INDEPENDENT AUDITORS' REPORT

To the Board of Trustees
Local 344 Annuity Fund Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Local 344 Annuity Fund Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Local 344 Annuity Fund Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2021 and 2020, and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

P.O. Box 2306 412 East Fifth Street Bartlesville, OK 74005-2306 Telephone (918) 336-1433 Fax (918) 336-7807
www.blhkcpa.com

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Local 344 Annuity Fund Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 344 Annuity Fund Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually

or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Local 344 Annuity Fund Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Local 344 Annuity Fund Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of assets held at end of year and delinquent participant contributions as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial

statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

LOCAL 344 ANNUITY FUND PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021 AND 2020

Note 1 – Description of the Plan

Plumbers and Pipefitters Local 344 of the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada (the Union or Association) sponsors the Local 344 Annuity Fund Plan (the Plan). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for all eligible employees in the jurisdiction of the Union covered by the Master Union Agreement between the Union and the Association of Plumbing-Heating-Cooling Contractors of Oklahoma City, Inc. (the Collective Bargaining Agreement). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is administered by a board of trustees comprised of union trustees and labor trustees. Massachusetts Mutual Life Insurance Company (the Custodian) serves as the custodian of the Plan. Massachusetts Mutual Life Insurance Company processes and maintains the records of the participant data and holds the Plan's assets. Consolidated Benefits Resources, LLC serves as the third-party administrator of the Plan.

Eligibility

Employees are immediately eligible for participation in the Plan upon the employees being covered under a unit of employees covered by the Collective Bargaining Agreement under which such retirement benefits have been the subject of good faith bargaining within the meaning of the Internal Revenue Code (the Code). Participants are enrolled in the Plan on the first day after satisfying eligibility requirements.

Contributions

Each year, participants may contribute 1% to 15% of pretax compensation, as defined. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual fund accounts as investment options for participants.

The Plan also provides a fixed rate contribution of $1.51 for 2021 and 2020, per hour worked for each participant by the contractors of the Association (the Employers) pursuant to the Collective Bargaining Agreement.

Note 1 – Description of the Plan (Continued)

Contributions are subject to certain limitations.

Participant accounts

Each participant's account is credited with the participant's contributions, allocations of the Employers' contributions, Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and in Employers' contributions plus actual earnings thereon.

Payment of benefits

Upon attainment of age 60, termination, disability or death, a participant may elect to receive a lump-sum, monthly installments, and single life annuity in an amount equal to the value of the participant's account. Upon termination, automatic distributions are required for balances of less than $5,000. Automatic distributions above $1,000 made without the participant's consent are rolled into an individual retirement account designated by the Plan Administrator. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 70 ½.

The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

Administrative expenses

The Plan allows administrative expenses to be paid from the Plan's assets.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Note 2 – Summary of Significant Accounting Policies (Continued)

Use of estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements. The Plan adopted ASU 2015-12 for year ended December 31, 2016 and thereafter.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Payment of benefits

Benefit payments are recorded when paid. There were no benefits requested before December 31, 2021, but not paid until after year end.

Subsequent events

Subsequent events were evaluated through October 12, 2022, which is the date the financial statements were available to be issued and did not note any items that would adjust the financial statements and require disclosure.

Note 3 – Information Certified by the Plan's Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the United States Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Custodian has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

- Investments as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020.
- Net investment activity as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021 and 2020.
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

Note 4 – Investments

For the year ended December 31, 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $7,651,719. For the year ended December 31, 2020, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $5,381,719.

Note 5 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Note 5 – Fair Value Measurements (Continued)

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other that quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

There have been no changes in the methodologies used at December 31, 2021 and 2020. During the year ended December 31, 2021, there were no transfers of financial instruments into or out of Level 3. Following is a description of the valuation methodologies used for assets measured at fair value:

Money market account – Valued at amortized cost, which approximates fair market value.

Mutual funds: Valued at the net assets value (NAV) of shares held by the Fund at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 5 – Fair Value Measurements (Continued)

Investments measured at fair value on a recurring basis consisted of the following types of instruments as of December 31:

	Fair Value Measurements as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Money market account	$ 273,059	$ --	$ --	$ 273,059
Mutual funds	24,501,394	31,407,428	--	55,908,822
Total investments at fair value	$ 24,774,453	$ 31,407,428	$ --	$ 56,181,881

	Fair Value Measurements as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Money market account	$ 229,059	$ --	$ --	$ 229,059
Mutual funds	21,059,842	28,434,102	--	49,493,944
Total investments at fair value	$ 21,288,901	$ 28,434,102	$ --	$ 49,723,003

Note 6 – Party-in-Interest Transactions

The Plan reimburses Plumbers and Pipefitters Local Union 344 Health and Welfare Trust Fund, an affiliate, for costs incurred for office space, phone, salaries, and employee benefits on behalf of the Plan. Such costs are included in administrative expenses and amounted to $63,693 and $47,911 for the years ended December 31, 2021 and 2020, respectively.

All mutual funds are managed by the Custodian. These transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net appreciation(depreciation) in the fair value of investments on the statements of changes in net assets available for benefits for the years ended December 31, 2021 and 2020.

Arvest Bank manages the money market account, which also qualifies as party-in-interest transactions.

Note 7 – Plan Termination

Although it has not expressed any intent to do so, the Union has the right under the Plan to discontinue the Employers' contributions at any time and to terminate participation in the Plan subject to the provisions of the Collective Bargaining Agreement and ERISA.

Note 8 – Tax Status

The Internal Revenue Service has determined and informed the Plan Sponsor by a determination letter dated August 25, 2015, that the Plan and related trust are designed in accordance with the applicable sections of the Code. The Plan Administrator and the Board of Trustees believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2018.

Note 9 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
