INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
INFICON Inc. 401(k) Plan
East Syracuse, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of INFICON Inc. 401(k) Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Fidelity Management Trust Company as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

An Independently Owned Member, RSM US Alliance

RSM US Alliance member firms are separate and independent businesses and legal entities that are responsible for their own acts and omissions, and each are separate and independent from RSM US LLP. RSM US LLP is the U.S. member firm of RSM International, a global network of independent audit, tax, and consulting firms. Members of RSM US Alliance have access to RSM International resources through RSM US LLP but are not member firms of RSM International.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 5, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

INFICON INC. 401(k) PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN

The following description of the INFICON Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General and Subsequent Event: The Plan is a defined contribution plan covering substantially all employees of INFICON Inc. (the “Company”) who have completed two months of service. An employee is eligible to participate in the salary reduction feature and the employer matching portion of the Plan on the first day immediately after the employee meets the eligibility requirements. In addition, participants who meet the Plan’s eligibility requirements and are employed on the last day of the Plan year are eligible to receive an allocation of Company discretionary nonelective contributions. The Plan is subject to the provisions of ERISA. The Retirement Plan Committee is responsible for the oversight of the Plan, for determining the appropriateness of the Plan’s investment offerings and for monitoring investment performance.

Effective January 1, 2022, the Plan was amended to eliminate the requirement for new employees to complete two months of service. As a result, an eligible employee’s participation in the Plan will be the first day of the payroll period coinciding with or next following his or her employment date.

Contributions and Subsequent Event: Participants may contribute tax-deferred and after-tax Roth dollars through payroll deductions (“elective deferral contributions”) equal to the lesser of 60% of eligible compensation or \$19,500 for both 2021 and 2020. Additionally, if a participant has or is projected to attain age 50 before the end of the Plan year, that participant may make “catch-up” contributions as determined by the Internal Revenue Service (IRS). Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (“rollovers”). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 8% of eligible compensation and their contributions invested in a designated balanced fund, which is based on the participant’s expected retirement date, until changed by the participant. In 2021 and 2020, the Company made employer matching contributions equal to 50% of the first 6% of participants’ elective deferral contributions in the amounts of \$952,480 and \$979,550, respectively. In 2021 and 2020, the Company also made discretionary nonelective contributions equal to 3% of participants’ eligible compensation, as defined by the Plan, which amounted to \$999,352 and \$997,566, respectively.

Effective January 1, 2022, the Plan was amended to increase the employer matching contributions equal to 100% of the first 8% of participants’ elective deferral contributions.

INFICON INC. 401(k) PLAN

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Participant Accounts: Each participant's account is credited with their elective deferral contributions, allocations of the Company's matching and discretionary nonelective contributions, Plan earnings and losses and a participant's loan activity. Participant accounts are also charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their elective deferral contributions and the Company's discretionary nonelective contributions, plus the actual earnings or losses thereon. Vesting in the employer matching contributions and the earnings or losses thereon is based on years of continuous service. A participant is 100% vested after six years of credited service (20% vesting annually, starting in the second year of continuous service).

Receivables--Notes From Participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless for the purchase of a primary residence, in which case, the maximum duration of the loan may be up to ten years. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 0.5%. Principal and interest are paid ratably through payroll deductions.

In response to the novel coronavirus ("COVID-19") pandemic, the Plan implemented the following provision of the Coronavirus Aid, Relief and Economic Security ("CARES") Act that was signed into law on March 27, 2020 to help those participants impacted by COVID-19:

- Participants with an outstanding loan on or after March 27, 2020 may have qualified to defer loan repayments until December 31, 2020 and may have extended the term of the loan by one year.

Payment of Benefits: Upon termination of a participant's employment for any reason, including death, disability or retirement, a participant or their beneficiary, if applicable, may elect to receive either a lump-sum cash distribution, a direct rollover distribution, or a combination of both equal to the value of the participant's vested interest in his or her account. If a participant's vested account balance is between \$1,000 and \$5,000, and the participant fails to make a distribution election, a lump-sum amount will be rolled over to an individual retirement account without their consent. If a participant's vested account balance is \$1,000 or less, and the participant fails to make a distribution election, a lump-sum amount will be paid to the participant without their consent.

December 31, 2021 and 2020

NOTE A--DESCRIPTION OF THE PLAN--Continued

Payment of Benefits--Continued: As a result of the CARES Act, the Plan implemented the following provisions:

- Participants were permitted to take a distribution up to \$100,000 from the Plan beginning on or after March 27, 2020 and before December 31, 2020.
- Participants and beneficiaries may have elected to suspend required minimum distributions for the 2020 plan year.

Forfeited Accounts: Employer matching contributions from forfeited nonvested accounts are retained by the Plan and used to offset future employer contributions to the Plan. At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$52,935 and \$40,598, respectively. During 2021 and 2020, employer contributions were reduced by \$87,177 and \$57,041, respectively, from forfeited nonvested accounts.

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Retirement Plan Committee determines the Plan's valuation policies utilizing information provided by the Plan's trustee and recordkeeper. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains on investments bought and sold as well as held during the year.

INFICON INC. 401(k) PLAN

December 31, 2021 and 2020

NOTE B--SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES--Continued

Receivables--Notes From Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 or 2020. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Payment of Benefits: Benefit payments are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of receivables--notes from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation in fair value of investments.

Events Occurring After Reporting Date: The Plan's management has evaluated events and transactions that occurred between December 31, 2021 and September 30, 2022, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements. Other than the subsequent events disclosed in Notes A and G, there were no such events or transactions identified by the Plan.

NOTE C--FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") Topic 820, "Fair Value Measurements and Disclosures", are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTES TO FINANCIAL STATEMENTS--Continued

INFICON INC. 401(k) PLAN

December 31, 2021 and 2020

NOTE C--FAIR VALUE MEASUREMENTS--Continued

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Shares in registered investment companies: Valued at the daily closing price as reported by the registered investment companies. The registered investment companies are open-ended and are registered with the Securities and Exchange Commission. Registered investment companies are required to publish their daily net asset value (NAV) and transact at that price. The shares held in registered investment companies are deemed to be actively traded.

Collective trust: Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the trustee reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

NOTE C--FAIR VALUE MEASUREMENTS--Continued

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2021 and 2020.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

Investments at Fair Value as of:				
December 31, 2021				
	Level 1	Level 2	Level 3	Total
Shares in registered investment companies	\$ 107,060,839	\$ -0-	\$ -0-	\$ 107,060,839
Collective trust measured at net asset value ^(a)				<u>5,056,645</u>
Total investments measured at fair value				<u>\$ 112,117,484</u>
December 31, 2020				
	Level 1	Level 2	Level 3	Total
Shares in registered investment companies	\$ 90,922,232	\$ -0-	\$ -0-	\$ 90,922,232
Collective trust measured at net asset value ^(a)				<u>6,788,682</u>
Total investments measured at fair value				<u>\$ 97,710,914</u>

- (a) In accordance with FASB ASC Topic 820-10, the collective trust, which is measured at net asset value per share (or its equivalent) is not classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE D--INFORMATION CERTIFIED AND PROVIDED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)

The following is a summary of the Plan's asset information as of and for the years ended December 31, 2021 and 2020, included throughout the Plan's financial statements and ERISA-required supplemental schedule, obtained by management and agreed to or derived from information certified by Fidelity Management Trust Company ("Fidelity"), the trustee of the Plan. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following assets.

NOTE D--INFORMATION CERTIFIED AND PROVIDED BY FIDELITY MANAGEMENT TRUST COMPANY (UNAUDITED)--Continued

Fidelity also certified to the completeness and accuracy of \$9,445,780 and \$15,025,719 of net appreciation in fair value of investments, \$6,714,693 and \$2,837,696 of dividends and \$20,816 and \$25,969 of interest income on receivables--notes from participants for the years ended December 31, 2021 and 2020, respectively.

NOTE E--RELATED PARTY AND PARTY IN INTEREST TRANSACTIONS

The Plan invests in shares of registered investment companies managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party in interest transactions. Investment fees paid by the Plan for investment management services are included in net appreciation in fair value of investments within the statements of changes in net assets available for benefits.

Fidelity provides certain administrative services to the Plan pursuant to a Retirement Plan Service Agreement between the Plan Sponsor and Fidelity. Fidelity receives revenue from the investment service providers for services Fidelity provides to the investment funds.

Fees incurred by the Plan for the trustee services are included in administrative expenses and totaled \$77,028 and \$48,200 for the years ended December 31, 2021 and 2020, respectively. The Plan Sponsor pays directly any other fees related to the Plan's operations.

NOTE F--PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account balance.

NOTES TO FINANCIAL STATEMENTS--Continued

INFICON INC. 401(k) PLAN

December 31, 2021 and 2020

NOTE G--TAX STATUS AND SUBSEQUENT EVENT

Effective February 24, 2022, the Plan adopted a non-standardized form of a prototype plan sponsored by Fidelity. The prototype plan provider has received an opinion letter from the IRS dated June 30, 2020 as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. Prior to February 24, 2022, the Plan had adopted a volume submitter plan sponsored by Fidelity. The volume submitter plan provider had received an advisory letter from the IRS dated March 31, 2014 as to the volume submitter plan's qualified status. The volume submitter plan advisory letter had been relied upon by the Plan. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE H--RISKS AND UNCERTAINTIES

The Plan invests in shares of registered investment companies and units of a collective trust. The Plan's investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

On March 11, 2020, the World Health Organization declared the outbreak of COVID-19 as a global pandemic. The ongoing impact of COVID-19 on the Plan's financial statements remains uncertain and will depend on future developments, including the duration of the outbreak, related advisories and restrictions. Plan management is not able to estimate any potential impact on the Plan's financial statements.
