INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Cattron North America 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Cattron North America 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Catron North America 401(k) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Catron North America 401(k) Plan ability to continue as a going concern for one year from the date of this report.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Cattron North America 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Cattron North America 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 Financial Statements of Cattron North America 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 23, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 Financial Statements, and (b) the form and content of the information included in the 2020 Financial Statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of Cattron North America 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

GENERAL

The Plan is a defined contribution plan, covering substantially all employees of Cattron North America (the Company) who are not leased, nonresident aliens, or covered by a collective bargaining agreement, as defined by the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

There is no age or service requirement to participate in the Plan. Service time includes service with the Predecessor Employer.

Fidelity Management Trust Company was the Plan's trustee (the Trustee) and record keeper during the years ended December 31, 2021 and 2020. The Plan administrator is responsible for all matters including, but not limited to, oversight of the Plan, eligibility, rights to benefits, interpreting Plan documents, maintaining participants' accounts, determining the appropriateness of the Plan's investment offerings, and monitoring investment performance.

During the year ended December 31, 2021, the Plan Sponsor acquired a company, resulting in the Adams Keegan Retirements Savings Plan merging into the Plan. Transfers from this Plan totaled \$1,839,994 for the year ended December 31, 2021.

The Plan was restated effective September 8, 2021 to comply with all applicable recently adopted laws and regulations.

CONTRIBUTIONS

Participants may elect to contribute from 1% to 90% of their eligible compensation to the Plan through payroll reductions on a pre-tax or Roth basis, as defined by the Plan, up to the annual IRS contribution limit, plus catch up contributions as defined in the Plan document. Newly eligible participants are automatically enrolled to defer 3% of eligible compensation on a pre-tax basis, with annual increases of 1% not to exceed a total deferral of 10% of eligible compensation. Rollover contributions are permitted as described in the Plan document.

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

The Company is able to make discretionary matching contributions, which were 50% of the first 6% contributed by the participant for the years ended December 31, 2020. Beginning September 30, 2020, the Company was additionally able to make qualified matching contributions to satisfy the Plan's ADP testing requirement. Total annual contributions made to the Plan on behalf of any participant are subject to limitations imposed under the Internal Revenue Code (IRC). Total discretionary matching contributions were \$0 and \$181,049 for the years ended December 31, 2021 and 2020, respectively. Total qualified matching contributions were \$203,437 and \$0 for the years ended December 31, 2021 and 2020, respectively.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's discretionary matching contributions, the Company's qualified matching contributions and any earnings thereon, and charged with an allocation of administrative expenses. Allocations of discretionary and qualified matching contributions are based on participant compensation, as defined in the Plan document. Participants are eligible to receive discretionary and qualified matching contributions if they are employed on the last day of the plan year unless they are exempted due to death, disability, or retirement during the plan year. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their contributions, and non-elective and matching Company contributions, plus actual earnings thereon.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. The forfeitures may be used to offset Company contributions or administrative expenses. Forfeited, non-vested accounts totaled \$0 at December 31, 2021 and 2020. There were no forfeitures used to offset Company contributions or administrative expenses during the years ended December 31, 2021 and 2020, respectively.

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS

On termination of service due to death, disability, retirement, or reasons of proven financial hardship, participants or their beneficiaries may receive a lump-sum amount equal to the value of their vested account if the participant's account is in excess of \$5,000. Hardship withdrawals are subject to a \$500 minimum amount. The Plan requires involuntary cash out distributions for terminated employees with balances under \$5,000. Involuntary cash out distributions for terminated employees with balances exceeding \$1,000, who do not elect otherwise, are rolled out of the Plan into an individual retirement arrangement (IRA).

In December 2019, the Setting Every Community Up for Retirement Enhancement Act ("SECURE Act") was signed into law. The Secure Act increased the age for required minimum distributions from age 70 ½ to 72. This change is effective for participants who turn 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

Due to changes in legislation, beginning January 1, 2020, the minimum six-month suspension of employee pre-tax and after-tax contributions previously imposed following a hardship withdrawal was lifted. However, any remaining portion of the six-month suspension period for a prior hardship distribution would still apply the suspension until its expiration date, even if the expiration date is in 2020. The CARES Act suspends required minimum distribution provisions for the year ending December 31, 2020. In addition, the required minimum distribution requirement is waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts the lesser of (a) 50% of their vested account balance; and (b) \$50,000 reduced by the excess of the highest outstanding balance of plan loans during the one-year period ending on the day before the loan is made. Notes receivable terms range from 1 to 5 years or a reasonable amount of time for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's vested account and bear interest at a reasonable rate based on the prevailing interest rates charged by persons in the business of lending money for loans that would be made under similar circumstances at the time of issuance. Principal and interest are paid ratably through payroll deductions.

Due to provisions from the Coronavirus Aid, Relief and Economic Security Act ("CARES Act"), between March 27, 2020 and September 27, 2020, participants could borrow from their accounts up to 100% of their vested account balance, from a minimum of \$1,000 to a maximum of \$100,000. Participants with outstanding loans were able to suspend any loan repayments due during the balance of 2020. Loan repayments restarted in January 2021.

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

INVESTMENT OPTIONS

Upon enrollment in the Plan, participants may direct contributions to their accounts into various investment options offered by the Plan.

ADMINISTRATIVE EXPENSES

All administrative expenses are paid by the Plan or the Company, at the discretion of the Company. Expenses paid by the Company are excluded from these financial statements. Investment related expenses are included in the net appreciation (depreciation) of fair value of investments. Fees related to the administration of notes receivable from participants are charged directly to participant accounts.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan's financial statements have been prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for credit losses was recorded as of December 31, 2021 and 2020.

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Actual results may differ from those estimates.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events through October 13, 2022, the date these financial statements were available to be issued. There were no events identified that required recognition or disclosure in the financial statements.

NOTE 3 - INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on participants notes receivable for the years ended December 31, 2021 and 2020, was obtained by Fidelity Management Trust Company, the trustee of the Plan. This information has not been audited by independent auditors.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS

U.S. GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820, *Fair Value Measurement* are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

CATTRON NORTH AMERICA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at December 31, 2021 and 2020.

Registered investment companies - Investments in registered investment companies are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the plan year. The NAV is a quoted price on an active market.

Common collective trust - (Fidelity Managed Income Portfolio Fund or MIP) The investment in the MIP is presented at fair value, which reflects the NAV of the fund. The NAV of the MIP is based on the fair value of the underlying securities plus the contract value of the fully benefit-responsive wrapper contract. The MIP's NAV represents the Plan's fair value since this is the amount at which the Plan transacts with the fund. A participant's ownership of the MIP is represented by units. Units are issued and redeemed daily at the MIP's constant NAV of \$1.00 per unit. Although it is the policy of the MIP to use its best efforts to maintain a stable NAV of \$1.00 per unit, there is no guarantee that the MIP will be able to maintain that value.

The MIP is unlikely to maintain a stable NAV if, for any reason, it cannot obtain or maintain wrap contracts covering all of its underlying assets that are not otherwise invested in money market funds. In the event that an issuer of a wrap contract fails to perform as intended, the MIP's NAV may decline if the market value of its assets declines. Plan management believes the occurrence of events and circumstances that would cause the MIP to transact at less than NAV is not probable.

The Plan has applied the practical expedient in ASC 820 Fair Value Measurement for assets valued at NAV, therefore the common collective trust is excluded from the fair value hierarchy.

NOTE 5 - TAX STATUS

Prior to September 8, 2021, the Plan has adopted a Volume Submitter Profit Sharing Plan. The Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in accordance with applicable sections of the IRC. Effective September 8, 2021, the Plan adopted a Non-Standardized Pre-Approved Profit Sharing Plan with a cash or deferral arrangement. The Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become 100% vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments at December 31, 2021 and 2020 are invested in funds managed by the trustee, and therefore, these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Re: Required communications between Marcum and Those Charged with Governance

To whom it may concern,

In accordance with auditing standards generally accepted in the United States of America (“GAAS”), Marcum LLP (“Marcum” or the “Firm”), as auditors of the Cattron North America 401(k) Plan (the “Plan”), is required to determine that certain matters related to the conduct of our audit are communicated to the body or individuals (including management) charged with governance (hereafter referred to as the “Those Charged with Governance”). GAAS requires the auditor to ensure that Those Charged with Governance receive additional information regarding the scope and results of the audit that may assist them in overseeing the financial reporting and disclosure process, for which management is responsible.

1. The Auditors’ Responsibility under U.S. Generally Accepted Auditing Standards

Marcum is responsible to communicate the auditors’ responsibilities under GAAS.

We have audited the financial statements of the Cattron North America 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021 and we issued our report thereon dated October 13, 2022. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by Fidelity Management Trust Company, the trustee, which is a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements and ERISA-required supplemental schedules, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP. Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter dated May 13, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the Plan solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

2. Other Information in Documents Containing Audited Financial Statements

Those Charged with Governance should be informed as to the auditors' responsibility for other information in documents containing audited financial statements, as well as any procedures performed and the results.

Our responsibility does not extend beyond the financial information identified in the audit report, and we are not required to perform any procedures to corroborate any other information in documents containing our audit report. However, we are required to read the other information included in the Plan's Form 5500 as prescribed by AU-C 720, "Other Information in Documents Containing Audited Financial Statements," and to conclude whether there is any material inconsistency or material misstatement with the information presented in the Plan's financial statements. With respect to our audit of the Plan's financial statements, we are aware of no such material inconsistencies or material misstatements included in the other information contained in the documents with the audited financial statements.

3. Planned Scope and Timing of the Audit

The auditor should communicate an overview of the planned scope and timing of the audit. This communication may assist Those Charged with Governance in better understanding the consequences of the auditor's work for their oversight activities, discussing with the auditor issues of risk and materiality, and identifying any areas in which they may request the auditor to undertake additional procedures. Such communication may also assist the auditor in better understanding the Plan and its environment.

Nevertheless, the auditor maintains sole responsibility to determine the overall audit strategy and the audit plan, including the nature, timing and extent of procedures necessary to obtain sufficient appropriate audit evidence.

We conducted our audit consistent with the planned scope and timing we previously communicated to you. We would be pleased to meet with you to further discuss any of the following matters at your request:

- *The allocation of responsibilities between Those Charged with Governance and management.*
- *The Plan's objectives and strategies, and the related business risks that may result in material misstatements.*
- *Matters you have identified that warrant particular attention during the audit, and any areas where you request additional procedures to be undertaken.*
- *Significant communications with regulators.*
- *Other matters you believe are relevant to the audit of the financial statements.*
- *The attitudes, awareness, and actions of Those Charged with Governance concerning (a) the Plan's internal control and its importance in the Plan, including how Those Charged With Governance oversee the effectiveness of internal control and (b) the detection or the possibility of fraud.*
- *The actions of Those Charged with Governance in response to developments in financial reporting, laws, accounting standards, corporate governance practices, and other related matters.*
- *The actions of Those Charged with Governance in response to previous communications with the auditor.*

4. Qualitative Aspects of the Plan's Significant Accounting Policies

The auditor should discuss the auditors' judgments about the quality, not just the acceptability, of the Plan's accounting principles as applied in its financial reporting, including the ramifications of alternative methods. The auditor should also discuss the initial selection of, and changes in, significant accounting policies, including the application of new accounting pronouncements. The discussion should be open and frank and generally should include such matters as consistency of the Plan's accounting policies and their application, and the clarity and completeness of the Plan's financial statements, which include related disclosures. The discussion should include items that have a significant impact on the representational faithfulness, verifiability and neutrality of the accounting information included in the financial statements. Particular emphasis should be placed on those policies and principles that are deemed critical. Critical accounting policies are those that are the most important to the portrayal of the Plan's financial condition and results and require management's most difficult, subjective or complex judgments.

There are no specific matters that we believe should be communicated to you. However, we would be pleased to meet with you at your convenience to discuss your significant accounting policies. Since the primary responsibility for establishing the Plan's accounting principles rests with management, such a discussion should generally include the Plan's management as a participant.

5. Management Judgments and Significant Accounting Estimates

Those Charged with Governance should be informed about the process used by management in formulating particularly sensitive accounting estimates and about the basis for the auditor's conclusions regarding the reasonableness of those estimates. Accounting estimates are an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments.

No significant estimates were identified in the financial statements.

6. Financial Statement Disclosures

Those Charged with Governance should be informed about sensitive or otherwise significant financial statement disclosures. GAAP mandates many specific disclosures, and also requires that a complete set of financial statements include all other disclosure necessary to assure the financial statements are not misleading. The determination of appropriate disclosure requires significant judgment by management.

The most sensitive disclosures affecting the Plan's financial statement were: fair value measurements included in Note 4, information certified by the trustee included in Note 3, and the Plan's income tax status included in Note 5 to the financial statements.

The financial statement disclosures are neutral, consistent and clear.

7. Significant Difficulties Encountered During the Audit

Serious difficulties encountered in dealing with management that related to the performance of the audit are required to be brought to the attention of Those Charged with Governance.

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

8. Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Those Charged with Governance should be informed that all audit adjustments which have been recorded in the books and records have been reviewed and approved by management and have been reflected properly in the financial statements and footnotes. Those Charged with Governance should also be informed about uncorrected misstatements that management determined were not material to the financial statements, either individually or in the aggregate, to the financial statements taken as a whole. All corrected or uncorrected adjustments that either individually or in the aggregate appear to indicate a weakness in the financial reporting process or may indicate the potential for fraud should be discussed.

The attached schedule summarizes uncorrected financial statement misstatements whose effects, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. Such determination included appropriate qualitative considerations. Management has also considered the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures and the financial statements as a whole.

9. Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, which could be significant to the Plan's financial statements or the auditors' report. However, a disagreement does not include a difference of opinion based on incomplete facts or preliminary information that is later resolved.

There were no such disagreements.

10. Representations Requested from Management

We are required to provide Those Charged with Governance an understanding of the representations that we are requesting from management.

See the attached copy of the representation letter from management.

11. Management Consultations with Other Accountants

When the auditor is aware that management has consulted with other accountants about significant accounting or auditing matters, the auditors' views about the subject of the consultation should be communicated to Those Charged with Governance.

To our knowledge, no such consultations were made by management.

12. Other Audit Findings or Issues

The auditor should communicate any issues arising from the audit that are, in the auditors' professional judgment, significant and relevant to Those Charged with Governance regarding their oversight of the financial reporting process. In addition, the auditor should communicate to Those Charged with Governance any significant issues that were discussed or were the subject of correspondence with management.

There are no other audit findings or issues.

13. Other Matters

With respect to the supplementary information accompanying the financial statements, the auditor is required to make certain inquiries of management and evaluate the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to the audit of the financial statements.

We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves and no discrepancies were noted.

14. Fraud or violations of Laws and Regulations

Those Charged with Governance should be adequately informed of fraud or violations of laws and regulations coming to the auditor's attention during the course of the audit.

There were no fraud or violations of laws and regulations that came to our attention during the course of our audit.

15. Communicating Reportable Findings / Internal Control Related Matters

Any significant deficiencies or material weaknesses related to the design of controls or implementation of controls coming to the auditors' attention during the audit should be communicated to Those Charged with Governance.

Our consideration of internal control was for the limited purpose described in item # 1 above and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected on a timely basis. We consider the following in the Plan's internal control to be material weaknesses:

- 1. Management does not have in place a process to evaluate the Fidelity SOC 1 report to ensure that user controls are implemented into the Plan's internal control environment.*
- 2. Management does not have in place a process to review the look back employer match contributions for completeness which resulted in missed employer match contributions in 2021 that will need to be corrected.*

16. Independence

In order to issue an auditors' report, Marcum must be independent from the Plan in accordance with professional standards. The auditor may choose to communicate circumstances or relationships, such as financial interests, business or family relationships or nonaudit services provided or expected to be provided, that in the auditors' judgment may reasonably be thought to bear on independence, and that the auditor gave significant consideration to in reaching the conclusion that independence has not been impaired.

There are no matters identified that impair our independence.

This report is intended solely for the information and use of individuals charged with governance and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Marcum LLP
