APR Supply Company 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of APR Supply Company 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the 2021 Financial Statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

MAILING ADDRESS

- The information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the 2021 Financial Statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 Financial Statements.

In preparing the 2021 Financial Statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the 2021 Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the 2021 Financial Statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 Financial Statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the 2021 Financial Statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the 2021 Financial Statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the 2021 Financial Statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Information Required by ERISA

The supplemental information noted in the table of contents, as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the 2021 Financial Statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 Financial Statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 Financial Statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 Financial Statements or to the 2021 Financial Statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The financial statements of the Plan as of December 31, 2020, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report, dated July 28, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

APR SUPPLY COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the APR Supply Company 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of APR Supply Company (the Company) who have completed at least three months of service and are 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

During 2021, the Plan was amended, restated and Plan assets were transferred from John Hancock Life Insurance Company to Reliance Trust Company.

Contributions

Each year, participants may contribute up to the maximum percentage allowable by law of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of all contributions into various investment options offered by the Plan. Participants will be automatically enrolled in the Plan on the plan entry date, as defined in the plan document, unless they elect to opt out. Participants who are automatically enrolled will have 3% of their eligible compensation withheld, with an annual increase of 1% per year until the automatic deferral percentage reaches 10%, or otherwise directed by the participant, and have their contributions invested in a designated balance fund until changed by the participant.

The Company may make discretionary matching contributions. During 2021 the Company made discretionary matching contributions equal to 10% of the first 10% of eligible compensation for each payroll period. The Company also made an annual discretionary matching contribution equal to 30% of the first 10% of eligible compensation for the year ended December 31, 2021. Discretionary matching contributions for the year ended December 31, 2021 were \$594,768. The Company may also make non-elective profit-sharing contributions. The Company did not make any non-elective profit-sharing contributions for the year ended December 31, 2021.

Contributions are subject to certain IRS limitations. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contributions, (b) Plan earnings (losses), and (c) administrative expenses, if any. Plan earnings (losses) are allocated based upon participant balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

APR SUPPLY COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon, regardless of the number of years of service. Company discretionary matching and non-elective profit-sharing contributions, plus earnings thereon, will vest in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Percentage of Account</u>
Less than two years	0%
Three or more years	100%

Regardless of the vesting schedule, participants become fully vested upon normal retirement, death, or total and permanent disability.

Notes Receivable from Participants

Under the terms of the Plan, participants are not permitted to borrow from their fund accounts.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump sum distribution. On termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution equal to the value of the participant's vested interest in his or her account. Hardship withdrawals and in-service withdrawals after age 59-1/2 are permitted but must be approved by the Plan Administrator and must be in accordance with guidelines established by the IRS

Forfeited Accounts

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$4,578 and \$10,084, respectively. These accounts may be used to pay administrative expenses and/or reduce future employer contributions. During 2021, employer contributions were reduced by \$35,693 from forfeited non-vested accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

APR SUPPLY COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Board of Directors determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year, and indirect investment expenses.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the distribution of benefits are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

3. INVESTMENTS

Reliance Trust Company, the trustee, holds the fund for the Plan and T. Rowe Price Trust Company, the recordkeeper, maintains an account for each participant as of April 15, 2021. John Hancock Life Insurance Company, the custodian, held the funds and maintained an individual account for each participant prior to April 15, 2021. Contributions made on a participant's behalf under the Plan are directly allocated to that participant's account and are invested, based on the individual's direction, in mutual funds, a money market fund, and/or a common collective trust fund.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, are described as follows:

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
---------	---

APR SUPPLY COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Money market fund: Valued at the closing price as reported by the fund. The money market fund held is an open-end money market fund that is registered with the Securities and Exchange Commission. The fund is required to publish its daily net asset value (NAV) and to transact at that price. The money market fund held by the Plan is deemed to be actively traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust: The stable value common trust fund, a common collective trust which holds indirect investments in fully benefit-responsive investment contracts, is measured at NAV per unit, as determined by the trustee at year-end. The NAV is used as the practical expedient to estimate fair value. The Plan's investment in the stable value fund is not required to be classified within the fair value hierarchy since it is measured at NAV.

Pooled separate accounts: Valued at NAV of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based upon the fair value of the underlying investments held by the fund less its liabilities.

APR SUPPLY COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

The following tables present the Plan's fair value hierarchy for assets measured at fair value on a recurring basis as of December 31, 2021 and 2020.

Assets at fair value as of December 31, 2021:

	Level 1	Level 2	Level 3	Total
Money market fund	\$ 4,578	\$ -	\$ -	\$ 4,578
Mutual funds	22,969,152			22,969,152
Investment measured at net asset value ^a	-	-	-	302,596
Total assets at fair value	<u>\$ 22,973,730</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 23,276,326</u>

Assets at fair value as of December 31, 2020:

	Level 1	Level 2	Level 3	Total
Investments measured at net asset value ^a	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,872,656</u>
Total assets at fair value	<u>\$ -</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 19,872,656</u>

^a In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

Investments Measured Using the Net Asset Value per Share Practical Expedient

The following table summarizes investments measured at fair value based on the NAV per share practical expedient as of December 31, 2021 and 2020. There are no participant redemption restrictions for these investments.

December 31, 2021	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
Common collective trust	<u>\$ 302,596</u>	None	Daily	Up to 30 months
December 31, 2020	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period

NOTES TO FINANCIAL STATEMENTS

5. INFORMATION CERTIFIED BY TRUSTEE AND CUSTODIAN (UNAUDITED)

As permitted by 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, John Hancock Life Insurance Company and Reliance Trust Company have certified the following information, which has not been subject to audit by independent auditors, to be complete and accurate:

- Investment and cash balances included in the statements of net assets available for benefits at December 31, 2021 and 2020, and in the notes to the financial statements.
- Investment income included in the statement of changes in net assets available for benefits for the year ended December 31, 2021, and in the notes to the financial statements.
- Information included in the accompanying schedule of assets (held at end of year).

6. TAX STATUS

The Company adopted a volume submitter plan sponsored by PA Retirement Solutions, Inc. The volume submitter plan has received an opinion letter from the IRS, dated, September 30, 2014, stating that the volume submitter plan is qualified under the appropriate section of the Internal Revenue Code (IRC). The volume submitter plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The plan administrator believes the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The non-discrimination testing has not been completed as of the date of the financial statements. The Plan Sponsor will be taking appropriate steps needed to ensure the Plan satisfies the testing requirements once the testing is complete.

7. RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are managed by T. Rowe Price Trust Company. T. Rowe Price Trust Company is the recordkeeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Reliance Trust Company is the trustee as defined by the Plan, and therefore, is a party-in-interest. Fees incurred by the Plan for investment management, custodial services and recordkeeping services amounted to \$51,041 for the year ended December 31, 2021.

Prior to April 2021, investments were managed by John Hancock Asset Management, an affiliate of John Hancock Life Insurance company. John Hancock Life Insurance Company was the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

APR SUPPLY COMPANY 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

Certain administrative functions of the Plan are performed by management, employees of the Company, third party administrators, the trustee, and custodian and therefore, these transactions qualify as party-in-interest transactions. No management or employees receive compensation from the Plan.

8. PLAN TERMINATION

Although they have not expressed any intent to do so, the Company has the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their employer contribution portion of their account.

9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
