Independent Auditor's Report

The Plan Committee Members of
VIZ Media, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of VIZ Media, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at end of year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 1, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

VIZ Media, LLC 401(k) Plan

Notes to Financial Statements

December 31, 2021 and 2020

1. Description of Plan

The following description of the VIZ Media, LLC (the “Company” or “Plan Administrator”) 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan provisions.

General – The Plan is a defined contribution plan and contributions to the Plan are authorized under Section 401(k) of the Internal Revenue Code (“IRC”). AXA Equitable Life Insurance Company (“Equitable”) entered into a trust agreement with Reliance Trust Company (“Trustee”), the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Eligibility – All employees, excluding interns, certain nonresident aliens and employees who are covered by a collective bargaining agreement who have attained the age of twenty-one during the Plan year are eligible to participate in the Plan. There is no minimum service requirement to participate in the Plan. Employees become eligible and are automatically enrolled in the Plan (1) on or after the automatic deferral provisions effective date or (2) if the participant who was previously automatically enrolled under a prior Plan document has not made a salary deferral election or election not to defer.

Effective January 1, 2022, the Plan lowered the minimum eligibility age requirement from twenty-one years to eighteen years.

Contributions – Participants may elect to make contributions to the Plan as a specific percentage of their compensation or dollar amount, to be credited to the participants’ deferral account, subject to a maximum of \$19,500 for 2021 and 2020 as set forth by Section 401(g) of the IRC. Participants who have attained age fifty before the end of the Plan year are eligible to make an additional \$6,500 (“catch-up contribution”) in 2021 and 2020 above the annual limit. The Company provides a discretionary pro-rata matching contribution (“Matching Contribution”) as a uniform percentage of Plan compensation. The Company provided a Matching Contribution of \$0.50 per \$1.00 of each participant’s contribution, up to 3% of the participant’s annual compensation, in 2021 and 2020. The Company may also make a discretionary contribution (“Employer Contribution”) as a uniform percentage of compensation for all eligible participants.

Effective January 1, 2022, an employee must be employed on the last day of the Plan year to receive the Employer Contribution for such Plan year.

There was no Employer Contribution made during 2021.

VIZ Media, LLC 401(k) Plan

Notes to Financial Statements (continued)

Vesting – Participants are 100% vested in their account attributable to their salary deferrals and rollovers plus actual earnings thereon. Participants are 100% vested in the Matching Contributions and Employer Contributions immediately after such amounts are contributed to the Plan.

Effective January 1, 2022, participants are 50% vested after one year of service and fully vested after two or more years of service in their Employer Contributions.

Participant Accounts – Each participant's account is credited with the participant's contributions, the Company's contributions, and a pro rata share of investment income earned by the respective investments into which the participants have directed their account balances. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the vested portion of the participant's account.

Investment Options – Participants may direct the investment of their accounts by choosing among the investment options allowed under the Plan. The Plan currently offers investments in various pooled separate accounts and a guaranteed account. Participants may change investments and transfer amounts between funds daily.

Notes Receivable from Participants – Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of the lesser of \$50,000 or 50% of their total vested account balance on the date the loan is granted. Loan terms may not exceed five years, except for the purchase of the participant's principal place of residence, as defined. The loans are secured by the balance in the participant's account and bear a reasonable rate of interest that is based on the prime rate plus 1% point published in The Wall Street Journal on the first business day of each month. Repayment of principal and interest is made through payroll deductions.

At December 31, 2021, the interest rates ranged from 4.25% to 5.75% with maturities at various dates through 2025.

Payment of Benefits – On termination of service due to retirement, death, disability, or for other reasons, a participant may elect to receive either a lump-sum amount equal to or partial distributions of a portion of the vested balance in his or her account as specified in the Plan.

Forfeited Accounts – Forfeited non-vested amounts are used to pay Plan expenses or to reduce the employer matching contributions. The forfeiture account balances were zero and \$1,834 as of December 31, 2021 and 2020, respectively. During the year ended December 31, 2021, \$2,200 was used to pay Plan expenses and to reduce employer matching contributions.

VIZ Media, LLC 401(k) Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on an accrual basis of accounting.

Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting year. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – The Plan holds one investment contract (Guaranteed Interest Option; the “GIO”) with Equitable which maintains the contributions in a general account. The contract value represents contributions or transfers made under the contract, plus interest, less participant withdrawals, and administrative expenses.

The units of pooled separate accounts as of December 31, 2021 and 2020 are stated at net asset value (“NAV”) as a practical expedient, as determined by the issuer of the account based on the fair value of the underlying investments. Individual participant accounts invested in pooled separate accounts are maintained on a unit-value basis.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan’s gains and losses on investments purchased and sold as well as held during the year.

Risks and Uncertainties – The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants’ account balances and the amounts reported in the statements of net assets available for benefits.

Notes Receivable from Participants – Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participants’ loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make loan repayments and the Plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded. Related fees are recorded as administrative expenses and are expensed when they are incurred.

VIZ Media, LLC 401(k) Plan

Notes to Financial Statements (continued)

Accounts Payable – The Plan had amounts due to a participant for deferral contributions of \$6,868 as of December 31, 2020 and had no amounts due as of December 31, 2021.

Excess Contributions Payable – Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service (“IRS”) are recorded as a liability with a corresponding reduction to contributions. The Plan distributed excess deferral contributions of \$2,325 to the applicable participant for the year ended December 31, 2020. There were no excess contributions payable for the year ended December 31, 2021.

Payment of Benefits – Benefits are recorded when paid.

Expenses and Fees – Expenses and fees of the Plan are paid by either the Plan or the Company, as provided by the Plan document. Total expenses and fees incurred by the Plan amounted to \$57,722 for the year ended December 31, 2021.

Subsequent Events – The Plan has evaluated subsequent events through October 7, 2022 (report date), the date that the financial statements were available to be issued. Management has determined that there are no subsequent events required to be recorded or disclosed except for eligibility, contributions and vesting matters noted in Note 1.

3. Amounts Certified by Trustee (Unaudited)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s (“DOL”) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following is a summary of the unaudited information that was certified by Equitable, as complete and accurate as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

- Statements of Net Available for Benefits — Investments of \$24,935,281 and \$18,040,742 as of December 31, 2021 and 2020, and notes receivable from participants of \$38,803 and \$51,305 as of December 31, 2021 and 2020, respectively.
- Statement of Changes in Net Assets Available Benefits — Interest and dividend income of \$12,566, interest income on notes receivable from participants of \$2,140, and net appreciation in fair value of investments of \$2,995,736 for the year ended December 31, 2021.
- Note 4 – All investment balances and information in the note, excluding classification by level.
- Supplemental Schedule — Schedule of Assets (Held at End of Year) as of December 31, 2021.

VIZ Media, LLC 401(k) Plan

Notes to Financial Statements (continued)

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB Accounting Standards Codification (“ASC”) 820, “Fair Value Measurements,” are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020:

Pooled separate accounts: The pooled separate account is valued at NAV of the fund shares, which is calculated based on the valuation of the funds’ underlying investments at fair value at the end of the year. The investments are public investment vehicles, which are valued using the NAV provided by the Trustee, acting as the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, excluding transaction costs, minus its liabilities, and then divided by the number of shares outstanding.

Guaranteed interest option: GIO is a general account which provides rates of interest which are declared periodically by the issuer, as discussed in Note 5.

VIZ Media, LLC 401(k) Plan

Notes to Financial Statements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Guaranteed interest option	\$ -	\$ -	\$ 895,779	\$ 895,779
Investment at NAV (a):				
Pooled separate accounts				24,039,502
Total investments at fair value				<u>\$ 24,935,281</u>

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Guaranteed interest option	\$ -	\$ -	\$ 936,912	\$ 936,912
Investment at NAV (a):				
Pooled separate accounts				17,103,830
Total investments at fair value				<u>\$ 18,040,742</u>

(a) In accordance with ASC Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The valuation methods as described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Annuity Contract with Insurance Company

The Plan invested in a GIO with Equitable. Equitable maintains the contributions in a general account. The general account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified minimum interest rate that is guaranteed to the Plan.

VIZ Media, LLC 401(k) Plan

Notes to Financial Statements (continued)

The GIO does not provide for a defined maturity date. In addition, although the GIO provides for a minimum guaranteed interest rate, the actual rate of interest credited during the time over which funds are invested in the GIO option is declared periodically and therefore is subject to change. Further, withdrawals for participant benefits from the GIO are permitted as specified in the contract and are not subject to any market value adjustment.

The value in the GIO at any time will equal participants' contributions and transfers to the GIO, plus interest, minus withdrawals and transfers out of the GIO and Equitable administrative charges.

All interest rates are effective annual rates, before the deduction of annual administrative or other withdrawal charges. The annual minimum guaranteed interest rate will never be less than the lifetime minimum guaranteed interest rate which is 1.0%. The GIO crediting rate was 1.50% and 1.75% as of December 31, 2021 and 2020, respectively.

6. Related Party Transactions and Party-in-Interest Transactions

The Plan's investments in the pooled separate accounts and the GIO are both managed by AXA Equitable Management Group LLC. Fees paid by the Plan for investment management services are included as a reduction of the return earned on each fund. Transactions in such investments qualify as exempt party-in-interest transactions. At December 31, 2021 and 2020, the fair market value of the pooled separate accounts and mutual funds issued by the related party were \$24,039,502 and \$17,103,830, respectively. Any purchase and sale of these funds are open market transactions at fair value. Expenses and fees paid to Equitable during the year ended December 31, 2021 were \$57,722. Notes receivable from participants are also considered party-in-interest transactions which amounted to \$38,803 and \$51,305 as of December 31, 2021 and 2020, respectively.

7. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan's provisions to discontinue its contributions at any time and terminate the Plan, subject to the provisions of ERISA. In the event of the Plan's termination, participants will become 100% vested in their accounts.

8. Tax Status

On March 31, 2014, the IRS stated that the prototype adopted by the Plan, as then designed, qualified under Section 401(a) of the IRC. The Plan has not received a determination letter specific to the Plan itself; however, the Plan Administrator believes that the Plan is designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements. The Plan has been amended since the last opinion letter was received. The Plan Administrator continues to believe that the Plan is being operated in accordance with the IRC.

VIZ Media, LLC 401(k) Plan

Notes to Financial Statements (continued)

U.S. GAAP requires the Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2018.

9. SECURE Act

The Setting Every Community Up for Retirement Enhancement (“SECURE”) Act was enacted in December 2019 and most provisions in the law became effective January 1, 2020. In compliance with the SECURE Act, the Plan Committee adopted the provision which affects distributions to former employees. Effective for participants who turn age 70 1/2 after December 31, 2019, the Plan will make required minimum distributions (RMDs) no later than April 1 in the year after the participant reaches the age of 72. The Plan adopted the qualified birth or adoption distributions provision allowed by the SECURE Act on August 26, 2020.
