INDEPENDENT AUDITORS' REPORT

To the Trustee, Plan Administrator and Participants
Dan Klores Communications, LLC 401(k) Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Dan Klores Communications, LLC 401(k) Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Dan Klores Communications, LLC 401(k) Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from Charles Schwab Bank, the trustee of the Plan (the "Trustee"), as of December 31, 2021 and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

(Continued)

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dan Klores Communications, LLC 401(k) Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dan Klores Communications, LLC 401(k) Savings Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

(Continued)

Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dan Klores Communications, LLC 401(k) Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dan Klores Communications, LLC 401(k) Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

DAN KLORES COMMUNICATIONS, LLC 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN

The following description of the Dan Klores Communications, LLC 401(k) Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering all nonunion full-time employees of Dan Klores Communications, LLC (the “Company”) and other entities designated by the Company, who have completed 1,000 hours of service during any Plan year and are age 21 or older. An employee is eligible to enter the Plan after 90 days of employment with the Company. Effective July 1, 2016, Charles Schwab Bank (“Schwab”) became the Plan’s trustee and Sentinel Benefits became the Plan’s recordkeeper. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Investment Advisor, Sentinel Pension Advisors, determines the appropriateness of the Plan’s investment offerings and communicates them to the participants.

Coronavirus Aid, Relief, and Economic Security Act (the “CARES Act”)

The Plan has implemented certain requirements by the CARES Act and the Setting Every Community Up for Retirement Enhancement Act of 2019 (the “SECURE Act”), which laws change the Plan to, among others, allow a penalty-free distribution through December 30, 2020 and suspend outstanding scheduled loan payments until 2021, increase the maximum loan limit for loans taken as a result of the coronavirus disease 2019 (“COVID-19”) through September 22, 2020, and suspend required minimum distributions for the 2020 calendar year, including 2020 payments that would have been required to be made by April 1, 2021, unless elected otherwise. The plan was amended effective July 31, 2022.

Contributions

Participants’ voluntary contributions to the Plan may not exceed specified limits allowed by the Internal Revenue Code (“IRC”) for any calendar year. Participants 50 years of age or older can contribute an additional maximum catch-up contribution. The Company has a discretionary option to match participants’ contributions.

Eligible employees may also elect to roll over distributions from a former employer’s qualified retirement plan to the Plan.

Investment Options

Participants direct the investments of their accounts into various pooled separate accounts offered by Schwab. The Pension Protection Act created the Qualified Default Investment Alternative (“QDIA”), which provides employers a safe harbor from fiduciary risk when selecting an investment for a participant or beneficiary who fails to elect his or her own investment. The Plan has selected the Vanguard Retirement Target Funds as its QDIA.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN (Continued)

Participant Accounts

Each participant's account is adjusted for the participant's contributions, matching contributions, appreciation or depreciation in the fair value of the Plan's assets and related income earned or losses incurred by the Plan. Each participant's account is charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their voluntary contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service.

Forfeitures

Participants who terminate employment prior to being fully vested in the Company's matching contributions forfeit the nonvested contributions and related earnings. Forfeitures of amounts not vested for terminated participants will be used to reduce Company contributions. There were no forfeitures during the year ended December 31, 2021.

Notes Receivable from Participants

If the plan administrator approves, a participant may borrow from the Plan based on the participant's vested account balance. Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance from their fund accounts. The notes are secured by the balance in the participant's account and bear interest of between 5.25% and 7.50%. Principal and interest are paid ratably through monthly payroll deductions.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was passed. Plans are permitted to adopt these provisions immediately, provided the Plan document is retroactively amended on or before December 31, 2022. Plan management has elected to adopt the following provisions:

Loans:

- Increase in maximum loan limit for coronavirus related loans to the lesser of \$100,000 or 100% of the eligible participant's vested balances; effective for 180 days from March 27, 2020.
- For eligible participants, loan repayment for existing loans and new loans can be delayed for up to one year for loans with a repayment due from March 27, 2020 to December 31, 2020.

NOTES TO FINANCIAL STATEMENTS

1 - DESCRIPTION OF PLAN (Continued)

Payment of Benefits

The Plan provides for distributions to participants or their beneficiaries upon the participants' retirement, termination of employment or death, in accordance with the IRC. Participants may withdraw all or any portion of their vested account balance.

Pursuant to the Setting Every Community Up for Retirement Enhancement Act (the "SECURE Act"), which was enacted in December 2019, the age at which required minimum distributions must begin for the plan was increased from 70 ½ to 72, effective January 1, 2020.

In addition, pursuant to the CARES Act, participants who were currently receiving required minimum distributions were offered the option to waive their 2020 payment, and participants who were due to receive the first required distribution in 2020 had their distribution automatically waived. The ability to request special waivers with respect to required minimum distributions under the CARES Act ceased as of December 31, 2020.

On March 27, 2020, the Coronavirus Aid, Relief and Economic Security Act ("CARES Act") was passed. Plans are permitted to adopt these provisions immediately, provided the Plan document is retroactively amended on or before December 31, 2022. Plan management has elected to adopt the following provisions:

Withdrawals:

- Eligible participants may receive up to \$100,000 for withdrawals before December 31, 2020.
- 10% penalty tax for early withdrawal is waived and 20% mandatory withholding [402(f)] is not required. A 10% federal withholding applies unless the Impacted Participant elects to opt out.
- The amount for withdrawal will be included in the Participant's taxable income over a three-year period, unless the participant elects to have it taxed in the year of distribution. Repayment of the withdrawal is permitted if it occurs within three years of distribution. There is no limit to the number of such withdrawals each participant can make.

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates

The plan administrator uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and changes in net assets available for benefits, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when earned. Related fees are recorded as administrative expenses and are expensed when incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a deemed distribution is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

Common Collective Trust Fund

The Plan invests in a common collective trust fund whose underlying assets are fully benefit-responsive investment contracts. This stable value fund seeks to provide preservation of capital and relatively stable returns by investing primarily in short-term investments and investment-grade stable value investment contracts. The underlying investments of the MetLife Stable Value Fund J consist of Conventional Guaranteed Investment Contracts ("GICs") and Synthetic Guaranteed Investment Contracts (wrap contracts) and cash equivalents. The GICs are typically issued with a fixed rate and a fixed maturity date that does not change over the life of the contract, whereas wrap contracts typically reset on a monthly or quarterly basis as negotiated with the issuer and do not have a final stated maturity date. Gains and losses on the underlying portfolio are amortized over the duration of the investment, through adjustments to the future interest crediting rate.

A number of factors can influence future crediting rates of wrap contracts, which may include but are not limited to portfolio cash flows, underlying portfolio performance, current market interest rates for reinvestment, duration posture, change in credit ratings, default or bankruptcy by an asset or wrap issuer, the unexpected receipt of principal and interest payments, extraordinary withdrawals and certain wrap contract terms, including wrap fees.

DAN KLORES COMMUNICATIONS, LLC 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation

Investments in mutual funds are stated at fair value as determined by quoted market prices based on the net asset values ("NAV") held by the Plan at year-end. Investments in the common collective trust fund are valued at contract value, which represents deposits made to the contract plus earnings at guaranteed net crediting rates, less withdrawals.

Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Bank. This information has not been audited by the Plan's independent auditors.

Income Recognition, Management Fees and Operating Expenses

Net appreciation (depreciation) in the fair value of investments includes both realized and unrealized gains and losses, based on the value of assets at the beginning of the year or at the time of purchase during the year.

Management fees and operating expenses charged to the Plan for investments in pooled separate accounts are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees are reflected in the net appreciation or depreciation in fair value of such investments.

Payment of Benefits

Benefits are recorded when paid.

Hardship Withdrawals

The Plan provides for hardship withdrawals, not to exceed an amount required to meet the immediate need created by the hardship, and then only to the extent such immediate need cannot be satisfied by other sources readily available to the participant. Permissible circumstances for hardship withdrawals include education expenses, costs directly related to the purchase of a principal residence, and costs necessary to prevent eviction from the participant's personal residence, and such other circumstances as the plan administrator may determine based on rules set forth in the Internal Revenue Service regulations.

DAN KLORES COMMUNICATIONS, LLC 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Administrative Expenses

Plan expenses not paid by the Company may be paid out of Plan assets provided that such payment is consistent with ERISA.

Subsequent Events

These financial statements were approved by management and available for issuance on October 12, 2022. Management has evaluated subsequent events through this date.

3 - FAIR VALUE MEASUREMENTS

GAAP defines fair value, provides guidance for measuring fair value and requires certain disclosures. GAAP discusses valuation techniques, such as the market approach (comparable market prices), the income approach (present value of future income or cash flow), and the cost approach (cost to replace the service capacity of an asset or replacement cost). GAAP provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three broad levels. The following is a brief description of those three levels:

Level 1: Observable inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices that are observable for the asset or liability, either directly or indirectly. These include quoted prices for similar assets or liabilities in active markets and quoted prices for identical or similar assets or liabilities in markets that are not active.

Level 3: Unobservable inputs that reflect management's own assumptions.

The following is a description of the valuation methodology used for the investments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Mutual Funds

Shares of publicly traded mutual funds are valued at quoted market prices, which represent the NAV of shares held by the Plan at year-end. Investments in mutual funds are Level 1 assets.

Common Collective Trust Funds

The collective investment trust funds are composed of shares or units in commingled funds that are not publicly traded. The underlying assets in these funds are primarily publicly traded equity securities, fixed income securities, and commodity-related securities and are valued at their NAV, as a practical expedient, that is calculated by the investment manager or sponsor

of the fund and have varying liquidity, redemption period notices and other restrictions. This practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

The following tables summarize investment assets measured at fair value:

Mutual funds	\$ 14,698,012	\$ 14,698,012

The fair value amounts presented in this table are intended to permit reconciliation of the fair value of investments in the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

The Plan invests in shares of certain mutual funds and common collective trust funds managed by Schwab for the years ended December 31, 2021 and 2020. Accordingly, these transactions qualify as party-in-interest transactions. During the year ended December 31, 2021, the Plan paid contract administrator fees to Charles Schwab, Sentinel Benefits Group and Sentinel Pension Advisors of approximately \$58,000.

Contract administrator fees are fees paid to a contract administrator for performing administrative services for the Plan. These include the Plan recordkeeper's check charges as well as loan refinance charges. During 2021 and 2020, the Company remitted participant contributions after the time period permitted by ERISA. A nominal amount for rate of return loss on the late payments in 2020 for the number of days late, using a rate determined by the Department of Labor (based on the IRC), was reimbursed by the Company during 2021. The Company is in the process of calculating the rate of return loss on the late payments in 2021 for the number of days late. The Company is in the process of implementing procedures to remit participant contributions in accordance with ERISA regulations.

Audit services provided to the Plan by Friedman LLP are paid for by the Company, the plan sponsor, and are not charged back to the Plan.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation, recordkeeping and financial reporting of the Plan. The Company pays these individuals' salaries and also pays other administrative expenses on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan.

DAN KLORES COMMUNICATIONS, LLC 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

5 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6 - RISKS, UNCERTAINTIES AND CONCENTRATIONS

The Plan provides for various investment options in investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

The Plan may invest in securities with contractual cash flows, such as asset-backed securities, collateralized mortgage obligations and commercial mortgage-backed securities, including securities backed by subprime mortgage loans. The value, liquidity and related income of these securities are sensitive to changes in economic conditions, including real estate value, delinquencies or defaults, or both, and may be adversely affected by shifts in the market's perception of the issuers and changes in interest rates.

The Mutual Funds represent 90% of and the Mutual Funds hold three investments of 23%, 14%, and 14% of the net asset balance at December 31, 2021.

The Common Collective Trust Funds represent 10% of the net asset balance at December 31, 2021.

The Mutual Funds represent 88% of and the Mutual Funds hold four investments of 15%, 12%, 13%, and 21% of the net asset balance at December 31, 2020.

The Common Collective Trust Funds represent 13% of and the Common Collective Trust Funds hold one investment of 12% of the net asset balance at December 31, 2020.

During the year ended December 31, 2020, the COVID-19 pandemic sparked an unprecedented global health and economic crisis. The volatility in financial markets resulting from the COVID-19 pandemic has affected, and may continue to affect, the market price of Plan investments; however, the ultimate impact on the Plan is uncertain and will depend on future developments. In response to the COVID-19 pandemic, the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act") was signed into law in March 2020. The CARES Act contains several provisions that temporarily impact retirement savings plans. These provisions may be effective and operationalized immediately, prior to amending the retirement savings plan.

DAN KLORES COMMUNICATIONS, LLC 401(k) SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS

7 - TAX STATUS

In connection with the revised adoption agreement, the Company adopted a non-standardized pre-approved profit sharing plan offered by CCH Incorporated. The Internal Revenue Service (“IRS”) has determined in its latest opinion letter dated November 30, 2020, that the pre-approved profit-sharing plan is designed in accordance with applicable sections of the IRC. Although the Plan has been restated since receiving the determination letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
