estimate fair value. The NAV is based on the observable market prices of underlying assets within the account adjusted for any dividends or distributions received and the daily equivalent of any fee charged pursuant to the contract. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. There has been no change to the methodology used at December 31, 2021 and 2020.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

D. Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Woodhouse Auto Family 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

E. Payments of Benefits

Benefit payments to participants are recorded when paid.

F. Administrative Expenses

Administrative fees and expenses of the Plan may be paid out of the Plan assets unless paid by the Employers. Administrative expenses that are paid by the Employers are excluded from these financial statements. Certain administrative functions are performed by officers or employees of the Employers. No such officer or employee receives compensation from the Plan. Fees related to the administration of notes receivable from participants are charged directly to the participants account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

G. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

(3) Information Certified by United of Omaha Life Insurance Company

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from the information provided by United of Omaha Life Insurance Company, the trustee of the Plan, and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from United of Omaha Life Insurance Company as of December 31, 2021 and 2020 and for the year ended December 31, 2021, that information provided to the Plan Administrator by United of Omaha Life Insurance Company is complete and accurate (to the best of its knowledge). Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following assets, except for comparing such information certified by the United of Omaha Life Insurance Company to information included in the Plan's financial statements and supplemental schedule.

	<u>2021</u>	<u>2020</u>
Investments, at fair value	\$ 74,977,534	65,031,237
Investments, at contract value	\$ 4,241,684	3,232,386

United of Omaha Life Insurance Company also certified to the completeness and accuracy of \$9,067,240 of net appreciation in the fair value of investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year), and \$114,194 of interest and dividends related to the aforementioned investments for the year ended December 31, 2021.

Woodhouse Auto Family 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(4) Fair Value of Investments in Certain Entities that Calculate Net Asset Value Per Share (or its Equivalent)

The following tables set forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2021 and 2020:

December 31, 2021				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ <u>74,977,534</u>	--	Daily	None

December 31, 2020				
	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Pooled separate accounts	\$ <u>65,031,237</u>	--	Daily	None

(5) Group Annuity Contract with United of Omaha Life Insurance Company

The Plan has entered into a traditional fully benefit-responsive guaranteed investment contract with United of Omaha Life Insurance Company totaling \$4,241,684 and \$3,232,386 at December 31, 2021 and 2020, respectively. United of Omaha Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and the interest earned under the contract to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than 0%. Such interest rates are reviewed at least once a month for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by United of Omaha Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include any employer directed withdrawals, which are defined as any withdrawal from the account which does not qualify as a participant directed transfer, annuity purchase withdrawal, clone contract withdrawal or plan benefit withdrawal. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreement without the consent of the issuer.

Woodhouse Auto Family 401(k) Plan

Notes to Financial Statements December 31, 2021 and 2020

(6) Tax Status

The Plan has adopted a non-standardized form of a prototype plan. The prototype plan has received an opinion letter from the IRS dated March 31, 2014 as to the prototype plan's qualified status. The prototype plan opinion has been relied upon by this Plan. The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

(7) Party-In-Interest Transactions

United of Omaha Life Insurance Company is the trustee of the Plan; therefore, transactions with Mutual of Omaha (an affiliate of the trustee) qualify as party-in-interest transactions. MG Trust also acts as custodian for the cash account held by the Plan, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are paid directly by the participants from each participant's account. Fees paid by the Plan to parties-in-interest amounted to \$82,556 for the year ended December 31, 2021.

(8) Plan Termination

Although it has not expressed any intent to do so, the Employers have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account.

(9) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. Furthermore, the Plan's investment in the T Rowe Price Spectrum Moderate Growth Fund comprises approximately 27% of net assets held at year end as of December 31, 2021 and 2020, respectively.

(10) Subsequent Event

Effective January 1, 2022 the Plan was amended and restated to include all required provisions to comply with the IRS Cycle 3 restatement requirements of the 2017 Cumulative List (Notice 2017-37). The Plan was also amended to allow participants to contribute to the Plan on an after-tax (Roth) basis.
