Independent Auditor's Report

To the Advisory Committee of
Kutak Rock LLP 401(k) Profit Sharing Plan
Omaha, Nebraska:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of Kutak Rock LLP 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021 (Schedule 1), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Seim Johnson, LLP, who joined Eide Bailly LLP on July 25, 2022. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed the predecessor auditor not to perform and they did not perform any auditing procedures with respect to the information certified by qualified institutions. In their report dated September 21, 2021, they indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Kutak Rock LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

(1) Description of the Plan

The following description of the Kutak Rock LLP 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan is a defined contribution and profit sharing plan covering substantially all partners, associates, of counsel attorneys, transition partners and employees of Kutak Rock LLP (the Employer). Employees are eligible immediately for the 401(k) portion of the Plan and after two years of employment for the profit sharing component (if other eligibility requirements are met as described below). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Advisory Committee is responsible for oversight of the Plan. The Advisory Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance.

B. Contributions

The Plan offers a salary reduction program where participants can elect to contribute up to 85% of pretax or after tax annual compensation, as defined by the Plan, up to Internal Revenue Service (IRS) determined limits. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollovers). Participants direct the investment of employee and Employer contributions into various investment options offered by the Plan.

The Employer may contribute a percentage of participant annual compensation to the Plan for each Plan year out of net profits. The amount of the contribution (10% for eligible staff and 5% for associates and staff attorneys in 2021), if any, is determined by the Executive Committee. Participants will be eligible for an allocation of the Employer contribution provided the participant is employed by the Employer on the last day of the Plan year and completes at least 1,000 hours of service during the Plan year, other than for those participants who are disabled, die or retire.

C. Participant Accounts

Each participant's account is credited with the participant's contribution (including rollovers) and allocations of (a) the Employer's contribution, (b) Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

D. Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of either (a) \$50,000, reduced by the highest outstanding loan balance in the prior 12 month period, or (b) 50% of their account balance. Participants are allowed to have one loan outstanding at a time. The notes are secured by the balance in the participant's account and bear interest rates which are equal to the Wall Street Journal Prime Rate plus 1%. Principal and interest is paid ratably through regular payroll deductions over a period not to exceed five years, unless the purpose of the loan is to acquire the primary residence of the participant, in which case the repayment period shall not exceed ten years. Interest rates on outstanding notes at December 31, 2021 ranged from 4.25% to 6.50% and mature between January 2022 and December 2030.

Kutak Rock LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

E. Vesting

Participants are vested immediately in their contributions (including rollovers) and any Employer contribution plus actual earnings thereon.

F. Payment of Benefits

On termination of service due to death, disability, retirement or termination of employment, a participant may elect to receive either a single lump-sum amount or installments equal to the value of the participant's vested interest in his or her account. If the participant's vested benefit is \$1,000 or less, then the benefit may be received in a single lump-sum payment, rollover to individual retirement account or combination of both. If the participant's benefit is more than \$1,000 but less than \$5,000, the account will be distributed in a direct rollover to an individual retirement account unless the participant elects another form of distribution within the 60 day notice period. Other forms of benefits include in-service distributions for employees who have attained the age of 59½ and required minimum distributions.

(2) Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

B. Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

C. Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Advisory Committee determines the Plan's valuation policies utilizing information provided by investment advisers, the trustee and recordkeeper. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The classification of investment earnings reported in the statement of changes in net assets available for benefits may differ from the classification of earnings on Form 5500 due to different reporting requirements on the Form 5500.

D. Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

E. Payment of Benefits

Benefits are recorded when paid.

Kutak Rock LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

F. Administrative Expenses

Administrative fees and expenses of operating and maintaining the Plan may be paid out of the Plan's assets unless paid by the Employer. Certain administrative fees are paid by the Employer. Fees paid by the Employer are excluded from these financial statements.

G. Subsequent Events

The Plan Administrator has evaluated subsequent events through October 14, 2022, the date the financial statements were available to be issued.

(3) Information Certified by Ascensus Trust Company (Custodian), First National Bank of Omaha (Former Trustee) and Ascensus, Inc. (Recordkeeper as Agent for the Former Trustee)

The following is a summary of the information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by the custodian, former trustee and recordkeeper (as agent for the former trustee) and furnished to the Plan Administrator.

The Plan Administrator has obtained certifications from the custodian as of December 31, 2021 and for the year ended December 31, 2021, the former trustee from January 1, 2021 to June 30, 2021, and as of December 31, 2020, and the recordkeeper (as agent for the former trustee) as of December 31, 2020 that information provided to the Plan Administrator by the custodian, former trustee and recordkeeper (as agent for the former trustee) related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and supplemental schedule related to the following information, except for comparing such information certified by the custodian, former trustee, and recordkeeper (as agent for the former trustee) to information included in the Plan's financial statements and supplemental schedule:

	2021	2020
Investments, at fair value*	\$ 357,062,877	389,546,400
Notes receivable from participants	1,243,420	1,595,910

*Includes investments which are party-in-interest

The custodian, former trustee and recordkeeper (as agent for the former trustee) also certified to the completeness and accuracy of \$43,920,928 of net appreciation in the fair value of investments (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year), \$6,729,978 of interest and dividends, and \$69,090 of interest income on notes receivable from participants for the year ended December 31, 2021.

(4) Fair Value Measurement

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Kutak Rock LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

- Level 2 Inputs to the valuation methodology include:
- Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at fair value as determined by quoted market prices, which represent the net asset value of shares held by the Plan at year end.

Common collective trust: Valued at the Plan's share of the net asset value of the common collective trust's underlying investments.

Self-directed brokerage accounts: Accounts primarily consist of cash equivalents whose cost approximates fair value due to their short term nature and mutual funds valued at the net asset value of shares held by the Plan at year end. Accounts also include corporate bonds and government securities which are valued using third party pricing services using active market data. Annuity contracts are valued at cost, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Kutak Rock LLP 401(k) Profit Sharing Plan

Notes to Financial Statements December 31, 2021 and 2020

(a) This investment has the following withdrawal restrictions:

1. Plan Administrator initiated withdrawals may not be made before twelve months after which the trustee receives written notice of the request for withdrawal.
2. Advance written notice of 5 business days is required for any Plan Administrator directed withdrawal that will exceed \$1,000,000.

(6) Tax Status

The IRS has determined and informed the Employer by a letter dated August 7, 2014 that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan Administrator believes that the Plan is designed, and is being operated, in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(7) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

(8) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

(9) Party-in-Interest Transactions

Certain Plan investments were managed by First National Bank of Omaha. First National Bank of Omaha was the trustee of the Plan, and therefore, these transactions qualified as party-in-interest transactions. Additionally, the Plan has a number of service providers which qualify as parties-in-interest. Fees paid by the Plan to parties-in-interest amounted to \$295,825 for the year ended December 31, 2021.
