## INDEPENDENT AUDITORS' REPORT

To The Plan Administrator  
Gold Coast Baking Company, Inc. 401(k) Profit Sharing Plan  
Santa Ana, California

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of Gold Coast Baking Company, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gold Coast Baking Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gold Coast Baking Company, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gold Coast Baking Company, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### *2021 Supplemental Schedules Required by ERISA*

The supplemental Schedules H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2021 and Schedule H, Line 4(a) - Schedule of Delinquent Participant Contributions for the year ended December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information are the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or are derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or are derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or are derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

*Auditors' Report on the 2020 Financial Statements*

The financial statements of Gold Coast Baking Company, Inc. 401(k) Profit Sharing Plan as of December 31, 2020, were audited by predecessor auditors'. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed the predecessor auditors' not to perform and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated October 13, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**A. DESCRIPTION OF PLAN:**

The following description of Gold Coast Baking Company, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan, established on January 1, 1998. The Plan was established for the exclusive benefit of employees of Gold Coast Baking Company, Inc. (the Company) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Company is responsible for oversight of the Plan.
2. Eligibility - All regular full-time employees who have reached the age of 18 and completed one month of employment are eligible to participate in the plan.
3. Contributions - The annual amount that a participant may elect as 401(k) contributions is limited to the amount designated by the Secretary of the Treasury pursuant to the limits on elective deferrals under the Code Section 402(g). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. These contributions are reported as participant contributions on the statement of changes in net assets available for benefits.

The Company may make a discretionary matching contribution to the Plan. They may also make a discretionary profit sharing contribution that is determined annually. For the years ended December 31, 2021 and 2020, the Company matched 25% of the participants deferral up to 50% of eligible compensation for eligible participants that were employed on the last day of the Plan year. For the years ended December 31, 2021 and 2020, the Company did not make a discretionary profit sharing contribution.

The Plan also permits rollover contributions from other tax qualified plans or accounts, upon approval of the plan administrator.

4. Participant Accounts - Each participant's account is credited with (a) the participant's elective deferral contribution, (b) an allocation of the individual Employer discretionary matching and/or profit sharing contribution (if eligible), and (c) plan earnings on investments based on the participant's account balances.
5. Vesting - The participants' contributions and earnings thereon are fully vested at all times. Under normal vesting circumstances employer contributions and earnings thereon are 20% vested after a full year of service, as defined, and continue to vest at the rate of 20% for each successive year of service until 100% vested after 5 years of service, attaining normal retirement age, death, or disability.
6. Payments of Benefits - Upon termination of service by reason of retirement or disability, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of their account or installments over a period elected by the participant. If a participant's account balance is less than \$5,000, payment is made in one lump sum amount. In the instance of death, a participant's entire account balance will be distributed to his or her beneficiary. Distributions to participants who otherwise terminate employment will be deferred until age 59 1/2 unless the participant elects immediate payment. The Trustee of the Plan may also make distributions to participants who otherwise terminate, with vested account balances not to exceed \$5,000. In such cases, they will receive a lump-sum distribution equal to the non-forfeitable value of their account.

**A. DESCRIPTION OF PLAN: (Continued)**

7. Forfeitures - Any forfeiture that takes place during the year is used to either reduce administrative expenses or to reduce any future employer contributions under the plan. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$1,226 and \$20,714, respectively. During the year ended December 31, 2021, \$39,357 forfeitures were applied to Company contributions. During the year ended December 31, 2021, \$9,055 forfeitures were applied to pay plan expenses.
8. Notes Receivable from Participants - A participant may borrow from the Plan up to one-half of the present value of their non-forfeitable accrued benefit in an amount not to exceed \$50,000. The loans shall bear interest at a reasonable rate as determined by the plan administrator over a period not to exceed five years. If the loan is used to acquire a principal residence, the trustee may allow a longer repayment period not to exceed ten years. A participant may have only one loan outstanding at a time for any reason.
9. Uncertainty In Income and Other Taxes - The Company adopted the standards for *Accounting for Uncertainty in Income Taxes* (income, sales, use and payroll), which required the Company to report any uncertain tax positions and to adjust its financial statements for the impact thereof. As of December 31, 2021 and 2020, the Company determined that it had no tax positions that did not meet the “more likely than not” threshold of being sustained by the applicable tax authority. The Company files tax and information returns in the United States. These returns are generally subject to examination by tax authorities for the last three years.
10. Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:**

Accounting records were maintained by Transamerica Life Insurance Company Inc. for the years ended December 31, 2021 and 2020 on a cash basis. The accompanying financial statements include all material adjustments necessary to present the statements on an accrual basis.

Investment and administrative costs of the Plan are paid by the Employer, with the exception of investor fees, investment management fees, and record keeping fees, which are paid by the Plan. **D. FAIR VALUE MEASUREMENTS:**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

- Level 1 inputs - Fair values are based on quoted prices (unadjusted) in active markets for identical assets that the Plan has the ability to access at the measurement date (e.g. prices derived from NYSE, NASDAQ, or Chicago Board of Trade).
- Level 2 inputs - Fair values are based on inputs other than quoted price included within Level 1 that are observable for valuing the asset or liability, either directly or indirectly (i.e. interest rate yield curves observable at commonly quoted intervals, default rates, etc.). Observable inputs include quoted price for similar assets or liabilities in active or non-active markets. Level 2 inputs may also include insignificant adjustments to market observable inputs.
- Level 3 inputs - Fair values are based upon unobservable inputs used for valuing an asset or liability. Unobservable inputs are those that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing the asset, based on the best information available in the circumstances. An example could be real estate valuations, which require significant judgment.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

| December 31, 2021 | Level 1             | Level 2     | Level 3     | Total               |
|-------------------|---------------------|-------------|-------------|---------------------|
| Mutual Funds      | \$ 3,670,169        | \$ -        | \$ -        | \$ 3,670,169        |
| Money Market Fund | 354,845             | -           | -           | 354,845             |
|                   | <u>\$ 4,025,014</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 4,025,014</u> |
| December 31, 2020 | Level 1             | Level 2     | Level 3     | Total               |
| Mutual Funds      | \$ 3,706,470        | \$ -        | \$ -        | \$ 3,706,470        |
| Money Market Fund | 676,611             | -           | -           | 676,611             |
|                   | <u>\$ 4,383,081</u> | <u>\$ -</u> | <u>\$ -</u> | <u>\$ 4,383,081</u> |

The following is a description of the valuation methodologies used for assets measured at fair value:

- Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.
- Money Market Fund - The money market fund held by the Plan is a government money market fund. The fund seeks to maintain a constant NAV of \$1 per share by investing in high-quality, U.S. dollar denominated money market securities issued by the U.S. government and its agencies and instrumentalities.

**E. INVESTMENT CONTRACT WITH INSURANCE COMPANY:**

As of December 31, 2021 and 2020, the Plan held assets in a group annuity investment contract with Transamerica Life Insurance Company Inc. This investment contract represents cash equivalents and meets the fully benefit-responsive criteria and therefore is reported at contract value. Contract value is the relevant measure for the fully-benefit-responsive investment contract because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The contract value at December 31, 2021 and 2020 was \$16,543 and \$10,679, respectively.

Net deposits invested in the investment contract become part of Transamerica Life Insurance Company Inc.'s general account. Contract value is guaranteed by the full faith and credit of Transamerica Life Insurance Company Inc. The Plan's ability to receive amounts due in accordance with fully benefit-responsive contracts is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the contract issuer, but there is no stated minimum or maximum. The crediting interest rate is reset twice per year. The contract cannot be terminated before the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Company, or (4) the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with the plan participants are probable of occurring.

In addition, certain events allow the contract issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include the following: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, or (4) a material amendment to the agreements without the consent of the contract issuer.

**F. NOTES RECEIVABLE FROM PARTICIPANTS:**

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. At December 31, 2021 and 2020, outstanding notes receivable were \$69,542 and \$121,862, respectively.

**G. TAX STATUS:**

The Plan is placing reliance on an opinion letter dated March 31, 2014 received from the IRS on the prototype plan indicating that the Plan is qualified under Section 401 of the IRC and is, therefore, not subject to tax under current income tax law. The prototype plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC.

**H. PARTY-IN-INTEREST TRANSACTIONS:**

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are managed by Transamerica Life Insurance Company Inc., the custodian and recordkeeper of the Plan. The Plan paid \$35,293 in contract administration fees during 2021. The Plan issues loans to participants, which are secured by the balances in the participants' accounts. The Company paid certain administrative expenses of the Plan, including recordkeeping and audit fees. These transactions qualify as party-in-interest transactions for which a statutory exemption exists.

**H. PARTY-IN-INTEREST TRANSACTIONS: (Continued)**

In connection with a fee sharing arrangement with Transamerica Life Insurance Company Inc., the Plan received \$30,264 in fee reimbursements and credits. During 2021, \$24,400 was used to offset Plan expenses. The Plan has credits of \$16,543 and \$10,679 available to offset future Plan expenses as of December 31, 2021 and 2020, respectively.

**I. PLAN TERMINATION:**

The Employer has stated its intent to continue the Plan indefinitely; however, continuation of the Plan is voluntary on the part of the Employer, and the Employer reserves the right to modify or terminate the Plan at any time. In the event of Plan termination, participants will remain 100% vested in their accounts, net of any expenses necessary to terminate the Plan.

**J. RISKS AND UNCERTAINTIES:**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**K. SUBSEQUENT EVENTS:**

Management has evaluated events occurring after the statement of net assets available for benefits date through October 10, 2022, the date on which the financial statements were available to be issued. No material events have been identified which would require disclosure under FASB ASC 855-10-50-1.
