Independent Auditor's Report

To the Plan Administrator of
Wagner Spray Tech Corporation Retirement/Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Wagner Spray Tech Corporation Retirement/Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Wagner Spray Tech Corporation Retirement/Investment Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Wagner Spray Tech Corporation Retirement/Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Independent Auditor's Report

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Wagner Spray Tech Corporation Retirement/Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of Wagner Spray Tech Corporation Retirement/Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Wagner Spray Tech Corporation Retirement/Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditor's Report

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Wagner Spray Tech Corporation Retirement/Investment Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Wagner Spray Tech Corporation Retirement/Investment Plan

Notes to the Financial Statements

December 31, 2021 and 2020

1. Description of the Plan

The following brief description of the Wagner Spray Tech Corporation Retirement/Investment Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan Agreement for more complete information regarding the Plan's definitions, benefits, and eligibility requirements and other matters.

General

Wagner Spray Tech Corporation and Titan ASE, LLC are related through common ownership and are herein referred to as "the Companies." The Companies are manufacturers and marketers of products for surface preparation and surface finishing applications sold nationally and internationally in the consumer, contractor, and industrial markets. The Plan is a defined contribution plan covering eligible employees (participants) of the Companies. An employee is eligible after being employed by the Companies for a continuous three months and reaching 21 years of age or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and the Internal Revenue Code ("IRC").

Contributions

The Plan has the following contribution options:

Option 1 - Employee Contributions and Employer Match

Participants can contribute, through salary deductions, up to 90% of their annual compensation (as defined in the Plan document) subject to limitations prescribed by the IRC. Upon eligibility, each employee is enrolled in the Plan by the Administrator, automatically deferring 6% of their pretax annual compensation. Employees may elect not to defer compensation in the Plan or may change their percentage deferral at any time. Employee deferrals are automatically increased by 1% on an annual basis if their elective deferral is less than 10% of compensation. Employees have the ability to opt out of the automatic increase feature of the Plan. The Companies match \$1.00 for each \$1.00 a participant contributes up to a maximum of 3% of the participant's eligible compensation plus \$.50 for each dollar contributed over 3% up to 5% of the participant's eligible compensation. Participants who attain age 50 prior to the end of a Plan year and who have elected to defer into the Plan the maximum amount permitted by the Plan or by law may elect to have an additional limited amount of elective deferral contributions ("catch-up contributions").

Option 2 - Employee Savings Plan Contributions

Participants can generally make voluntary after-tax contributions up to 10% of their compensation (as defined in the Plan document) through payroll deductions. The Companies do not match these contributions.

Option 3 - Rollover and Transfer Contributions

Participants can contribute distributions from other qualified pension or profit-sharing plans which meet the requirements of Section 401(a) of the IRC.

Vesting

Participants are 100% vested in the Companies' matching at the time of the contribution, in accordance with the Safe Harbor contribution guidelines.

Forfeited Accounts

Administrative expenses are leveled to the forfeiture accounts on a quarterly basis. Forfeitures attributable to the Companies' contributions may reduce future employer contributions or plan expenses. The amount of forfeitures that reduced the Companies' contribution totaled approximately \$88,000 and \$60,000 for 2021 and 2020, respectively. The amount of forfeitures that reduced plan expenses totaled approximately \$0 and \$37,000 for 2021 and 2020, respectively. As of December 31, 2021 and 2020, there was approximately \$4,000 and \$20,000, respectively, of forfeited nonvested account totals in the Plan.

1. Description of the Plan (Continued)

Notes Receivable From Participants

The Plan allows participants, who are active employees, to borrow up to 50% of their pre-tax, after-tax, and rollover account. The minimum loan amount is \$1,000 and may not exceed \$50,000 with interest charged at 1.0% above the Prime Rate in effect at the time the loan is made. Notes receivable have a maximum repayment period of 5 or 30 years dependent upon the use of the proceeds. Notes receivable are repaid through participant payroll deductions and are secured by the participants' vested balances. Notes receivable from participants are valued at their unpaid principal balance plus accrued interest. Upon termination of service, notes receivable are reported as benefits paid to participants. Only 1 outstanding Plan loan is permitted at any time.

Distributions

Participants in the Plan have the following withdrawal rights:

Hardship

In the event of a financial hardship, as defined by Federal regulations, participants may withdraw a portion of their rollover, pre-tax, and vested employer contributions.

Employee Savings Plan Contributions

Participants may withdraw up to 100% (in any whole percentage) of after-tax contributions.

Death/Disability

If a participant becomes permanently disabled, they receive 100% of the value of their vested and unvested account balance, regardless of length of service. Distributions are made in a lump sum or in installments at the participant's option. If a participant dies, the designated beneficiary receives a lump-sum payment equal to 100% of the value of the vested and unvested account balance.

Normal Retirement

Upon normal retirement, the participant receives 100% of the value of their vested and unvested account balance, regardless of length of service. Distributions are made in a lump sum or in installments at the participant's option.

Termination

If a participant terminates employment with the Companies or has a break in service for any reason other than normal retirement, permanent disability, or death, the participant remains fully vested in that portion of their accounts attributable to their contributions and in the Companies' matching contributions.

If after employment ends the total value of the participant's vested account balance at any time before age 65 is greater than \$1,000 but less than \$5,000, the participant is given the option of having their vested account balance paid in cash directly to them or rolled over to an Individual Retirement Account (IRA) or retirement plan of their choice. If no action is taken by the participant, the entire vested account balance is rolled over by the Plan Administrator directly to an IRA established in the participant's name. If the total value of the participant's vested account balance is \$1,000 or less, the participant is given the option of having their vested account balance paid in cash directly to them or rolled over to an IRA or retirement plan of their choice. If no action is taken by the participant, the entire vested amount will be distributed to the participant in a lump sum payment of cash.

Notes to the Financial Statements

December 31, 2021 and 2020

1. Description of the Plan (Continued)

Investment Options

Through December 31, 2021, participants were allowed to direct investments into mutual funds or a common collective trust maintained by T. Rowe Price Trust Company (T. Rowe).

In addition, participants are allowed to designate funds to be invested in other mutual funds and corporate stocks not specific to the Plan through Charles Schwab Bank (Schwab).

2. Summary of Significant Accounting Policies

Basis of Presentation

The Plan prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Accounting Estimates

The preparation of these financial statements requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for plan benefits and disclosure of contingent assets and liabilities at the date of the financial statements and the reported changes in net assets available for plan benefits during the reporting period. The most significant estimate relates to the valuation of investments. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction (that is not a forced liquidation or distressed sale) between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefit payments are recorded when paid.

Fair Value of Financial Instruments

The Plan's accounting for fair value measurements of assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring or nonrecurring basis adheres to the Financial Accounting Standards Board (FASB) fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs: Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the Companies at the measurement date.
- Level 2 Inputs: Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Inputs: Unobservable inputs for the asset or liability used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset or liability at measurement date.

2. Summary of Significant Accounting Policies (Continued)

Fair Value of Financial Instruments (Continued)

The level in the fair value hierarchy within which a fair measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued using quoted publicly traded closing prices.

Collective trust: Valued using the net asset value ("NAV") as a practical expedient to fair value of the units held by the Plan at year end.

Self Directed Brokerage: The self-directed brokerage holdings include mutual funds, corporate stock unit investment trusts, and cash. The mutual funds within the self directed brokerage are quoted daily from publicly traded closing prices. The unit investment trusts are valued using the NAV as a practical expedient to fair value of the units held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Investment Income

Net investment income per fund is allocated to participant accounts based upon fund account balances.

Administrative Expenses

T. Rowe is the Trustee and record keeper for the Plan. Recordkeeping expenses and Trustee fees are paid by the Plan or the Plan Sponsor. Loan processing and Charles Schwab fees are paid by participants.

Notes Receivable

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 or 2020.

Risks and Uncertainties

The Plan invests in various investment securities. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will continue to occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

3. Certification of Investment Information

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, T Rowe Price Trust Company (the Plan's trustee) has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments at fair value and notes receivable from participants, as shown in the accompanying statements of net assets available for benefits as of December 31, 2021 and 2020.

3. Certification of Investment Information (Continued)

- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021.
- Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021.

At the direction of the Plan Administrator, the Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

4. Fair Value Measurements

The following table provides information on those assets that are measured at fair value on a recurring basis:

		Fair Value Measurement Using		
December 31, 2021		Level 1	Level 2	Level 3
Mutual funds	\$ 83,589,082	\$ 83,589,082	\$ -	\$ -
Self directed brokerage common stock	670,947	670,947	-	-
	84,260,029	84,260,029	-	-
Investment measured at net asset value:				
Common collective trust	11,077,662			
Self directed unit trusts	66,002			
Totals	\$ 95,403,693			

The following table provides information on those assets that are measured at fair value on a recurring basis:

		Fair Value Measurement Using		
December 31, 2020		Level 1	Level 2	Level 3
Mutual funds	\$ 75,961,872	\$ 75,961,872	\$ -	\$ -
Self directed brokerage common stock	633,928	633,928	-	-
	76,595,800	76,595,800	-	-
Investment measured at net asset value:				
Common collective trust	13,266,040			
Self directed unit trusts	28,246			
Totals	\$ 89,890,086			

The collective trusts and unit trusts are valued using the NAV per share. These trusts have no unfunded commitments. The redemption notice period of 12 months is when the entire trust is redeemed. The collective trusts have a daily redemption frequency.

Notes to the Financial Statements

December 31, 2021 and 2020

5. Federal Income Tax Status

The Plan adopted a Plan Document Systems volume submitter plan which obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the opinion letter. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

6. Plan Termination

The Companies intend to continue the Plan indefinitely for the benefit of its employees, but reserve the right to terminate the Plan at any time by resolution of its Board of Directors. Upon termination of the Plan or permanent discontinuance of the Companies' contributions, participants would immediately vest in all employer contributions.

7. Party-in-Interest Transactions

Transactions resulting in Plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption applies. The Trustee is a party-in-interest as defined by ERISA. Investing in its respective funds is exempt under Section 408(b)(8) and is not prohibited by ERISA.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits from the financial statements at December 31, 2021 and 2020 to Form 5500. The reconciliation is caused by the adjustment of fair value to contract value.

	2021	2020
Net assets available for benefits per the financial statements	\$ 95,896,275	\$ 90,444,596
Adjustment to contract value from fair value - common collective trust	117,247	523,297
Net assets available for benefits per Form 5500	\$ 96,013,522	\$ 90,967,893

The following is a reconciliation of the net increase in net assets available for benefits from the financial statement for the year ended December 31, 2021:

	2021
Net increase in net assets available for benefits per the financial statements	\$ 5,451,679
Adjustment to contract value from fair value - common collective trust	(406,050)
Net increase in net assets available for benefits per Form 5500	\$ 5,045,629

9. Subsequent Events

The Plan has evaluated subsequent events for recording or disclosure in the financial statements through October 14, 2022, the date which the financial statements were available to be issued.
