Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the accompanying financial statements of Rocky's Hardware, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, and the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section—

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

The Trustees
Rocky's Hardware, Inc. 401(k) Plan
Page 2

Opinion on the 2021 Financial Statements (Continued)

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Rocky's Hardware, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Rocky's Hardware, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

The Trustees
Rocky's Hardware, Inc. 401(k) Plan
Page 3

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Rocky's Hardware, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Rocky's Hardware, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

The Trustees
Rocky's Hardware, Inc. 401(k) Plan
Page 4

Auditors' Responsibilities for the Audit of the 2021 Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Rocky's Hardware, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 28, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

ROCKY'S HARDWARE, INC. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN

The following summary description of Rocky's Hardware, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering all employees of Rocky's Hardware, Inc. and Falcone Development, an affiliate of Rocky's Hardware, Inc. (collectively, the Company and the Employer) who have one year of service and are age 21 or older. Long-term and part-time employees that complete at least 500 hours of service for three years, beginning January 1, 2021, will qualify to make deferral contributions to the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The trustees of the Plan, who are officers and directors of the Company, are responsible for the oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance and valuation.

Contributions:

Participants may elect to contribute up to 90% of their annual compensation on a pretax basis or an after-tax basis (Roth contributions) through a salary reduction agreement, up to the statutory maximum of \$19,500 in both 2021 and 2020. Participants who have attained age 50 or older by the end of the year may make additional "catch-up" contributions up to the statutory maximum of \$6,500 in both 2021 and 2020. In addition, the Plan allows rollover contributions from other qualified plans.

The Company makes a safe harbor matching contribution up to a maximum of 4% (100% of the first 3% and 50% of the next 2%) of the participants' eligible compensation. Matching contributions were approximately \$218,000 and \$196,000 in 2021 and 2020, respectively. The Company may also make profit sharing contributions as annually determined by its Board of Directors. There were no profit sharing contributions in 2021 and 2020.

Contributions and compensation are subject to certain limitations.

Participants' Accounts:

Participants' accounts are credited with their contributions, the Company's safe harbor matching contributions, and allocations of the Company's profit sharing contributions and Plan earnings, net of any administrative expenses paid by the Plan. Allocations are based on participants' account balances, compensation, and other criteria, as defined by the Plan. The benefit to which each participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options:

Participants direct the investment of all contributions and their account balances into various investment options offered by the Plan. The Plan currently offers 36 pooled separate accounts and an investment in an insurance company general account (Stable Value Option) with Transamerica Life Insurance Company (TLIC) (Note 4).

DECEMBER 31, 2021 AND 2020

(1) DESCRIPTION OF PLAN (Continued)

Vesting:

Participants are immediately vested in their contributions and the Company's safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's profit sharing contributions plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service under the Plan's graded vesting schedule.

Participants become fully vested in their balances if they terminate employment due to normal retirement (the later of attaining age 65 or the fifth anniversary of the first day of the plan year in which participation in the Plan commenced), permanent disability, or death.

Notes Receivable from Participants:

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balances. The Plan allows participants to have only one note outstanding at a time. Notes receivable are secured by the balance in the participants' accounts and are issued for terms of up to five years, or up to 30 years if the proceeds are used for the purchase of a principal residence. Interest on the notes is at the prime rate plus 1% as determined on the date of issuance. The interest rates range from 4.25% to 6.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions. Extended terms and limits on interest rates are available for participants on authorized leave for military service.

Payment of Benefits:

Distributions from the Plan are allowed in the event of termination of service due to death, disability, normal retirement, or other reasons. Generally, participants (or their beneficiaries) will receive a lump-sum amount equal to the vested interest in their accounts. However, substantially equal installments and partial distributions may also be made. Terminated participants with vested account balances of \$1,000 or less are automatically paid their entire balances. Certain distributions may be subject to a 10% early withdrawal tax.

Participants must begin receiving distributions from the Plan by the later of April 1st of the calendar year following the calendar year in which they attain age 72 (70 ½ if they attained that age before January 1, 2020), or upon their retirement.

Hardship withdrawals and in-service withdrawals, available on or after the attainment of age 59½, are subject to certain limitations, as defined by the Plan.

Forfeited Accounts:

Forfeited nonvested accounts may be used to pay plan expenses or reduce employer contributions. Forfeited nonvested accounts were \$16,000 and \$7,000 at December 31, 2021 and 2020, respectively. There were no amounts used in 2021 and 2020 to pay Plan expenses or reduce employer contributions.

(1) DESCRIPTION OF PLAN (Continued)

Expense Budget Account:

TLIC deposits funds into the Plan's Expense Budget Account (EBA) for the purpose of paying certain plan expenses at the direction of the plan administrator. The EBA funds, available through a revenue sharing arrangement, are invested in the Stable Value Option. The EBA totaled approximately \$26,000 and \$20,000 at December 31, 2021 and 2020, respectively. Deposits into the EBA of approximately \$20,000 and \$18,000 in 2021 and 2020, respectively, are netted against administrative expenses in the Statements of Changes in Net Assets Available for Benefits. Administrative fees paid from the EBA were approximately \$14,000 in 2021. There were no administrative fees paid from the EBA in 2020.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment Valuation and Income Recognition:

Investments are reported at fair value (Note 3), except for the fully benefit-responsive investment contract. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The plan administrator determines the Plan's valuation policies utilizing information provided by TLIC, the custodian of the Plan's investments.

The Stable Value Option, a fully benefit-responsive investment contract, is reported at contract value (Note 4) because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants:

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Notes receivable in default are recorded as benefit payments per the terms of the Plan.

Payment of Benefits:

Benefits are recorded when paid.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Expenses:

Fees expected to be paid by the Plan are accrued at year-end and included in administrative expenses. Fees related to the administration of notes receivable from participants and benefits paid to participants are charged directly to the participant's account and are included in administrative expenses when they are incurred. Investment related expenses are included in net appreciation in fair value of investments.

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

(3) INVESTMENTS AT FAIR VALUE AND FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3).

The three levels of the fair value hierarchy (inputs to valuation) are described as follows:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
- Level 2 Quoted prices in active markets for similar assets or liabilities; quoted prices in inactive markets for identical or similar assets or liabilities; and, other observable inputs for the assets or liabilities or those derived principally from, or corroborated by, observable market data by correlation or other means.
- Level 3 Prices, valuations, or other inputs that are both unobservable and significant to the fair value measurement.

An asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

(3) INVESTMENTS AT FAIR VALUE AND FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in these methodologies at December 31, 2021 and 2020.

TLIC pooled separate accounts often invest in one underlying mutual fund traded on an established market. Pooled separate accounts invested in mutual funds are valued by TLIC daily using publicly available quoted market prices adjusted for certain fund and pooled separate account expenses. Pooled separate accounts that directly invest in fixed maturity securities are valued by TLIC using pricing data provided by outside valuation service providers that use the mean of bid and ask prices or other observable inputs. TLIC unitizes each pooled separate account as it is established by assigning a price per unit and issuing the number of units necessary to equal the opening fair value of the underlying investments. Participants may have daily transactions in the pooled separate accounts. However, investment transactions may be restricted if a participant's trading pattern is detrimental to an account. Pooled separate accounts may have restrictions that apply to transfers into the accounts. There are no restrictions on transfers out of the accounts.

The Plan's investments at fair value have all been determined to be level 2 within the fair value hierarchy as follows:

	<u>2021</u>	<u>2020</u>
TLIC Pooled Separate Accounts	<u>\$ 11,745,599</u>	<u>\$ 11,029,650</u>

There were no level 1 or level 3 investments or other assets or liabilities measured at fair value at December 31, 2021 or 2020.

(4) INVESTMENT IN INSURANCE COMPANY GENERAL ACCOUNT

The Plan's Stable Value Option is an investment contract pursuant to a group annuity contract with TLIC. The investment contract is a non-tradable obligation of TLIC, backed by the assets in the general account of TLIC, and is reported at contract value. Contract value, as determined by TLIC and reported to the Plan, represents the sum of contributions made and earnings on the underlying investments, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value with no limits, restrictions, or conditions other than those imposed by the Plan. In the event that the Plan fully withdraws from the Stable Value Option, TLIC may impose a holding period. The Plan must also continue to be a qualified plan and comply with the terms of the contract. The occurrence of an event that limits the ability of the Plan to transact at contract value is not probable.

Interest rates, set semi-annually by TLIC for January and July, are generally guaranteed and interest is credited based upon the daily balances. The semi-annual interest crediting rates were 1.45% for both semi-annual periods in 2021 and 1.55% in 2020.

(5) RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan's investment offerings and EBA funding are provided by TLIC. TLIC is the custodian of the Plan's assets and its affiliate, Transamerica Retirement Solutions, LLC (TRS), provides recordkeeping services for the Plan, therefore these transactions qualify as party-in-interest transactions. Administrative expenses paid to TLIC by the Plan totaled approximately \$2,000 in both 2021 and 2020.

The Plan paid investment advisory fees of approximately \$3,000 and \$2,000 in 2021 and 2020, respectively, to an independent financial consulting company.

The Plan incurred professional service fees of approximately \$15,000 in both 2021 and 2020, respectively, for independent auditing services. These amounts are included in accrued expenses at December 31, 2021 and 2020, respectively.

The Company may pay certain professional service expenses for the Plan and also provides administrative services at no cost to the Plan.

(6) PLAN AMENDMENT AND TERMINATION

The Company may amend the Plan at its discretion and, although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their account balances.

(7) INFORMATION CERTIFIED BY CUSTODIAN

The Plan's administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TLIC has certified the completeness and accuracy of the investments and notes receivable from participants reflected in the accompanying Statements of Net Assets Available for Benefits, the related investment activity reflected in the Statements of Changes in Net Assets Available for Benefits, and the investment information reflected in the supplemental schedule, Schedule H, Line 4i - Schedule of Assets (Held at End of Year).

NOTES TO FINANCIAL STATEMENTS

(8) INCOME TAX STATUS

The Plan, as adopted by the Company, is the volume submitter plan offered by Transamerica Retirement Solutions. The volume submitter plan was approved by the Internal Revenue Service (IRS) in a favorable letter dated March 31, 2014 (Note 11). The Plan has since been amended. However, the plan administrator believes that the Plan is designed and is operating in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by taxing authorities. The Plan may be subject to routine examinations by taxing authorities, however, there are currently no examinations in progress for any tax periods.

(9) RISKS AND UNCERTAINTIES

The Plan provides for investment options that are exposed to various risks, including interest rate, market, and credit risks. Due to the level of risk associated with certain investments and the volatility of the financial markets, it is at least reasonably possible changes in the values of investments will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In addition, the Plan's ability to receive amounts invested in the Stable Value Option (Note 4) is dependent on TLIC's ability to meet its financial obligations. TLIC's ability to meet its obligations may be affected by future economic and regulatory developments.

(10) RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of the total additions and deductions reported on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2021, to the total income and expenses reported on Form 5500:

Total additions per the financial statements	\$ 2,341,931
Add: EBA revenue sharing deposits reported net of administrative expenses (Note 1)	<u>19,976</u>
Total revenues per Form 5500	<u>\$ 2,361,907</u>
 Total deductions per the financial statements	 \$ 1,429,010
Add: EBA revenue sharing deposits reported net of administrative expenses (Note 1)	<u>19,976</u>
Total expenses per Form 5500	<u>\$ 1,448,986</u>

(11) SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 28, 2022, the date these financial statements were available to be issued, and has determined that there were no subsequent events requiring reporting or disclosures except as follows:

The Plan was amended and restated effective April 22, 2022, to bring the Plan in compliance with the legislative and regulatory changes. Accordingly, the Plan as amended and restated is a non-standardized pre-approved profit-sharing plan approved by the IRS in a favorable letter dated June 30, 2020.
