Independent Auditor's Report

To the Plan Administrator
Remington 401(k) Savings Plan
Dallas, Texas

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of the Remington 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter –Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the

underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Remington 401(k) Savings Plan

Notes to the Financial Statements

1. Plan Description

The following description of Remington 401(k) Savings Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan sponsored by Remington Hotels, LLC (the "Company"), for the benefit of its employees who have at least one year of service and are age 21 or older. Related employers who also participate in the Plan include Remington Lodging and Hospitality, LLC, WQ Hotel Management, LLC, Remington Anchorage Employers, LLC, Remington Costa Mesa Employers, LLC, Remington Long Island Employers, LLC, Remington Philly Employers, LLC, Remington Parsippany Employers, LLC, Remington Boston Employers, LLC, Remington Alexandria Old Town Employers, LLC, Remington Tarrytown Employers, LLC and Ashford Hospitality Services, LLC (collectively, the "Plan Sponsor").

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions

The Plan permits eligible employees, through a salary deferral election, to make annual contributions of up to 100% of eligible compensation. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing rollover contributions from other qualified defined benefit or contribution plans.

The Company may also make employer matching contributions at its discretion. Through April 15, 2020, the Company provided the following matching contribution for pre-tax contributions: 100% of employees' salary deferral amounts up to 3% of eligible compensation, plus 50% of salary deferral amounts for the next 2% of eligible compensation. Effective April 16, 2020, the Company suspended its matching contributions indefinitely due to the COVID-19 pandemic and its severe adverse effects on the hospitality industry. Contributions are subject to the statutory limitations from the Internal Revenue Code and corresponding regulations.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the 2021 excess contributions to the applicable participants prior to March 15, 2022 and distributed the 2020 excess contributions to the applicable participants prior to March 15, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contribution and Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Participants may direct the investment of their account balances into mutual funds or a guaranteed investment contract offered by the Plan. Currently, the plan offers 32 mutual funds and one guaranteed investment contract for participants to invest in.

Remington 401(k) Savings Plan

Statement of Changes in Net Assets Available for Plan Benefits

Vesting

On January 1, 2008, the Plan adopted a 100% vesting policy for all employer matching contributions. Accordingly, all participants are immediately vested in their voluntary contributions and Company contributions, plus earnings thereon.

Benefit Payments

Upon retirement, death or disability, participants or beneficiaries are entitled to a distribution equal to the total vested value of his or her account. Upon termination of service, a participant's vested balance may be distributed in a lump-sum payment. The Plan also permits withdrawals from the Plan due to circumstances of financial hardship, in accordance with provisions specified in the plan document. Additionally, a participant who has attained age 59½ may withdraw all or any portion of their vested account balance.

Forfeited Accounts

As of December 31, 2021 and 2020, forfeited non-vested accounts totaled \$11,596 and \$3,125, respectively. These accounts will be used to pay Plan expenses or reduce future employer contributions, \$5,136 was used to pay Plan expenses from forfeitures in 2021.

2. Summary of Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets and changes in net assets and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Contributions

Contributions are recorded on the accrual method of accounting. Contributions receivable are obligations arising from amounts owed to the Plan from participants or the Company that have not been included in the Plan's investments at year end. Contribution receivables are recorded at cost, which approximates their fair value. There was no contribution receivable at December 31, 2021 or 2020.

Investment Valuation and Income Recognition

Mutual funds are valued at the fair value based on its calculated net asset value (NAV) of shares held by the Plan at year-end. The guaranteed investment contract is measured by using NAV as a practical expedient to estimate fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-

dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Expenses

Administrative expenses may be paid by the Company or the Plan, at the Company's discretion. Investment related expenses are included in net appreciation of fair value of investments.

3. Guaranteed Investment Contract

As described in the accounting standards, investments contracts held by a defined-contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. Under this definition of fully benefit-responsive contracts, the Plan's investment in the guaranteed investment contract is not fully benefit-responsive and is therefore reported at net asset value.

The guaranteed investment contract is issued by KeyBank. KeyBank maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses. The guaranteed interest contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. Interest rates are guaranteed at an annual rate of no less than 1.0%.

4. Certification of Plan Trustee

Fidelity Management Trust Company, the Trustee, holds the Plan's investments and executes all investment transactions. All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation on fair value of investments, and interest and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator, and certified as complete and accurate, by the Trustee. Accordingly, at the request of the Plan administrator, the Plan's independent auditors have performed no audit procedures on the below investment information, or related activity, other than to agree the information to the certified Trustee's statements.

5. Fair Value Measurements

Fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

Basis of Fair Value Measurement

Level 1 - Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 - Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; and inputs other than quoted prices that are observable;

Level 3 - Prices or valuations that required inputs that are both significant to the fair value measurement and unobservable.

Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Mutual Funds

Mutual funds are investments registered under the Investment Company Act of 1940. The fair market value of the funds is based on its calculated net asset value ("NAV") at the close of business of the appropriate exchange, considering the value of the fund assets at that time. The values of the assets are generally based on market quotations or official closing prices. The fair market value of the funds at December 31, 2021 and 2020 is based on the fund's NAV, which is the price to sell one share of the fund. The NAV is readily available on the appropriate exchange. Mutual funds are classified as level 1.

Total investments	\$ 48,688,693	\$ -	\$ -	\$ 50,761,853

The following table sets forth by level within the fair value hierarchy the Plan's investments at fair value, as determined by Plan management, as of December 31, 2020.

	<u>Investment Assets at Fair Value as of December 31, 2020</u>			
	Level 1	Level 2	Level 3	Total

Guaranteed investment contract*	-	-	-	2,279,657
Total investments	\$ 46,140,914	\$ -	\$ -	\$ 48,420,571

* Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are provided to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

Fair Value Measurements in Entities that Use Net Asset Value

The fair value of the guaranteed investment contract based on NAV per share as of December 31, 2021 and 2020 is \$2,073,160 and \$2,279,657, respectively. These investments held by the Plan are reported at NAV on the measurement date. As of December 31, 2021 and 2020, there are no participant redemption restrictions for this investment; the redemption notice period is 13 months or less which is applicable only to the Plan; and there are no unfunded commitments.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

7. Related Party Transactions

Certain Plan investments are shares of mutual funds managed by the Trustee, as defined by the Plan; therefore, these transactions qualify as party-in-interest transactions and are exempt from prohibited transaction rules.

8. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for plan benefits per the financial statements to the Form 5500:

<i>December 31,</i>	2021	2020
Net assets available for plan benefits per the financial statements	\$ 50,228,933	\$ 48,094,176
Add: Participant excess contributions payable	532,920	326,395
Net assets available for plan benefits per Form 5500	\$ 50,761,853	\$ 48,420,571

The following is a reconciliation of the net increase in net assets available for plan benefits per the financial statements to the Form 5500:

<i>Year ended December 31,</i>	2021
Net increase in net assets available for plan benefits per the financial statements	\$ 2,134,757
Add: Participant excess contributions payable at December 31, 2021	532,920
Less: Participant excess contributions payable at December 31, 2020	(326,395)
Net increase in assets available for plan benefits per Form 5500	\$ 2,341,282

9. Plan Termination

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA.

10. Plan Tax Status

The Plan is a non-standardized prototype plan and has received an opinion letter from the Internal Revenue Service dated March 31, 2014 stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related Trust is exempt from taxation. In accordance with Revenue Procedure 2002-6 and Announcement 2001-77, the Plan Sponsor has determined that it is eligible to and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan Administrator believes that the Plan is designed, and is currently being operated in compliance with the applicable requirements of the Code and, therefore believes that the Plan is qualified and related Trust is tax-exempt.

Remington 401(k) Savings Plan

Statement of Changes in Net Assets Available for Plan Benefits

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

11. Subsequent Events

The Plan has evaluated subsequent events from the date of the statement of net assets available for plan benefit through October 7, 2022, the date the financial statements were available to be issued.
