INDEPENDENT AUDITORS' REPORT

Plan Committee and Participants
Southern New Hampshire Medical Center
403(b) Retirement Savings Plus Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the Southern New Hampshire Medical Center 403(b) Retirement Savings Plus Plan (the Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Plan Committee and Participants
Southern New Hampshire Medical Center
403(b) Retirement Savings Plus Plan

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Plan Committee and Participants
Southern New Hampshire Medical Center
403(b) Retirement Savings Plus Plan

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

403(b) RETIREMENT SAVINGS PLUS PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of the Plan

The Southern New Hampshire Medical Center 403(b) Retirement Savings Plus Plan (the Plan) is a defined contribution plan that covers all employees of Southern New Hampshire Medical Center and Foundation Medical Partners, Inc. (the System). The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA). The following brief description of the Plan is for general purposes only. Participants should refer to the Plan document for more complete information.

During 2018, the board of the System, accompanied by the board of Elliot Health System, approved an affiliation agreement between the organizations. The sole corporate member of the System became SolutionHealth, Inc. There was no impact to the Plan as a result of this affiliation.

Eligibility

Employees become participants in the Plan on the employee's employment date.

Contributions

Participants of the Plan can contribute, on a pre-tax basis, a portion of their compensation in 1% increments. The System also maintains a separate 401(a) plan to which employees can contribute on an after-tax basis. In total, employees cannot contribute more than 100% of their annual salary for both this Plan and the 401(a) plan on an annual basis, subject to Internal Revenue Service (IRS) limitations. Upon enrollment, a participant may direct employee contributions in 1% increments to any of the Plan's fund options. Participants may change their investment options daily.

Notes Receivable From Participants

The Plan allows participants to borrow against the balance of their accounts. Such loans shall be a minimum of \$1,000 but not exceed the lesser of \$50,000 or 50% of the participant's vested interest in their account. The loans are secured by the balance in the participant's account. Interest rates on loans outstanding at year end range from 4.25% to 6.50%, with various maturities through 2036. A loan payment will be considered delinquent, and the loan will be in default, if a loan repayment is not made by the end of the calendar quarter following the calendar quarter the payment was due. At that time the loan balance will be deemed a taxable distribution to the participant.

Participants' Accounts

Each participant's account is credited with the participant's contribution and an allocation of plan earnings or losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings or losses thereon.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

1. Description of the Plan (Continued)

Payment of Benefits

In-service withdrawals from a participant's account are permitted of all or a portion of the vested account balance once the participant attains the age of 59 1/2 as well as for economic hardship subject to certain criteria set forth in the Plan document. Participants or their beneficiaries are entitled to their total vested accrued benefit upon their death, disability, retirement, or termination of employment. Benefits are payable in the form of a lump-sum cash payment and periodic installments.

Under the CARES Act, the Plan adopted the distribution provisions that allow the Plan's qualified participants to take COVID-19 related distributions, penalty free, up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. Additionally, required minimum distributions were temporarily waived over the same period. A COVID-19 related distribution may be repaid within three years of the date of the distribution. The Plan had approximately \$1.1 million in COVID-19-related distributions for the year ended December 31, 2020. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

Plan Administration

The System is the Plan Administrator and has the authority to appoint persons or entities to carry out the operation of the Plan. Fidelity Management Trust Company serves as custodian of the Plan, and recordkeeping services are provided by Fidelity Investments Institutional Operations Company, Inc. (FIIOC). Certain fees incurred by the Plan are covered through a revenue sharing arrangement. Administrative expenses are paid by the Plan and the System. These expenses may include audit fees, custodian fees, investment manager fees, investment advisory fees and recordkeeping fees. During 2021 and 2020, the Plan received a credit of \$100,000 which can be used to offset fees charged to the Plan or allocated to participant accounts on a pro-rata basis. During 2021, the Plan used approximately \$9,000 of credits to pay certain Plan expenses. During 2020, the Plan used approximately \$21,000 of credits to pay certain Plan expenses and allocated approximately \$330,000 of credits to participant accounts on a pro-rata basis.

Plan Termination

Although it has not expressed any intent to do so, the System has the right under the Plan to terminate the Plan at any time subject to the provisions of ERISA. Upon termination of the Plan, the custodian, once notified by the System of the termination date, will distribute to each participant his or her account balance on that date in accordance with the terms of the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements are prepared on an accrual basis and in conformity with accounting principles generally accepted in the United States of America.

SOUTHERN NEW HAMPSHIRE MEDICAL CENTER
403(b) RETIREMENT SAVINGS PLUS PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Valuation of Investments and Income Recognition

The Plan's investments, except for the group annuity contracts, are stated at fair value. See Note 4 for disclosure of fair value measurements. The group annuity contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value equals the accumulated cash contributions and interest credited to the contract, less any withdrawals. The crediting interest rate for group annuity contracts is reset annually by the issuer, but cannot be below 3%. Participants receive contract value upon separation of service, retirement, minimum distribution, hardship withdrawal, death, and transfers to other investment options as approved by MetLife. If participant transfers exceed a specific amount, a surrender charge may apply. If the Plan were to request a full liquidation, the contract value would be paid out if a systematic termination is chosen, otherwise a surrender charge may apply. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recognized on the accrual basis. Dividends are recorded on the ex-dividend date.

Benefit Payments

Benefit payments are recorded when paid.

Contributions

Participant deferrals are recorded when amounts are withheld from employee payroll.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits as of the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options which in turn invest in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as pandemics or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**SOUTHERN NEW HAMPSHIRE MEDICAL CENTER
403(b) RETIREMENT SAVINGS PLUS PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Subsequent Events

Events occurring after the statement of net assets available for benefits date are evaluated by the Plan Administrator to determine whether such events should be recognized or disclosed in the financial statements. The Plan Administrator has evaluated subsequent events through October 13, 2022, the date the financial statements were available to be issued.

3. Information Certified by Custodian

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Fidelity Management Trust Company, the custodian of the Plan, except for comparing such information certified by the custodian to information included in the Plan's financial statements and supplemental schedule. The Plan's investments, notes receivable from participants, related income and investment transactions, including net appreciation in fair value of investments, were certified by the Plan's custodian as complete and accurate. The Plan Administrator has determined that the custodian meets the requirements of a qualified institution as defined by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

4. Fair Value Measurements

The Plan has adopted a framework for measuring fair value under generally accepted accounting principles. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). Financial assets and liabilities carried at fair value will be classified and disclosed in one of the following three categories:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**SOUTHERN NEW HAMPSHIRE MEDICAL CENTER
403(b) RETIREMENT SAVINGS PLUS PLAN**

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

4. Fair Value Measurements (Continued)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds and money market funds: Valued at the closing price reported in the active market in which the security is traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
2021:				
Money market fund	\$ 90,765	\$ –	\$ –	\$ 90,765
Mutual funds	222,658,079	–	–	222,658,079
Self-directed brokerage accounts:				
Money market funds	705,582	–	–	705,582

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

5. Income Tax Status

The Plan adopted an Angell Pension Group, Inc. sponsored nonstandardized prototype plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Party-in-Interest Transactions

The Plan invests in Fidelity mutual and money market funds that are managed by Fidelity Management Trust Company, the Plan's custodian. Additionally, the Plan's recordkeeper is FIIOC, an entity related to Fidelity Management Trust Company. Therefore, transactions involving these parties qualify as party-in-interest; however, they are exempt from the prohibited transaction rules under ERISA. Notes receivable from Plan participants, and the related income and transactions, are also considered party-in-interest transactions.

7. Reconciliation of Financial Statements to Form 5500

Notes receivable from participants are reflected as a receivable on the statements of net assets available for benefits which differs from the Form 5500 presentation. On the Form 5500, notes receivable from participants are classified as investments under the caption "participant loans."
