INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
of Gastrointestinal Specialists of
Georgia, Inc. 401(k) Profit Sharing Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Gastrointestinal Specialists of Georgia, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is

a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - 2021 Supplemental Schedule Required by ERISA

The supplemental schedule, Schedule H, Line 4i - Schedule of Assets Held at Year End as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter - Auditor's Report on 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 14, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived

from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE A--DESCRIPTION OF PLAN

The following brief description of the Gastrointestinal Specialists of Georgia, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document and subsequent amendments for more complete descriptions of the Plan's provisions.

General: The Plan is a defined contribution plan which provides retirement benefits for substantially all employees of Gastrointestinal Specialists of Georgia, Inc. (the Sponsor) and nine participating employers that are related to the Sponsor. Matrix Trust Company serves as trustee for the Plan (the trustee). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Eligibility: Employees of the Sponsor are eligible to participate in the Plan after completing one year of service, as defined in the Plan document.

Contributions: Each year participants may elect to contribute to the Plan, through payroll deductions, up to 100% of their compensation on a tax-deferred basis, subject to certain limitations as determined annually by law. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified benefit plans.

The Plan provides for employer Qualified Automatic Contribution Arrangement safe harbor matching contributions for the benefit of all eligible employees of the employer equal to 100% of salary deferrals up to 1% of eligible participant compensation plus 50% of salary deferrals between 1% and 6% of participant compensation.

In addition, the Employer may make discretionary profit sharing contributions for the benefit of participants with 500 hours of service. Discretionary profit sharing contributions are allocated based on a group allocation formula. This contribution is determined by first dividing the participant population into "classification groups". Next, each classification group receives either a percentage of compensation or a dollar amount with a specified percentage of the contribution amount. Any portion of an employer contribution not yet allocated would be allocated based on total eligible compensation. The discretionary contribution for the year ended December 31, 2021 ranged from 3.26% to 9.77%.

Participant Accounts: Employee and employer contributions are allocated to participant-directed investments in mutual funds and collective trusts selected by the Sponsor, or individually managed brokerage accounts. Income, losses, and changes in market value of the mutual funds and brokerage accounts are reflected in daily market valuations of the funds.

Year Ended December 31, 2021

Vesting: Participants are always 100% vested in their employee contributions. Participants vest in qualified safe harbor employer matching contributions after two years of service. Participants vest in employer discretionary contributions in accordance with the following schedule:

<i>Years of Service</i>	<i>Percentage</i>
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Notes Receivable from Participants: Participants may borrow from their investment account balances up to a maximum of \$50,000 or 50% of their vested balance, whichever is less. All loans must be repaid within five years from the date the loan is made, except that a loan used to acquire a principal residence may have a term determined by the Plan Administrator in accordance with the provisions of the Plan, not to exceed 15 years. The loans are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50% at December 31, 2021. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits: On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the participant's interest in his or her account as a lump-sum distribution. A participant may be eligible to receive a distribution of his or her account in the case of financial hardship. Distribution, for this reason, is subject to approval by the Plan Administrator in accordance with the provisions of the Plan.

Forfeitures: Forfeitures are utilized to reduce employer contributions and pay Plan expenses. At December 31, 2021 and 2020, forfeited nonvested accounts were approximately \$44,400 and \$50,200, respectively, and are included in investments in the Statements of Net Assets Available for Benefits. Forfeited nonvested balances of approximately \$48,500 will be used to reduce employer contributions for 2021.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The accompanying financial statements of the Plan are prepared on the accrual basis of accounting and have been prepared in accordance with Generally Accepted Accounting Principles in the United States of America (U.S. GAAP).

GASTROINTESTINAL SPECIALISTS OF GEORGIA, INC.
401(k) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

Year Ended December 31, 2021

Use of Estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold during the year, as well as held at year end.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Benefit Payments: Benefit payments are recorded when paid. There were no accounts for which benefits had been requested and approved for payment but not paid as of December 31, 2021.

Administrative Expenses: Administrative costs, primarily consisting of legal, accounting, and recordkeeping fees, can be paid from Plan assets to the extent not paid by the Plan sponsor.

NOTE C--INFORMATION CERTIFIED BY THE TRUSTEE

Plan management has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted under such election, the following investment information was certified by Matrix Trust Company and was not subjected to any auditing procedures performed by the Plan's independent public accountants:

- The investments and notes receivable from participants as shown in the accompanying Statements of Net Assets Available for Benefits of \$17,198,189 and \$22,907, respectively, as of December 31, 2021, and \$14,394,294 and \$28,648, respectively, as of December 31, 2020.
- Net investment earnings as shown in the accompanying Statement of Changes in Net Assets Available for Benefits of \$2,421,670 for the year ended December 31, 2021.

GASTROINTESTINAL SPECIALISTS OF GEORGIA, INC.

- All investment-related information in the accompanying supplemental Schedule H, Line 4i – Schedule of Assets Held at Year End as of December 31, 2021.

Certain participant self-directed brokerage accounts are held by investment companies. Investment information related to these accounts, including net appreciation or depreciation in fair value of investments and dividends and interest, has not been certified as complete and accurate by the trustee.

NOTE D--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy based on valuation inputs. The three levels of the fair value hierarchy are described as follows:

- *Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- *Level 2:* Inputs to the valuation methodology include:
 - Quoted prices for similar assets and liabilities in active markets;
 - Quoted prices for identical or similar assets and liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or are corroborated by observable market data by correlation or other means.
- *Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

- *Participant Directed Investments:* These investments consist of shares of various mutual funds and units of interest in various collective trust funds. These amounts are valued based on quoted prices in an active market.
- *Participant Self-Directed Brokerage Accounts:* These assets consist principally of cash and cash equivalents, shares of mutual funds, exchange traded funds, and common stocks. All such assets are valued based on readily determinable market prices.

Also included in participant self-directed brokerage accounts are investments in two private investment companies which are categorized as Level 3 investments. These investments are valued based on the nature of their portfolios and their percentage of ownership in the underlying investment assets. The valuations of these investments are supported by

GASTROINTESTINAL SPECIALISTS OF GEORGIA, INC.
401(k) PROFIT SHARING PLAN

Notes to Financial Statements - Continued

Year Ended December 31, 2021

information received from the investee companies such as periodic statements and investor reports. An appreciation in value of \$208,933 was recognized on one of these investments for the year ended December 31, 2021 and is reported within net appreciation in fair value of investments in the Statement of Changes in Net Assets Available for Benefits. No appreciation or depreciation in value was recognized on these investments during the year ended December 31, 2020.

The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. The valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The investment valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan Administrator believes the Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in methodologies used at December 31, 2021 and 2020.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020.

NOTE E--INCOME TAX STATUS

The Plan Administrator obtained a determination letter, in which the Internal Revenue Service stated that the prototype Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving such

GASTROINTESTINAL SPECIALISTS OF GEORGIA, INC.
401(k) PROFIT SHARING PLAN

Year Ended December 31, 2021

determination, but the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan Administrator has evaluated the tax positions taken by the Plan and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants would become fully vested in their account balances.

NOTE G--RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in collective trusts and mutual funds managed by Matrix Trust Company or affiliated companies. Matrix Trust Company is the trustee for the Plan. Transactions with the trustee qualify as party-in-interest transactions. Fees paid to Matrix Trust Company for the year ended December 31, 2021, of approximately \$40,000, are included as a part of investment expenses in the accompanying Statement of Changes in Net Assets Available for Benefits.

NOTE H--RISKS AND UNCERTAINTIES

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In March 2020, the World Health Organization recognized the novel strain of coronavirus disease 2019 (COVID-19) as a pandemic. Beginning in March 2020 and continuing throughout the year ended December 31, 2021 and beyond, the COVID-19 pandemic has severely restricted the level of economic activity around the world and caused significant volatility in financial markets. The

ultimate impact of the pandemic on financial markets and the Plan is uncertain and cannot be reasonably estimated at this time.

NOTE I-- SUBSEQUENT EVENTS

Subsequent events have been evaluated through the date of the Independent Auditor's Report, which is the date the financial statements were available to be issued. During this period, management did not note any material recognizable subsequent events that required recognition or disclosure in the December 31, 2021 financial statements.
