REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator and Plan Participants
Chevron Employee Savings Investment Plan

Opinion

We have audited the financial statements of Chevron Employee Savings Investment Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Chevron Employee Savings Investment Plan as of December 31, 2021 and 2020, and the changes in its net assets available for benefits for the year ended December 31, 2021, in accordance with accounting principles generally accepted in the United States of America.

Basis for opinion

We conducted our audits of the financial statements in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of management for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Grant Thornton LLP is the U.S. member firm of Grant Thornton International Ltd (GTIL). GTIL and each of its member firms are separate legal entities and are not a worldwide partnership.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the financial statements
Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental schedules required by ERISA
Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with US GAAS.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying supplemental schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Plan Administrator and Plan Participants
Chevron Employee Savings Investment Plan

Opinion on the financial statements
We have audited the accompanying statements of net assets available for benefits of Chevron Employee Savings Investment Plan (the "Plan") as of December 31, 2021 and 2020, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2021 and 2020, and the changes in net assets available for benefits for the year ended December 31, 2021 in conformity with accounting principles generally accepted in the United States of America.

Basis for opinion

These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on the Plan's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Plan in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Plan is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

Supplemental information

The supplemental information in the accompanying schedule, Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021 ("supplemental information") has been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental information is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

NOTE 1 - Description of the Plan

The following description of the Chevron Employee Savings Investment Plan (ESIP or the Plan) provides only general information. Participants should refer to the Plan document or Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan that is intended to be a qualified profit-sharing plan under section 401(a) of the Internal Revenue Code (the Code), a qualified cash or deferred arrangement under section 401(k) of the Code, and, effective December 1, 1989, to include a leveraged Employee Stock Ownership Plan (ESOP) qualified under section 4975(e)(7) of the Code.

Plan Sponsor/Administrator. Chevron Corporation (the Corporation) is the Plan Sponsor and the Plan Administrator of the ESIP. It has the authority to appoint one or more trustees to hold the assets of the Plan and to appoint a recordkeeper. In its capacity as fiduciary, the Corporation makes such rules, regulations and computations and takes whatever action is necessary to administer the Plan in accordance with provisions of the Code and the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility. Employees of the Corporation and each other participating company (Company) or employees who are represented by a labor organization that has bargained for and agreed to participation in the Plan are eligible to join the Plan if they are on the U.S. payroll.

Contributions. Participants may contribute up to 75 percent of regular pay as combined basic (1 or 2 percent) and supplemental (up to 73 percent) contributions. For 2021, the maximum contribution amount on a before-tax and Roth 401(k) basis was the annual Code limit of $19,500 for participants under age 50 and $26,000 for participants age 50 and up. The Plan has a fixed match feature. The Company will match 4 percent of regular pay to participants making basic contributions of 1 percent to the Plan or 8 percent of regular pay to participants making basic contributions of 2 percent to the Plan. Both participant and company match contributions to the Plan ceased when a participant reached regular pay of $290,000 for the year 2021.

The Company matching contribution is made in cash and distributed according to the participants' current payroll deduction distribution elections. Participants may elect to receive dividends on shares in their Chevron Stock and Chevron ESOP accounts as a taxable distribution or reinvest the dividends into their Chevron Stock account.

Vesting. Employees are always fully vested in all contributions to their accounts, as well as the investment income earned from all contributions to the Plan.

NOTE 1 - Description of the Plan (Continued)

Participant Accounts. Contributions are invested in various investment options offered within the Plan. Employee contributions are comprised of basic and supplemental contributions and rollover contributions from other qualified retirement plans or from a rollover IRA, on a pre-tax, after-tax, or Roth 401(k) basis.

Trustee. Fidelity Management Trust Company and Fidelity Workplace Services, LLC are the Plan's trustee and the recordkeeper, respectively (collectively referred herein as Fidelity). Fidelity also performs the custodial and administrator functions for the Dodge & Cox Income Separate Account (Separate Account). The trustee has the authority to manage the assets of the Plan in accordance with the terms of the service agreements.

Notes Receivable from Participants. The Plan loan provision allows participants to borrow funds from their Plan account, subject to certain restrictions and limitations. Participants may borrow up to the lesser of $50,000 or 50% of their total account balance or the value of the account(s) used to fund the loan. The minimum loan is $1,000. The minimum term for repayment of any loan is 6 months and the maximum term is 5 years. However, the maximum term for repayment of a loan to purchase the participant's principal residence is 25 years. Loans bear a reasonable fixed rate of interest. Interest rates charged during 2021 and 2020 ranged from 2.23% to 9.50%. Most loan repayments are made through payroll deductions and the principal and interest paid by the participants are reinvested in the participants' accounts. Notes receivable from participants totaled $110,668,850 and $106,453,463 as of December 31, 2021 and 2020, respectively.

Plan Termination. The Corporation expects to continue the ESIP indefinitely but has the authority to amend or terminate the ESIP at any time. In the event of a plan termination, the trust fund shall continue until any previously unallocated assets of the Plan are allocated to accounts and distributed to participants or beneficiaries in accordance with applicable law and pursuant to written rules and procedures adopted by the Corporation prior to such termination. In addition, upon plan termination, neither the Corporation nor any other person shall have a liability or obligation to provide additional benefits. Participants or beneficiaries shall obtain benefits solely from the trust fund.

Benefit Payment / Distribution. At the request of the participant, distributions can be received in installment payments, partial distribution, or single lump-sum payment, after termination of employment. While employed, a participant may make withdrawals from his or her employer or employee contribution accounts (as allowed under IRS regulations) subject to certain restrictions described in the Plan. Certain restrictions associated with withdrawals may be waived in the event a participant demonstrates a financial hardship. The Plan requires automatic cash outs of account balances less than $1,000 upon termination of employment. Benefit payments to participants are recorded when paid. Benefit payments to participants are recorded when paid.

NOTE 1 - Description of the Plan (Continued)

Plan Expenses. In accordance with the Department of Labor's (DOL) rules under ERISA section 408(b)(2), total all-in fees are disclosed by the service provider. In accordance with these DOL rules, recordkeeping and trustee fees are unbundled and paid by the participants. Other administrative expenses relating to the Plan, including audit fees and participant education retirement services are paid by the Plan to the extent Plan forfeiture funds or Interest Credit Account funds are sufficient. If not, such fees are paid by the Corporation. Certain Chevron employee labor and administrative costs for Plan-related services are being reimbursed to the Corporation by the Plan.

Diversification. Each participant is permitted to direct any contributions made to their account to be invested in investment options available under the Plan. Participants are not subject to any restriction, holding periods or otherwise, when moving assets.

Put Option. For so long as the Company's shares are readily tradable on an established market, the Company shall not be required to provide the Participant or Beneficiary with an option to put the shares to the Company, in accordance with Section 409(h) of the Code.

CARES Act. Chevron implemented certain benefit plan provisions of the March 2020 Coronavirus Aid, Relief, and Economic Security Act (CARES). The CARES Act included funding relief for defined benefit plan sponsors, distribution and plan loan changes for participants and beneficiaries of defined contribution plans, and delay of minimum required distributions otherwise required in 2020. Although many of the CARES Act provisions expired December 30, 2020, the Consolidated Appropriations Act of 2021 ("CAA") extended the relief for in-service qualified disaster distributions and increased plan loan limits of up to $100,000 through June 25, 2021. All 50 states and the District of Columbia were designated federally qualified disaster areas through June 25, 2021.

Chevron implemented provisions of the CARES Act that affect the ESIP.

- Added an in-service withdrawal option for "coronavirus-related distributions" of up to $100,000. Participants may repay all or a portion of distributions within three years, and repayments will not count towards annual contribution limits. Distributions under this option will not have tax withheld, and for those under 59 ½, will not be subject to a 10% early withdrawal penalty. Similar relief through June 25, 2021 by CAA for qualified disaster distributions.

- Increased limits on plan loans to $100,000 (from $50,000); or 100% (from 50%) of the present value of the participant's vested benefit, during the 180-day period from 3/27/2020 – 9/23/2020. Similar relief for increased loan amount limits for individuals experiencing economic loss through June 25, 2021 by CAA.

NOTE 1 - Description of the Plan (Continued)

Plan Merger. Effective October 1, 2021, the Noble Energy, Inc. Employees Savings Plan (Noble Plan) merged into the Plan. Total investments of $529,266,672 and notes receivable from participants of $5,255,701 were transferred within Fidelity from the Noble Energy Plan trust to this Plan's trust, as of October 1, 2021.

NOTE 2 - Summary of Significant Accounting Policies

The following are the significant accounting policies followed by the Plan:

Basis of Accounting. The financial statements of the ESIP are presented on the accrual basis of accounting.

Investment Valuation and Income Recognition. Investments are reported at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Investments in the core and supplemental options are valued on each business day on which the New York Stock Exchange is open for trading to reflect contributions, distributions, income, expenses, gains and losses. The difference between cost and market value represents unrealized appreciation or depreciation as of the reporting date. The valuation of the underlying securities in Fidelity Brokerage Link are determined by Fidelity Brokerage Service daily.

Net appreciation (depreciation) in fair value of investments includes realized gains (losses) and unrealized appreciation (depreciation).

Realized gains (losses) on investments are based on sales proceeds less average cost. Sales and purchases between participants are included in realized gains (losses). Security purchases and sales are recorded as of the trade date for such transactions.

Dividend income earned on investments held and interest income earned on funds pending investment are recorded on an accrual basis.

Notes Receivable from Participants. Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan rules. There was no allowance for credit losses recorded in 2021 or 2020.

NOTE 2 - Summary of Significant Accounting Policies (Continued)

Use of Estimates. The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 - Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used must maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 - Fair Value Measurements (Continued)

Following is a description of the valuation methodologies used for assets and liabilities measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

- Common stocks are valued at the closing price reported on the active market on which the individual securities are traded.
- Preferred stock held in a separate account fund are derived from both dealer-supplied valuations and pricing models at year-end.
- Shares of registered investment companies are valued at the closing price reported on the active market on which the individual securities are traded.
- Corporate bonds held in a separate account fund are derived from both dealer-supplied valuations and pricing models at year-end.
- Collective investment funds are stated at fair value as determined by the issuers based on the unit values of the funds. Unit values are determined by dividing the fund's net assets, which represents the unadjusted prices in active markets of the underlying investments, by the number of units outstanding at the valuation date.
- Mortgage-backed securities held in a separate account fund are valued on the basis of their future principal and interest payments discounted at prevailing interest rates for similar investments.
- U.S. government securities held in a separate account fund are derived from both dealer supplied valuations and pricing models at year-end.
- Asset-backed securities are priced based on a compilation of primarily observable market information.
- Cash equivalents are valued at cost, which approximates fair value.
- Investments in Fidelity BrokerageLink hold shares of registered investment companies and are valued at the closing price reported on the active market on which the individual securities are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan’s investments at fair value as of December 31, 2021 and 2020:

Fidelity BrokerageLink

Through the Fidelity Brokerage Services, LLC, a participant may choose from approximately 10,000 mutual funds from Fidelity and other companies, and Exchange-Traded Funds that are not included in the core or supplemental investment funds. There is no annual fee charged to participants who use this option. Within each fund offered in the Fidelity BrokerageLink, additional fees may be charged, either accrued within a fund's pooled price or charged directly on deposits or withdrawals depending upon the investment.

NOTE 5 - Income Taxes

The Plan received a determination letter dated October 23, 2013 from the Internal Revenue Service (IRS) stating that the Plan is qualified with the applicable requirements of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Subsequent to this issuance of the determination letter, the Plan was restated and amended. The Corporation believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan, as restated and amended, is qualified and the related trust is tax exempt.

The Corporation has reviewed the Plan's administrative procedures and is of the opinion that they are in accordance with technical compliance requirements of ERISA.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that would not meet the more likely than not standard and be-sustained upon examination by the IRS.

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and December 31, 2020, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes, both positive and negative, in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

During 2021, the global outbreak of the Coronavirus (COVID-19), which was declared a pandemic by the World Health Organization in March of 2020, continued to cause indirectly significant volatility in financial markets. The ultimate impact of COVID-19 on the Plan, which may be material, is uncertain and will depend on future developments, including the duration of the pandemic and the pace of economic recovery

NOTE 7 - Related Party Transactions

Plan investments include a Separate Account managed by Fidelity and shares of common stock of the Corporation. Transactions with Fidelity, as the trustee and recordkeeper and the Corporation as the Plan Sponsor and Plan Administrator, qualify as party-in-interest transactions. Certain internal and external administrative costs are reimbursed by the Plan to Chevron. In 2021, $150,654 was reimbursed.

As of June 21, 2022, the price of the Corporation's common stock was $154.59 per share which represents a 32% increase from the price of the common stock of $117.35 per share at year-end 2021.

NOTE 8 - Subsequent Events

The Plan has evaluated subsequent events through June 22, 2022, the date the financial statements were available to be issued. Due to the international conflict in the Ukraine, there has been increased volatility in overall financial markets including Chevron stock.
