Independent Auditor's Report

To the Participants and Plan Administrator of
the Silver Eagle Beverages 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Silver Eagle Beverages 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Plan management (Management), having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section:

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2021 Financial Statements* section of our report. We are

required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect Management's responsibility for the financial statements.

In preparing the financial statements, Management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by Management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules listed in the Table of Contents as of and for the year ended December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of Management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that Management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Silver Eagle Beverages 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

SILVER EAGLE BEVERAGES 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Note 1: Description of the Plan

General

The following description of the Silver Eagle Beverages 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions, a copy of which is available from Silver Eagle Beverages, LLC (the "Plan Sponsor" or "Company").

The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan's investments are administered by Reliance Trust Company, the trustee of the Plan (the "Trustee"). Among other duties, the Trustee receives contributions, invests and reinvests Plan assets, collects income, and makes distributions from the Plan's assets as directed by participants.

Eligibility

Employees are eligible to participate in the Plan after two months of service with the Company, provided the employee has attained age 18. Excluded employees are those who are either residents of Puerto Rico, covered by a collective bargain agreement for which retirement benefits have been the subject of good faith negotiations, leased employees, or nonresident aliens with no U.S. source income from the Company.

Contributions

Participants can contribute to the Plan up to the maximum deferrable amount allowed by the Internal Revenue Service (IRS). For the year ended December 31, 2021, the maximum contribution allowed for any participant was \$19,500. Additionally, participants who attain age 50 during the Plan year may make "catch up" contributions of up to \$6,500 for the year ended December 31, 2021. The Plan also allows participants to designate a portion of their deferral contributions as Roth contributions.

The Company makes a matching contribution equal to 50% of amounts contributed by participants, up to 6% of eligible annual compensation. The Company may also make discretionary profit-sharing contributions determined by the Company's Board of Directors. To be eligible for such discretionary profit-sharing contributions, participants must be employed on the last day of the Plan year and have completed 1,000 hours of service during the Plan year. For the year ended December 31, 2021, the Company made no discretionary profit-sharing contributions.

Participants are permitted to deposit into the Plan any transfers of qualified rollover account balances from other qualified plans upon approval of the Plan administrator. Participants are permitted to direct the investment of their accounts into the various investment options offered by the Plan.

Forfeitures

Plan forfeitures are applied first to pay administrative expenses under the Plan, as directed by the Company, and then used to reduce employer contributions. The balances of forfeitures as of December 31, 2021 and 2020, are \$53,278 and \$74,416, respectively. For the year ended

SILVER EAGLE BEVERAGES 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

December 31, 2021, forfeitures were used to reduce Company contributions by \$115,701 and pay administrative expenses of \$8,100.

Vesting

Participants are immediately vested in their 401(k) contributions, Roth contributions, and rollover contributions, as well as any actual earnings thereon. Participants become vested in their Company matching contributions and profit-sharing contributions, as well as earnings thereon, based upon their years of service with the Company generally in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested percentage (%)</u>
Less than 2	0
2	20
3	40
4	60
5	80
6 or more	100

The plan provides for participants who are employed to be fully vested upon death, permanent disability, or termination of employment at or after the age of 65.

Payment of Benefits

Upon termination of services, participants may elect to receive any portion of their vested account balances in a lump-sum payment or in monthly installments over a period not to exceed the assumed life expectancy of the participant or the participant's beneficiary. In-service distributions may be taken at the age of 59½.

If a participant has not elected otherwise, all mandatory distributions in excess of \$1,000 are automatically rolled into an individual retirement account selected by the Plan administrator.

In limited circumstances, account withdrawals can be made for financial hardship in accordance with the Plan.

Participant Loans

Participants may borrow from their participant accounts a minimum \$1,000 up to a maximum of \$50,000 or 50% of their account balance or whichever is less, except as amended by the adoption of the provisions of the CARES Act. The term of the loan may not exceed five years, except as permitted by the Plan administrator for the purchase of a primary residence. The loans are secured by 50% of the balance in the participant's account and bear interest commensurate with prevailing rates as determined by the Plan administrator.

Notes to Financial Statements

December 31, 2021 and 2020

Participant Accounts

Each participant's account is credited with the participant's contribution and (a) the Company's matching contributions, (b) the Company's discretionary contribution, and (c) the participant's allocated share of the Plan's investment earnings and losses. Income for each of the investment choices is allocated to the participant's account on a daily basis and is based on the relative units of participation. Benefits paid to participants under the Plan are limited to the vested balance in each participant's account.

Fees and Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan Document. Expenses that are paid directly by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants, and other participant directed expenses, are charged directly to the participant's account and are included in expenses of the Plan. Investment related expenses are included in net appreciation or depreciation in fair value of investments.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America (GAAP). Benefit payments are recorded when paid.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the Plan's management to make estimates that affect the amounts reported in the financial statements, accompanying notes, and supplementary information. Actual results could differ from the estimates.

Risk and Uncertainties

The Plan provides for investments in various investment securities, which, in general, are, exposed to various risks, such as interest rates, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances.

Investment Valuation and Income Recognition

Investments are stated at fair value. Fair value is based on quoted market prices on the last day of business day of the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought, sold, and held during the year.

SILVER EAGLE BEVERAGES 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credited losses has been recorded as of December 31, 2021 or 2020.

Note 3: Information Certified by the Trustee

Information related to investments as of December 31, 2021 and 2020 and related investment income for the year ended December 31, 2021 has been certified by the Trustee of the Plan, as permitted by 29 CFR 2520.103-8 of the Department of Labor rules under ERISA.

Note 4: Fair Value Measurements

ASC 820, Fair Value Measurement, provides standards and disclosures for assets and liabilities that are measured and reported at fair value. As defined in ASC 820, fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date (exit price). ASC 820 requires disclosure that establishes a framework for measuring fair value and expands disclosure about fair value measurements.

The statement requires fair value measurements to be classified and disclosed in one of the following categories:

Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets and liabilities. An active market for the asset or liability is a market in which transactions for the asset or liability occur with sufficient frequency and volume to provide pricing information on an ongoing basis.

Level 2: Measured based upon inputs that are observable, either directly or indirectly, for the asset or liability other than the quoted market prices included in Level 1. These inputs include: a) quoted prices for similar asset or liabilities in active markets b) quoted prices for identical or similar assets liabilities in markets that are not active c) inputs other than quoted market prices that are observable and d) inputs that are derived primarily from or corroborated by observable market data by correlation or other means.

Level 3: Measured based on observable inputs for the asset or liability for which there is little, if any, market activity for the asset or liability at the measurement date. This input includes management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. The inputs are developed based on the best information available in the circumstances, which might include management's own data.

SILVER EAGLE BEVERAGES 401(k) PLAN

Notes to Financial Statements

December 31, 2021 and 2020

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value (“NAV”) at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

Common/collective trust funds: Common collective trust funds are comprised of shares or units in commingled funds that are not publicly traded. The underlying assets in these funds are primarily publicly traded equity securities, fixed income securities, and commodity-related securities and are valued at their NAVs, as a practical expedient, which is calculated by the investment manager or sponsor of the fund and have varying liquidity, redemption period notices and other restrictions as disclosed in Note 5. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

As required by ASC 820, financial assets and liabilities are classified based on the lowest level of input that is significant to the fair value measurement. The Plan’s assessment of the significance of a particular input to the fair value measurement requires judgement and may affect the valuation of the fair value of assets and liabilities and their placement within the fair value hierarchy levels.

The following tables summarized the valuation of the Plan’s financial instruments by ASC 820 pricing levels as of December 31, 2021 and 2020:

Morley Stable Value Fund	\$1,249,647	\$ -	Daily	None	None
Total	<u>\$1,249,647</u>	<u>\$ -</u>			

* The fair values of the investments have been estimated using the NAVs of the investments.

Note 6: Plan Tax Status

The Plan obtained its latest determination letter on June 30, 2020, covering various amendments to the Plan, in which the IRS determined that the Plan and related trust, as then designed, is in compliance with the applicable requirements of the Code. Additional amendments to the Plan have been made and are not covered by the latest determination letter; however, the management of the Plan and the Plan's legal counsel believe that the Plan, as amended, is designed and is currently being administered in compliance with the applicable requirements of the Code.

US GAAP requires the management of the Plan administrator to evaluate uncertain tax positions taken by the Plan and to recognize a tax liability (or asset) when the position is not more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The management of the Plan has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there were no uncertain positions taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions. There are currently no audits for any tax periods in progress related to the Plan.

Notes to Financial Statements

December 31, 2021 and 2020

Note 7: Exempt Party-In-Interest Transactions

Certain investments in the Plan are managed by the parent company of the Trustee. The Plan also holds notes receivable from participants representing participant loans. These transactions qualify as party-in-interest transactions; however, they are exempt from the prohibited transactions rules under ERISA. Fees paid during the year for legal, accounting, and other professional services rendered by parties-in-interest were based on customary and reasonable rates for such services. Investment and administrative expenses paid by the Plan to Empower Retirement (“Empower”) and to JPMorgan Chase (“JPM”) or their affiliates totaled \$26,529 for the year ended December 31, 2021.

In May, 2020, the Plan signed a Master Service Agreement with JPM that included various record keeping services for the Plan. JPM sold its Retirement Plan Services to Empower. These record keeping services were performed by Empower. Both Empower and JPM are considered parties in interest.

Note 8: Plan Termination

Although it has not expressed any intent to do so, the Company has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, any affected participants will immediately become fully vested.

Note 9: Subsequent Events

Plan Management’s Review of Subsequent Events

In preparing the accompanying financial statements, Plan management has reviewed all known events that have occurred after December 31, 2021, and through October 14, 2022, which is the date the financial statements were available to be issued, for inclusion in the financial statements and footnotes.
