Independent Auditor's Report

To the Board of Trustees
Coesia North America 401(k) Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Coesia North America 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Coesia North America 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coesia North America 401(k) Retirement Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the financial statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coesia North America 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coesia North America 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

2021 Supplemental Schedules Required by ERISA

The supplemental schedule of assets held for investment purposes at end of year and schedule of delinquent participant contributions are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

2021 Supplemental Schedules Required by ERISA (Continued)

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Coesia North America 401(k) Retirement Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the financial statements and supplemental schedules, and (b) the form and content of the information included in the financial statements and supplemental schedules other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Coesia North America 401(k) Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following description of the Coesia North America 401(k) Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, as amended, is a defined contribution plan with a cash or deferred arrangement covering substantially all non-union employees who have completed three (3) months of service. The Plan allows for an Affiliated Employer to participate in the Plan as a "Participating Employer" with approval of the signatory Employer. The original effective date of the Plan is July 1, 1987, and the Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan provides for contributions by participating employees of an amount not to exceed the maximum amount allowable under the applicable provisions of the Internal Revenue Code of 1986, as amended.

During 2021 and 2020, the Employers contributed an enhanced safe harbor matching contribution equal to one hundred percent (100%) of the first six percent (6%) of a participant's Plan Compensation deferred into the Plan.

Rollovers

The Plan permits participants to transfer distributions from other qualified plans into the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Employers' contributions and Plan earnings or losses, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined, and the participant's selection of investments. The participants direct the investment of their account balances among certain investment options offered by the Plan. The Employers' contributions are invested in accordance with the participant's investment selection.

Investment Options

Participants may direct their contributions in over thirty (30) investment options. Except for the Reliance Trust Stable Value Fund, there is no guarantee of principal or earnings when participating in these investments.

Vesting

All participants are immediately vested in their salary reduction, safe harbor matching and rollover accounts at the time such contributions are made. Participants are not vested at all in certain nonelective accounts until the completion of three years of vesting service at which time they become fully vested.

Payment of Benefits

The benefit to which a Plan participant is entitled is the benefit that can be provided by the contributions made and income earned on investments, net of expenses. Upon service or disability retirement, death, or termination, a participant or beneficiary will receive an amount equal to the value of his account, including earnings. The benefit will be paid as a lump-sum, substantially equal payments, or partial withdrawals.

1. Description of the Plan (Continued)

Forfeitures

Forfeitures are created when participants terminate employment before becoming fully vested in the nonelective Employers' contributions. Forfeited amounts may first be used to pay Plan expenses. Any remaining forfeited amounts will be allocated to remaining participants in proportion to a participant's Plan Compensation to the total Plan Compensation of all participants for the year. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$0 and \$215, respectively. During 2021 and 2020, forfeitures of \$0 and \$95,672, respectively, were used to reduce Employer contributions. During 2021 and 2020, forfeitures of \$1,634 and \$37, respectively, were used to pay plan expenses.

Loans and Hardship Withdrawals

Under the Plan, participants with account balances may borrow a minimum of \$1,000 or the lesser of \$50,000 or fifty percent (50%) of the amount in the participant's vested account balance. Loans are to be repaid through payroll deductions on the basis of substantially level amortization, within five (5) years from the date the loan is made, or longer if for the purchase of a principal residence. The Plan also provides for withdrawals from the participant's salary reduction account balance in the event of immediate and heavy financial need.

The Plan adopted the distribution provisions of the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was signed into law on March 27, 2020. A CARES Act distribution allows the Plan's participants to withdraw a \$100,000 COVID-19 related distribution from the Plan beginning on or after January 1, 2020 and before December 31, 2020.

Payment of Expenses

All expenses of administration may be paid out of the Plan unless paid by the Employers. Such expenses shall include any expenses incident to the functioning of the administrator, including, but not limited to, fees of accountants, counsel, and other specialists and their agents, and other costs of administering the Plan. Until paid, the expenses shall constitute a liability of the Plan. However, the Employers may reimburse the Plan for any administration expenses incurred. Any administration expenses paid to the Plan as a reimbursement shall not be considered Employers' contributions. The Employers elected pay some administration expenses incurred in 2021 and 2020.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan reports on a modified cash basis of accounting in which contributions and investment income are recorded when received rather than when earned and distributions and expenses are recorded when paid rather than when incurred.

Payment of Benefits

Benefits are recorded when paid.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance. Interest income is recorded when received. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan agreement.

Use of Estimates

The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Notes to Financial Statements

December 31, 2021 and 2020

2. Summary of Significant Accounting Policies (Continued)

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 4).

The Plan presents in the statements of changes in net assets available for benefits (modified cash basis), the net investment gain from common/collective trust, which consists of interest, dividends, realized gains or losses and unrealized appreciation on that investment. The Plan also presents in the statements of changes in net assets available for benefits (modified cash basis), the net investment gain from registered investment companies, which consists of realized gains or losses and unrealized appreciation (depreciation) on those investments. Purchases and sales of securities are reflected on a trade-date basis. Interest and dividend income is recorded when received. Capital gain distributions are included in dividend income.

3. Risks and Uncertainties

The Plan invests in various investment options. These investment options are exposed to risks, such as interest rate, credit and market risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits (modified cash basis).

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits (modified cash basis). The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan utilizes a three-level fair value hierarchy that prioritizes the inputs used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and lowest priority to unobservable inputs. The three levels of inputs used to measure fair value under this accounting standard are described as follows:

- Level 1 - Quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
- Level 2 - Observable inputs other than quoted prices included within Level 1. Inputs that are principally derived from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Unobservable inputs that are supported by little or no market activity and that are significant to the fair value measurement of the assets or liabilities. These include certain pricing models, discounted cash flow methodologies and similar techniques that use significant unobservable inputs.

Coesia North America 401(k) Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

4. Fair Value Measurements (Continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies the Plan used for assets measured at fair value.

Common/collective trust (stable value fund): Valued at the net asset value of units of the common/collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the investment will be sold for an amount different from the reported net asset value. Transactions (purchases and sales) may occur daily. There are no unfunded commitments or significant redemption restrictions at December 31, 2021 and 2020.

Registered investment companies (mutual funds): Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. Mutual funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value.

5. Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplementary schedules, including all investments in registered investment companies and the common/collective trust at December 31, 2021 and 2020, and the related dividends from registered investment companies, net investment gain from common/collective trust, and net investment gain from registered investment companies for the years then ended, was obtained or derived from unaudited information supplied to the Plan administrator and certified as complete and accurate by Fidelity Personal Trust Company, FSB, the Trustee of the Plan.

Coesia North America 401(k) Retirement Savings Plan

Notes to Financial Statements

December 31, 2021 and 2020

6. Tax Status

The Employers adopted the Pension Corporation of America (PCA) Basic Plan Document #P-02, a pre-approved defined contribution plan, and need not apply for a separate determination letter, but instead may rely on the advisory letter issued by the Internal Revenue Service (dated March 31, 2014) stating that employers who adopt the Plan will be considered to have a plan qualified under Code section 401(a). Accordingly, the Plan's net investment income is exempt from tax.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

During 2020, Plan management determined certain participant contributions were not withheld and remitted to the Plan. Plan management made a qualified non-elective contribution to the Plan in the amount of \$1,814.

Qualified non-elective contributions are included in Employer - other in the accompanying statements of changes in net assets available for benefits. As a result of these corrections, plan management does not believe the tax-exempt status of the plan is in jeopardy.

7. Delinquent Participant Contributions

During the Plan year ended December 31, 2020, participant deferrals in the amount of \$2,800 were not remitted to the Plan by the Employer within the appropriate time period prescribed by law. These transactions constitute a prohibited transaction as defined by ERISA. The Employer self-corrected the error during 2021 by making a qualified nonelective contribution in the amount of \$9 on behalf of the affected participants.

8. Plan Termination

While the Employers have not expressed any intent to terminate the Plan, they are free to do so at any time. Upon termination of the Plan by the Employers, the accounts of the affected participants shall become fully vested, and assets remaining in the fund after payment of appropriate expenses shall be distributed to participants in proportion to their respective account balances.

9. Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of benefits paid to participants according to the financial statements to Schedule H of Form 5500:

	For the Years Ended December 31,	
	2021	2020
Benefits paid to participants according to to the financial statements	\$ 22,134,200	\$ 17,512,970
Adjustment for benefit claims payable at end of year	0	0
Adjustment for benefit claims payable at beginning of year	0	(987,835)
Benefits paid to participants according to Schedule H of Form 5500	<u>\$ 22,134,200</u>	<u>\$ 16,525,135</u>

Notes to Financial Statements

December 31, 2021 and 2020

10. Party-In-Interest

The Plan has investments managed by an affiliate of Fidelity Personal Trust Company, FSB. Fidelity Personal Trust Company, FSB acts as Trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions which are exempt from the prohibited transaction rule.

11. COVID-19 Outbreak

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. As such, it is uncertain as to the full magnitude that the pandemic will have on the Plan sponsor's financial condition, liquidity, workforce, and future results of operations as well as the effects on the Plan. Management is actively monitoring the global situation on its Plan sponsor's financial condition, liquidity, and workforce. Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the Plan sponsor is not able to estimate the effects of the COVID-19 outbreak on its results of operations, financial condition, or liquidity for fiscal year 2022.

12. Subsequent Events

The Plan's management evaluated the activity of the Plan through September 29, 2022 (the date the financial statements were available to be issued) and concluded that, except as noted below, no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Effective January 1, 2022, the Plan was amended and restated in its entirety.
