INDEPENDENT AUDITOR'S REPORT

TO THE TRUSTEES AND PLAN ADMINISTRATOR
CATALYST EXHIBITS, INC. 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Catalyst Exhibits, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statements of Net Assets Available for Benefits as of December 31, 2021, the related Statements of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibility for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements, as a whole, are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by a qualified institution. In our report dated October 7, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements and supplemental schedule, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule, other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

CATALYST EXHIBITS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS AND SCHEDULE
DECEMBER 31, 2021 AND 2020

(1) PLAN DESCRIPTION:

The following description of the Catalyst Exhibits, Inc. 401(K) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions:

General —

The Plan is a defined contribution plan established on September 1, 2000, covering all eligible employees of Catalyst Exhibits, Inc. (the Company). Plan Management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings as well as monitors investment performance. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Amendment —

In 2020, the Plan was amended to allow for escalation of automatic deferrals. See Note 1, Contributions, for a description of the new Plan provisions.

Trustees —

Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC serve as Trustees of the Plan.

Contributions —

Each year, participants may elect to contribute a portion of their compensation, as defined in the Plan, up to current Internal Revenue Service (IRS) regulations, on a pre-tax, or on an after-tax basis if choosing a Roth 401(k). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. All employees, except those governed by a collective bargaining agreement and leased employees, are eligible to enter the Plan after six months of employment and attaining age 21. Eligible employees can enter the Plan on the first day of the subsequent month following the date the eligibility requirements are met. Effective January 1, 2018, all participants who do not complete an enrollment form are automatically enrolled into the Plan on a pre-tax basis at 4% of compensation. Effective January 1, 2020, participants who are automatically enrolled are subject to an increase in the percentage of compensation deferred into the Plan by one percentage point each year, without limit, but not more than the maximum allowed under IRS regulations. Each applicable increase will occur on January 1st of each successive year. A participant may also contribute amounts representing distributions from other qualified defined benefit or contribution plans if the participant demonstrates to the Company's satisfaction that the contribution qualifies as a rollover contribution in accordance with the IRC. The Company makes a traditional ADP safe harbor non-elective contribution equal to 3% of the participant's

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AND SCHEDULE

DECEMBER 31, 2021 AND 2020

compensation to all non-highly compensated employees each pay period. The Company may make discretionary ADP safe harbor contributions for all highly compensated employees who would otherwise be eligible for the traditional ADP safe harbor non-elective contributions equal to 3% of the participant's compensation. Participants direct the investment of their contributions into various investment options offered by the Plan. Contributions are subject to certain statutory limitations.

Participant Accounts —

Each participant's account is credited with the participant's elective contribution and allocations of (a) the Company's traditional ADP safe harbor non-elective contribution, (b) the Company's discretionary ADP safe harbor contribution (if applicable), (c) investment earnings, and (d) investment expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting —

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Payment of Benefits —

Upon termination, retirement, death, or disability, a participant may elect to receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account, or periodic installments over a period of not more than the participant's assumed life expectancy.

Notes Receivable from Participants —

Participants may borrow, but not less than \$1,000, from their self-directed fund accounts. The maximum aggregate of each participant's outstanding loans cannot exceed the lesser of \$50,000 or 50% of their vested account balance. Participant loans are secured by the balance in the participant's account and bear interest at rates determined by the Plan Administrator based on the prevailing interest rates charged by persons in the business of lending money for loans which would be made under similar circumstances. Interest rates range from 4.25% to 6.50% on participant loans outstanding at December 31, 2021. Principal and interest is paid ratably through payroll deductions.

CATALYST EXHIBITS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS AND SCHEDULE
DECEMBER 31, 2021 AND 2020

Forfeited Accounts —

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$946 and \$239, respectively. These accounts may be used to reduce future employer contributions. Forfeiture funds were not used to reduce employer contributions in 2021. Employer contributions were reduced by \$9,293 in 2020.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting —

The accompanying financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). Benefit payments to participants are recorded upon distribution.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of Estimates —

The preparation of financial statements, in accordance with U.S. GAAP, requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition —

The Plan's investments are stated at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by investment advisers, custodian, and Trustees. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

CATALYST EXHIBITS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS AND SCHEDULE
DECEMBER 31, 2021 AND 2020

Notes Receivable from Participants —

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses —

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account.

COVID-19 and the CARES Act —

In response to the COVID-19 pandemic, Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act on March 27, 2020, to provide financial aid for individuals and companies impacted by the coronavirus. The CARES Act includes special provisions allowing access to retirement savings and a one-year suspension of required minimum distributions (RMDs) due in 2020.

In accordance with the CARES Act, the Plan offered coronavirus-related distributions in 2020 to participants who met certain coronavirus eligibility requirements. These distributions include a waiver of the 10% early distribution penalty tax (for distributions before age 59-1/2), as well as provisions for a 3-year repayment of the distribution. Participants could elect to have the regular income taxes on the distribution spread over three years and the standard 20% withholding tax was not required.

For participants who met the coronavirus eligibility requirements, the Plan offered a suspension of outstanding loan payments due from March 27, 2020, to December 31, 2020. The CARES Act increased the maximum loan amount available to qualified individuals to the lesser of \$100,000 or the 100% of their vested account balance for loans made from March 27, 2020, to September 22, 2020.

CATALYST EXHIBITS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS AND SCHEDULE
DECEMBER 31, 2021 AND 2020

The Plan Administrator has elected to immediately operationalize certain provisions of the CARES Act prior to formally amending the Plan document in order to assist individuals affected by the COVID-19 pandemic. Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

(3) FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CATALYST EXHIBITS, INC. 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS AND SCHEDULE

DECEMBER 31, 2021 AND 2020

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used for the years ended December 31, 2021 and 2020:

Mutual Funds: Valued at the net asset value (NAV) of shares held by the Plan as of the end of the year. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily NAV and transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

<u>Description of Investment</u>	<u>2021</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	\$ 16,683,734	\$ -	\$ -	\$ 16,683,734
Total investments at fair value	<u>\$ 16,683,734</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,683,734</u>

<u>Description of Investment</u>	<u>2020</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Mutual funds	\$ 13,874,192	\$ -	\$ -	\$ 13,874,192
Total investments at fair value	<u>\$ 13,874,192</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,874,192</u>

(4) GUARANTEED INVESTMENT CONTRACT WITH INSURANCE COMPANY:

The Plan has entered into a group annuity contract with Great-West Life & Annuity Insurance Company (Great-West) that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is a general account product. Great-West maintains the contributions in a general ledger account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay principal and a specified interest rate that is guaranteed to the Plan. The contract meets the fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount that would be received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by the investment custodian, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

CATALYST EXHIBITS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS AND SCHEDULE
DECEMBER 31, 2021 AND 2020

There are no reserves against contract value for credit risk of the contract issuer or otherwise. According to the Plan's custodian, the fair value of the guaranteed investment contracts is equal to the contract value as of December 31, 2021 and 2020. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under the ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include: (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan Administrator believes any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are remote.

The guaranteed investment contract does not permit Great-West to terminate the agreement prior to the scheduled maturity date.

(5) SUMMARY OF INFORMATION CERTIFIED BY THE TRUSTEE:

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (the Trustees).

(6) RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS:

Certain Plan investments are managed by the Trustees. The Trustees are the custodians for the Plan and therefore, these transactions qualify as party-in-interest transactions. These transactions are exempt from the prohibited transaction rules of the ERISA.

CATALYST EXHIBITS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS AND SCHEDULE
DECEMBER 31, 2021 AND 2020

(7) PLAN TERMINATION:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

(8) TAX STATUS:

The Plan is a volume submitter profit sharing plan with CODA sponsored by SunGard Business Systems, LLC that has been adopted by the Company. The volume submitter plan obtained its latest opinion letter on March 31, 2014, by which the IRS has determined and informed the Company that the Plan and related trust, as then designed, were designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to applicable statutory periods.

(9) RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

CATALYST EXHIBITS, INC. 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS AND SCHEDULE
DECEMBER 31, 2021 AND 2020

(10) SUBSEQUENT EVENTS:

The Company has performed an analysis of activities and transactions subsequent to December 31, 2021, to determine the need for any adjustments to and/or disclosures within the audited financial statements for the year then ended. The Company has performed this analysis through the report date, the date which the financial statements were available to be issued.
