INDEPENDENT AUDITORS' REPORT

Plan Management and Committee
Bragg Investment Company, Inc. Employee Savings Plan
Long Beach, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Bragg Investment Company, Inc. Employee Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Bragg Investment Company, Inc. Employee Savings Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bragg Investment Company, Inc. Employee Savings Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bragg Investment Company, Inc. Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bragg Investment Company, Inc. Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule of H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Bragg Investment Company, Inc. Employee Savings Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 8, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BRAGG INVESTMENT COMPANY, INC. EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 1 DESCRIPTION OF PLAN

The following description of Bragg Investment Company, Inc. Employee Savings Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan participants include eligible employees from Bragg Investment Company, Inc. ("the Company") and related entities. These Companies ("the Companies") share common ownership.

General

The Plan is a defined contribution plan covering all full-time, non-union employees of the Companies who are at least twenty and one-half years of age and have completed six months of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was amended and restated on July 27, 2021 to reflect statutory changes pursuant to the Bipartisan Budget Act of 2018. The amendment readopted the existing plan with updated language for provisions but had no substantive change to the plan. The restated Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended. The Board of Trustees is responsible for oversight of the Plan. The Board of Trustees along with the investment committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Participant Contributions

On an annual basis the Plan participants may contribute up to 15% of their annual compensation, or subject to IRS limits. Participants may also contribute amounts representing distributions from other qualified retirement plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers participants the choice of thirty-four mutual funds and a money market fund.

Plan assets are held by Fidelity Management Trust Company (Fidelity). The Trustee invests plan assets at the direction of the participants in fixed income accounts and a variety of diversified mutual funds.

Employer Contributions

The Plan also allows the Companies to make discretionary matching contributions. The Companies contribute two-thirds of employee contributions to a maximum of 4% eligible compensation that a participant contributes to the Plan. Investment of the Companies' matching contributions is directed by participants into the same investment options as participant contributions.

NOTE 1 DESCRIPTION OF PLAN (continued)

Participant Loans

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest determined by the Plan administrator based on an effective bank prime rate and is updated quarterly. All loans must be repaid in level payments through after-tax payroll deductions on a weekly and/or bi-weekly basis, depending on the Companies' payroll period, over a five-year duration. At December 31, 2021, the outstanding balance was \$270,978.

The CARES Act allowed participants to borrow up to \$100,000 from the total of their investment accounts for a maximum of five years with no repayments due until 2021. In accordance with the CARES Act, participants could elect to defer loan repayments in 2020. If such elections were made, the participant's note, including interest accrued during the deferral, was reamortized on January 1, 2021, and the loan repayment period extended by the length of time repayments were deferred.

Participant Accounts

Participants' account balances are increased by the participant contributions and allocation of the Companies' contributions, and increased or decreased by the Plan investment income or losses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Vesting

Participants are immediately vested in their contributions. Vesting of the Companies' matching contributions is based on years of service. A participant is vested ratably over six years of credited service.

Forfeitures

The Plan may use participant forfeitures to reduce employer contributions for the Plan year. The balance of forfeitures for the years ended December 31, 2021 and 2020 were approximately \$2,300 and \$4,500 respectively.

Plan Termination

On termination of service, the Plan commences distribution to the participant. If the vested account balance does not exceed \$1,000, the entire account balance is distributed to the participant in a lump sum as soon as administratively practicable following the date of termination. If the vested account balance exceeds \$1,000 and does not exceed \$5,000, the balance will be distributed as automatic roll overs into an individual retirement account. If the vested account balance exceeds \$5,000, the Plan commences distribution at the time the participant elects distribution, which can be any date following the termination of the participant's employment. The participant may elect distribution as a lump sum or direct roll over.

NOTE 1 DESCRIPTION OF PLAN (continued)

Employer's Right To Discontinue Its Contributions

Although management has not expressed any intent to do so, the Companies have the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts.

Payments of Benefits

A terminating participant of the Plan is paid the current value of all contributions made to his or her separate account in the Plan.

Under the Setting Every Community Up for Retirement Enhancement Act of 2019 (SECURE), which was enacted on December 20, 2019, with certain provisions becoming effective January 1, 2020, participants who reach age 70 ½ after December 31, 2019, must begin taking minimum distributions from the Plan by April 1 of the calendar year following the year in which they reach age 72, increased from age 70 ½.

Under the SECURE Act, participants who turned 70 ½ before January 1, 2020, would still begin taking distributions by the later of April 1 of the calendar year following the year in which they reach age 70 ½, or actual retirement if later. Additionally, hardship withdrawals and certain in-service withdrawals are permitted subject to Plan provisions.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security (CARES) Act was enacted. Certain provisions of the CARES Act waive required minimum distributions paid or to be paid in calendar year 2020.

In April 2020, the Company approved changes to the Plan to implement the provisions of the CARES Act allowing eligible Plan participants to request temporary penalty-free distributions of up to \$100,000 from the Plan for qualifying coronavirus-related reasons. For these distributions, tax on the income from the withdrawal may be paid over a three-year period, repayments will not be subject to the Plan contribution limits, and all contribution sources (other than those restricted under applicable legal requirements) will be available to participants.

The Plan has implemented the above provision from the SECURE Act and CARES Act and the Plan Sponsor intends to amend the Plan document by the last day of the plan year beginning on or after January 1, 2025.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See Note 3 for a discussion of fair value measurements.

The Plan's investments are stated at fair market value as determined from quoted market prices. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date.

Concentration of Credit Risk

Financial instruments, which potentially subject the Plan to concentration of credit risk, consist of investments.

Receivables

Receivables represent amounts due to the Plan for employer discretionary matching contributions, and participant deferral contributions that were withheld from the last payroll week of the Plan year and were remitted to the Plan the first week of the following Plan year. There is no collateral related to these receivables. An allowance for doubtful accounts, if any, is considered and estimated based on the Plan's historical losses. No allowance is deemed necessary at each of the Plan years ended December 31, 2021 and 2020.

Excess Contributions

The Plan recognizes, if any, excess contributions refundable to participants when the amounts are considered material or when it is paid.

Payments of Benefits

Benefits paid out of the Plan are recorded when paid.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expenses

Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Investment-related expenses are included in net appreciation of fair value of investments.

NOTE 3 FAIR VALUE MEASUREMENT

FASB Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows.

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include; quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

BRAGG INVESTMENT COMPANY, INC. EMPLOYEE SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2021

NOTE 3 FAIR VALUE MEASUREMENT (continued)

Following is a description of the valuation methodologies used for assets measured at fair value:

Money market funds: valued at the net asset value of shares held by the Plan at year end.

Mutual funds: valued at the net asset value of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

NOTE 6 PARTY-IN-INTEREST TRANSACTIONS

Fidelity Management Trust Company (FMTC), is the third party administrator, as defined by the Plan, and qualifies as a party-in-interest. FMTC provides certain administrative services to the Plan pursuant to a Master Plan Services Agreement (MSA) between the Companies and FMTC. FMTC receives revenue from mutual fund service providers for services FMTC provides to the funds. This revenue is used to offset certain amounts owed to FMTC for its administrative services to the Plan. The Plan or Companies may make a payment to FMTC for administrative expenses not covered by revenue sharing. Total fees paid from Plan assets during the years ended December 31, 2021 and 2020 were \$0.

JHS CPAs, LLP, is the Plan auditor, as defined by the Plan, and qualifies as a party-in-interest.

NOTE 7 TAX STATUS

Internal Revenue Service has determined and informed the Company by a letter dated May 28, 2002 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). The Plan has been amended since receiving the determination letter. However, the Plan management and the administrator believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities.

The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that the Plan did not have unrecognized tax liabilities as of December 31, 2021, and does not expect this to change over the next 12 months. The Plan is subject to routine audits by taxing jurisdictions, however, currently there are no audits for any tax periods in progress.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. They are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 SUBSEQUENT EVENTS

The Plan Trustee has evaluated subsequent events and transactions through October 12, 2022, which is the date the financial statements were available to be issued. Trustee confirms that no significant events or transactions have occurred, subsequent to the Plan year end and through October 12, 2022, that would require adjustment to, or disclosure in, the financial statements.
